

Chapter 2209– 2210 of A Dish Best Served Cold Novel

Chapter 2209

Sure enough, following Zhu Gongchen's call, Ericson and the others looked over.

At the moment when Leonard Chu and Ericson's eyes met, Ericson's old face turned dark.

"He is Mr. Chu?" Ericson and others looked at Leonard Chu in front of them like a ghost.

That old face is as somber as it is.

"Yeah."

"My husband is Mr. Chu."

Tian Xiuxiu obviously didn't notice the gloomy faces of Ericson and others, but he raised his chin and said proudly.

Especially when he saw Lei Lao San next to Ericson, Tian Xiuxiu's eyebrows showed a sense of comfort and relief.

"You should be San Ye Lei?" "My father Tian Weimin, I don't know if San Ye still has any impression."

"My father had an accident in his business, and I wanted to ask San Ye for help."

"As a result, when my father was in the cold winter, After waiting for three days and three nights outside Lei's house, in the end, even if you fainted in front of your Lei's house, you still didn't see Sanye your dignity."

"Sanye, I have to say, your arrogance is really big. Ah."

"It's only thirty years, thirty years in Hexi."

"San Ye, you certainly didn't expect that Tian Weimin, whom you dismissed back then, would have his daughter married into a wealthy family."

"My father spared no expense. Sanye Lei, who has never seen his life, is not far away and respectfully came to congratulate his daughter."

“But Sanye, you don’t have to panic.”

“The past things are over.”

As long as today, at the wedding banquet, you toast three wines to my father, bow and apologize, and I will write off your grievances in the past.”

At this time, Tian Xiuxiu was condescending and spoke proudly to Lei San, with a look of confidence. .

After all, in Tian Xiuxiu’s view, Lei San and others came to congratulate and greet him, indicating that the power of his in-laws should be higher than Lei San.

Otherwise, how could Lei San and the others come to congratulate him?

Therefore, with this reliance, Tian Xiuxiu naturally wants to avenge his father in the past!

However, facing Tian Xiuxiu’s words, Lei Laosan was stunned.

He stared at Tian Xiuxiu for a long time, but he couldn’t remember, who was this woman in front of him?

“Xiuxiu, just say a few words.”

At this time, Leonard Chu on the side was winking at Xiuxiu, asking her to speak carefully.

“Relax, Leonard, I have a sense of measure.”

Tian Xiuxiu replied, and then continued to look at Lei San.

“Why?” “San Ye, are you unwilling to apologize?” “You have to think clearly. In the future, when I marry into the Chu family, that will be the Chu family’s daughter-in-law.”

“Before, our Tian Jiali was weak. It’s not worth mentioning.”

“But in the future, I, Tian Xiuxiu, will be the mistress of the Chu family in Wrifill. I promise that I will let you San Ye from the Chu family in Wrifill. You can’t get along in Denham.”

Tian Xiuxiu coldly Threatened.

However, before Lei San could answer, Leonard Chu who was next to him exploded and slapped Tian Xiuxiu to the ground.

Tian Xiuxiu was immediately stunned.

“Leonard, what are you doing?” Tian Xiuxiu cried, covering her face.

“What are you doing?” “I’m F*cking Nima!” “You silly girl, don’t you want to kill my Chu family?” Hearing what Tian Xiuxiu said just now, Leonard Chu was almost scared to pee.

Denham Lei Family, what kind of power is that?

Regarding the family background, it is Ericson Li of Wrilfill, who wants to lower his head.

This kind of power, even if the three Chu Clan add up, can’t afford it.

But now, this idiot girl actually said rude words to Lei San, and even threatened to let Lei San Ye not hang on.

Originally, they went to the wrong wedding banquet, which made Leonard Chu even more frightened.

But now, my own idiot wife is pretending to be forced.

She wanted to kill them all.

After inciting crying Tian Xiuxiu, Leonard Chu hurriedly apologized from Lei San and the others with a panic expression: “San Ye, Er Ye, sorry.”

“This shameless lady is ignorant and offended you, I apologize to you.
“Misunderstanding, today is a misunderstanding.”

“We didn’t intend to disturb, so we will leave.”

Leonard Chu said with cold sweat on his face.

After speaking, he quickly turned around and let Zhu Gongchen and the others leave.

“Leonard, what’s going on?” “The wedding is not going to be done?” Zhu Gongchen and the others were a little confused, completely confused.

“Yeah, Mr. Chu, you can’t go.”

“Today you are the protagonist and you are gone. Wouldn’t the second master come here in vain?” “Is it the second master?” At this moment, Leonard Chu waited. Xiao Chen, the traffic policeman who came over, quickly stopped him.

Finally, he looked at Ericson, hehe with a smile, with a flattering look.

“Second, your grandmother is tall!” However, it’s okay for Xiao Chen not to speak. As soon as he spoke, Ericson slapped his face with a slap.

“You idiot, he’s a fart Mr. Chu?” “Even people can admit their mistakes?” “A bastard thing that is not enough to succeed!” “Don’t hurry up to get out of me~” Ericson saw that now, his heart is undoubtedly already Thoroughly understand.

Obviously, it was the traffic police who recognized the wrong person and led the wrong team.

But Ericson was almost furious.

“Damn!” “Why did I invite you idiots?” “Hurry up!” Ericson scolded angrily, and finally turned to look at Leonard Chu and the others.

“And you guys?” “Is it your own wedding, I don’t have any idea in my heart?” “Mr. Chu’s wedding banquet, you dare to pretend to be so brave!” “Come here, give me a cruel Hit!” “Throw all these people, break their legs, and throw them out to me.”

Ericson was angry and surprised.

After all, this is Mr. Chu’s wedding banquet.

If because of this, Mr. Chu’s auspicious time was delayed, and his second guilt would be serious.

“Second Lord, we were wrong.”

“We really know that we were wrong.”

“You just bypass us~” “We really broke in accidentally~” Leonard Chu was also frightened and panicked. The old face couldn’t help begging for mercy to Ericson.

However, how could Ericson forgive him.

Soon, dozens of bodyguards came out, armed with clubs and violently beat them at Leonard Chu, and the wedding car was smashed to them.

“Ah~” “Second Lord, please, forgive us~” In the screaming, Leonard Chu begged for mercy, crying with snot and tears.

Leonard Chu never dreamed that a good wedding for himself would end in this way.

But who can blame this again?

After all, he just took the blame.

Obviously many times before, Leonard Chu had the opportunity to correct.

However, the vanity in his heart pushed him to an irreparable situation.

Bang~ Just as Leonard Chu, Zhu Gongchen and others begged for mercy, at the end of the road, there was a sudden sound of cannons.

Amid the deafening salute, more than a dozen luxury cars swept forward with the majesty of crushing everything.

“This...this is...”

“Mr. Chu is here?” Ericson and the others looked up and exclaimed.

“Mr. Chu is here?”

Hearing the sound, Ericson and others looked up and exclaimed.
