## Chapter 2203 Ten Mile Red Makeup

what?

“Even you are not eligible to be invited?” “My Dollar family, don’t even have the threshold to participate in the wedding banquet?” “My God!” “Mr. Chu, who is this?” “Could it be that the Emperor of Noirfork is not successful?” ?” Hearing this, Dollar Hua was completely shocked.

He has always been the kind of person who feels good about himself.

On weekdays, all of his classmates and friends, except for Greg Shen of the Shen family, all the others saw him were thousands, and they shouted Brother Hua nicely.

This is the confidence and majesty brought to him by his family background.

But now, hearing these words from his father, Dollar Hua only feels frustrated.

The pride of so many years has almost been crushed by the name of Mr. Chu.

Some people, even if they haven’t seen their true appearance, but his reputation is already extremely awesome.

At that moment, Dollar Hua couldn’t help but wonder, who is this Mr. Chu?

However, just as everyone was talking about it, there was a motorcade ahead of the road.

The all-black Mercedes-Benz S-Class luxury car, the leading car is a Lamborghini sports car worth millions.

Begging and ribbons are tied to each car, and bright red flowers are on the top car.

In this way, a full twelve million luxury cars, tearing the sky, cutting through the clouds, rolled towards the Tianhe earth.

And as these wedding cars entered the city, the deafening sound of firecrackers also resounded throughout the world.

With the sound of firecrackers, the entire Wrilfill City was undoubtedly boiling.

“My God!” “Twelve million luxury cars, this is such a big handwriting?” “Whose family is married?” There were more passers-by who were watching on the side of the road.

They don't know who got married, and most of them don't even know the existence of Mr. Chu.

However, among the crowd, there are still some people with broad knowledge.

For example, Dollar family father and son.

Dollar Hua jumped out of the car at that time and stood on tiptoe to look far away: “Dad, this should be Mr. Chu's welcoming team, right?” “Haha~” “It's better to come early than to come by coincidence.”

Let's see, what does this mysterious Mr. Chu look like?” Dollar Huaxin said with joy.

Dollar Donghai also leaned in the direction of the motorcade excitedly.

Even Dollar Hua's girlfriend Zhang Wenya got out of the car, carrying a long skirt and stepping on 15cm high heels, looking away curiously.

Just when everyone was preparing to see the true face of the protagonist today, the leading car with the big red flower in front of him was slowly driving.

“I'll go, Leonard, it's okay.”

“It seems that this wedding, you have lost money.”

“The road is closed.”

“The intersection ahead, there are traffic policemen clearing the way.”

“I'm in Wrilfill. It's the first time I have seen such a big scene after so many years.”

The driver of the lead car was Leonard Chu's young man.

This driver was also the first time he saw such battles, and he was shocked.

On the back seat, Leonard Chu was still hugging the bride, enjoying the tenderness in his arms.

After hearing the small words, Leonard Chu and the woman in his arms were all startled.

“What are you talking about?” “The road was closed?” Leonard Chu was startled slightly.

“Really?” Unlike Leonard Chu’s accident, the bride in his arms, Tian Xiuxiu, was full of joy.

“Isn’t it, Xiuxiu.”

“You quickly take off your veil and have a look. Not only is the road closed, but the trees on the roadside are all tied with red ribbons.”

“Is this really ten-mile red makeup?” “Princess Married, it’s nothing more than that.”

“Xiuxiu, it seems that Leonard has put a lot of thoughts on this wedding with you.”

Leonard Chu sighed with emotion.

## Chapter 2204 the beautiful Leonard Chu

Naturally, Tian Xiuxiu couldn’t hide her curiosity, and immediately took off her veil and looked out through the car window.

Sure enough, seeing the road ahead, it was a smooth road.

The main road in the urban area was once busy, but it was empty.

A large number of vehicles and people were blocked on both sides of the road, and there were even traffic police at the scene.

What surprised Tian Xiuxiu was that the flowers and plants on the road were all replaced with festive colors.

Even on the public screens of distant skyscrapers, there are all kinds of beautiful and romantic verses circulating.

In an instant, Tian Xiuxiu was moved and cried.

Her brows were flushed, and she turned her head and threw herself directly into Leonard Chu’s arms.

“Leonard, did you prepare these for me?” Tian Xiuxiu said moved.

But in fact, Leonard Chu’s inner tremor at this time is no less than Tian Xiuxiu.

Because, he didn’t know what was going on.

What road closure?

What traffic police cleared the way?

What red makeup is ten miles?

He didn't know at all.

"Could it be that all of this is my father's own opinion, just to surprise me and Xiuxiu?" Leonard Chu secretly guessed.

However, Leonard Chu had to wonder, does his father have this ability?

After all, you can't do it with money.

When Leonard Chu was suspicious, Tian Xiuxiu, who was moved, embraced Leonard Chu and kissed Leonard Chu's lips with a blushing face.

"Leonard, thank you for the surprise you gave me."

"But in fact, you don't have to spend so much money."

"I don't care about what scenes, as long as you treat me sincerely, it's enough."

Although Tian Xiuxiu said so, but actually The joy in my heart is beyond words.

No one is not vain, no one does not long for glory.

Especially women, naturally hope they can be glorious like a princess on the wedding day.

"Haha~" "Xiuxiu, this is what it should be."

"I said, I will give you an unforgettable wedding."

"My Leonard Chu promises, naturally I won't break my promise."

"Not to mention. , This is just a small scene, you don't have to worry about spending money."

"Our Chu family lacks everything, but we don't lack money."

Leonard Chu was a little erratic when she was praised by her own woman.

He doesn't care if this handwriting is a surprise for them by his father, just pretend to be forceful!

In this way, Leonard Chu's wedding convoy, slowly moving forward, was about to enter Binhu Avenue.

However, the traffic police responsible for closing the road at the intersection was a little confused.

“Lao Yang, what’s the situation?” “Isn’t it said that Mr. Chu’s motorcade came from the east?” “Why did this come from the south?” “Could it be that it was temporarily changed?” “Or, this team is not Chu. Mr.’s?” Several traffic policemen on duty at the intersection suddenly became puzzled.

They were instructed to block the Binhu Avenue and then greet the wedding convoy coming from the east.

But now, something has happened, and they have to wonder.

“It can’t be Mr. Chu’s family team.”

“Look at these cars. The worst ones are millions of luxury cars.”

“Ordinary people, where can we afford such a team?” “Mr. Chu, he has such financial resources. Yes.”

A colleague next to him said.

But the traffic policeman Lao Yang shook his head.

“To be on the safe side, it’s better to stop and ask.”

“There are a lot of people getting married today. If you meet the wrong team, it will be embarrassing.”

Out of caution, traffic policeman Lao Yang decided to stop the leader and ask. .
