Chapter 2187

Lujia Manor.

The busy people have already retreated. At this time, in the room, only the senior family members of the Lu Family were still standing here.

In front of him, Lu Mingfeng's body was lying quietly.

The scar under the neck is shocking.

“Master Lu, I have already checked it. The cause of Master Lu's death was the wound under his neck.”

“I think the incision should be a sharp weapon such as a sword, and the throat was sealed instantly.”

After careful investigation, a man in a white coat in front of him took off his gloves, and he spoke to the Lu family in a heavy color behind.

“Impossible?” “Mingfeng has many bodyguards around him. This time the family sent him to Noirfork, and even the Xu family's strong men secretly protected.”

“The so-called Mr. Noirfork Chu, could it be possible to protect Ming through layers of protection. Feng Yijian seals his throat?” After hearing the analysis of the doctor in front of him, a middle-aged man frowned.

“Possibly, because the young master was unprepared, the sneak attack succeeded, right?” The doctor secretly guessed.

After examining the body, the Lu family also told the doctor to retreat.

After all, the next conversation will be an important decision for the design family, and outsiders are not suitable for listening.

“Big brother, what should I do now?” “Mingfeng is dead. The people who came back said that he died in the hands of Mr. Jiang Dongchu.”

“Should we send someone over, or should we use judicial means to remove Mr. According to the law?” In the Lu family, although the old man is highly respected, but after all, he is old, and he has long ignored family matters.

Today the head of the Lu family is still Lu Mingfeng's father, Lu He.

However, today's Lu He, after seeing his son's corpse, although his heart is like a knife, he is not as gloomy and angry as the old man Lu.

After all, he is a high-ranking person in the Vietnamese power system. Years of factional struggles have long made his mind calm and restrained.

Even after experiencing the pain of losing his son, Lu He still maintained the greatest calm and composure.

"Investigate this matter first."

"As for how to make a decision, wait until the ins and outs of the matter have been investigated."

"Prior to this, it is strictly forbidden for anyone to act arbitrarily!" "In particular, you must not use your power to avenge your personal revenge. "Do you all know?" Lu He said in a deep voice to the Lu family in front of them.

Lu Mingfeng's uncles didn't say anything, but when Lu Mingfeng's mother heard it, she cried to Lu He, "What is there to investigate?" "The truth lies here."

"It's the Noirfork thug, kill "Those thugs deserve death!" "As Mingfeng's father, you don't know how to avenge your son, but you still have to investigate and talk about it later?" "You are a father, in your heart? No guilt?" In the room, the woman hugged her son's corpse, and screamed at Landing in tears.

In the entire Lu family, except for Mr. Lu, this woman also felt the man in front of him screaming, right?

"Ying'er, you go down first, I will take care of this matter."

"Come on, send the madam back to the room to rest."

Lu He did not get angry, and said calmly.

After all, he had just experienced the pain of losing a child, and he understood her feelings as a mother.

However, who would have thought that the woman in front of him directly and rudely pushed away the person who came to support him.

Her brows were flushed and her face was full of tears. She screamed at Lu He as if she was crazy: "I will not go. I will not go until my son's revenge is not reported."

Chapter 2188

"I don't care, Lu He, you must give an order to arrest all those thugs tonight."

"Not only to arrest that Mr. Chu, but also to arrest his parents, arrest his wife and daughter, I want his family and give my son Mingfeng is buried with them."

"I want them to die~" "Third brother, you used to report in Noirfork before. There must be someone on your side."

"Now, use your relationship immediately to arrest all those people. Bring it to Gritsberg."

“Hurry up~” The woman gritted her teeth and roared. In her words, there was endless anger and viciousness.

“it is good..

Okay, sister-in-law, I’m going now.

“The third son of the Lu family naturally didn’t dare to disobey, not to mention that the woman in front of him was his sister-in-law. What’s more, the person who died was his nephew. As his uncle, he also has the responsibility to stand up for his nephew. “No, I won’t Don’t worry about the people in Noirfork, second brother, you too, immediately dispatch the Gritsberg police force to arrest people across the province!

“The second son of the Lu family is the leader of the industrial safety department. It is natural for him to come forward for arresting people. “Good sister, don’t worry, I will bring those thugs to justice tonight!”

After speaking, Lu Mingfeng’s two uncles turned around and walked outside. It seemed that they were about to act on Noirfork immediately. “Stop for me!

“What I just said, did you all fart?”

“However, who would have thought that at this moment, Lu He gave a low drink. Amidst the low anger, there was majesty and sullenness. The two people who had sworn to arrest people across the province just now stood there. In this house. , Lu He has absolute majesty. After all, Lu Mingfeng’s two uncles have limited abilities. If it weren’t for their eldest brother’s shadow, they would definitely not be in their position today. So, Lu He, the two of them, naturally I dare not listen. “But big brother, Mingfeng is our nephew, and we are uncles. We can’t watch him die in vain and be indifferent, right?

“The third of the Lu family said bitterly. “Everything must be right or wrong. If it is wrong to others, my father will naturally not give up easily.”

“But if it is, Mingfeng is wrong, don’t you wrong the good guys for such behavior?”

“So, after investigating this matter, no one should act rashly!”

“If anyone disobeys, the family law will take care of you!”

“Lu He said this decisively, with indisputable majesty. His two younger brothers had no choice but to lower their heads and did not dare to make any more movements. But the woman didn’t care about this, she is now I just want revenge. So, after seeing her second and third child being stopped by Lu Hehe, the woman went crazy and rushed to Lu Hehe. “Lu He, you have no conscience, you are in vain as a father~” Your son is dead, and you still refuse to avenge him.

“Well, if you don’t go, I will go by myself.”

“I just killed my old life, I want to avenge my son~”

The woman was crying and making trouble, shouting at Lu He like a shrew.

“Enough!” Lu He seemed to have run out of patience, so he pushed the woman to the ground and shouted angrily.

“a*shole thing, what kind of bear is your son, you don’t have any idea in your heart?” “In these years, how many disasters this rebellious son has caused to my Lu family, don’t you know it yourself?” “If he was not born in the Lu family, he He’s countless crimes are ten lives, and he has been shot long ago.”

“This time, if someone else’s fault is committed, I will definitely pursue it.”

“But if the wrongdoer is wrong, it can only be said that he is more than guilty!”
