## Chapter 2217

“Huh, bastard, now you know that this lady is something you can’t afford to provoke, right?” Seeing the man in front of him, he didn’t speak, but stood there quietly.

Zhang Wenya thought he had been frightened by his husband’s power, and was undoubtedly even more proud.

Yelling at Mark arrogantly.

However, at this moment, in the hall, the host’s loud voice suddenly came.

..... “Qin Yun composes the same dream language, and Denghua smiles to the shy person.”

“Next, let us use the warmest applause to invite Mr. Chu, the protagonist of today’s wedding banquet, to give a speech to announce that today’s wedding banquet is official Start!” The respectful voice echoed in the sky.

Afterwards, thunderous applause came from the restaurant.

“Are you going to have a banquet?” “Mr. Chu still want to talk?” Outside, after Zhang Wenya heard it, she looked forward with excitement, with anticipation and admiration in her eyes.

However, who could have imagined that just as the emcee’s voice fell, the man in front of him turned around immediately.

Then, with the shocked and violent eyes of Zhang Wenya and Dollar Hua and his wife, they stepped toward the hall.

There is a flaming red carpet at the foot, and beside him are the giants of Noirfork cities.

But Mark just met everyone’s gaze and walked with his hands without fear.

The whole hall has already been seated.

At this moment, the thin figure walking in the hall seemed so conspicuous, almost eye-catching.

“I’m going, what does this bastard want to do?” “Is he crazy?” “People shouted Mr. Chu, what is this turtle going up to join in the fun?” “On such an occasion, dare to make trouble?” “I think he doesn’t want to live.”

Come on!” Seeing the scene before them, both Dollar Hua and his wife were terrified.

They hid at the door, cursing with pale faces in fear, looking at Mark’s eyes as if they were an idiot.

However, in the midst of their scolding, a person in the front hall suddenly stood up, clasped a fist and bowed: “Gong Ying, Mr. Chu.”

“Huh?” “What’s the situation?” Dollar Hua saw this. , Suddenly stunned.

Immediately afterwards, another person stood up, bowed and bowed: “Congratulations to Mr. Chu, Mr. Chu, the wedding is very good!” .....

Soon, as Mark got deeper, the surrounding guests stood up one after another.

In the end, all the guests in the house stood up and bowed together.

“Congratulations to Mr. Chu~” “Congratulations to Mr. Chu, happy wedding!” ...  
“Congratulations to Mr. Chu~” “I wish Mr. Chu, you will have a son early!” ..... The voices one after another converged.

It looks like a wave, but it hits the whole world.

In the sound of the torrent, Mark stepped up into the sky until he completely stood at the highest point of the hall.

Beside, there is a beautiful woman in her arms.

In front of them, there are heroes worshipping.

At this time, Mark is just like the king of the world, watching the world.

At this time, Dollar Hua and Zhang Wenya were completely confused.

“He...he is...”

“Mr. Chu?” Dollar Hua stretched out on the ground, his face pale.

When he saw Ericson and others calling Mark as Mr. Chu, he just felt that the sky had fallen.

“This... how is this possible?” “It’s impossible.”

“How could he be Mr. Chu.”

“It’s wrong, it must be a mistake~” “We’ve seen Mr. Chu, at all. It’s not him.”

Zhang Wenya couldn’t help shaking her head and shouted.

She never believed that the turtle in front of her could be Mr. Chu.

## Chapter 2218 Greg Shen Who Wants To Cry Without Tears

Finally, angry Zhang Wenya directly pushed open the door of the hall. In Dollar Hua’s horrified gaze, the woman went straight ahead and shouted at everyone: “Liar!” “He is a liar.”

“He It’s not Mr. Chu.”

“He’s fake, don’t be fooled by him.”

“I’ve seen Mr. Chu. Mr. Chu doesn’t look like this at all.”

“And he is just a turtle who can’t afford a wedding dress~ “This sudden sound surprised everyone.

In a moment, the whole hall became quiet.

Everyone’s gazes, all of them fell over.

“Damn!” “You silly girl, what are you doing?” “You want to die!” “Is this the place where you mess around?” At that time, Dollar Hua was completely scared to pee. He didn’t even think of himself. This girlfriend has the courage to come out and directly accuse Mark of being a fake Mr. Chu.

Naturally, Dollar Hua didn’t dare to think so.

After all, the people attending the banquet today must all be familiar with Mr. Chu.

Whether the person in front of him is real or not, Ericson Li and others must know better than the two of them.

Therefore, when Dollar Hua saw Mark being worshipped by the heroes, his first thought was that they made a mistake. The person in front of him was the real Mr. Chu.

The one they met on the side of the road before was fake.

But now, my own wicked daughter-in-law came out to demolish Mr. Chu’s stage in public. Isn’t this especially looking for death?

Dollar Hua was naturally apprehensive, thinking that he was going to be planted this time.

Sure enough, before Mark could speak, Ericson's gloomy words had already sounded.

"Huh?" "Where did this stupid come from?" "What about the security guard?" "What do you eat, anyone dares to put it in?" "I want to die?" Ericson snarled in a low voice.

Among the crowd, Greg Shen, who was sitting with his father Shen Jiuyi, was smiling while drinking tea there at first.

"These years, there are really all kinds of evil pens."

However, after Greg Shen smiled, he also looked up.

However, when he saw the pair of men and women at the door clearly, his face turned green, and the tea cup in his hand slammed directly onto the ground, shattered!

"Ciao!"

"These two idiots~" "What a shame?" Greg Shen was frightened and frightened, and both of Dollar Hua's heart had both been kicked to death.

He had a thousand exhortations before, don't cause trouble, and be honest.

However, who would have thought that these two idiots would turn his words on deaf ears.

Say that Mr. Chu is a liar, and that Mr. Chu is a turtle?

"Good day!" "I knew that. I killed them at the beginning and didn't bring these two idiots in."

"I'm afraid they will be pitted to death this time."

The table dared not even lift his head.

He can only pray now, and the two people will not confess him.

When Ericson scolded the security guard angrily, Mark's gaze undoubtedly fell over.

At that moment, Dollar Hua only felt an invisible majesty coming down.

Being looked at by Mark made him feel like walking on thin ice in the abyss.

"Just now, but the two of you, let me bow my head to apologize and make me kneel to beg for mercy?" Mark's faint laughter sounded quietly.

Hearing this, Ericson and others were even more surprised.

And Greg Shen was so scared that he flipped down from his seat.

“Good day!” “These two idiots, this smashed the sky~” Greg Shen wailed, crying without tears.

“What, there is this matter?” “Even Mr. Chu dared to offend, I think he is tired and crooked.”

“Come on, send them on the road~” Ericson whispered angrily.

Upon hearing this, Dollar Hua was scared to pee and knelt on the ground with a bang.

“Second Lord, Mr. Chu, please be forgiving~” “No...no blame me, it’s all this *btch*, *this btch* hurt me~” “I don’t want to die, it’s really none of my business...” “
