

Chapter 221: Waking Up For a Rehearsal

Cheng Ruoran replied immediately, "Got it, CEO Shen. Do you have any other arrangements?"

"No."

Walking into the office, Shen Fanxing gave Xiao Zhao a call.

The call went through instantly and Xiao Zhao's low voice sounded. "Hello, Sister Xing."

"Chu Yi is not awake yet?" Shen Fanxing went straight to the point.

"Yeah," snorted Little Zhao softly, who was on the verge of tears.

Whenever there was a schedule in the morning, he would feel like dying a million times.

Chu Yi's bad temper when he woke up was just like a volcano eruption. Everywhere he went, people died.

Who could withstand his temper?

At the thought of waking him up again tomorrow, he felt like dying right now.

Shen Fanxing went silent for a while before speaking into the phone,

"Go and get some water from the kitchen..."

Little Zhao took a deep breath and seemed to have understood something. He shook his head frantically and said, "No, no, no! Sister Xing, you might as well kill me!"

"What are you thinking? I merely want you to water the vase of flowers in the living room."

"Sister Xing... it's already late and you're still thinking of watering the plants?!"

Shen Fanxing's voice deepened as she said, "If my flowers wilt, are you going to compensate me?"

"Okay alright! I'm sorry, I'll go now. But Sister Xing, Chu Yi..."

"There's no hurry."

Little Zhao took a deep breath and poured water into a container. Then he poured the water into the vase containing the flowers.

No hurry?

Yes, there was no hurry now. But it will be tomorrow!

But why did he have to come so early in the morning?

Xiao Zhao sighed as he poured more water into the vase.

Just as he was about to stand up, a deafening alarm suddenly rang shrilly.

Frightened, he crouched down immediately and hugged his head with his hands.

"What happened?"

Shen Fanxing heard the alarm through the phone and her lips curled into a grin. She said, "You've exceeded the water limit."

Little Zhao was speechless

In less than a minute, the door to one of the bedrooms flew open.

There was a murderous look on his handsome face, and at that moment, he was as cold as an ice sculpture. His eyes were terrifyingly ruthless, and he looked as though he wanted to tear someone apart before breaking their bones.

"What happened?!" The moment he spoke, the atmosphere turned into ice.

Little Zhao held the phone, and he was too afraid to look at Chu Yi's darkened face.

"Pass him the phone," replied Shen Fanxing in a cool voice. Little Zhao hurried forward and handed the phone to Chu Yi cautiously.

"It's Sister Xing. Sister Xing..."

Indeed, after Chu Yi heard Shen Fanxing's name, his darkened face turned better and he took the phone. "What's the matter?"

"Wake up now and go out and act. Wake up on time tomorrow at 8:00 a.m. Otherwise, you can indicate if you prefer to hear the sound of the trumpet or the alarm blasting. Or I can hire a dance crew just for you. You decide..."

She was speechless...

Chu Yi's dashing face fell once again.

In the end, Shen Fanxing concluded, "If you have difficulty choosing, I can help you to decide tomorrow. Look forward to it."

The veins on Chu Yi's forehead twitched and he bellowed, "Witch!"

Shen Fanxing replied noncommittally, "I'm looking forward to tomorrow."

With that, she hung up.

Chu Yi stared at his phone for a long time before he threw it to Little Zhao.

In the end he turned around and stomped to his luxurious bedroom. When he heard the alarm sound, he gritted his teeth and yelled, "Turn off that damn sound!"

Chapter 222: Respecting Only Sister Xing

In the end he turned around and stomped to his luxurious bedroom. When he heard the alarm sound, he gritted his teeth and yelled, "Turn off that damn sound!"

Frightened, Little Zhao jerked and jumped up before he dashed around the room looking for the switch.

In the end, a smart idea struck him in a hurry. He poured some water out of the vase before the alarm stopped ringing.

Then, he collapsed on the sofa, completely drained.

Was this a rehearsal for waking his boss up?

He had to respect Sister Xing!

...

After settling the major worry at hand, Shen Fanxing started to make arrangements for the second major one. And that was to contact Xu Qingzhi for dinner tonight.

.

Xu Qingzhi was having coffee in her office while browsing the latest news online.

When Shen Fanxing called, she happened to chance upon an interesting piece of news.

"Fanxing, what's the matter?"

"Hey, you have to make time tonight. I need to bring you to meet someone."

Xu Qingzhi replied airily as she scrolled, "Sure. I have more free time recently. But who do you want me to meet?"

"He's my boyfriend."

"Okay, boyfriend..."

Xu Qingzhi repeated the word twice before regaining her senses. "Boyfriend?"

"Yeah."

"Fanxing... you're not going to wallow in despair, are you?" asked Xu Qingzhi after a long pause.

"You think I would have introduced him to you if I did so?"

"That's true." Xu Qingzhi nodded and replied, "Alright then. I'll be there tonight. I want to see who's the lucky guy! Oh right, I got someone to bring back a few lipsticks from France. I'll give you two tonight."

"Okay, let's meet after work and head there together."

"Okay..." answered Xu Qingzhi before glancing at the news article on the screen. She grinned and said, "Have you read the news online?"

Shen Fanxing asked doubtfully, "What news?"

"Shen Qianrou fainted at the Su Corporation building."

Shen Fanxing paused before smirking. "Really?"

"Is she acting?" guessed Xu Qingzhi.

Shen Fanxing turned on her laptop and leaned back in her chair. Chuckling softly as she said, "Not entirely. After all that has happened over the past two days, it's understandable for her to faint after not eating."

Recalling how Shen Fanxing had purposely chosen to announce the news in the afternoon, Xu Qingzhi grinned.

"Seems like I do have to be mischievous at times."

Being able to plot against Shen Qianrou from afar and making her faint without showing her face, was considered a good move.

...

At the hospital.

Shen Qianrou had an IV drip, and it was already afternoon when she woke up.

Su Heng sat on the edge of the bed and the first thing he noticed was that she had woken up. He hurried to hold her hand.

"Qianrou, you're awake."

"Brother Heng... where is this place?" Shen Qianrou's voice was a little hoarse. Her eyes swept around the surroundings and she had guessed what was going on.

"You fainted just now. Why haven't you eaten for two days?"

Shen Qianrou's face was really pale and her eyes were welling with tears. It made his heart ache for her.

"Brother Heng, I... I couldn't contact you... You were still angry with me when you left. I thought you would ignore me forever..."

Tears streamed down her face.

Su Heng's face was full of pain as he reached out to wipe her tears. "Silly girl, you're thinking too much. It wasn't easy for us to be together. How can I give up on you so easily?"

"Then why haven't you answered my calls?"

"I'm busy at the company..."

Shen Qianrou stared at him with teary eyes, obviously not believing his words.

Su Heng sighed and carried on, "The photos that were exposed yesterday, had pictured a few investors who wanted to withdraw their investment... The directors of the company have been making a fuss..."

Chapter 223: When Did She Ever Offend the CEO?!

Su Heng sighed and carried on, "The photos that were exposed yesterday, had pictured a few investors who wanted to withdraw their investment... The directors of the company have been making a fuss..."

Shen Qianrou blinked, and her eyes were full of remorse. She stammered weakly, "Sorry... Brother Heng, I was too anxious back then. I didn't consider..."

Su Heng could only shake his head and console her. "It's okay, we can't have it both ways. The withdrawal of the investors will not affect the company much. As long as the biggest investor is still with us, nothing will happen."

Shen Qianrou relaxed a little, but she asked worriedly, "Is the investor in those photos too?"

At the mention of this, Su Heng's gentle face showed signs of fatigue. "Yes, he is..."

Shen Qianrou's face turned even paler.

Seeing this, Su Heng hurriedly held her hand tightly and added, "Don't worry, they haven't acted yet.. I reckon they shouldn't be too bothered by these small matters. It's their Grandfather's 88th birthday soon. It shouldn't be a big problem as long as I apologize personally."

"Are you sure?"

Su Heng nodded and smiled gently at her. "It'll be fine. That is the most successful investment Fanxing has ever gotten. The Su Corporation has never disappointed them after all these years. What they care about the most is the return on investment. Compared to that, this is nothing much."

As one of the wealthiest families in the capital city, the Pei family had many businesses under their name.

He had no idea how Fanxing had managed to convince the Pei Corporation to invest in the Su Corporation. But Fanxing had promised him clearly that as long as the Su Corporation needed help, the Pei Corporation would always support them.

Thus, the Pei Corporation wouldn't make a fuss over a photo.

Noticing the look of admiration on Su Heng's face, Shen Qianrou bit her lips.

"Brother Heng, you'll bring me along then, right? I'm the one who caused this. I should apologize to them personally."

Su Heng smiled and said, "Of course I will. It's such an important event. Who else would I bring? You're my official fiancée now."

She smiled and replied, "I will not disappoint you."

He reached out to ruffle her hair lightly and said gently, "Take your time and get well soon. It's the school's anniversary in two days. I'll bring you out to relax."

Shen Qianrou's eyes lit up and she nodded in anticipation.

...

After work that night, Shen Fanxing and Xu Qingzhi went to Green Jade Entertainment Club.

Yu Song had already arrived and personally ushered them to the private room.

“Miss Shen, Master has an urgent meeting and he’s on his way here. He instructed that if the two of you can’t wait, you can eat first.”

Shen Fanxing lowered her head to look at the time. It was 7:00 p.m.

“Okay, I got it. Thank you.”

Not long after they sat down, the door opened.

Almost at the same time, a deep and clear voice sounded.

“Sorry I’m late.”

Xu Qingzhi turned her head and glanced towards the door.

The man was tall and muscular, and his expensive suit was immaculate.

His long eyebrows were defined and deep, and his eyes glinted with intelligence. His nose was sharp and his thin lips were slightly pursed. With such perfect features combined, it was obvious that God was biased when he created him.

Xu Qingzhi was momentarily stunned but she regained her senses quickly.

Not for anything else.

That was because the man had already walked up to her and nodded at her.

From his eyes, she could feel a hint of hostility and warning coming from the depths of his soul!

Xu Qingzhi was a little confused.

When did she ever offend the newly-appointed CEO of the Bo Consortium?

Chapter 224: I Like Everything You Ordered

After helming a company for years, she had met all sorts of people, and she was well-versed in judging people’s expressions.

The only interaction she had with this big shot was when she caught a glimpse of him from afar during the ceremony.

Not a single word was spoken between them!

She didn’t even have an opportunity to offend this man?

So... Bo Jinchuan was Fanxing’s boyfriend?

Xu Qingzhi stole a glance at Shen Fanxing, who returned a stiff smile.

Shen Fanxing had naturally noticed the strange atmosphere.

Moreover, she was aware of the reason.

Xu Qingzhi squinted at her with her eyebrows creased. She wanted to ask, “What is happening?”

Shen Fanxing glanced at her as well, and her eyes full of helplessness as she blinked at her.

Both Xu Qingzhi and Shen Fanxing's eyes darted back to Bo Jinchuan. He narrowed his eyes quietly.

Raising his head, he scrutinized Shen Fanxing casually.

Casually?

His intense gaze...

Shen Fanxing looked in his direction, and successfully understood the expression that flashed across his eyes.

Bo Jinchuan remained mum after that. Instead, he walked towards her and sat down beside her. He placed his hand on her shoulder in an intimate manner...

Shen Fanxing lowered her eyelids slightly, unable to suppress her smile.

It was just a meal. Was it a good idea for him to do that?

Xu Qingzhi's hand shook slightly as she held her cup.

Was this man showing off or trying to prove something to her?

"Hi, I'm Bo Jinchuan, Fanxing's boyfriend."

Xu Qingzhi's temples throbbed. Did he need to emphasize the word "boyfriend"?

Yet, she still smiled at Bo Jinchuan and replied, "Hello, I'm Xu Qingzhi. Fanxing is my best friend."

There were two seconds of silence in the room. Bo Jinchuan and Xu Qingzhi stared at each other silently for two seconds before looking away.

"Thank you for taking care of Fanxing all these years. Let me know if you need any kind of help in the future."

Xu Qingzhi raised an eyebrow and gave Shen Fanxing a meaningful look before nodding. Softly she replied, "Thank you, CEO Bo."

Shen Fanxing couldn't stand the tense atmosphere and hurried to grab the menu. "All of us must be hungry. Let's order now. What do you want to eat?"

Bo Jinchuan turned to smile at her before giving her a peck on her cheek.

"I like whatever you order."

No matter how well her upbringing was, she couldn't quite tolerate when someone did a public display of affection.

What was even more pathetic was that she was single now and she had no one to love her!

Xu Qingzhi shot Shen Fanxing a deathly stare and reached out to take the other menu.

Was she pelting her with intimate acts?

Ha, she wanted to eat the most expensive food!

She flipped the menu and ordered all the signature dishes.

Shen Fanxing looked at Xu Qingzhi in surprise, knowing that she might have been... feeling provoked tonight.

Thus, she didn't say anything. Turning her head to look at Bo Jinchuan, she saw his nonchalance and so, she looked at the menu again.

"Don't you like seafood? The prawns here are good, do you want to try?"

Bo Jinchuan's eyes lit up and his deep voice sounded exceptionally gentle. He nodded lightly and said, "Sure."

Then, he looked up at Xu Qingzhi in a poised manner.

"You can order whatever you like. There's no need to stand on ceremony."

Xu Qingzhi didn't reveal any of her emotions on her face, and froze a polite smile. Inside, she was sneering coldly.

What did he mean by showing off?

Chapter 225: She Was a Genius

"Don't worry, Fanxing and I have been friends for years. I won't stand on ceremony."

Bo Jinchuan returned a faint smile and scanned her before saying, "That's good."

That smile didn't reach his eyes; it was better not to smile.

After ordering, the room fell silent.

Even though she didn't want to be tortured with their public display of affection, she was nevertheless happy to see Fanxing with Bo Jinchuan.

At the very least, she could only maintain the most optimistic state of mind in such circumstances.

"I really didn't expect the two of you to be together. How did you meet?"

Shen Fanxing paused before saying, "The last time I was hospitalized... we met by chance..."

"You..." Xu Qingzhi was shocked. She thought that the first time the two of them met was at the anniversary celebration. She hadn't expected it to be earlier than that!

"Why are you telling me now? If you had told me earlier, I would not have sent you those things yesterday. I was even thinking of looking for a boyfriend for you."

She was speechless...

Shen Fanxing felt the grip on her shoulders had tightened.

The air seemed to turn colder as Bo Jinchuan stared at Xu Qingzhi intensely.

“Since you have such an outstanding boyfriend like CEO Bo, there is no need for me to put in the effort. Fanxing, what man in the world can be compared to the intelligent, good-looking and extraordinary CEO Bo? Am I right, Fanxing?”

The atmosphere gradually returned to normal and a faint smile appeared on Bo Jinchuan’s face.

Xu Qingzhi bit her tongue quietly. Yes, she was indeed a coward.

But she was a genius.

The saying was right. A wise man submits to circumstances.

Shen Fanxing pursed her lips, unable to hide the grin on her face.

In order to prevent herself from feeling awkward, Xu Qingzhi turned around and took out two tubes of lipstick.

“Here you go. I’ve tried these two lipsticks and they’re good for moisturizing the lips. The colors suit you too.”

She tried them?

“Really? Thank you,” said Shen Fanxing as she accepted the lipsticks. She opened it and true enough, the colors were indeed to her liking.

Seeing that she had kept the lipstick, Bo Jinchuan’s eyes gleamed but he didn’t say anything.

After the dishes were served, they started eating and chatted occasionally.

It was usually Shen Fanxing who spoke to Bo Jinchuan. He didn’t speak much.

It wasn’t difficult to tell that Bo Jinchuan was very thoughtful and cared for Shen Fanxing very much.

At the end of the meal, Xu Qingzhi raised her glass.

Sighing lightly, she looked at Bo Jinchuan and replied,

“CEO Bo, I hope you’ll treat her sincerely. She has always been devoted to her relationships without asking for anything in return. Like a fool, she thinks that as long as she has done enough and is sincere enough, she will be treated well. This is not a problem at all, but the human heart is unpredictable. She doesn’t want much. Or to put it simply, it’s something that others are born with and are taken for granted. But it is something that she desires.”

“I don’t know how deep your feelings for Fanxing are, and I know that the two of you have not been together for long. To be honest, I don’t agree with the fact that the two of you got into a relationship in such a short period. I’ve witnessed the betrayal of her eight years of relationship. Moreover, the two of you have only been together for a few days...”

“But I still have hope because you’re too outstanding. I hope that my best friend can get the best happiness. So I wish that the two of you can be happier than Su Heng and Shen Qianrou, and happier than anyone else...”

Chapter 226: The Best Treatment

As Xu Qingzhi spoke, her eyes turned slightly red but she continued to smile.

“Don’t be fooled by her strong exterior. She has been hurt too much. Without someone to protect her, she can only protect herself. She’s actually more vulnerable than anyone else. So... don’t bully her. Treat her well and protect her! I don’t have the right to entrust her to you, but if you make her sad, I’m the one who has the right to take her away from you.”

Shen Fanxing felt a lump rising in her throat.

Every word that Qingzhi said had hit the softest part of her heart.

She was glad that the world had given her such a huge blessing.

.

“Qingzhi...”

Shen Fanxing gave a long sigh, touched beyond words. Lost for words, she could only reach out to grab Xu Qingzhi’s hand.

But a huge hand intercepted her outstretched hand instead.

Shen Fanxing turned to glance at Bo Jinchuan, who had calmly gripped her hand. He then placed her hand on his thigh.

Then he raised his glass and smiled at Xu Qingzhi.

“You won’t have that chance.”

Xu Qingzhi smirked and replied, “I hope so.”

They each finished a glass of wine and dinner came to an end.

In Green Jade Entertainment Club’s car park, Bo Jinchuan stood with Shen Fanxing and smiled at Xu Qingzhi.

“You drank tonight. I’ll get someone to send you back.”

Xu Qingzhi didn’t reject and replied, “Thank you, CEO Bo.”

“In that case... Miss Xu, feel free to select.”

“Select?”

Xu Qingzhi had barely finished asking when a group of people appeared out of nowhere. They then formed a row in front of them.

The row men were all tall and good-looking.

“Miss Xu, feel free to select who you like.”

“What do you mean?”

“Don’t think too much, I’m just asking you to pick a man you like to send you home.”

Xu Qingzhi suppressed her anger and said, “It’s just a chauffeur. Why do I have to choose one that I like?”

Bo Jinchuan shook his head and quipped, “Miss Xu, aesthetic appreciation should be nurtured. Although he’s only a chauffeur, you are given options. Hence it’s best to choose someone you like.”

“That’s true. But why are you so nice to offer these options to me?”

“You’re Fanxing’s best friend. I have to give you the best treatment.”

“Haha, you’re too kind,” replied Xu Qingzhi as her vision swept past the few men in front of her. Then, she pointed at a random man and said, “I’ll have him.”

Bo Jinchuan gave the man an appraising glance and nodded. “Miss Xu’s taste in men... is indeed unique.”

“Haha.”

“Have a safe trip, Miss Xu.”

“Bye!” shouted Xu Qingzhi as she strode towards the car that Bo Jinchuan had arranged.

Bo Jinchuan smiled but didn’t say anything.

Yu Song went to open the car door for Xu Qingzhi. Before she got into the car, he said, “Miss Xu, please check your email when you’re back.”

“What?!” Xu Qingzhi rebuked coldly.

Yu Song smiled awkwardly and said, “Master said it will be helpful to you.”

“Hmph!”

Xu Qingzhi gave a cold snort and got into the car.

...

On the way back.

“You went overboard tonight. Qingzhi is going to be angered to death by you.”

“I’m doing this for her own good,” said Bo Jinchuan calmly.

Shen Fanxing turned her head to look at him silently.

After a long while—

Bo Jinchuan said, “Alright, actually I’m doing this to prevent her sexual orientation from going astray and abducting you.”

Chapter 227: Try to Empathize With Me, Okay?

Bo Jinchuan said, "Alright, actually I'm doing this to prevent her sexual orientation from going astray and abducting you."

Shen Fanxing was speechless...

Yu Song, who was driving, was also speechless...

Master, please allow him to say this from the bottom of his heart. His image and persona can't be maintained anymore!

"Bo Jinchuan, you... that's enough. I've repeated myself so many times. Qingzhi is my good friend. Can't her words today prove anything? Moreover, I'm not gay!"

"I know, but I can't allow anything that could possibly happen, lay in ambush between us. I can only blame her for sending you that movie. I can't just stand by and do nothing, okay?"

Shen Fanxing bit her lips and said, "Aren't you being too overly paranoid and overbearing?"

Bo Jinchuan reached out to grab her hand before he pulled her into his embrace.. His fingers caressed her chin. His voice was low and warm and she caught a faint whiff of the wine in his breath.

"Overbearing huh?" He gave her a light peck on the lips, his voice alluring. "You've known her and Su Heng for more than ten years. Even your half-sister has been with you for so many years. But you've only been with me for less than a month. Try to empathize with me, okay?"

Shen Fanxing studied him in surprise.

He had so little confidence?

"Don't look at me like that. It'll make me feel like a loser."

He had always been used to seizing victory with his hands. And he was great at having everything within his control.

Yet, there seemed to be an exception.

Shen Fanxing gave a faint smile after some time and said, "From what you've said, I've progressed to this state with you in less than a month. Don't you think I'm being too frivolous?"

Something flashed across Bo Jinchuan's eyes and his grip on her chin tightened. "You're not."

Despite saying that, his hand roamed up her back and around her neck and down her beautiful spine.

Shen Fanxing's body tensed up and she pushed him forcefully.

Bo Jinchuan's hand lingered on her waist and he rubbed his nose against her neck. Her unique scent wafted into his nose, alluring and bewitching his senses.

"It's more like your reservations are testing the human heart."

She was speechless...

Shen Fanxing remained mum for a while. Listening to the man's low and husky voice, her heartbeat increased.

There was a sudden warm sensation on her neck, followed by a series of kisses on her skin. The hand on her waist scorched her like a soldering iron.

His breathing became heavier and his kisses seemed to have spiraled out of control.

Shen Fanxing's scalp turned numb.

He had drunk quite a lot tonight.

The overwhelming silence in the car made his breathing echoed in the air.

Shen Fanxing instinctively remembered the presence of Yu Song, a third party.

Firstly, it wasn't suitable for someone else to be present.

Secondly, Yu Song was the reason why she was resistant to Bo Jinchuan's advances right now.

However, in the blink of an eye, Yu Song had already put down the partition between the front and back seats.

The man's hand on her waist started moving again, as it brushed along the hem of her shirt.

For a few moments, she thought that his hand would slide under her shirt.

But nothing happened.

In the end, Bo Jinchuan let her go. Noticing her tensed body, his lips curled upwards. The depths of his eyes swirled with emotion.

Chapter 228: Not Allowed to Use

In the end, Bo Jinchuan let her go. Noticing her tensed body, his lips curled upwards. The depths of his eyes swirled with emotion.

"Nervous?"

Shen Fanxing didn't respond, but he could tell from her rigidity.

Bending down to kiss her chin, he continued, "Don't worry, I'm pursuing you seriously. Before you agree, I won't do anything to you. But don't make me wait too long, okay?"

Shen Fanxing heaved a sigh of relief.

Bo Jinchuan let go of her and reached out to hand Shen Fanxing her bag.

"Take out the two tubes of lipstick that your friend gave you."

Shen Fanxing asked doubtfully, "Why?"

Even though she questioned him, she did as she was told.

Bo Jinchuan reached out to grab the two lipsticks.

"You're not allowed to use it."

“Why?!”

Shen Fanxing wanted to snatch them back. Even though she wasn't good at dressing herself up. A lipstick was a necessity for her.

Moreover, she liked the shades of the lipsticks.

Bo Jinchuan replied airily as he put them out of her reach, “If you like them, I can give it to you.”

“But you can't waste these lipsticks!”

“You don't need these.”

“You...”

“You're now mine. You're mine from head to toe and your lips are also mine. And so, I have to decide on the shade.”

As he spoke, he massaged his temples and resumed his sitting position.

Shen Fanxing was rendered speechless as anger brewed inside of her.

She was used to being strong-headed and determined. Even though she was different in front of Bo Jinchuan, these traits couldn't be overlooked.

“Bo Jinchuan, do I have to break up my friendship with Xu Qingzhi in order to prove myself in this relationship?”

There was a tinge of coldness in the air, which had obviously come from Shen Fanxing.

Bo Jinchuan stroked her hair lazily while he propped his other hand on the windowpane. Even though he was in an impeccable suit and proper leather shoes, his lips curled into a smile and his dark orbs reflected languid laziness. Perhaps due to the influence of alcohol, he looked indolent and lazy.

He glanced askew at her as his hand glided through her hair to her fair skin. His voice was husky and seductive.

“There's no need to put the two of us together for you to make a choice. It's unfair to me.”

Shen Fanxing's heart skipped a beat.

She stared silently at Bo Jinchuan's dashing face, and realized that he sounded as if he had expected that.

He was too smart. There were some things that she didn't even think of, but he had long known her answer.

Indeed, if she could only choose either Bo Jinchuan or Xu Qingzhi, she would definitely choose Qingzhi.

She wouldn't hesitate.

“Sorry...”

Bo Jinchuan smiled lightly, his voice as light as the mist.

“It’s alright. I’ll let them stay impudently in your heart for a few more days...”

His hand which was caressing her face, slowly moved to the back of her ear. He then gripped her nape and tugged her towards him.

He rested his forehead lightly against hers. The scent of the alcohol was mixed with his unique scent.

“Everything is all mine anyway.”

Shen Fanxing’s lashes trembled.

On the other hand, the first thing Xu Qingzhi did when she reached home was to turn on her laptop.

There was indeed an unread email.

She clicked on it without any hesitation. Two seconds later, an image appeared in the video. Before it started, she got up to pour herself a cup of water.

Chapter 229: No Resistance Towards You

She clicked on it without any hesitation. Two seconds later, an image appeared in the video. Before it started, she got up to pour herself a cup of water.

She had drunk quite a bit tonight.

She had no choice because the wine ordered by Bo Jinchuan tasted so good.

On the way back home, she could feel the strong after-effects!

When she ambled back to the laptop while drinking, a low voice sounded and was mixed with the low panting of a man.

Xu Qingzhi frowned doubtfully. Because of the angle, the computer screen caught the light, so she bent down to sit on the chair.

The moment her gaze landed on the screen, she spat out a mouthful of water.

The man and woman on the screen were obviously doing something unspeakable.

“Pfft...”

She spat a mouthful of water on the screen, which blurred her vision.

Her laptop!

There was too much important stuff inside!

Xu Qingzhi hurried to wipe the laptop with a tissue. Realizing that it could still function as usual, she took a deep breath and wiped her mouth. Suddenly the woman in the video shrieked!

The water in her mouth flowed down the corner of her lips.

She had accidentally seen the ugly thing of the ugly man in the video!

It was so gross that she couldn't even swallow water.

That ugly thing was merely more than three inches long. Why did that woman shout so excitedly?

Reaching out, she took a few more tissues and wiped her lips forcefully!

She placed the cup on the table.

Rage engulfed her!

Picking up her phone, she typed a string of words and sent it to Shen Fanxing—

'Bo Jinchuan! Is he a pervert!!!?'

After sending it, she cast her phone aside.

Shen Fanxing, who was already in the lift, frowned when she saw her phone.

Three exclamation marks?

What caused Qing Zhi to lose her temper?

She turned her head to look at Bo Jinchuan and asked, "What did you do to Qingzhi? Why is she so angry at home?"

Bo Jinchuan's eyes swept across Shen Fanxing's phone and his lips curled into a smirk. He drawled, "You can ask her how did she feel."

She was speechless...

How did she feel?

Hearing the familiar words, Shen Fanxing reacted instantly.

"Don't tell me you..."

"What?"

Seeing the calmness on Bo Jinchuan's face, Shen Fanxing hesitated.

Could she have misunderstood?

In face of Xu Qingzhi's fury, Shen Fanxing contemplated for a while before replying,

'I don't think so.'

Xu Qingzhi typed,?'Bye.'

Shen Fanxing appraised Bo Jinchuan with a doubtful look but said nothing in the end.

He... shouldn't be that kind of person...

Seconds later, the lift door opened and Bo Jinchuan accompanied Shen Fanxing to her door. But he didn't intend to go in.

Surprised, Shen Fanxing blurted out. "Aren't you coming in for a while?"

Bo Jinchuan held her hand and said softly,

“Although I want to, I can’t. After drinking tonight, don’t let me get close to you so easily. I don’t seem to have much resistance towards you.”

Shen Fanxing’s face reddened.

“Will you be okay?”

“Yes, go in.”

“Then hurry and rest after you’ve showered.”

“Sure.”

After closing the door, Shen Fanxing heaved a sigh of relief.

She couldn’t forget what Qingzhi said tonight.

Because those heartfelt words were too precious to her...

Looking at the invitation that T University had sent a few days ago, Shen Fanxing’s face fell

Even without an invitation, the school wouldn’t reject any student who wanted to attend.

Only those who had made achievements in the society after leaving school would be given special treatment by the school.

The invitation was sent by the university in hopes of inviting these students to solidify their standing and increase their prestige.

But as an expelled student, she actually received an invitation?

She couldn’t help but wonder who had dug this pit for her with this invitation...

After pondering for a while, she let out a cold chuckle. Throwing her phone aside, she went into the bathroom...

Chapter 230: Yeah, It’s Random

At the hospital.

Shen Qianrou lay on the bed and waited for the ice in her mouth to melt before saying,

“Have you done everything I asked you to?”

Her manager, Ji Wei nodded and said in a low voice, “Don’t worry. It’s just one more invitation. It’s no issue at all.”

Satisfied, the corners of her lips curled into a smirk. Her eyes gleamed with hatred.

“When the time comes, I must make her suffer double the humiliation I’ve suffered these few days!”

At that moment, there was a knock on the door.

The malicious expression on Shen Qianrou's face slowly faded. Her face, which was usually pure and beautiful, was pale without any makeup.

The door swung open and Lin Feifei strode in with a few friends to visit her.

Seeing the sight of Shen Qianrou's pale and vulnerable face, her heart went out to her.

"It's all because of Shen Fanxing who caused Qianrou to end up in this state!" growled Lin Feifei through gritted teeth.

"How can she be so evil? It's bad enough that she bullied Qianrou. But she even caused a scene at the Shen family's anniversary party!"

"She's already had affairs with several men. Yet she's still holding on to Su Heng tightly, unwilling to let go. This is too disgusting..."

Hearing how they were criticizing Shen Fanxing, Shen Qianrou felt a sense of comfort.

"Alright, don't say anymore..."

Upon hearing Shen Qianrou's protest, Lin Feifei interjected resentfully, "Qianrou, how many times have I said that being too kind will only lead to you being bullied? Why are you always like this? Why do you always protect her unconditionally?"

Shen Qianrou shook her head and replied, "I just don't want to talk about her for now. It's rare for all of us to meet. Can we talk about something happy?"

Lin Feifei paused before clapping her hands. Her eyes shone as she said, "That's true! The school's anniversary celebration is next Friday!"

Everyone was excited at the mention of this.

"Our T University is a famous institution in the country. After all these years, it has produced many talents in the business industry, political scene as well as the entertainment industry. There are so many outstanding figures from our school!"

"Exactly! Our Qianrou is the most popular celebrity in the entertainment industry!"

"Oh yes! From what I know, best actor Chu Yi used to be a student at T University, right? He went overseas halfway through but he's back recently! Could he be attending too..."

Lin Feifei added haughtily, "Best Actor Chu... Qianrou knows him. The last time we went overseas, the two of them were chatting!"

"Ah, really? Then Qianrou, tell Chu Yi to attend the school's anniversary celebration..."

"What's so difficult about that? Since Qianrou and Chu Yi are friends, it shouldn't be a problem!" Lin Feifei continued.

Shen Qianrou's face changed slightly, but the room was full of anticipation. She could only bite the bullet and nod. "I'll find a chance to talk to him..."

...

At 7:30 a.m. the next morning.

In Chu Yi's condominium...

The new assistant that was assigned to him yesterday, Ye Ming, had reported early in the morning.

At that moment, the two assistants were sitting on the sofa, and their eyes were fixated on the alarm clock in the middle of the coffee table. When it was nearing eight, they became increasingly nervous.

"Sister Ye, do you dare to wake Chu Yi up?"

Ye Ming shook her head and said, "No, I don't dare to!"

She was also one of Chu Yi's devoted fans. She had been looking forward to meeting her idol up close, but she had forgotten about such an important matter!

Chu Yi hated waking up early!

That was a well-known secret.

If one wanted to know how angry Chu Yi could be when he woke up...

just think of how popular he was...

Xiao Zhao looked at the clock on the coffee table. One more minute left.

He took a deep breath and turned to Ye Ming solemnly. "Alright, I'll do it."

He stood up and walked towards Chu Yi's bedroom.

Halfway there, he stopped and turned to Ye Ming with a smile. "

"Sister Ye, can you water the peach blossom flowers in the vase? Sister Xing asked me to take good care of them."

As long as she didn't have to wake Best Actor Chu up, she would do anything!

Not to mention such a simple task.

"Okay, I'll do it right away!"

Thus, Xiao Zhao watched as the clock on the coffee table rang past eight. Ye Ming ran to the living room with a container of water and poured the water into the vase.

Xiao Zhao walked to the door silently and squatted down with his hands covering his ears.

Five seconds later—

"Hey! Hey... Let's go... Wow, this is the feel! Feels good, feels good... The sky is so bright and the ground is so vast! The emotions are so unrestrained..."

Ye Ming froze on the spot and her lovely face paled.

Listening to the sound of the shrill and loud song, even her eardrums shook!

“Oh my god! What happened?! Assistant Zhao...”

Panic gripped her as she scanned the room, only to see him curled up in a ball by the door.

Ye Ming was speechless

Little Zhao looked up and gave her an awkward smile.

Just then, the door to a particular room was pushed forcefully. Chu Yi’s dashing face was so furious that it seemed as though he was surrounded by death. In Ye Ming’s eyes, it seemed as though there was a layer of cold black fog surrounding him, and that he wanted to devour them all.

The two of them gaped at Chu Yi in fear and the three of them fell into a momentary trance.

“Hey! Hey... Let’s go... Wow, this is the feel! Feels good, feels good... The sky is so bright and the ground is so vast!”

The strange atmosphere coupled with the unique background music, created that scene...

The muscles on Chu Yi’s face twitched.

Oh my god... Help!

Ye Ming felt like crying.

The door opened at this time.

The moment Shen Fanxing opened the door, a strong sound wave hit her.

Seeing the visitor, Little Zhao thought he glimpsed a golden glow enveloping Shen Fanxing.

Afraid of disturbing the neighbors, Shen Fanxing closed the door hurriedly.

He scurried to Shen Fanxing and wailed. “Sister Xing, it’s not the alarm today!”

Shen Fanxing nodded lightly and responded, “Yeah, it’s random.”
