

Chapter 2223– 2224 of A Dish Best Served Cold Novel

Chapter 2223 What is the intention?

Inside the The Twinfill, there was silence.

There was only one man, and the anxious voice continued to echo.

“Chen Ao, what are you?” Seeing the man in front of him, Ericson and others, they were all surprised.

Obviously, no one thought that Chen Ao would be present at the wedding banquet today.

After all, today’s Chen Ao has been deprived of all power and status by Mr. Chu. It can be said that Chen Ao is the body of sin.

It is obviously inappropriate for a person who betrayed Mr. Chu to appear on today’s occasion.

“Chen Ao, what do you want to do?” “Today is the day of Mr. Chu’s rejoicing. Do you still want to make trouble at Mr. Chu’s wedding banquet?” “If you want to live a few more years, then leave quickly.”

“Otherwise If you don’t, Mr. Chu will be angered, and the gods will not be able to save you!” After a brief period of panic, Ericson’s expression was gloomy and immediately shouted to Chen Ao.

At the same time, four or five bodyguards surrounded Chen Ao.

“Let him come over.”

“I want to see, what else does Chen Ao have to say to me now?” However, Mark waved his hand, indicating that Ericson and others don’t have to stop him.

As Mark spoke, naturally no one dared to stop him.

Chen Ao immediately ran to Mark and said to Mark anxiously: “Mr. Chu, you go quickly.”

“If you don’t go anymore, it will be really late.”

“The people of the Xu family have already arrived at Wrifill City.”

It is estimated that he will be here soon.”

“Then Ferguson Wu colluded with the Lu and Xu family to inform them and prepare to kill you and everyone present.”

What?

As the saying goes, the language is not amazing and endless.

Chen Ao’s words, if the huge boulder enters the sea, undoubtedly set off a huge wave in this world.

When Ericson and others heard this, an old face turned white.

“What are you talking about?” “The Xu family has arrived?” “Want to kill us?”

“Chen Ao, don’t be joking.”

“Everyone present here is the leading boss of a prefecture-level city.”

“The Xu family really has such a big appetite. They want to catch all the powerful people in Noirfork Province. “He is not afraid to cause an earthquake of Noirfork’s wealthy class?” “Does it cause turbulence in Noirfork’s situation?”

“That’s right!” “Chen Ao, you must be the one who talks nonsense and ran to mess with me. Noirfork’s military spirit.”

“The Xu family is the Gritsberg wealthy family, and he has no energy. With the power of a family, we will destroy our Noirfork heroes.”

“Today is the day of Mr. Chu’s great joy, but you are talking nonsense here. Confusing people.”

“Chen Ao, what is your intention?” At this moment, in the room, there were some panic, some doubts, and even some people thought that Chen Ao was unpredictable and unreasonably worried.

But what is undeniable is that everyone’s words are full of eagerness at this time.

After all, it’s about your own safety, who can calm down?

Even the generations of Ericson and Lei Lao San had a little more worry and panic on their eyebrows.

However, facing the accusations, Chen Ao shook his head.

“You are right, maybe two families alone are not enough to deal with our entire Noirfork.”

“But, what if the country also ends?” Chen Ao’s words were low and quietly sounded in the hall.

In a moment, everyone present trembled suddenly.

The pupils of Ericson and the others suddenly shrank: “Chen Ao, you mean, the upper side also intervened?”

Chapter 2224 I am the dragon god, why am I afraid of people?

Chen Ao did not answer, but continued.

“As far as I know, as early as a few days ago, the above had already started to Noirfork.”

“During this period of time, Noirfork’s political arena was turbulent, and the sweeping and anti-evil actions were vigorous and vigorous. You should have heard of these things.”

The head of Wrifill City has been run down, let alone you and me businessmen?”
“Perhaps, you only think that you are arrogant and rampant in a city. You are the mayor of a city and treat you with courtesy.”

“But , In front of the country, what do you count?” “As long as the top wants to deal with you, minutes can make you never stand up.”

“Could it be that you, have the courage and courage to resist the entire summer?”
Boom~ Chen Ao Yi asked several times, and every question was like a thunder blasted in everyone’s hearts.

At the end of hearing, everyone’s face turned pale, full of panic.

That feeling is like a big mountain, quietly pressing on their hearts.

After all, even if they were confident, they would never dare to wrestle with the entire state machine.

“Chen Ao, are you sure you didn’t lie to us?” “Above, you really want to move us? Mr. Chu?” Old Lei asked again with a pale face.

Chen Ao replied in a low voice: “Otherwise?” “I said earlier that the family of Lu and Xu are existences that we cannot afford to provoke.”

“From the beginning, when Lu Mingfeng and Xu Shaohua were killed, I had long expected today.”

“The only thing I didn’t expect is that the revenge of these two families came so quickly.”

“So, Mr. Chu, you can leave as soon as the Xu family hasn’t arrived. “Now is not the time to be arrogant.”

Even if Mark took away all his power and status, even if Mark put him under house arrest, Chen Ao didn’t blame Mark.

After all, he betrayed Mark, and everything was on his own account.

Moreover, when he learned from Ferguson Wu that the soldiers of the Xu family were approaching the city, Ferguson Wu’s first thought was not to join Ferguson Wu, but to come to Wrifill as soon as possible and let Mark leave.

Mark is kind to him and is still the person his daughter likes.

Chen Ao’s heart naturally didn’t want Mark to fall like this.

“Yes, Mr. Chu, run away quickly.”

“This is what the country wants to do for you, don’t try to do it anymore!” “Leave the green hills, I am not afraid that there is no firewood.”

“I believe that with Mr. Chu’s ability, even if he leaves Noirfork, he will make a comeback.”

Therefore, as long as Mr. Chu is still there, we Noirfork people, even if you are in jail today, I believe Mr. Chu will be able to rescue us in the future!” Finally, Ericson began to persuade Mark.

He had already persuaded him last night.

Ericsonben thought that after the wedding banquet was over, Mr. Chu had to be tied away from Noirfork even if it was tied up, but Ericson did not expect that the Xu family would come so quickly.

“Flee?” However, Mark smiled lightly in the face of Ericson and others’ persuasion.

He picked up the tea, took a sip, then looked at the crowd, smiling proudly.

“I never have the word “escape” in Mark’s dictionary.”

“I have said that Mark has no intention of causing trouble, but I am not afraid of it.”

“He wants to fight, then fight!” If one person wants to kill me, I will kill one person.”

“If a hundred people want to kill me, I will kill a hundred people.”

“If this hot summer wants to kill me, I will destroy the entire hot summer.”

“I care if he is one person, family, or one person. Country?” “I am the Dragon God, why be afraid of people?”
