Chapter 2215 the storm is approaching

Your Excellency HaiDollar, there are music officials Huage and salutes.

In the restaurant, the wedding of Mark and Helen Qiu was going on smoothly.

Except for the little episode just now, nothing unexpected happened.

Finally, as Mark and Helen Qiu finished their worship, everyone took their seats and waited for the wedding banquet to begin.

“Fortunately, everything is going well~” Seeing that no accidents have happened so far, Ericson suddenly let out a long sigh of relief.

Since meeting Ferguson Wu last night, Ericson has been awake and restless.

Even at the wedding just now, Ericson’s heart has always been in a state of tension, always paying attention to the news from the people under his hands.

But now it seems that everything is unfounded.

“It seems that Mr. Chu’s wedding should be passed safely.”

Ericson looked out the window. Outside, there was wind and sunshine, and the mountains and rivers were silent.

A quiet and peaceful look.

At this time, no one noticed that Mark’s cell phone suddenly rang.

“Helen, I’ll go out first and come back in a while.”

Mark glanced at the phone before walking out of The Twinfill.

“Old Han, it’s me, what’s the matter?” Mr. Han called.

At this time, when Old Han suddenly called, Mark was naturally a little worried.

“Little lord, be careful.”

“According to the information I have, the Xu family will soon arrive in Wrilfill.”

“It is estimated that it is for you.”

From the phone, Mr. Han was concerned. the sound of.

Mark suddenly smiled upon hearing this.

“Is it finally here?” “I’ve been waiting for them for a long time.”

Mark smiled faintly, and in the words, there was no worry or panic at all.

After a brief conversation, Old Han also hung up.

He called, just to inform Mark and let him prepare in advance.

“A Hua, look at it, Xiao Jinren~” “This should be the Maybach, right?” “The world’s top luxury car, I only saw it online before, but today I didn’t expect to see it in person Here it is.”

“As expected of Mr. Chu.”

“Only at Mr. Chu’s wedding banquet can you see these luxury cars?” At this moment, not far in front, there was a surprised cry from a woman.

This woman with rich makeup is no one else, but Zhang Wenya, who was clamoring to come to the wedding banquet before.

No, they just got in touch with each other just now.

However, upon hearing Zhang Wenya’s words, the corner of Dollar Hua’s eyes twitched without a trace: “Wenya, that... this car is not called Maybach, this is Rolls Royce.”

“It’s all the same, you know me That’s it.”

Zhang Wenya said casually, and at the same time ran forward to look at the car, and even took a selfie and posted a circle of friends to take a photo of the little golden man.

Seeing this, Dollar Hua couldn’t say anything but shook his head and smiled bitterly.

Women, after all, they have long hair and short knowledge.

After laughing, Dollar Hua quickly turned around and thanked the handsome young man beside him: “Brother Fei, thank you very much today.”

“If it weren’t for you, Dollar Hua would not be able to enter such occasions in this life. Don’t talk about attending Mr. Chu’s wedding banquet with a group of big guys.”

Dollar Hua at this time had a flattering and flattering expression, but he was not as arrogant as before when he let the traffic police make way.

No way, this person is the prince of the Shen family.

His father, Shen Jiuyi, is even the former celebrity of Ericson Li.

Regardless of the family background, it was the existence Dollar Hua looked up to, and naturally he had to confuse a little with a good voice.

Yes, the Fei in Dollar Hua's mouth was not someone else, but Greg Shen, who had a close relationship with Mark before.

Greg Shen is also a well-known young boy in Wrilfill. As the so-called snake and rat nest, Wrilfill is so big, they naturally know each other.

This car is not called Maybach, this is Rolls Royce.

"It's almost the same, you know what I mean."

"Zhang Wenya said casually, and at the same time ran forward to look at the car, and even took a selfie and posted a circle of friends to take a photo of the little golden man. Dollar Hua saw that, what else could he say? Shaking his head and smiling bitterly. Women, after all, they have long hair and short knowledge. After smiling, Dollar Hua quickly turned around and thanked a handsome young man beside him: "Brother Fei, thank you very much today.

"If it weren't for you, Dollar Hua, in my life, would not be able to enter such occasions, let alone attend Mr. Chu's wedding banquet with a group of bigwigs."

"At this time, Dollar Hua looked flattering and flattering, but he was not as arrogant as he was when the traffic police gave way. No way, this person is the prince of the Shen family. His father, Shen Jiuyi, is also the red man in front of Ericson Li. Regardless of the family background, that is the existence Dollar Hua looked up to, so naturally he was kindly fawning on it. Yes, the Fei brother in Dollar Hua's mouth is not someone else, it is Greg Shen, who has a close relationship with Mark before. Greg Shen is also a well-known young boy in Wrilfill. As the so-called snake and rat nest, Wrilfill is so big, they naturally know each other.

Chapter 2216—Kneeling Down to Apologize

It was not difficult for Greg Shen to help Dollar Hua and the others get into this wedding banquet by relying on his father's relationship.

After all, his father Shen Jiuyi also participated in a lot of work in the planning and preparation of this wedding.

As the young master of the Shen family, Shen Jiuyi's son, he can still do this kind of thing.

"You don't need to thank you for a little thing."

"But, Dollar Hua, let me put it here for you."

"This occasion is definitely not an ordinary banquet."

"Participants are either rich or expensive, either. It's not something you can provoke."

"So, after you go in for a while, be honest with me, but don't make trouble for me."

"Especially your girlfriend who has never seen the world, you must take good care of her."

And, most importantly, don't provoke Mr. Chu."

"Have you heard?" Greg Shen solemnly warned.

Dollar Hua waved his hand again and again: "Brother Fei, don't worry."

"You just lend us ten guts, and we definitely don't dare to frown Mr. Chu's brows."

"You are busy with you, don't worry about us."

"Wen Ya and I will definitely be honest and will never add trouble to Fei Ge."

Dollar Hua patted his chest to guarantee.

Greg Shen nodded and felt relieved: "Well, then you two will go in first. I have something else to do, see you later."

After speaking, Greg Shen also left.

However, Dollar Hua and Zhang Wenya strode towards The Twinfill with excitement and anticipation.

However, when he walked to the gate of The Twinfill, a thin man figure caught Zhang Wenya's attention.

"F*ck, it's you?" "How come you are here?" Zhang Wenya was shocked when he saw everyone in front of him, even if the anger in her heart came out.

"Huh?" "Wenya, do you know him?" Dollar Hua was curious.

“Isn’t it?” Zhang Wenya said angrily, “husband, he is the same turtle who bullied me in the bridal shop before.”

“Because of him, I was almost beaten to death and thrown out.”

“I don’t care. , You said you wanted to avenge me.”

“You couldn’t find him before, but now you meet him, you must avenge me!” Thinking of what happened to the bridal shop that day, Zhang Wenya felt anger in her heart.

While cursing Mark, he coquettishly asked Dollar Hua to stand for himself.

But Dollar Hua was worried: “Wenya, I’ll talk about this later. Today is Mr. Chu’s wedding banquet. If we make trouble here, I’m afraid it will anger Mr. Chu.”

“No, I don’t care. You have to give me cruelty today. Teach him harshly and ask him to kneel down and apologize.”

“Otherwise, you won’t want to climb on my bed again.”

Zhang Wenya said angrily.

“Okay, Wenya, leave this to me, just watch it.”

Dollar Hua finally gave in, and he could only obey it for his own s*xual life.

Then, he looked at the thin man in front of him, and said coldly: “Smelly boy, are you the one who bullied my daughter-in-law in the bridal shop that day?” “It stands to reason that with my temper, I will break your legs and waste you today. Your limbs keep you from getting out of bed for the rest of your life.”

“But, fortunately for you, I won’t do anything to you at Mr. Chu’s wedding banquet today.”

“If you know each other, please kneel down and apologize to my wife now.”

“Otherwise, I will be Dollar Dollar. Hua guarantees that you will look good!” Dollar Hua put his hands in his pockets, and looked down at the thin man in front of him condescendingly. His words were full of coldness.
