Chapter 2207

“Leonard, is this true?” “Did you really set the wedding banquet in The Twinfill?”
“Leonard, you are so kind to me.”

“I’m not worthy, you treat me like this Give.”

Tian Xiuxiu has obviously also heard the reputation of The Twinfill as the first Noirfork Pavilion.

Now that Leonard Chu had set their wedding location in The Twinfill, he was undoubtedly more moved.

“Xiuxiu, you are not allowed to say that.”

“You are my Leonard Chu’s wife. You are worthy of all the beauty in this world.”

“Moreover, all my efforts are nothing compared to you.”

“What’s more, it’s just a meal in The Twinfill, which is nothing to our Wrilfill Chu family.”

Leonard Chu began to float again, smiling proudly at the beautiful woman in front of him.

Seeing her husband so powerful, Tian Xiuxiu felt extremely sweet.

However, to be honest, Leonard Chu actually didn’t know that the wedding banquet was actually set in The Twinfill.

Last night, his father told him that the wedding banquet was held at the Yulong Hotel.

Unexpectedly, the final location turned out to be The Twinfill.

“Haha~” “Daddy is really awesome this time!” “I have to give my dad a grandson quickly to thank him for his painstaking efforts.”

Leonard Chu was also very happy.

He didn't think much about it. After all, his father could hire the traffic police to seal the road and put on these ten miles of red makeup. Compared with these, holding a wedding banquet in The Twinfill was actually nothing at all.

In this way, Leonard Chu led the motorcade and drove straight ahead towards the place where The Twinfill was located.

Finally, when only 100 meters away from The Twinfill, all the vehicles stopped.

"Mr. Chu, please get off the car, cross the Magpie Bridge, walk the red carpet, and enter the venue."

"The guests are already waiting in front of the The Twinfill."

At this time, traffic police Xiao Chen came to the front of the car and said respectfully to Leonard Chu.

Leonard Chu nodded, and then smiled: "There are still a lot of tricks."

"Still walking the Magpie Bridge?" "Okay, I'll listen to you."

Leonard Chu took Tian Xiuxiu's hand, and both of them got out of the car.

When they got out of the car, they were all stunned after seeing the scene before them.

I saw ahead, the brand new red carpet, almost extended to the horizon.

The red light hangs high and the flowers are blooming.

The dozens of graceful and beautiful etiquette ladies, all wearing cheongsam, stood on both sides respectfully.

The salute blasted, and the music official Hua Ge.

Your Excellency HaiDollar, there are thousands of guests, dressed in costumes, respectfully welcoming each other.

Ten miles of red makeup, the trees are full of fireworks.

The luxury in front of them shocked Tian Xiuxiu and others.

I just think that the emperor in ancient times got married.

"Leonard, this... these are all you...you prepared?" "Is this too dazzling?" "I'm a man watching, I want to marry you!" Zhu Gongchen looked at Seeing the luxury in front of him, he couldn't help being deeply shaken by the Chu family's generous handwriting.

This wedding scene is not tens of millions, I am afraid that it will not be able to get it down.

“It’s normal.”

Leonard Chu was still pretending to be compelled.

At the same time, a hundred meters away, Ericson and the others, who were waiting at Your Excellency HaiDollar, frowned slightly.

“What’s the matter?” “Didn’t you say that you can arrive at 11:30?” “It’s only eleven o’clock, why did you come?” Ericson was a little confused.

“It is estimated that it is ahead of schedule.”

Lei Lao San secretly guessed.

Wang Jiexi smiled and said, “Stop talking nonsense. Since Mr. Chu is here, let’s rush forward to meet him.”

Chapter 2208—This Is All Over

“Haha~” “That’s right!” “Go, let’s meet Mr. Chu and Miss Qiu together.”

Just like this, as the convoy arrived, Ericson and other Noirfork guys were full of respect and laughter. All step forward to meet the new couple.

At the same time, Leonard Chu also took Tian Xiuxiu’s arms and stepped onto the red carpet.

Behind him, there is a best man and bridesmaid accompanying him.

Zhu Gongchen is naturally among the best man.

But as the two groups of people got closer, Leonard Chu’s brows wrinkled deeper and deeper.

Because he discovered that he didn’t even know any of the guests in front of him.

“It’s strange, where’s my parents? And my uncle?” “Why can’t you see any of them?” Leonard Chu became more panicked.

Until this time, Zhu Gongchen roared in surprise.

“F*ck, Leonard, look quickly, the one walking in the front, isn’t that the second master of our Wrilfill?” “You even invited the second master of Li?” “I’ll go, then This is our third master Lei in Denham. I saw him on TV.”

“San master Lei is here too?” “Not only, but also Wang Jiexi from Haozhou!” “Shen Jiuyi, the head of the Shen family, is also there !”

“Damn!” “I’m afraid the whole Noirfork leader will congratulate you.”

“Leonard, are you so awesome?” People like Ericson are different from Mark. They are well known. The wealthy businessmen often make public appearances, and have been on news and TV a lot.

Naturally, many people know them.

Previously, far away, Zhu Gongchen and the others had not discovered anything.

But now that they are close, everyone can see that all the guests who are here to greet them are all the best leaders.

In an instant, Leonard Chu’s best man and bridesmaid group exploded.

Apart from excitement, one after another trembled at the face and prestige of the Chu family.

“Leonard?” “Is your family so good?” Tian Xiuxiu was also shocked, and only felt that she had to get to know her husband’s family again.

Before, she had always believed that even if the Chu family had money, they could only be regarded as a second-rate family in Wrilfill.

But now, let the giants of Noirfork cities congratulate themselves.

Tian Xiuxiu had to tremble at the powerful reputation of the Chu family.

Awesome?

You are so paralyzed!

However, listening to the compliments of everyone around him, Leonard Chu couldn’t laugh at all, and he almost cried.

He was a fool, and undoubtedly realized at this time that something was wrong with something special.

After all, their Chu family is so big, and among all the forces in Wrilfill, they can only rank second.

How could it be possible to invite giants like Ericson Li and Lei Sanye to attend the wedding banquet!

There is a problem with the designation.

It wasn't until this moment that Leonard Chu realized that perhaps he was really wrong.

Just when Leonard Chu was thinking about how to retreat, Ericson and others had already walked over.

"Huh?" "Where is Mr. Chu?" "Where is Mr. Chu?" Ericson and the others looked around, but didn't see Mark.

really!

Hearing this, Leonard Chu's heart jumped.

At this moment, he confirmed that he had made a mistake.

The wedding banquet in front of him was not prepared for him at all.

"Uh, that..."

Just when Leonard Chu was pale and ready to explain, in the best man group behind him, Zhu Gongchen and others pointed at Leonard Chu and shouted: "Second Lord, where is Mr. Chu here?"

When Leonard Chu heard the words, his back was cold, and his heart suddenly wailed and his eyes were full of despair. "Ciao!

"This is all over."
