

Wonder Doctor Chapter 2201

“You guys really aren’t to blame for this matter!”

Hai Zi said, with guilt in his heart.

To be honest, Lin Ran and the others had done it for him, and they hadn’t wanted to get into this situation!

And to put it in perspective, if Lin Ran and Li hadn’t killed the Vine Demon, I’m afraid that at this moment, it was not clear whether Hai Zi would be dead or alive.

“No matter what, let’s go to the Tide Snake Clan!”

Lin Ran said.

A seemingly insignificant matter might not even need to be cared about in front of Lin Ran.

But that was how his nature was, and if this matter wasn’t unravelled, he wouldn’t feel good in his heart.

He was also afraid that it would develop into a demon in his own heart.

If Hai Zi had no reason to be with himself, and was even an outlaw, he wouldn’t care even if he killed Lin Ran.

He wouldn’t have a ripple in his heart, but the key was that he wasn’t, and he and Li could even be considered friends!

With his mind made up, Lin Ran said no more and personally led the group on their way, heading straight for the Tide Serpents.

....

The area where the Tide Serpent tribe was located could only be described as middle to low in terms of the entire Heavenly Waters.

This also showed the decline of the Tide Snake Clan.

In the past, such a clan could at least be ranked as the second largest clan in the Heavenly Waters.

But now it was.

Lin Ran was so fast that he arrived at the place where the Tide Serpent clan was located in just half a day with all his might.

He didn’t reveal his strength and was soon targeted by the Tide Snake Clan’s outpost.

“Stand still! Who is here, trespassing on our Tide Snake Clan!”

A middle-aged man rushed out, his gaze burning as he looked at Lin Ran.

Lin Ran looked at the other party and didn’t say anything, with a wave of his palm suddenly Sea Violet appeared to the side.

“Hai.... Young Master Hai!”

The middle-aged man looked stunned.

“Quickly go and tell my grandfather that I’m back!”

Hai Zi busily said, only this voice seemed but incomparably weak.

“Yes!”

The middle-aged man didn’t dare to be slow, and immediately turned around to inform.

....

Ten minutes later, on the island occupied by the Tide Snake Clan.

Inside an exquisite mansion, Lin Ran met the so-called clan leader, Hai Lao!

“Grandpa who the hell are these people and what are their origins? I think they’re probably responsible for my cousin being like this!”

“We definitely can’t let them go!”

“Our Tide Snake Clan has easily produced a person who has awakened his bloodline, and they’ve ruined it just like that!”

On the side, a sturdy young man said angrily.

He was none other than Hai Zi’s cousin, Hai Dong.

“Shut up!”

Suddenly, an old man’s scolding voice interrupted him.

“Hai Zi has just made it very clear that it was them who saved him, didn’t you hear?”

“Grandpa!”

Hai Dong, however, did not believe it at all.

“Hai Zi did, but didn’t that Lin Ran also say that it was them who killed the Vine Demon by mistake, which caused the bloodline seal on Hai Zi’s body to be unable to be lifted!”

“And don’t you forget, with the Vine Demon dead, the Demon Jiao Clan will definitely place this grudge on our Tide Serpent Clan!”

“When the time comes, they’ll pat themselves on the back and leave, what will we, the Tide Serpent Clan, do!”

“You!”

Hai Lao was furious.

Although Hai Dong’s words were more or less inhumane, it was indeed such a thing.

This time, the matter was no longer just a problem for Hai Zi alone.

It might even involve a fight between the two groups of the Tide Snake Clan and the Demonic Jiao Clan.

“This matter must be considered in the long run, you do not need to care more!”

Hai Lao frowned and said.

“Ai!”

Hai Dong sighed and turned away from saying more.

“Little friend Lin Ran, I’m sorry! Little kids don’t know the rules when they speak!”

Hai Lao turned to look at Lin Ran at the side, more or less embarrassed!

These words were more or less too much to say in front of someone!

“It doesn’t matter, what he said is true, I will go over to the Demonic Jiao Clan and try not to involve your Tide Snake Clan!”

Lin Ran said indifferently.

“No, no, that’s not what I meant!”

Hai Lao was busy saying.

“You’ve already done a great favour to our Tide Serpent Clan by saving Hai Zi!”

“I was going to ask, is there really nothing that can be done for Hai Zi in this situation?”

“Hai Lao, why are you asking him? How could he possibly know!”

On the side, Hai Dong couldn’t help but say.

“You shut up!”

Hai Lao scolded.

Hai Dong was young and couldn’t see that Lin Ran was extraordinary, but he, Hai Lao, wasn’t a vegetarian.

“Go down!”

Hai Lao scolded.

“Ai!”

Hai Dong sighed helplessly and had to turn around and leave the place.

“Little friend Lin Ran, I’ve made you laugh.”

“It’s alright!”

Lin Ran laughed lightly.

“It’s like this, Hai Zi’s situation is very special, he had just awakened the power of his bloodline and was then blocked by the Vine Demon!”

“Although this situation is not said to be incurable, the risk is also very high!”

“If we forcefully open the seal on his bloodline, it will probably harm his own body!”

“At the same time, the bloodline has just awakened and is very weak, it will probably cause fading!”

“It may depend on luck if you want to stimulate it again!”

“It could be as short as three to five years, or as long as a hundred years, it all depends on Hai Zi’s own chance!”

Speaking here, Lin Ran paused and continued.

“And that’s still a relatively good situation, if you’re unlucky, you’ll probably lose your life when you unseal it!”

“And what if the seal is not undone?”

Hai Lao was busy asking, he just knew that this youth in front of him knew a lot!

Although he had been staying in the Heavenly Waters.

But the Heavenly Water Jiao was inexplicably being chased and killed, and there were no other strangers in the entire Heavenly Waters.

Through that he had guessed something!

“If we don’t unseal it, we won’t be able to cultivate it in the future!”

“But it has no effect on safety!”

Lin Ran said.

Hearing this from him Hai Zi, who was beside him, instantly became excited.

“No, I absolutely can’t give up on my cultivation, if I can’t cultivate then what’s the difference between that and an invalid!”

“I’m still young, I’ll definitely be able to carry through!”

“Senior Lin Ran, you must help me undo the seal, even if I die I will undo the seal!”

Hai Zi insisted.

On the side, Hai Lao sighed helplessly.

Hai Zi could be said to be the hope of their entire Tide Snake Clan right now.

But who knew that now it had run into this kind of thing!

“In the end, you guys make up your own minds!”

“This matter also has something to do with me after all!”

“As compensation, I can meet one of your demands! As long as it’s not too excessive!”

Lin Ran said.

Doing something for the other party would somewhat make his heart feel better!

“Little friend Lin Ran is joking, in itself you are right in this matter!”

“Not to mention that you’ve already promised to help us go on a trip to the Demonic Jiao Clan!”

“As for whether or not Hai Zi should risk unsealing the seal or not, we still have to discuss it properly!”

Hai Lao said.

Asking him to open his mouth and make a request, he really didn’t dare.

He wasn’t Hai Dong, and in case he pissed off this being in front of him, it would probably bring even more trouble to the Tide Serpent Clan!

Lin Ran saw this and said with a helpless smile.

“If you don’t say it then I will, if Hai Zi is unwilling to unseal it, I can shelter your Tide Serpent Clan for thirty years!”

“I will also find a way to undo the seal without hurting him in those thirty years!”

“If I don’t manage to unlock it, I’ll do my best!”

“If I can successfully undo the seal of Hai Zi, there’s no need to talk about these thirty years!”

Lin Ran directly stated the terms he could accept!

Wonder Doctor Chapter 2202

“This.... I naturally have no problem with it, but Hai Zi he!”

Hai Lao was a bit embarrassed, after all, how exactly to choose this matter still depended on Hai Zi’s intention.

“I have no problem with it, I’m willing to take a chance!”

Hai Zi said firmly.

“Hai Zi, you can think it over, if you fail our Tide Snake Clan will lose your bloodline, your life may also be lost.”

Hai Lao was busy saying.

It was not as if the Tide Serpent Clan had never experienced a day without a bloodline.

Although the activation of the bloodline in Hai Zi’s body made them very happy and even carried a hint of anticipation for the future.

But if Hai Zi really wasn't willing to take the risk, he, as the clan leader, naturally wouldn't say anything.

After all, Hai Zi also had the right to make her own choice.

But now that Hai Zi's choice was to take a chance, if something went wrong, it would be he himself who would suffer the most.

Although the clan would also suffer losses, what people lost was their lives.

"Patriarch you don't need to say anything, my own path, I choose it myself!"

"If I can't undo the seal, what's the point of me living!"

Hai Zi said firmly.

"Hey, in that case you should go back and meet your parents!"

Hai Lao said.

It was easy to say, but if one really went ahead and did it, many things would be irreversible.

Hai Zi didn't say any more and nodded then said.

"I'll come back tomorrow!"

After saying that, Hai Zi left.

Lin Ran didn't say much either, all decisions had to be made by Hai Zi herself.

Under Hai Lao's arrangement, Lin Ran was considered to be staying in this Tide Snake Clan for the time being.

At the same time, tens of thousands of miles outside the Tide Snake Clan.

Inside the clan of the Devil Jiao Clan.

"My lord! It's not good, it's not good!"

An anxious voice broke the peace of the Devil Auger Clan.

"What is so alarming!"

The middle-aged man sitting on the stone platform opened his eyes.

His face was cold, and a terrifying aura fluctuated around him.

He was no other than one of the elders of the Demon Jiao Clan, Vine Devil's father, Vine Mountain.

"My lord, just now when I went to the Fate Pavilion, I found.... Found..."

"What was found say!"

Vine Mountain said in a cold voice.

"I found that the young master's life brief.... Broken...."

“Boom!”

Before his subordinate finished his sentence, Vine Mountain’s entire person directly rushed out directly.

A powerful aura instantly pinned this henchman to the ground, unable to move.

The figure flashed past, and in less than a moment Vine Mountain had already rushed to the entrance of the Fate Pavilion.

Pushing the door open, his eyes instantly looked towards his son’s Fate Brief.

The Fate Slip that should have been placed there was already gone.

Only a trail of crumbs was scattered on the ground.

And by the looks of it it should have been broken for some time.

“Bastard! Who did this who did this!”

Fujiyama was instantly furious, he only had this one son.

He had always held it in his hands, and even whenever Vine Devil went out and got into trouble, it was always him, the oldest son, who wiped his ass.

But now, he didn’t even have the chance to wipe his ass if he wanted to.

“Wait for me! You wait!”

With a wave of his hand, Vine Mountain put away the fragment of Vine Devil’s life slip, turned around and left the place.

....

On the island where the Devil Auger Clan was located, at the top of the mountain peak, there was a huge mountain top lake.

This lake was called the Dragon Lake by the Devil Auger Clan, and was a sacred place for their Devil Auger Clan.

Even the successive elders were not allowed to spend the night here and could only come here during the day.

The only person who could cultivate here was the only one, and that was the clan chief of the Devil Auger Clan.

It is said that the clan chief of the Demonic Jiao Clan would enter this Dragon Lake before he fell.

He would scatter his lifelong cultivation into the lake, and at the same time seal his lifelong mastery in this lake.

Therefore, in the Demonic Jiao Clan, as long as one reaches a certain level of strength, youths have the opportunity to enter the Dragon Lake once.

If they could obtain the inheritance of their ancestors, they would also soar to great heights thereafter, and such offspring were usually nurtured with emphasis!

Vine Devil was one of them.

He also received his ancestor's inheritance, but unfortunately, he died at the hands of Li before his cultivation became great.

◦ ◦ ◦ ◦

“Whoosh.”

A figure quickly rushed in, while a voice had already sounded out.

“Clan chief! Patriarch!”

As the voice fell, Vine Mountain had already arrived at the Dragon Lake.

Without a word, he knelt down with a thud and tears flowed down his cheeks!

“Vine Mountain? What's the matter?”

A voice rang out from within the lake.

“Patriarch, you must avenge me, my son has been killed!”

Fujiyama said.

“What? Something has happened to Vine Devil?”

The patriarch was also shocked, and as he spoke, the entire lake began to churn.

Soon a figure rose up from the bottom of the lake.

“Who did this?”

The Dragon Jiao looked at Vine Mountain with an icy coldness in his eyes.

It was very rare for their Demon Jiao clan to give birth to a descendant who had obtained the ancestral heritage.

Vine Devil had easily made it this far, only to have someone kill him.

This loss was no small matter to their entire clan.

“Who did this!”

Dragon Jiao was also furious.

“I don't know! Please also ask the clan leader to investigate thoroughly!”

Fujiyama said, if he knew who had done it, he wouldn't have come all the way to the clan chief.

Although his strength was not considered top in this heavenly water, there were few opponents.

Most of them wouldn't lower themselves straight down to deal with a junior either.

“Wait!”

Long Jiao didn't say anything, waving his hand a light had shot into the dragon lake behind him.

“Fate Jane!”

Long Jiao spoke.

Vine Mountain was busy taking out the Vine Devil's life slip and following it, he also threw it into the lake.

The lake churned and soon after it calmed down, a scene surprisingly appeared on the surface of the lake.

In the picture, it was the confrontation between Li and the Vine Devil, and the final and certain killing blow.

Watching with his own eyes as his son was decapitated, Vine Mountain couldn't hold back any longer.

“This is where the Tide Serpent Clan is, they must be in the Tide Serpent Clan, they must be!”

Fujiyama said as he turned around and was about to leave.

“Don't be impulsive, you are undoubtedly sending yourself to death by yourself by going to the Tide Snake Clan!”

Long Jiao was busy speaking.

“But Clan Chief!”

“Don't rush!”

Long Jiao interrupted Vine Mountain.

“You know the situation in the Heavenly Waters now, Lord Tian Shui Jiao is dead!”

“Our Demonic Jiao Clan is without a backer, although it seems to be weaker in power!”

“But it's not a lost opportunity!”

“Let me prepare and leave for the Tide Serpent Clan tonight!”

“If we can, this will be the perfect opportunity for our Demonic Jiao Clan to unify the Heavenly Waters!”

There was a light in the eyes of the Dragon Jiao.

“Good!”

Fujiyama nodded at his words without saying more.

He wasn't interested in unifying the Heavenly Waters, but as long as he could avenge his son, he didn't mind waiting for a day!

◦ ◦ ◦ ◦

From the Demonic Jiao Clan to the Tide Serpent Clan, it was basically just a one-night journey.

The next morning, Lin Ran had just come out from within the mansion when he saw that Hai Zi was already standing at the door.

“Thinking about it?”

Lin Ran asked with a smile.

“Mmm! You can start anytime!”

Hai Zi said, appearing bashful without a hint of hesitation.

“Hm! I’ll go and get ready, you talk to your clan leader and I’ll take you somewhere later!”

Lin Ran said.

Unlocking the seal was no small matter, it was better to go to his own residence for more security.

Hai Zi nodded, and immediately turned around to go find Hai Lao.

Meanwhile, on the outskirts of the Tide Serpent Clan, a dark crowd had pressed over.

At the head of them was Vine Mountain.

Wonder Doctor Chapter 2203

The news soon reached back to Hai Lao’s ears as the Devil Sculptor Clan’s army pressed the alarm.

And at that moment he was bugging Hai Zi.

Both of them could not help but be taken aback when they got this news at the same time.

“I didn’t expect the Demonic Jiao Clan to move so quickly!”

Hai Lao frowned slightly, and at this moment, a group of clansmen from the Tide Serpent Clan outside had all started to gather.

Preparing to deal with this critical situation.

“Report to Hai Lao! Lin Ran is here!”

Suddenly, one of his men outside spoke up.

“Come in quickly!”

Hai Lao was busy greeting him.

Soon Lin Ran walked in.

“Little friend Lin Ran, I’m really sorry that you’re looking at the knot!”

Hai Lao was a little unsure of what to say, he couldn’t just open his mouth and ask Lin Ran to help them out!

Although Lin Ran had promised to help out before.

“No matter, the matter of Hai Zi cannot wait, a day of delay will make it more dangerous!”

Lin Ran spoke.

“I’ve already arranged for someone to be outside, let him go with you!”

“Hai Zi still has to come with me!”

Lin Ran greeted.

“Good! That’s great, thank you little friend Lin Ran!”

Hai Lao was busy saying excitedly.

With Lin Ran’s words they were relieved.

Lin Ran nodded his head, and immediately took Hai Zi and left first.

However, shortly after the two of them had left, Hai Dong, who was outside the door, ran in.

“Hai Lao, what exactly does Lin Ran mean by this?”

“Before, he even said that he would help us go to the Demonic Jiao Clan, but now that they are pressing their army, he actually wants to unseal Hai Zi at this time?”

“I think he’s just scared!”

Hai Dong said angrily.

“You misunderstood, just now little friend Lin Ran had already said that he had arranged for someone to help us outside!”

Hai Lao said busily.

“Arranged someone? Who is it! Just that Li ah! He and Hai Zi are both participating in this Fathoming Chance Competition!”

“Both of them are similar in strength, how much stronger can this Li be?”

“What does Lin Ran mean by this arrangement? If you don’t want to fight, just say so!”

“Arranging for a Li, is he looking down on our Tide Serpent tribe, or on other people’s Demonic Jiao tribe!”

Hai Dong said angrily.

“This, don’t worry, Lin Ran doesn’t seem to be a reckless person, he must have his own intentions for this arrangement!”

Hai Lao was busy saying.

“He has his own intentions? How can I not see that!”

Hai Dong said disdainfully.

However, at this moment, the men outside had already sent another message.

“The clan leader, the Demonic Jiao Clan, has sent word to hand over the murderer, or else a strong attack will begin!”

“A strong attack? They are too reckless, they really don’t have our Tide Snake Clan in mind!”

Hai Dong said angrily.

The sea elder at the side also frowned at his words and said in a cold voice.

“Follow me out and take a look!”

Said a group of people and walked out at once.

When they reached outside, Hai Lao really found that there was only one glaze standing not far away.

Seeing this scene, Hai Lao couldn’t help but be a little puzzled as to what chance of victory Lin Ran had in arranging this!

“Hmph!”

In front of so many people, Hai Dong didn’t say much, he just gave a cold snort to express his dissatisfaction.

“Go! Follow me to have a look!”

Hai Lao opened his mouth and shouted.

At once, a group of Tide Snake Clan members, one by one, rushed up to the sky and rushed towards the outskirts of the island.

....

Outside the island, Vine Mountain’s gaze was like a moment, searingly looking at the island ahead.

“Old man Hai you still don’t come out!”

Fujiyama said angrily.

“If you don’t come out, you can blame me for being merciless!”

“Fujiyama, what are you shouting here, where is your clan chief, let him come out and talk to me, when is it your turn to be wild with me here as a junior!”

Hai Lao said disdainfully.

At the same time, several figures had already shot up from the island below.

The leader of the group was clearly Hai Lao.

At this moment, Li was following behind the crowd.

Fujiyama recognised him almost immediately.

“It’s you! Damn it’s really you, so it was really you Tide Snake Clan who sent someone to kill my son!”

“Damn it, you all deserve to die!”

Fujiyama instantly looked like a madman.

“Fujiyama is it!”

Suddenly, before Hai Lao could say anything, Li on the side suddenly spoke up.

“Kid, I will kill you today!”

Vine Mountain said angrily, the killing intent in his eyes unconcealed.

“Kill me? That’s what your son said before, but now.”

Li laughed blandly.

“Seeking death! You are simply looking for death!”

Fujiyama was instantly enraged, originally he would have been concerned about the relationship between the two clans and still had some scruples towards Hai Lao.

But at this moment, hearing these words from Li, he was simply furious.

Even if he were to take action directly, Hai Lao would have nothing to say!

“Come to my death!”

With these words, Fujisan rushed towards Li directly.

Seeing this, Hai Dong at the side could not help but curse.

“This Lizzy is too arrogant, is he afraid that our Tide Snake Clan and the other side won’t be able to fight?”

“Clan Chief!”

Hai Dong said and looked at Hai Lao.

However, Hai Lao was ignoring him and had already blocked in front of Li by now.

“Bang!”

Almost instantly, Hai Lao struck out and exchanged blows with Fujiyama once.

Hai Lao was also the clan leader of the Tide Snake Clan, so he was naturally stronger than Vine Mountain.

The moment they met, Vine Mountain’s entire body fell backwards towards the dining room.

At the same time, he could clearly feel the Qi and blood in his body surge.

The two men were clearly not on the same level!

“Hai Lao are you really going to harbour him!”

Fujiyama's face hid a terrifying expression.

"I don't want to harbour anyone, but when your Demonic Jiao Clan comes to ask for someone, you let an elder of yours come over!"

"That's too much to look down on my Tide Snake Clan!"

Hai Lao said angrily.

"Old man Hai, you're already so old, why do you still want to have a go at me?"

A voice suddenly rang out, followed by the clan leader of the Demonic Jiao Clan, Long Jiao, who had actually appeared out of thin air.

"Long Jiao, I knew you wouldn't not come!"

Seeing the other party, Hai Lao couldn't help but laugh, except that a hint of helplessness flashed in these eyes.

If the Demon Jiao Clan Chief hadn't come, there might still be something to discuss in this matter, but now even he had come.

I'm afraid that there was really no room for negotiation this time.

"Old man Hai, cut the crap! This man has killed a member of my Demonic Jiao Clan, you should know the consequences!"

"I'm not bothered to bullshit with you even if I come over here today, either hand over the man or then we'll fight!"

Dragon Jiao was aggressive, and the moment he opened his mouth, he blocked the back way straight away.

"Does Long Jiao have to be like this?"

Hai Lao's eyes narrowed slightly at his words, clearly planning for the worst in also!

"This is not negotiable!"

Long Jiao said with a wave of his palm.

In an instant, the crowd of Demonic Jiao Clan at the back had scattered and formed an encircling stance, surrounding the entire island.

"It is only right to kill to pay for one's life!"

"This time, even if this matter goes to the entire Heavenly Waters, it is still our Demonic Auger Clan that stands to reason, I am asking you now!"

"Hand over the man or not!"

Dragon Jiao said angrily, obviously not the slightest intention to negotiate!

"If I don't..."

“Hai Lao!”

Suddenly, Li on the side directly interrupted Hai Lao’s words.

At the same time, everyone around looked at him.

“This matter has nothing to do with the Tide Snake Clan, your son was killed by me, if you want revenge, just come!”

Li said and actually detached himself from the Tide Serpent Clan and came to the side.

He looked like he was ready to fight alone!

Wonder Doctor Chapter 2204

“Little friend Li, don’t be reckless!”

Hai Lao saw the situation and was busy shouting, his eyes full of worry.

This was not the time to be a hero, although Li was able to kill the Vine Devil’s strength was obviously not ordinary either.

But Vine Mountain and Vine Devil are completely different concepts, let alone the fact that Vine Mountain is the old son of Vine Devil and is very strong.

Just the fact that he could become an elder of this Demon Jiao clan, one could see that his strength was not ordinary.

“I think this Lizzy simply doesn’t know the sky is high!”

“Thinking that just because he killed the Vine Devil that he is really invincible?”

“This Vine Mountain’s strength is one of the best within the entire Demonic Jiao Clan!”

“Clan Chief, we can’t control this kid, if things go on like this, I’m afraid that the Tide Serpent Clan will really be unable to avoid this battle with the Demonic Jiao Clan!”

At the side, Hai Dong was busy persuading.

“Shut up!”

Hai Lao, however, was outraged by his words.

“Listen to yourself are you speaking human words?”

“Although our Tide Serpent Clan is not a powerful clan, we are at least a clan that speaks of trust and has principles!”

“Even though Li has messed with the Demon Jiao Clan, it was for the sake of the Sea Violet!”

“You can actually say such things now!”

Hai Lao said angrily.

“But Clan Chief, I’m also thinking of the Tide Snake Clan!”

“Think about it, if the Demonic Jiao Clan really wants to fight us to the death, can our Tide Serpent Clan resist?”

“Could it be that when the time comes, the entire Tide Snake Clan’s clan will be buried with them!”

“You give me that!”

Hai Lao still wanted to retort.

But at that moment, before the words could be spoken, a loud clanging sound had already come from ahead.

The crowd looked up, only to see that in the direction where Li was in front of them, a fight had already broken out.

Fujiyama, who didn’t know when, had actually rushed to kill Lizzy from afar.

The two men wrestled almost instantly.

“This is good, you don’t have to be embarrassed, when that kid dies later, there will be room for this matter to be eased!”

Hai Dong couldn’t help but laugh at the situation.

Hai Lao, however, did not pay any attention to him at all, and at this moment, his gaze was burning as he looked at the two people exchanging blows in front of him.

At the same time, the countless people of the Tide Snake and Demonic Jiao clans around them also looked at the two people who were exchanging blows.

It seemed to them that the exchange of blows should not last too long.

After all, on the surface, the difference in strength between the two people was huge!

The fight should be resolved in a very short period of time.

But to everyone’s surprise, the imagined one-sided situation did not appear from the moment the two started to fight up.

Moreover, in the exchange of blows between the two, it was still obvious that Li had the upper hand.

“How is this possible!”

“Yes! This is impossible, Elder Vine Mountain’s strength is only stronger than the Clan Chief and the Grand Elder in the entire Demonic Jiao Clan!”

“But how could he fight a kid like this now!”

“What the hell is this kid’s origin?”

The crowd couldn’t help but murmur as they watched.

At this time, the entire clan leader Long Jiao, who was standing in the crowd of the Demonic Jiao Clan, was also looking with a frown.

His strength was considered the strongest in the room, and he could see things that others could not. He found that this Li had the upper hand so far, and it vaguely gave him a feeling of increasing strength. The feeling was as if, within him was a power he had yet to fully master.

But as he continued to fight, he mastered more and more of this power, and his strength was correspondingly growing stronger at a rapid rate.

“What exactly is this Li’s origin?”

At this moment, even Long Jiao couldn’t help but frown as he watched.

At this time, on the other hand, Hai Dong was looking at it with a snort.

“I didn’t expect it, this Li still has some tricks up her sleeve, but at a young age how strong can she be!”

“For Fujiyama, it’s just a matter of time before he can be defeated!”

“How do you know?”

Hai Lao turned his head to look at him, but there was a different view in his play.

“What’s so hard about it!”

Hai Dong said disdainfully.

“Think about it, Clan Chief, this Lizzy is not very old, and his strength certainly cannot be as strong as Vine Mountain, that’s a fact!”

“Right now Fujiyama can’t help him, surely he doesn’t understand his methods!”

“When Fujiyama has figured out his methods, it won’t be then.”

“Bang!”

Just as Hai Dong was speaking confidently, a sudden muffled sound directly interrupted his words.

At the same time, Hai Dong’s entire body froze in place.

He was shocked to see that the two people who were originally still tangled not far ahead had actually separated at this moment.

One of the figures was like a kite with a broken string, flying backwards towards the bottom.

But fortunately, he quickly stabilised himself.

However, when the crowd saw his face, they could not help but freeze.

“Vine.... Fujiyama! How can that be!”

That’s right, it wasn’t Lizzy who was sent flying backwards, instead it was Fujiyama.

Kaito was busy turning his head to look at Lizzy above him, only to see that at this moment, Lizzy was standing quietly in place.

The whole person seemed like a rock, not moving at all.

But at this moment, the feeling he gave off had completely changed.

Hai Dong even felt that this guy standing in front of him was simply a monster.

At such a young age, he could actually beat up Vine Mountain like this!

This kind of thing was something he would have never believed before it happened.

“Clan Chief!”

Hai Dong was busy looking towards Hai Lao.

However, Hai Lao did not speak, his gaze burning as he looked ahead.

When Fujisan was sent flying backwards by Li, he was also enraged, and his entire body lashed out to kill Li again.

He had thought that avenging his son’s death would be a very easy task.

But he had just suffered a defeat, and it was like a slap in the face.

It made him irritated.

“Arrogant little boy, give me your life!”

Fujiyama was furious and with a wave of his hand, a huge dragon bone appeared out of thin air.

The dragon bone was three metres long and was covered with barbs.

It was a trophy he had obtained from killing a huge bone snake, and was later refined into a magic weapon, which was also quite powerful.

“The Dragon Bone Whip was even taken out, this!”

Seeing Vine Mountain take out the magic weapon, Hai Dong looked even more dumbfounded this time.

You know that Li hadn’t even taken out his magic weapon yet!

As a result, it was Vine Mountain who was the first to have his magic weapon struck out.

“Weng!”

Just as the crowd was shocked, Li in front of them finally made a move.

Only to see him wave his palm and instantly a wave of black qi appeared out of thin air.

The black Qi was like a pillar, and instantly it actually formed a magic weapon that was the same as a smear of dragon bone in Vine Mountain’s hand.

Following without hesitation, he blasted directly towards Vine Mountain in front of him.

“Bang Bang!”

It was too late, and the two dragon bones, one white and one black, collided together almost instantly.

And as the two keel bones collided together.

In an instant, a terrifying aura instantly exploded out towards the surroundings with the two people at the centre.

At the same time, the crowd could clearly see that Vine Mountain was actually sent flying backwards by the explosion.

The dragon bone in his hand was even instantly churned up by the black aura.

“This...”

At this moment, Hai Dong froze, and he couldn't help but take two steps back on his feet.

The Hai Lao at the side could not help but exclaim in shock as he looked on.

“What kind of terrifying existence is this, a young man just like Hai Zi actually has such strong combat power!”

“It's too strong, it's simply too terrifying!”

Wonder Doctor Chapter 2205

“Patriarch help me!”

Finally, this time even Vine Mountain could not carry the load a bit.

Seeing that his magic weapon had been destroyed by Li, he couldn't help but open his mouth and call for help.

However, things had come to this point, and Li didn't expect the other party to fear his strength and choose to give up.

At that moment, Li stopped talking nonsense and with a flash of his body, he even went towards the Vine Mountain in front of him and killed him.

“Stop!”

When Long Jiao saw this scene, he frowned slightly and instantly disappeared from his spot.

Although this was a bit humiliating, but things had come to this point, he couldn't really sit back and do nothing!

“Long Jiao, isn't it too humiliating to do it yourself?”

Seeing this, Hai Lao's figure on the side also followed and disappeared in place.

“Clan Chief!”

Hai Dong saw this and wanted to stop it, but it was already too late.

And other knew very well in his heart that even if he stopped, I'm afraid the clan chief wouldn't listen to him at all!

The strength that Li had shown was simply too strong, so strong that I was afraid that even if I stopped him, the patriarch would not care at all.

Such an amazing person, if he grows up, his future achievements will be unlimited!

Even at this moment, he is already showing signs of wanting to gain momentum.

If he didn't befriend him now, when else would he wait?

"Old man Hai, do you really want to take charge!"

The dragon jiao that had disappeared off to the side suddenly manifested again, his eyes looking at Old Man Hai warily.

He was naturally confident in dealing with Li alone, but if he were to face both Li and Hai Lao at the same time, he wasn't so sure!

After all, the fact that Li could beat up Vine Mountain like this already showed that his strength was not far from his own.

"Long Jiao, aren't you going too far?"

"I already didn't intervene when Vine Mountain struck, so how come now the younger one can't beat him and you, the older one, aren't prepared to be cheeky!"

Hai Lao said angrily.

"Cut the crap, anyhow he has killed our Demonic Jiao clan, if you dare to interfere, then the two clans will go to war!"

Long Jiao said angrily.

"You!"

Hai Lao was instantly furious and his face turned blue.

One had to say that Long Jiao's threat was still somewhat useful!

After all, Hai Lao had to be concerned about the interests of his entire clan.

It was true that he wanted to take the opportunity to get the better of Li, but if this completely caused a fight in the two clans.

If Li could win against the dragon jiao, it would be fine, but if he lost, then he would be risking the fate of the entire Tide Snake Clan!

"Hai Lao, you don't need to care about this matter!"

"I can solve it myself!"

Just as Hai Lao was in some difficulty, Li on the side suddenly spoke up.

"This time, I was originally prepared to solve this matter on my own!"

"Dragon Jiao, right, I killed the people of your Demonic Jiao Clan!"

“If you have any problems, just come at me!”

Li looked at Long Jiao’s voice blandly!

“Arrogant little boy, do you really think I can’t handle you!”

Long Jiao’s eyes narrowed slightly, followed by his whole body’s aura exploding violently, the next moment the whole person rushed towards Li.

“Ai!”

Hai Lao saw this and sighed helplessly, he wanted to go up and help Li.

But behind him was the entire Tide Snake Clan after all.

“Ai, this time, if you miss it, you’ll really miss it!”

Hai Lao sighed helplessly.

He had some thoughts in his mind, but apparently Li didn’t have as many thoughts as him at all.

Long Jiao’s strength was also indeed considered very strong, and the moment the two fought, they had already fought in an indistinguishable manner.

Many people below could not even see where the two were!

However, this fight was a stalemate from the very beginning.

“What the hell is this kid’s origin, how can he be so strong!”

Hai Dong was stunned at this sight throughout.

It seemed to him that this fight might not last more than a minute, after all, Long Jiao’s strength was very strong!

Yet now, five minutes had almost passed and the exchange of blows between the two men still hadn’t resulted in a winner.

Because the two men were fighting so fast, the people present could not see clearly the details of their fight.

“This is too strong, how on earth did this guy manage to do that!”

“Yes! It’s simply a pervert!”

“My god, this kid’s strength is too strong too!”

The crowd around couldn’t help but marvel as they watched.

At such a young age, he was already able to fight with Long Jiao like this, this strength was definitely already considered to be possible.

“Bang!”

Suddenly, just when the crowd still didn’t know how long this stalemate was going to last!

Suddenly, a tremor came from the place where the fight was taking place in front of them, followed by the two figures of Li and Long Jiao finally separating for the time being.

Both of them did not speak, but just looked at each other quietly, with icy coldness in their eyes.

Although it was unclear at this point whether they were injured, judging from the tense aura of the two men and the terrifying fluctuations emanating from their entire bodies, it was obvious that they had fought to a standstill!

“Good boy, you really surprised me!”

Long Jiao looked at Li with a morose look in his eyes, Li’s strength made him feel threatened.

“You’re pretty much the same! After all these years of living as a dog, your strength is no more than that!”

Lizzy said in a cold voice, and after saying this he froze.

Did Lin Ran enjoy saying that, it was so relieving to say it in this fight!

Li suddenly laughed.

“Come again, old man Long Jiao, don’t you want to avenge your snake son and grandson?”

Li laughed, and in a whirl, his entire body actually took the lead and powered towards Long Jiao to kill him.

“Insolent to the extreme, simply insolent to the extreme!”

Long Jiao was completely enraged.

He saw his palm flip and in an instant, three black stone balls were found out of thin air.

Following that, the stone balls were quickly thrown into the air by him.

The next moment, the three stone balls flew out towards each of the three sides.

And at the same time, just as the three stone balls flew out.

A dark red aura began to emanate from the stone balls.

Soon a three-dimensional triangle was formed.

This three-dimensional triangle was filled with black mist, which soon enveloped Li’s entire body inside.

And seeing this blackness, the faces of Hai Lao and the others instantly changed.

“What is this thing! Long Jiao what on earth have you done!”

Hai Lao questioned angrily.

However, Long Jiao laughed aloud and said.

“Nothing, I’m just using this Bloodthirsty Grand Formation to have some fun with him!”

“Don’t think I don’t know what’s on your mind, I’ll obliterate this kid today!”

“I’ll see who your Tide Snake tribe can count on in the future!”

Long Jiao was as mad as hell, and was able to beat him to the point where he was able to cast out his bottom card, the Bloodthirsty Grand Formation.

This was, in a way, already a slap in his own face!

He couldn’t accept it no matter what!

If he didn’t kill Li today, he was afraid that he would become a laughing stock in the mouths of others in the future.

And being escaped from the hands of a junior, this would also become a demon in his heart, I’m afraid.

So today, no matter what, he had to kill Li!

....

Inside the government residence, Lin Ran dropped the last silver needle and looked at Hai Zi, who was lying on the stone bed and already sleeping to find, before he got up and came to the side next to Qin Bing!

“How is the situation!”

Lin Ran asked.

“It’s not too good, this Bloodthirsty Formation is very malicious, I’m afraid that Li will be in danger!”

Qin Bing said with a frown.

Lin Ran couldn’t help but frown slightly at his words, and also looked towards the place where the diplomatic battle was taking place at the mansion.

Wonder Doctor Chapter 2206

“You know about this Bloodthirsty Grand Formation?”

Lin Ran asked with a frown.

“I’ve heard of it slightly!”

Qin Bing nodded her head.

“It is said that this formation is only found in some of the places where magical beasts gather in the Immortal Emperor Domain!”

This formation had first emerged in the Demonic Beast clan, but later on, the Demonic Beast clan was gradually unified as it was.

This kind of malicious formation was also banned!

It was only when some of the magical beasts that were unwilling to submit left on their own at that time that some of them brought this formation out.

Lin Ran nodded at his words, the entire Immortal World Continent was too vast.

There were many exotic treasures, various supreme techniques and so on, many of which even Lin Ran had never heard of.

It was unexpected that this Bloodthirsty Grand Formation actually had such origins.

“Then what exactly is so powerful about this Bloodthirsty Grand Formation?”

Lin Ran couldn't help but ask.

After all this talk, Qin Bing still hadn't said exactly what was so powerful about this great formation!

“The most powerful part of this formation lies in the bloodthirstiness!”

Qin Bing said, pointing to the great formation in front of him.

“This Bloodthirsty Great Formation contains a destructive power, and was originally left behind by a great power among the magical beasts who had practiced the Destructive Way to great success!”

“Although no one was able to control it later, but with the help of humans!”

“This power of the Destruction Way was used by them to find many substitutes using the principle of the five elements being mutually exclusive!”

“In the end, it formed a power of destruction that had been modified by the cultivators!”

“Although it is a far cry from the real Destruction Power, it is a huge killing power for the magical beasts!”

Qin Bing said calculating the time and said seriously.

“We have to do something, otherwise Lizzy might really be in danger!”

“Hm! I'll do it!”

Lin Ran spoke.

“You do it?”

Qin Bing was stunned.

“Mm! Sea Violet's situation is also stable, so if nothing happens I won't have to wait here for thirty years!”

“And since the Tide Serpent tribe is weak, I have to deter the Demonic Jiao tribe from rushing to harass me for at least a hundred years!”

“Otherwise Sea Violet will still be in danger, this is after all the first friend Lizi himself made!”

“We also have to use a little bit of it don't we!”

Lin Ran said with a guffaw, his form already disappearing into the spot.

....

But at this moment, outside.

Li had already been trapped in that so-called Bloodthirsty Formation for some time!

And as Qin Bing had said, this Bloodthirsty Formation was indeed a great threat to him!

At first, he was able to hold on, but he soon had to reveal his original body.

“Bang!”

Suddenly, just as everyone was looking worriedly in the direction where Li was.

Suddenly the entire space formed by the Bloodthirsty Grand Formation shattered with a violent bang!

This sudden change that had come into existence was also a surprise to Rang Lin Ran.

He had just come out of the mansion, only to have Li himself break free!

“This fellow’s strength is really strong now!”

Lin Ran couldn’t help but laugh, and simply didn’t show himself, directly hiding in the void and quietly watching!

If Li could deal with this crisis on his own, there was indeed little need for him to show himself.

Of course, it all depended on whether or not Li could deter the entire Demonic Jiao tribe!

If he couldn’t, Lin Ran would naturally have to take action!

....

“Roar!”

The Bloodthirsty Grand Formation completely popped to pieces, followed by an angry voice.

There was anger in the voice.

At the same time everyone present was shocked to see it.

Not far ahead, a sturdy magical beast figure appeared.

And seeing the appearance of this magical beast, everyone present was shocked.

“He.... He...”

“He’s that magical beast from the other day!”

“My goodness, how can it be him!”

“OMG!”

Even Hai Dong and Hai Lao who were on the side at this moment couldn’t help but gulp down their spit.

“OMG, how could it be him, he actually stayed in our Tide Snake Clan for one night!”

“Holy shit!”

Hai Dong's face was full of fear at this point.

Although at this moment, the Li in front of himself had revealed his original body and was already very tall compared to ordinary magical beasts.

But compared to last time, this figure could only be considered small!

But none of this mattered, what mattered was that everyone remembered the appearance of the last time Lizzy had revealed her true form.

It was definitely the same as the one before them!

They were sure that the magical beast they had seen last time was Lizzy!

"I didn't expect that the magical beast from the other day was actually you!"

At this moment, even Long Jiao couldn't help but be a little surprised when he looked at Li.

There was even more than a hint of regret in his heart.

Compared to the Vine Devil, it was obvious that offending such a huge beast would be more detrimental to them.

It might even put the entire clan in danger directly as a result!

"Roar!"

Li didn't seem to bother talking to him at all, manifesting his Benti, instantly opening his mouth wide and spitting out a mouth full of black Qi towards the other party.

"Hm?"

Seeing this, Long Jiao was busy taking a few steps back, while waving his hand to disperse the black Qi.

However, his clansmen around him were unable to dodge, and were instantly caged by the black mist.

When the black mist dissipated, the people present were incomparably shocked, because the person enveloped by the black mist!

He had actually disappeared.

All that was left in place was a pair of shoes, and a full set of clothes!

The entire person was actually gone, even his skin and flesh!

"Bastard! Seek death!"

Seeing this, Long Jiao was also furious, his whole body's aura soared, while a short sword emerged from his hand.

He saw his palm swung violently, and instantly his entire body's power was poured into the short sword only.

He then directly threw the short sword in his hand out with an explosion.

“Give me death!”

At the same time, Long Jiao roared and his whole body followed the short sword and charged towards Li.

However, Li did not care at all and opened his mouth wide, instantly spitting out a surge of black Qi towards the dragon jiao.

The black qi instantly collided with the dragon auger.

The dragon auger’s speed slowed down, and Li’s black qi was scattered by the former!

Only this was all but short-lived, and soon the black Qi in front of him began to change!

More and more black Qi emerged, and in the end it was actually the dragon auger that couldn’t resist first!

“Bang!”

With a muffled sound, at once Long Jiao’s entire body was sent flying backwards by the black Qi.

At the same time, the short sword in his hand was also thrown out directly.

When Li saw this, the black Qi was flung and swept towards the people around the Demon Jiao Clan.

In an instant, at least nearly ten people from the Demon Jiao Clan died in his hands.

“Bastard! Stop it! Stop!”

The Dragon Jiao looked mad.

Watching his own people being slaughtered in front of him, he could not wait to strip Li of his skin and skin.

But the reality was that he was no match for Li!

“You made me do it! Forced me!”

The Dragon Augur suddenly roared, followed by his voice once again.

“All Demonic Jiao clansmen, lay out the Spirit Splitting Formation!”

“Yes!”

Hearing Long Jiao’s voice, the surrounding Demonic Jiao Clan masters all busily shouted.

But at this moment, Lin Ran, who was in the void, was watching with a slight frown.

This was because he noticed that the people of the Demonic Jiao Clan all clearly carried a hint of sadness when they agreed.

It seemed as if there was something wrong with this so-called Spirit Splitting Formation.

“Spirit splitting formation! Split Spirit Formation! How come it seems like I’ve heard of it somewhere?”

Lin Ran frowned slightly as he fell into contemplation.

Wonder Doctor Chapter 2207

While Lin Ran was thinking about this, the dragon jiao in front of him had already led the men to set up the Spirit Splitting Formation.

Compared to the previous Bloodthirsty Formation, this Split Spirit Formation looked obviously more ethereal.

The entire formation was only a white mist, so you could probably tell the extent of the formation.

The source of power for the entire formation at this time was all derived from the Demonic Jiao clan on one side.

Lin Ran clearly saw that a white light shot out from the hands of each of the Demonic Jiao clan members.

These white lights merged into the formation below, which gave rise to the split-spirit formation below.

At this moment, Lin Ran still could not remember where he had seen this Spirit Splitting Formation before.

However, he was certain that he had definitely seen this Spirit Splitting Formation before.

He just couldn't remember exactly where he had seen it for a while!

Just as Lin Ran was deep in thought.

While Lin Ran was deep in thought, a change had already occurred in the formation in front of him.

This formation was invisible and massless, directly enveloping Li.

Moreover, Long Jiao was the one in control of this formation, and the Demonic Jiao clansmen at the back were only the base of the formation.

So Li was always locked in by the dragon jiao, making it impossible for him to break out of the formation!

"Thirteen! You're first!"

Suddenly, Long Jiao's voice rang out.

"Yes!"

Following this, a voice rang out from within the Demon Jiao clan at the back.

Lin Ran looked and found that it was a middle-aged man who emitted an aura that was considered to be the weakest of the Demonic Jiao clan members present!

Lin Ran was somewhat puzzled as to what the hell was the purpose of having someone who was the weakest in strength come out!

But the next moment, after this man started to make his move, Lin Ran understood!

The youth named Thirteen from before actually stood in place and followed and began to disintegrate his entire body's aura one by one.

That scene of power collapsing and subsequently dissipating was simply too familiar to him!

I'm afraid this was something that every cultivator could see!

"What's he doing?"

"I don't know, but it's likely that he's committing suicide!"

"Committing suicide? Are the people of the Devil Sculptor Clan crazy? How come the heart is committing suicide?"

The crowd looked puzzled, how could they still be committing suicide at this time!

Lin Ran also looked puzzled.

But soon as a miserable scream rang out from within the formation, from Li, Lin Ran instantly understood.

"Roar!"

A miserable cry from Li was like a thunderclap that instantly woke Lin Ran up.

He was shocked to see that at this moment, there was actually the same true qi slowly floating out of Li's body, and following it, it also began to disintegrate.

And seeing this scene, Lin Ran then understood completely.

The so-called disintegration formation seemed to disintegrate one's own people, but the enemy would also be harmed.

This was simply a practice of hurting the enemy a thousand times and damaging himself eight hundred times.

If one encounters a powerful enemy, one is no match for him.

But as long as there are more people on your side, even if you rely on the disintegration formation, you can still kill your opponent alive.

This is the root of the Disintegration Formation!

"It's really abominable!"

Lin Ran couldn't hold back when he saw this scene.

Li's strength was strong, but there wasn't always a huge gap between him and this Dragon Jiao!

At this moment, with his own strength he wanted to break through and split the spirit formation, unless he went on a rampage at all costs!

But if he did, the consequences would certainly be very painful!

Seeing this, Lin Ran did not delay any longer and instantly flipped his hand, followed by a seven-coloured sword aura that shot out instantly!

This seven-coloured sword aura had no aura fluctuation, as if it was a very ordinary sword aura floating in the sky and earth!

But the moment he shot out, it passed through the void, as if the void was just a decoration in front of it!

“Whoosh!”

The next one, the seven-coloured sword mane had appeared out of thin air on the sky outside.

Without any stopping, it shot towards where Li was ahead.

“What is that thing?”

“My god the speed is so fast!”

“Is that a sword mane?”

The moment the seven-coloured sword mane appeared, cries of astonishment rang out from within the entire Tide Snake Clan.

The speed of that seven-coloured sword mane shocked many people.

They asked themselves, many people would not be able to achieve such speed!

“What kind of existence is this!”

Hai Lao was also shocked beyond belief as he watched.

With the speed of this sword mane, I’m afraid that trying to kill him would be as simple as taking something out of a bag.

“Bang!”

Just as the crowd was shocked, the seven-coloured sword mane in front of them had already reached the decomposition formation.

Without the slightest hint of stopping, the seven-coloured sword mane instantly penetrated the entire Disintegration Formation.

It then directly penetrated out from the other side.

“What the heck!”

Long Jiao’s entire body hadn’t even seen clearly what was going on.

Suddenly, he felt a chill in his heart, and instantly his own connection with the Disintegration Grand Formation was broken.

“Hmm?”

Suddenly, Long Jiao felt a pain in his palm and was busy looking down!

With this look his whole body was dumbfounded.

Only to see that one of his palms had disappeared!

The neat wound at his wrist was shocking to see, his palm had actually been chopped off directly by someone!

“How is this possible!”

“Who the hell is senior!”

Long Jiao was instantly anxious, to be able to sever his palm so easily, this was definitely not something that an ordinary person could do!

“Clan Chief!”

And at this moment, the Demonic Jiao clan members at the back were all anxious when they saw this scene.

To be able to beat the Dragon Jiao like this without knowing it, this strength was already completely beyond their ability to resist!

“Take your clan members and get lost!”

Suddenly, a rumbling sound came out of nowhere, followed by the clouds in the entire sky beginning to tumble.

And at the same time, everyone I saw, a seven-coloured sword mane slowly rushed through the sky from one side to the other.

The clouds in the sky kept on tumbling, following which a huge object was actually formed.

This object was made up of clouds all over, as if it was a jack-in-the-box, and smashed down right towards the isolated island below.

Hai Lao and the rest of the Tide Snake Clan were shocked as they were truly afraid that this object would smash through the entire island!

But the truth was obviously different from what they had thought.

The cloud dissipated the instant it touched the island!

All that was left was a huge seven-coloured sword aura stuck diagonally on the surface of the lake to the side of the island.

The entire seven-coloured longsword was actually made up of true qi!

One could even see the terrifying power sealed inside.

I’m afraid that if it was detonated, by then, not to mention the Tide Serpent Race!

Not many people who dared to come near here would be able to leave alive!

“Get lost! Don’t set foot in the Tide Snake Clan for a hundred years!”

The booming voice resounded once again, not even a hint of negotiation!

“Understood!”

Long Jiao rushed to the sky and gave a busy salute, then left without saying a word, taking his clan members with him.

Just kidding, this strength of the other party was simply not something he could deal with!

Moreover, the other party had created this seven-coloured sword mane to guard the Tide Serpent Clan, and even forbade his own Demonic Jiao Clan from crossing into the Tide Serpent Clan’s territory within a hundred years.

This was clearly protecting the Tide Snake Clan!

Aigoo! Heaven and earth have changed!

Heaven is going to kill my Demonic Jiao tribe!

Long Jiao lamented in his heart.

Within a hundred years, someone with the bloodline had appeared in the Tide Serpent tribe, if he was alright!

In a hundred years’ time, they would surely rise to power, and then there would be no place for them in the Heavenly Waters!

There are only two paths before them at this point, either they take the initiative to reconcile!

Either they can take the initiative to reconcile or they can prepare to leave the Heavenly Waters!

Wonder Doctor Chapter 2208

“Ow!”

As they watched the countless people of the Demonic Jiao Clan leave, especially the leader of the clan, Red Dragon, was even more helpless.

The countless Tide Serpent Clan members present all became excited.

For so many years, ever since the Tian Shui Jiao had come to the Heavenly Waters, their Tide Snake Clan had never raised their eyebrows as much as they had today.

Moreover, looking at the seven-coloured sword shadow not far from the island, they all knew in their hearts.

As long as this sword shadow did not dissipate, no one would dare to offend them within a hundred years.

This was their guarantee of rest and recuperation!

“Little friend Lin Ran, thank you so much!”

Hai Lao was busy rushing towards Lin Ran in the sky and bowed deeply!

And at this moment, Hai Dong, who was beside him, finally revealed a look of respect.

By this point in the matter where he could not see that Lin Ran's strength was simply not something he could provoke.

Even the strength of a single glaze made him feel shocked.

To be able to fight with Red Dragon like that.

And now Lin Ran's strike had even driven the entire Tide Serpent Clan crazy.

A single strike had directly whitened the dragon jiao, and even more so, he had descended this seven-coloured sword aura to guard the peace of the Tide Serpent Clan for them.

This kindness was simply too great!

◦ ◦ ◦ ◦

Lin Ran quickly returned inside the mansion.

He wasn't interested in listening to the compliments of the Tide Serpent Clan, and at this moment, Sea Violet's situation was at its most important.

"I won't see anyone until his seal is completely undone!"

Lin Ran said.

Qin Bing nodded and left in a whirl.

Originally, according to Lin Ran's plan, this seal contact of Hai Zi's would only last for three to five days at most before it was almost over.

But a full half month had passed in the blink of an eye.

Hai Zi was still lying in bed without the slightest movement.

Hai Lao and the others did not dare to ask too many questions, and they all waited quietly for the result.

However, just one day a month later, suddenly Qin Bing walked back in.

"What's wrong!"

Noticing that Qin Bing seemed to be in an off mood, Lin Ran busily asked.

"The commotion from Lizzy's breakthrough last time seemed to be too great, and I've seen several waves of people sent by Immortal Emperors in the last few days!"

"They all seem to be looking for Lizzy!"

"O? How strong are these people?"

Lin Ran asked.

He hadn't expected the Immortal Emperors to move so quickly either, it had only been so long since the incident of Li's breakthrough.

The Immortal Emperor's side had actually sent people over already!

"Average strength, relatively large in number!"

Qin Bing said?

"Hmm! This way, you take Su Rou and go kill them all!"

Lin Ran said indifferently.

"Good!"

Qin Bing nodded his head and didn't say anything more.

The fight had come to this point, there was nothing to be merciful about, it was either you die or I die!

Even if Lin Ran was kind enough to spare them, they would not bypass Lin Ran either.

There was no need to be a good guy at this point!

Qin Bing and Su Rou soon left.

However, Lin Ran had more and more things to think about in his mind.

Hai Zi still didn't know when she would wake up.

Originally, after settling the matter of Hai Zi, Lin Ran was ready to leave.

It was also for the safety of their Tide Serpent Clan, as it was now, once the Immortal Emperor sent someone to investigate their Tide Serpent Clan.

The consequences of that would also be very great.

There were too many things on Lin Ran's mind, but at this point, he couldn't care less, if Hai Zi still couldn't wake up, suddenly there was no way to even leave, saying anything else would be empty talk!

Time passed for another three days.

Qin Bing and Su Rou had never returned!

Five days!

Eight days!

Time passed after another half a month.

Finally Qin Bing and Su Rou came back.

"What's taking so long?"

Lin Ran was still doing in his secret room.

'It took a long trip to spare them and lure them away before we did it!'

Qin Bing explained.

“Hm! Thank you for your hard work!”

Lin Ran nodded his head and said.

He didn't even need to guess what was on Qin Bing's mind, he understood it straight away.

The two could be said to share the same heart, and there were times when they could understand each other's meaning with a single glance.

“How much longer will he take? I'm afraid it's going to get worse and worse!”

Qin Bing said.

“Soon, just these two days!”

Lin Ran said.

“Hmm!”

Qin Bing didn't say anything, and took Su Rou and left the place first.

One day, two days, three days,.

Another week passed in this calm.

And on this morning, the entire Tide Serpent Clan was still in deep sleep.

Suddenly, a blood-coloured aura rose to the sky, and at the same time the entire lake around the island began to tumble.

“Whoosh!”

“Whoosh!”

The first time, two figures rose up into the sky and a moment later hovered in mid-air.

These two figures were no other than Lin Ran and Qin Bing.

“It's almost time!”

Lin Ran said with a wave of his palm, and instantly a vortex appeared out of thin air, followed by a figure rushing inside and floating out.

This figure was no other than Hai Zi.

“There's something wrong with this guy, the bloodline power in him shouldn't be this strong!”

Qin Bing frowned as he watched from the side.

At this moment, from Hai Zi's body, a terrifying bloodline power penetrated the heavens and the earth.

It reached up to the clouds and down above Zhenghe Island, and it just looked extraordinary.

Lin Ran shook his head, indicating that he couldn't understand it either.

But just then, “Whoosh whoosh whoosh!” The island was followed by several more figures rushing up out of thin air.

The leader of the group was none other than Hai Lao, the clan leader of the Tide Snake Clan.

“Little friend Lin Ran this is?”

Hai Lao looked a little bewildered.

“You don’t know? We were going to ask you!”

Lin Ran said.

Hai Lao sniffed at his words in a daze and was busy turning his head to card.

His brow furrowed under this look.

The situation in front of him made him a little confused as well.

But soon after, as the entire island suddenly made a loud “boom”, the island instantly split in half.

At the same time, a golden light burst out of the crack.

Lin Ran and the others instantly saw that there was a golden rune that was slowly rising from the crack in the island.

“What is that thing!”

Qin Bing looked stunned, and Lin Ran’s brows furrowed as he looked at it from the side.

That thing was so subtle that even he could not understand it somewhat.

“The heavens have opened their eyes, the heavens have opened their eyes!”

Suddenly, Hai Lao who was on the side was excited.

“Little friend Lin Ran thank you so much, thank you so much! You are the benefactor of our Tide Snake Clan!”

Hai Lao was busy turning his head and rushing towards Lin Yan with a deep bow.

The surrounding Tide Serpent Clan members also rushed to salute him when they saw this.

“What does that mean?”

Lin Ran looked puzzled and couldn’t help but ask.

“Little friend Lin Ran doesn’t know, this is a great opportunity for our Tide Snake Clan!”

“The Tide Serpent Sacred Land is about to open, and when it does, our entire Tide Serpent Clan will enter it!”

“When it comes out again, the entire Heavenly Waters, no! The entire Cultivator Continent will have a place for our Tide Snake Clan!”

Hai Lao said excitedly.

“The Tide Snake Clan Holy Land?”

Qin Bing and Lin Ran were stunned as they listened, but this was not the time to say such things.

Only to see that the golden runes below had slowly drifted towards Hai Zi.

At the same time, the aura on Hai Zi’s body was also changing.

Before, it was as if his aura was being suppressed by something.

But now that feeling of suppression had completely disappeared.

Clearly the seal on Hai Zi’s body had been lifted.

Wonder Doctor Chapter 2209

“Weng!”

In the sky, a field-shaking sound suddenly rang out.

In the next moment, almost everyone present clearly saw a light sweep along with Hai Zi as the centre, sweeping instantly in all directions.

At the same time, in front of Hai Zi, a huge white rune appeared out of thin air.

The rune was obscure and difficult to understand, but it looked incomparably subtle.

It was extraordinary at first glance.

“This is?”

Lin Ran stood not far away and couldn’t help but frown even as he watched.

This was because at this moment, he noticed that the fluctuations on Hai Zi’s body actually gave him a feeling of spatial fluctuations.

It seemed like there was a huge space hidden behind which huge rune.

“Whoosh.”

Although, the huge rune quickly rushed towards Hai Zi and finally disappeared.

And seeing this scene, Hai Lao was completely excited.

He looked at the direction where Hai Zi was, and his entire body trembled from excitement, and his mouth was even chanting something unknown.

....

The apparition in the sky soon dispersed. The vision also attracted the attention of many people around.

At this moment, Long Jiao, who had not yet gone far, saw this scene. He sighed helplessly.

“Clan Chief, what’s wrong with you? Is it that the revenge plan I mentioned was perfect?”

Fujiyama, who was busy asking at the side, had been contemplating his revenge plan since he left the Tide Snake Clan.

He could not let go of his son's revenge and not take revenge, he really could not do that.

But now that the Tide Serpent Clan was guarded by powerful people again, he could only silently calculate.

"What's the point of taking revenge! It's better to let this revenge go once and for all!"

Long Jiao said helplessly.

"What do you mean by that, Clan Chief?"

Fujiyama did not understand.

"Didn't you see the vision just now?"

Long Jiao turned his head to look at Vine Mountain.

"I saw it! But what could that mean!"

Fujiyama asked.

"You don't understand, that is something that only the clan leader knows!"

Long Jiao said.

"You only need to remember one thing!"

"After our Demonic Jiao Clan came here from the Heavenly Waters Lord, the Clan Chief at the time left a saying behind!"

"When this runic light appears again in the Tide Serpent Clan, it will be the time for our Demonic Jiao Clan to leave!"

"This revenge cannot be avenged, pass on my order for all Demonic Jiao Clan members to prepare to leave the Heavenly Waters at once!"

"Clan Chief, you!"

Fujiyama was filled with shock, he really didn't expect things to turn out like this.

Not only had his revenge not been avenged, but he had also made the entire Demonic Cauldron clan leave the Heavenly Waters.

And looking at the situation, I'm afraid that there will be no chance to take revenge in the future.

◦ ◦ ◦ ◦

Some people are happy and some are sad.

At this time in the great hall of the tide snake clan.

"Puff!"

“Puff!”

“Puff!”

Almost all of the people of the Tide Serpent Clan all rushed towards the two Lin Ran and knelt down.

Even Hai Lao, who was the leader, had to perform a great salute.

“Hai Lao must not!”

Lin Ran busily stepped forward and stopped Hai Lao.

Although in this part of the Immortal World, the strongest had always been the most respected.

But Lin Ran was not a native of the Immortal Realm after all.

Having someone older than himself, kneel down for him, he was still more or less uncomfortable!

“Little friend Lin Ran, this time is really thanks a lot, without you our Tide Snake Clan would have been afraid!”

Hai Lao said very excitedly.

“It’s alright, it’s all in the past! Besides, Hai Zi will be my friend!”

Lin Ran smiled and said in a persuasive manner.

“By the way, I haven’t told you guys about Hai Zi!”

Lin Ran was busy digressing and pointed at Hai Zi who was lying on the bed to the side and seemed to be resting.

“The seal in his body has now been completely lifted, not enough for his body to still be weak!”

“And but when the seal was lifted, it also had a certain effect on his body, so it might take a few days to wake up!”

“As for strength, in three months at most, he’ll be able to return to his old self!”

Lin Ran gave a general overview of the situation

“Good!”

Hai Lao was busy nodding his head excitedly.

“Hai Lao, I’m fortunate that I’ve made all the arrangements for Hai Zi, since that’s the case we’re also ready to say goodbye!”

Lin Ran spoke.

Having delayed two days before and after in this Tide Serpent Clan, Lin Ran couldn’t stay any longer.

After all, his status was special, and staying in a place for a long time.

It was likely that he would bring trouble to the people of this place.

For example, the Tide Serpent tribe, who knew if the Immortal Emperor had sent someone over to look for him or not.

It would naturally be best if they didn't look for them.

But if someone was sent to look for him, then the Tide Serpent tribe, which was very close to him, would probably be implicated as a result.

This was also the reason why Lin Ran was concerned.

"Little friend Lin Ran, why don't you wait for two days!"

Hai Lao spoke and laughed.

"Hm?"

Lin Ran frowned slightly at his words, he had already done everything he needed to do, how come he was allowed to stay for another two days.

"Don't misunderstand, little friend Lin Ran, this is how things are!"

Hai Lao was busy explaining.

"You've helped our Tide Serpent Clan this time, we really can't repay you!"

"So I want to give you a gift, but this gift needs to wait for two days before I can give it to you!"

"Why?"

Lin Ran didn't understand.

Hai Lao, however, pointed to the sea purple on the side and laughed.

"Because that thing is still on him right now!"

Said Hai Lao as he explained the situation.

It turned out that the extremely huge rune that had erupted from Hai Zi's body earlier was actually one of the Tide Snake Clan's supreme treasures.

To say that it was the greatest treasure was actually a bit too much, because it was something that their Tide Snake Clan did not even know had and use to this day.

It has been passed down from generation to generation.

It is said to be the hope of the Tide Snake Clan, so that when it explodes one day, the Tide Snake Clan will be able to rise again.

This is why it has been carefully kept by successive generations of clan leaders.

It was only later, after Hai Lao had grown stronger, that he obtained a memory bead left behind by the previous clan chief.

He learned some of the secrets of this rune.

It was said that this rune hid a small world inside, and its name was Holy Land!

It was the holy land of their Tide Snake Clan.

And the rune itself was also a kind of token.

“The last clan chief said that after this rune opens the Holy Land once, it will be useless too!”

“It will become a token of existence altogether!”

“Our Tide Serpent Clan will enter the Sacred Land after Sea Violet wakes up.”

“By then, this rune will be almost useless to us as well!”

“Little friend Lin Ran, as you walk in all directions, you might still have the chance to meet the powerful existence behind this runic token!”

“If you can, please take us, the Tide Serpent Clan, to help say hello! Just say that we are always still here, but we have just fallen away!”

Lin Ran listened with a slight frown, this runic token didn't seem to be of any use to him at all from what Hai Lao said!

It was like a runner for Lin Ran himself!

“Little friend Lin Ran, please don't misunderstand!”

Hai Lao also seemed to have noticed the problem and was busy explaining.

“This rune has been passed down from our ancestors, and I presume that it was probably left by our ancestor's master back then!”

“Back then, the ancestor's master was born in Chaos and also lived in Chaos, so I presume that it is likely to be a tribe in Chaos!”

“Our Tide Serpent tribe is not strong enough, I am afraid that we will never have a chance in this life, so.”

The meaning of what Hai Lao said here was already clear.

And Lin Ran also became interested, as his doppelganger was walking in the chaos.

Perhaps this rune could really help himself.

“In that case, then I'll wait for two days!”

Lin Ran smiled and nodded his head.

Wonder Doctor Chapter 2210

Two days passed in the blink of an eye, and Hai Zi's recovery exceeded Lin Ran's expectations.

After just one day of rest, Hai Zi came to his senses.

And his entire body aura had changed.

It was as if his entire body had been transformed, giving people a feeling of renewal.

Lin Ran checked Hai Zi's body again and found that all the seals in his body had been flushed away, and the foundation of his strength hadn't been affected in any way.

This was also something that surprised Lin Ran.

"Li, are you really leaving?"

Naturally, Hai Zi couldn't let go of Lizzy.

But leaving was obviously impossible to change.

After all, Lin Ran still had a lot of things to do!

"You should cultivate well, you'll still have the chance to see each other later!"

Lizzy smiled and said comfortingly.

"Mmm!"

Hai Zi nodded.

Then with the help of the clan leader, soon Hai Zi opened the Tide Snake Clan's sacred space.

And then the entire island directly disappeared into it as a whole.

Hai Lao was also planning this time, to directly let the entire Tide Serpent Clan go into seclusion.

He would not return until the Tide Serpent Clan was strong.

Although this time Lin Ran had shocked the Demonic Jiao Clan.

But there was always a time when he would leave, and when the time came, the Tide Serpent tribe would still be in the middle of survival in the face of attacks from the Demonic Jiao tribe or other forces.

If he hadn't, he might as well go into hiding and come out when he was strong enough.

Lin Ran naturally had no problem with this, this was the choice of the Tide Snake Clan, and he could only respect it.

Hai Lao quickly handed over the ancestral rune to Lin Ran.

Lin Ran didn't stay too long, said thank you, and then left with the group.

....

The Heavenly Waters had become quite quiet with the departure of the Demonic Jiao Clan and the seclusion of the Tide Serpent Clan.

And at this time, Lin Ran had already reached the outskirts of the Heavenly Waters and was about to leave this place.

At this moment, he was standing with his hands folded, still holding the rune that Hai Lao had given him in his hands.

This rune was so profound and mysterious that even Lin Ran was a little confused as to what it could be used for.

However, the patterns etched on it were revealing its extraordinary nature.

“Perhaps I can use it one day in the future!”

Lin Ran said to himself in his heart, while turning his hand over and putting the rune away.

“Where are we going for the next battle?”

A voice suddenly rang out in Lin Ran’s mind, it was none other than Qin Bing’s voice.

“The approaching place seems to be the Desolate Mountain Domain, let’s go and take a look!”

Lin Ran said indifferently.

“Desolate Mountain Domain? The domain lord of this Desolate Mountain Domain, the Desolate Mountain King is at the peak of Little Perfection strength!”

Qin Bing busily explained.

Lin Ran nodded at his words and smiled.

“Then go and meet him, and Lizzy’s chance has been found!”

“Next step, it’s time to take on the Immortal Emperor’s people too!”

A cold glint flashed across Lin Ran’s eyes.

Although some of these Immortal Emperor’s men hadn’t moved in their attack on the Anti-Alliance.

But in the future, once a great war broke out, these people would all be their own enemies.

It would be truly foolish to say anything about mercy at this time.

Besides, he had come back this time to stir up the Immortal Emperor’s side.

He could take advantage of this Desolate Mountain King.

....

Time passed day by day, and on the third day of Lin Ran’s arrival at the Desolate Mountain Domain, the Desolate Mountain King had fallen.

Half a month later, the domain lord of the neighbouring Ghost Man domain, likewise fell.

A month later, a third domain lord of the domain followed suit and died.

The fall of the three great domain lords over time also caused a lot of commotion in the area.

At the same time, the people sent by Immortal King Fu Gu to the Heavenly Waters had finally arrived.

But at that moment, the Heavenly Waters were already empty, leaving nothing behind.

....

In Immortal Emperor City, when news of the fallen domain lords of the three regions reached back to the Immortal Emperor's ears.

The Immortal Emperor was utterly furious.

"Father, this Lin Ran is too rampant, he's simply slaughtering our generals now!"

Fu Gu said angrily, with rage in his eyes.

"Pass on my orders, all domain masters in all territories to increase their vigilance, but whenever they encounter Lin Ran they must ensure their own safety!"

"Also shoot out the forbidden army, give me a wanted notice for Lin Ran, he must be made hard to walk in the Immortal Emperor Domain!"

"Yes!"

Fu Gu led the order and busily went to make arrangements.

However, since Lin Ran dared to come out, he had naturally made meticulous arrangements.

In his third month in the Immortal Emperor Domain, the number of domain lords who had died at his hands was already as high as five.

The blockade on the part of the Temperate Immortal Emperor was also getting stronger and stronger.

Lin Ran had to temporarily return to his mansion and replace Qin Bing out to continue his journey.

Then came Wang Yifeng, Xiao Jiu and the others.

As long as they were raw faces, almost every now and then, they would be replaced.

And Lin Ran had thus escaped many sieges.

Time just went by day by day.

When the time came to half a year.

The entire Immortal Emperor Domain was filled with people whose faces instantly changed at the mention of Lin Ran.

The name Lin Ran had also completely spread throughout the Immortal Emperor Domain.

It became a nightmare in the hearts of many people.

The Immortal Emperor was naturally very angry at this, but there was nothing he could do about it.

◦ ◦ ◦ ◦

Lin Ran was creating chaos in the Immortal Emperor Domain.

While doing so, he rushed towards the direction of the Beast King Domain.

Finally, in the third month of the second year, he managed to send that talisman from the Tide Serpent Clan back to the Beast King Domain.

At the same time, he sent Li back as well.

Li's had poured out his chance, and Zhen Yan naturally had his own arrangements for the rest of the matter.

Leaving the amulet behind, he waited for his doppelganger to come and fetch it.

Lin Ran then dove headlong into the Immortal Emperor Domain again.

He began his own massacre.

He wanted to stir up the entire Immortal Emperor Domain into chaos.

Only with chaos could he have a chance.

....

Three months later, Lin Ran's doppelganger finally returned to the Beast King Domain and managed to take the Tide Serpent Clan's talisman.

"Boom!"

Tearing through the void, Lin Ran instantly returned to the void passage again.

Speaking of doppelgangers, Lin Ran's doppelganger had also gone to two war-torn small worlds in full.

There were still three remaining war-torn small worlds left.

Although within the first two chaotic small worlds, Lin Ran did not find any traces of the Divine Shadow Race.

But it had let him know very much so.

For example, in this chaotic little world, there was actually some sort of connection between all of them.

At least in the two war-torn small worlds that Lin Ran experienced, there was a common force.

This power was called the Puppet Sect!

Moreover, there seemed to be some kind of connection between these two Puppet Sects.

This was because Lin Ran had discovered that although the techniques used by the people of these two Puppet Sects were not exactly the same, they were all essentially the same.

If they weren't in two small worlds, Lin Ran would really think that this was one power.

"Hey! Where are we going next?"

A woman dressed in white gauze asked with a smile in the void passage.

The woman's name was White Mist, someone Lin Ran had met and saved in the second war-torn small world.

This ninny was very pretty looking, and after saving her Lin Ran was ready to let her go.

But she said that she was also late for her journey home, so she just kept following Lin Ran.

“I’m going to go to the third war-torn small world, so if there’s a way for you to get home, you’d better go back!”

Lin Ran was already starting to hurry as he said that.

“Hey! What’s your attitude, do you think I’m a drag!”

“I’m not weaker than you either!”

White Mist was angry at what he heard.

Lin Ran, however, shook his head helplessly and said.

“Your strength is not weaker than mine, but your practical battle experience is too little!”

“It’s better to go home if you can, the outside world isn’t suitable for you!”

“And, I don’t want to! I’ve had a hard time getting out!”

White Mist muttered in his heart, and instantly followed towards Lin Ran again.
