

# Chapter 2213– 2214 of A Dish Best Served Cold Novel

## Chapter 2213 What is stunning?

The appearance of Mark undoubtedly made Terrisa Qiu very panic.

Although, the hatred in her heart towards Mark was no less than that of Leonard Chu.

However, the current Mark, after all, is no longer the door-to-door son-in-law who was at the mercy of others back then. He is the powerful lord, the respected Noirfork, with endless power and glory.

Even if Terrisa Qiu hated Mark again, she wouldn't dare to behave like he did in the past.

Even the words that made Mark leave seemed so unassuming.

However, for Terrisa Qiu's words, Mark just shook his head and smiled.

He didn't care about her anymore, and he didn't need to care about it.

He had nothing to do with them, and the entire Qiu family.

From the moment they expelled Helen and herself from the Qiu family, they were no longer people in the same world.

Today's Terrisa Qiu, in Mark's eyes, is small, just like an ant.

How could Mark care about the ants' emotions?

There is no need to just laugh it off with general knowledge.

In this way, Mark turned around with a smile, and walked back to before the wedding car again.

Under the eyes of everyone, the stunning beauty in the car was slowly led out.

People in Lubian are like the moon, and their arms are condensed into snow!

At the moment Helen Qiu appeared, everyone felt that everything was lost.

Even the sunlight was in a trance for a while.

Jiaojiao Wusi, jade with beaded flowers.

Under the reflection of the phoenix coronet, Helen Qiu's pretty face was as bright as Caixia.

Red dust is like fire, eyebrows are like ink.

Stunning face, noble temperament.

Just like the nine-day fairy who was banished to the world.

At that moment, everyone was stunned.

In everyone's eyes, only the rich surprise and splendor were left, Ericson's eyes widened, and Lei San was also stared at the same place.

Everyone here was deeply shaken by the beautiful woman in front of them.

They only feel that any commendable beauty in this world is worse than seeing the beauty in front of them.

Just like breathing, never cut off for a moment!

"This this..."

"Is this Mr. Chu's wife?"

"Really, it's so beautiful~" Ahead, Leonard Chu and others who have not yet gone far are all attracted by the stunning beauty in front of them. Especially Zhu Gongchen who has never seen Helen Qiu before, even more so. I was deeply shocked. Not only them, but even Leonard Chu's expression also appeared in a trance for a moment. In the past, Leonard Chu only had Terrisa Qiu in his eyes. As the so-called lover's eyes were Xi Shi, Chu Wen at that time Fei stubbornly believed that Terrisa Qiu was the most beautiful woman in the Qiu family. However, until now, when Helen Qiu appeared in front of everyone in her glamorous clothes, Ce Leonard Chu had only truly appreciated her stunning beauty. Compared with Helen Qiu's beauty, Tian Xiuxiu, who is beside him, is Terrisa Qiu, who is all shit. "Why~" "Why on earth?"

"Your family background is not as good as mine, your appearance is not as good as mine, and your knowledge and knowledge are not as good as mine.

"But why, you can stand on top of the power and marry such a stunning daughter.

"And I, Leonard Chu, can only shrink here looking up to you like a dog!"

"Mark, how good are you?"

“How can you do?”

“Leonard Chu clenched his palms tightly, and he let out an unwilling growl in his heart, but his eyebrows were filled with jealousy. Even Leonard Chu was like this, let alone Terrisa Qiu in front of him. I was seeing Helen Qiu. When she walked out of the wedding car wearing a phoenix crown, Terrisa Qiu was completely stunned. The whole person was struck by lightning!

“Mark, how can you be?” “How can you be?” Leonard Chu clenched his palms tightly and let out an unwilling growl in his heart, but his brows were full of jealousy.

Even Leonard Chu is like this, not to mention Terrisa Qiu in front of him.

When she saw Helen Qiu walking out of the wedding car wearing a phoenix crown and a veil, Terrisa Qiu was completely stunned.

The whole person, like being struck by lightning!

## Chapter 2214 A Bright Wedding In The Flourishing Age

Only now did Terrisa Qiu realize that she had made a mistake.

The wedding in front of him was not from Leonard Chu.

It's Mark and Helen Qiu's!

It was Mark who was making up for the wedding three years ago for Helen Qiu.

No one can appreciate the sadness and sadness in Terrisa Qiu's heart at this time.

I think back then, she was born with Helen Qiu, grew up and studied together.

They used to stand at the same starting point, and even in the Qiu family, Terrisa Qiu also stepped Helen Qiu under her feet.

But now, even if she stood on her toes, she could no longer touch the corner of Helen Qiu's clothes.

The most painful thing in life is this.

The sisters who were inseparable back then were already at the pinnacle of total power and became an existence that she could hardly reach.

That kind of huge loss and jealousy almost made Terrisa Qiu crazy.

"Helen Qiu, why is your life so good?" "When you were a kid, Grandpa spoiled you."

"Give you the most pocket money and buy you the most beautiful dress. And we are all your foil."

"Now, Chang When you are old, Mark will spoil you."

"Give you the highest glory, and give you the grandest wedding."

"Why your life can be radiated by the stars and radiant."

"But I was abandoned by others. , The people betray their relatives and leave."

"Why?" "The same is a human, why is fate so unfair to me."

"The same is the descendants of the Qiu family, why is our gap so huge?" "Why~"  
Terrisa Qiu Tears fell like rain, and my heart was burning with jealousy, but he roared unwillingly.

However, no one paid any attention to her.

Her sister Helen Qiu didn't even look at her.

Now that she had left the Qiu family, Helen Qiu had decided to completely cut off all past relationships.

Terrisa Qiu now was just an irrelevant passerby in Helen Qiu's eyes.

Insignificant people, how could Helen Qiu waste energy on them?

In this way, in the welcoming gaze of Ericson and others, Mark and his wife walked together, stepping up into the sky!

In front of him, all Noirfork guys congratulated.

Behind him, thousands of salutes roared.

The fiery red carpet that stretches for a thousand meters is full of fire trees and silver flowers throughout the city.

Countless people bowed to congratulate, the voices of respectful congratulations, gathered in a stream, but impacted the whole world.

Three years ago, Mark joined Zuoqiu's family.

Because of Mark, Helen Qiu didn't know how many eyes and sneers suffered.

Three years later, Mark gave her back a brilliant wedding!

However, for Helen Qiu at this time.

In her eyes, there is no coveted gaze, no grand pomp, and no respectable dignitaries.

In her eyes, only the boy!

His name is Mark, a young man of ordinary origin.

However, in the future, he will no longer be ordinary!

In this way, Mark and Helen Qiu proudly set foot on the top of The Twinfill among the stars holding the moon.

Outside the restaurant, the breeze is strong, and the water smoke in the Trivan Lake is vast.

The damp water vapor brought real coolness to this world.

However, it was Terrisa Qiu, Leonard Chu and others that were cooler than this lake, the frustrated heart!

Once, the person they dismissed, but now, it has become the existence they look up to.

Although, Leonard Chu and the others, Mark and his wife, are separated only by the walls of The Twinfill.

However, they all know that this short few meters may be difficult for them to cross in their lifetime.
