

Chapter 2199– 2200 of A Dish Best Served Cold Novel

Chapter 2199

Just when everyone felt that the real estate business was wealthy.

Among the crowd, there was a woman who was shocked when she heard it.

If Helen Qiu were here, she would definitely recognize it at a glance, and the woman in front of her was his second aunt, Jiang Hong.

The Qiu family were naturally familiar with the name Leonard Chu.

In the Qiu family, only on the popularity, except for Mark, it is Leonard Chu.

Back then, Terrisa Qiu, the fourth youngest of the Qiu family, went to the rich second generation, but among the relatives of the Qiu family, it caused quite a stir.

At that time, all the people in the Qiu family's houses looked at Terrisa Qiu's family with admiration.

Everyone once thought that Terrisa Qiu was about to marry into a wealthy family and fly to the branches to become a phoenix.

At that time, Terrisa Qiu was undoubtedly the most enviable existence among the Qiu family sisters.

On the contrary, Helen Qiu of the third family was not interested.

However, who would have thought that good fortune would trick people.

After a long time, Terrisa Qiu was abandoned by the Chu Family Young Master. Instead, Helen Qiu, who had never been optimistic before, became the chief president of the Hundred Billion Group, relying on her husband Mark.

“Thirty years in Hedong and 30 years in Hexi.”

“This world has changed, and it's really embarrassing~” Jiang Hong sighed in his heart, and then returned to the old house of the Qiu family.

Almost all assets of QMove Logistics have been sold to repay debts.

The only thing left is the dilapidated old house in front of me.

Several of Helen Qiu's uncles are now crowded into this courtyard built in the last century.

After Jiang Hong returned, he told Terrisa Qiu what he had seen and heard on the road.

"What?" "Leonard is getting married?" "No, it's impossible."

"Leonard said he would come back to find me. He said that he saved enough money and took control of the company, and he would persuade his parents to marry me. "He can't get married, absolutely impossible~" After hearing this, Terrisa Qiu's beautiful eyes turned red.

Before the Qiu family suffered an accident, the wedding of Leonard Chu and Terrisa Qiu was naturally put on hold.

Originally, the Chu family were very dissatisfied with Terrisa Qiu, but when the Qiu family fell into disarray, Leonard Chu's parents naturally disagreed with this marriage.

At that time, Leonard Chu still had his heart on Terrisa Qiu's side, and he did not listen to advice at all.

In furious Friedman Chu, he directly froze Leonard Chu's bank account and cut off all his sources of income. Even the house where he and Helen Qiu lived outside was taken back by Friedman Chu.

No way, Leonard Chu, who had cut off his financial source, had to bow his head to his parents, obediently left Terrisa Qiu and returned to the family.

However, when he left, Leonard Chu gave Terrisa Qiu a promise that after a few years, he had saved enough money and took control of the family business, and he would definitely come back to marry her.

Therefore, for more than half a year, Terrisa Qiu has been waiting, and has been fantasizing about marrying into a wealthy life in the future.

However, who would have thought that when he got the news from Leonard Chu, it was actually his wedding.

Obviously, the bride is not her.

Otherwise, she couldn't be ignorant of the news.

"Hey~" "Terrisa, don't be stupid."

"Think about it and know that the young master of the Chu family lied to you at the beginning."

“Now that our Qiu family has fallen, we have offended the Mufan Group.”

“Leonard’s. Parents, they are quite critical of you, and now they will not agree to let you enter the Chu family as a young woman.”

“So Terrisa, accept the reality.”

Chapter 2200 Terrisa Qiu’s Unwillingness

“With your looks, even if you can’t marry into a wealthy family, it should be easy to marry into a well-off family.”

“In the future, you will take care of yourself, find an honest person to marry, and then live a stable life. That’s right.”

Jiang Hong and other Qiu family members tried to persuade them.

From the beginning, they knew that Leonard Chu was lying to her.

But Terrisa Qiu always had illusions.

Now that the disillusionment is disillusioned, it is conceivable that Terrisa Qiu’s heart has been shocked.

However, just when Jiang Hong and others were comforting her, who could have thought that Terrisa Qiu, who was still crying just now, pushed Jiang Hong away and yelled at them.

“Liar, you guys must be jealous of me, don’t want me to marry a rich family, don’t want to see me get better, so you lie to me, fool me.”

“Leonard loves me, he will not marry others.”

“I Terrisa Qiu is destined to be a wealthy wife.”

“Other families are not good enough for me, they are not good~” Terrisa Qiu shouted angrily, and then ran out crying.

No one knows, where is she going?

“Terrisa, Terrisa, where are you going?” “Terrisa~” Terrisa Qiu’s parents were also frightened, and hurriedly chased them out.

In the old house, Jiang Hong was pushed to the ground by Terrisa Qiu just now, and was groaning in pain.

“Oh~” “It hurts me to death!” “This movie of a dead girl, it’s really ruthless to start.”

“Want to marry a rich family?” “I just dreamed!” “Don’t pee to see what your own virtues are?” “I don’t have the princess’ life, but I got the princess’ disease.”

“Now it’s abandoned by others, and it deserves it!” “Snobbish women like this, if it were my son, I wouldn’t let him marry this kind of bastard.”

While getting up from the ground, Jiang Hong cursed viciously at the direction where Terrisa Qiu’s family had left.

“Okay, don’t say a few words.”

At this time, Old Man Qiu seemed to be disturbed by the movement here, and after hearing Jiang Hong’s words, he suddenly yelled.

“Say less?” “Why do you want to say less!” “Am I wrong?” “Don’t you know what shitty virtue is your granddaughter?”

“Not only Terrisa Qiu, but also her mother Silviana Wang, these girls are just broom stars, who worship gold.”

“Helen is such a good child who was forced to leave by this shameless wife.”

“If it was Helen. Without being forced to leave, Qiu Shui Logistics will go bankrupt and close?” “My Qiu family has a tens of millions of family business, will it fall to this point?” “Enough!” Old man Qiu shouted again, his old face flushed with anger, “I will let you silence, you Didn’t you hear?” “I’m going, your old man is still angry?” “Old man, besides the fourth one, you are the old man, and you are the least qualified to yell at us!” “Back then, if not You were blinded and reused idiots like Terrisa Qiu, but instead squeezed Helen away. Now the Noirfork First Group is not Mufan Group, but the Qiu Shui Logistics of our Qiu Family!” “And our Qiu Family , Will also become the No. 1 rich man in Noirfork.”

“Rather tSherry Hanving here like the bereavement dog like it is now!” “The Qiu family is ruined like this, your old man has the greatest responsibility.”

“If I were you, I would Run to the south wall and hit him to death, to thank future generations!” Jiang Hong said very ugly, and every sentence was like a knife, thrusting into the heart of Old Man Qiu.

The others didn’t speak, just watched quietly, letting Jiang Hong hit Simpson Qiu.

After all, Jiang Hong was telling the truth.

If it weren’t for Simpson Qiu’s blindness and misbelief in villains, their Qiu family would not have fallen to where they are today.
