"Granny, you assume I'm kidding, however I'm telling you the truth," Samuel stated gently.

"I actually can't stand a pinhead like you. You said you got the invitation of the Tian Changsheng. Why?" Harvey checked out Samuel as well as stated impatiently.

"That's possible. He's the one that thinks highly of me," Samuel said.

Exactly how could the Sue household have such a pinhead marrying right into their household? These words only came from within the Sue family. If news of this got out, the Sue household would end up being the laughing supply of the whole Cloud City.

"Samuel, shut up. I feel sick when I hear you talk with me. Consider on your own in the mirror and also see what you resemble. Are you attempting to disgust us by stating something like that?" Yara considered Samuel with an ashamed appearance.

Why would the participants of the Heavenly Family unexpectedly pertain to the Sue family members? Could it be ...?

"Quick, welcome them in," the old woman claimed excitedly.

Eventually, a middle-aged guy pertained to the living room with an invite card in his hand. When the relatives of the Sue family saw it, they were all stunned.

Nevertheless, his mindset was very natural in the eyes of the Sue household. He was sent out by the Heavenly household.

Harvey walked excitedly towards the middle-aged guy, however was reprimanded by the old lady midway, "Harvey, what are you doing?"

She took the invite letter from his hand and claimed, "Help me say thanks to the old male. Thank him for giving the Sue family this chance."
