Chapter 2193

Of course, in this storm, the only ones who bear the brunt are the ruffians on the street.

Powerful guys like Ericson and Lei Laosan who are already on the top of total power will never fall in a short period of time.

At most, the following businesses have been affected.

However, this impact is of no consequence at all and cannot affect the overall situation.

It is people in the system like Ferguson Wu who have really suffered a huge impact.

However, the secular world is still calm at this time.

Moreover, as the wedding of Mark and Helen Qiu approached, Noirfork, who had been silent for several days, undoubtedly began to clamor.

And Ericson became more and more busy.

After all, the guests, the banquet, the setting of the scene, the traffic control and the surrounding security, all sorts of things are weighed on Ericson.

This is Mr. Chu's wedding, the most important thing in life, how can Ericson slack off?

However, fortunately, his sister Li Xueqi helped him share a lot of pressure.

All preparations, also counted the day before the wedding, ended smoothly.

Next, everything is ready, just wait for tomorrow to come.

At this time, it is dusk.

Tomorrow will be Mr. Chu's wedding banquet.

After working for a few days, Ericson just sighed in a long sigh of relief, lying in the bathtub, listening to the opera while taking a relaxing bath.

The gurgling water washes away the exhaustion.

However, just when Ericson was relieved, a call came.

Then, Ericson's expression changed.

Even if Xuan left the Li Family Manor alone, he did not let the bodyguards accompany him, let alone the driver to pick him up. He wore sunglasses and a black windbreaker, and disappeared into the night like this.

Chapter 2194

Finally, outside an old theater on the outskirts of Wrilfill, Ericson's figure appeared again.

The history of this theater has been decades.

Before, when Ericson hadn't made his fortune, he had been watching a show here.

It can be said that this theater has accompanied Ericson through his most difficult period.

Later, with the support of Mark, Ericson was on the same stage.

But even if he later became the leader of Wrilfill, his hobby of listening to operas remained the same.

In his spare time, Ericson will come back here to listen to the drama alone.

"Old Li, here it is."

"Hurry in, it's already open, the Henan opera you like most."

The owner of this theater obviously knew Ericson, and after seeing Ericson, he smiled and greeted like an old friend.

No flattery, no flattery.

Talking like two close friends.

"Well, Lao Zhang, your health is okay."

Ericson also smiled back. After so many years, many things have changed.

But only, Lao Zhang's attitude towards himself has not changed.

When he was humble, he was so passionate.

He became the second master of Wrilfill Li, and he was still so passionate.

“Don’t worry, my old Zhang will live longer than you.”

“Haha~” After a brief greeting, Ericson also entered the theater.

In the old hall, there were only three or two people in the audience.

Add up to not as much as there are actors singing on the stage.

But Ericson was not surprised. After he entered, he swept his eyebrows from the audience, and finally walked straight to a man in the corner.

“Second Lord, you are here.”

When Ericson arrived, the man was still listening to the play.

“Wu Shi, why, do you also like to listen to Henan Opera?” Ericson sat down from the side.

Yes, the man beside him is not someone else, but Ferguson Wu, the Lord of Wrilfill.
