How could you say that to me?

“I really misunderstood you~” “I declare, you are finished, you will never want to climb into my bed for the rest of your life!”

“Zhang Wenya didn’t expect that at this time, Dollar Hua actually pushed all the responsibility to him. At that moment, Zhang Wenya was almost mad, and shouted at Dollar Hua sternly. “Done, you are paralyzed~” However At this time, Dollar Hua would still be used to her, jumped up and slapped Zhang Wenya’s face fiercely. In the midst of this slap, Dollar Hua slapped Zhang Wenya directly. One of his front teeth was knocked out, and half of his face was swollen. “You really made yourself a fairy?”

“I really thought you couldn’t live without Dollar Hua?”

“Don’t think I don’t know, you are good with me, you just fall in love with my money.”

“But Master is not a fool, in fact, I never thought of marrying you.”

“In my eyes, a b*tch like you is no different from those women selling outside.

“I pursue you, just for fun.”

“You love money, I love s*x, and each has what he needs.”

“When you are tired of playing, you will naturally kick you off.”

“A woman like you, Shabi will marry you!”

Dollar Hua cursed angrily, there was anger burning in her chest, and the words were extremely ugly. But Zhang Wenya was shocked when she heard this. She looked at Dollar Hua in disbelief, she couldn’t accept it. , The man who had promised her each other before, turned out to be a b*tch. “You bastard~” “You bastard, you lied to me, you lied to my feelings~” “I fight you!

After being panicked, Zhang Wenya also went crazy, and rushed towards Dollar Hua with her teeth and claws. “F*ck!

“Shall I go to Nima?”

“Talk to me about feelings?”

“You b*tch who worships money snobbery, are you worthy too?”

Amidst the anger, Dollar Hua kicked Zhang Wenya to the ground with a bang. “Ma De, I was really blind at the beginning, so why do I look at you like this~” “This time I’m going to be killed by you.”

!

“Dollar Hua was angry and hated, and the heart of this wicked lady was all there. If she hadn’t been clamoring to attend the wedding banquet, how could he offend Mr. Chu.”

It can be said that everything today was given by this idiot, and Dollar Hua was naturally angry.

After kicking Zhang Wenya, Dollar Hua knelt like a dog at the feet of Ericson, Mark and others, crying with tears and tears: “Mr. Chu, second master, I really don’t blame me.”

Mr. Chu has no grievances and no grudges, and I have never even seen it. If it weren’t for this b*tch to persuade me, how could I provoke Mr. Chu.”

“Second Lord, Mr. Chu, they are all hers, she did it alone. It’s none of my business~” Dollar Hua knelt on the ground, his head knocked to the sky.

Obviously, Dollar Hua was also frightened.

After all, Mr. Chu is the respect of Noifork, and their Dollar family is not even qualified to attend the wedding banquet. In other words, as long as Mr. Chu is willing, they can run their Dollar family to death.

Such characters, Dollar Hua is naturally apprehensive.

However, no matter how he cried, Mark’s expression was still cold, and it seemed that he didn’t let him off.

At this time, Dollar Hua suddenly saw Greg Shen, who was drinking tea with his head down not far in the distance. At that moment, he was like a man falling into the water and grabbed the last straw.

Dollar Hua suddenly got up, ran towards Greg Shen, then knelt on the ground holding Greg Shen’s thigh and begged: “Brother Fei, you have to save me, you have to save me~” “I was brought in by you, you can’t Don’t care about me.”

This idiot, is this going to kill him?

Just now, Greg Shen had not dared to look up, just because he was afraid of being noticed by Ericson, Mark and others, and was afraid of being involved in this matter.

After all, it is a big crime to bring in people without permission, and it also caused serious consequences.

Even if Mark misses his old feelings and doesn't pursue it, Erye Li alone can kill him!

But the idiot in front of him was good, and he ran over to beg him, and even said everything.

At that time, Greg Shen was about to cry.

I wondered how did I know a shameless thing?

Therefore, Greg Shen was heartbroken and kicked him away, killing him without knowing him.

“Huh? You really don't know him?” Shen Jiuyi on the side, But with a glance, he glared at Greg Shen.

Greg Shen's old face shook, and he still shook his head and smiled: “Dad, I really don't know him. How could Greg Shen have such idiot friends? I guess he came to touch porcelain.”

“Come on, Dad, drink tea. Hearing Greg Shen's explanation, Shen Jiuyi didn't speak, but looking at his gloomy expression, he seemed to say, go back and clean up you.

How could Shen Jiuyi not know his son?

80% of the two people in front of him are inseparable from his son.

“Mr. Chu, how should I deal with this?” “Or, interrupt the leg and throw it into the river to feed the fish?” At this time, Ericson looked at Mark, waiting for Mark’s decision.

Mark did not answer, but looked at Dollar Hua, and his cold voice suddenly sounded.

“Your name is Dollar Hua, isn’t it?” “You insulted me and committed me. Originally, you had no way to survive.”

“But today is the day I married Helen. On the day of rejoicing, I don’t want to see blood.”

“So, This time, I will forgive you for the time being.”

“However, if there is another time, you will never survive!” “Go away~” Mark waved his hand, then turned and left.

Upon hearing this, Dollar Hua was immediately amnesty.

Kneeling on the ground, repeatedly kowtow to Mark.

Then he ran away without looking back.

As for Zhang Wenya, Dollar Hua didn’t even look at it, let alone run with her.

Today, Dollar Hua was almost killed by this woman. Dollar Hua had a heart for killing her, so how could she care about her?

Looking at Dollar Hua’s ruthless back, Zhang Wenya was heartbroken.

This is not the first time. Last time, she was played by a rich second-generation relationship for three years, had a baby for him, and was finally abandoned.

This time, it is still the same.

Zhang Wenya suddenly regretted it. Perhaps, she should have listened to her parents’ advice and found an honest person to marry and live a normal life.

Snobbery’s end is destined to be extremely miserable!

“Don’t hurry up?” Finally, Zhang Wenya was driven out by security.

This farce has completely come to an end.

“I don’t know where the two idiots came from. Mr. Chu dare to offend?” “Nine hundred million Dollar, let me check it out.”

“Look at who put these two idiots in. After finding out, I will never forgive. He!” Even if Mark had forgiven the two, it was Ericson who was still angry.

After all, this wedding was planned by him, and now Ericson is naturally very annoyed by the one after another.
