

Chapter 2251– 2252 of A Dish Best Served Cold Novel

Chapter 2251

The biggest reliance that the Xu family took painstaking effort to invite, actually knelt down to Mark?

It is incredible to think about it!

However, after the tremor, Ferguson Wu quickly calmed down.

His eyebrows were gloomy, and he looked at the young man standing proudly in the distance, but his fear and doubts grew stronger.

“Mark, Mark, how many secrets are buried in you?” Ferguson Wu felt that he couldn’t see through Mark more and more.

Originally, Ferguson Wu thought he knew Mark enough.

However, only now did Ferguson Wu realize that he actually didn’t know anything about Mark.

When Ferguson Wu was puzzled, His Excellency Hai Dollar was still silent.

Everyone was silent, the scene that happened just now had too much impact on everyone.

As a result, everyone didn’t know what to say, and they didn’t dare to say anything.

Of course, Xu Junlin would be the one who suffered the most.

Not to mention that his son was almost smashed into meatloaf, he regarded him as a dependent Long Baichuan, but bowed his head to Mark.

That kind of feeling is like when Sun Monkey made a big noise in the Heavenly Palace, the desperate Jade Emperor asked him to go to the West for help.

As a result, the Buddha Tathagata who was invited did not say to help him. He came up and slapped the Jade Emperor’s wife and queen mother to death without saying a word, and then knelt on the ground and called the grandson monkey father.

What kind of bloody plot is this?

At this time, the old man was almost crying depressed.

The whole person was stunned and motionless.

An old face, pale.

For Xu Junlin, everything that happened just now was like being struck by lightning.

Until now, he could not accept the reality in front of him.

“Long Baichuan, what are you...what are you doing?” “Are you crazy?” “You dignified the God of the Flame Summer Army, the lord of the Hosts, the chief instructor who frightened the three armies, how can you bow down to him?” “You Even if you want to kneel, you should kneel on me!” “I am your leader, and I am your Bole.”

“If you hadn’t been supported by my Xu family, how could you be today?”

“Get up for me!” “I order you to kill this yellow-mouthed kid~” “Kill him on the spot~” Xu Junlin’s inner line of defense was complete when Long Baichuan kneeled and bowed to Mark Was defeated.

He was mad, yelling hysterically at Long Baichuan.

However, where Long Baichuan cared about him, with a backhand, Xu Junlin flew out directly.

Of course, Long Baichuan’s palm only used 10% of his power.

Otherwise, the old thing can’t be shot and framed by him?

After Zhenfei Xu Junlin, Long Baichuan continued to respect Mark.

“The ministers rushed to Wrilfill overnight after receiving instructions from Old Han last night.”

“Unexpectedly, it was one step later than Xu’s family.”

“The ministers are late, and please forgive the dragon lord!” Long Baichuan kowtowed Bye again, full of guilt.

“Get up.”

“Although you are late in coming, you can be considered a meritorious asylum.”

“This time, I will not punish you for your sins.”

“But if there is another time, I will be severely punished!” “I don’t want it, Ben The four dragon kings raised by the Dragon God are all non-punctual waste.”

Mark’s words were low, but they had unquestionable majesty.

Under Mark’s might, the generation of war-god who was the best in the three armies in front of him, bowed in fear and said nothing.

Chapter 2252 defeated

Yes, the person in front of him is one of the four dragon kings in the Dragon Temple, the Dragon King!

The four dragon kings are divided into power, wealth, strength, life and death.

The king of Longyang, Xue Renyang, sits in Gritsberg and is in charge of one party.

Longjing WangGritsberg Zen, masters the Japanese nation, and controls endless wealth!

And in front of you, Longchuan, kings, dragons and hundreds of rivers, Weigai three armies, hold the power of the world!

In fact, long before the Xu family came to the future, Mark had asked Lao Han to contact Long Baichuan and let him go to Wrilfill to protect the lord.

However, the drama is that the Xu family unexpectedly asked Long Baichuan to come forward and sit down at the same time.

Therefore, under this kind of coincidence, the dramatic scene just now happened.

Of course, even if Long Baichuan didn’t come, the Xu family couldn’t help Mark. It was nothing more than killing more.

Now that there is a simple solution, Mark is so happy.

What’s more, Mark’s plan to start a prairie fire also needs Long Baichuan’s help.

Therefore, after many considerations, Mark decided to activate this dark chess placed in the Yanxia military.

“for..

Why, tell me why?

“Long Baichuan, my Xu family asks myself if I treat you badly, and Xu Junlin treats you as my own.”

“Back then, I was the one who pushed you to the position of chief instructor of the armed forces.

“I’m kind to you again, but why do you betray me? Why do you want him to be your Lord?”

“Why?”

“Is the Xu family not good enough for you?”

“Or old man, bad to you?”

When Mark spoke to Long Baichuan, Xu Junlin’s unwilling roar came again from behind. He couldn’t figure it out! He really couldn’t figure it out. Why did the matter develop to the present level? I thought it was a victory that I thought was a handful. , Who would have thought that in the end it was Xu Junlin, who was defeated! He was a magnificent Gritsberg giant, a pioneer of the country, and now he is being abused by a junior boy. He is proud of the three big teams, and was under Mark’s Qinglong The team was turned into a dead dog and is still lying on the ground motionless. Now, even Long Baichuan, whom he regards as the last to rely on, has betrayed him and bowed his head to Mark. “Why is that?

“Why?”

Xu Junlin’s eyes were blood-red, almost cracking. However, in the face of Xu Junlin’s questioning, Long Baichuan was expressionless and coldly replied: “You are right, you do have the grace to support me.”

“But for so many years, the benefits that I have fought for your Xu family are enough to repay your support.

“What’s more, even without your support from Xu Junlin, there would be Zhang Junlin and Wang Junlin.

“At that time I had mastered the strength, and my record was no one can match.

“Even if there is no support from you, there will be other people’s recommendations. I can stand where I am today.”

“So, for me, there are many “Xu Junlin”, but there is only one Dragon Lord!

“The Dragon Lord has the grace to recreate me. If it weren’t for the Dragon Lord, I’m Long Baichuan today, I’m afraid it’s just a farmer in the farmland.

“It is the dragon lord who gave me strength and the capital to reach the top!

“I, Longchuan, will protect the dragon lord’s safety for life, and will not allow anyone to profanity or offense, including you.”

“Long Baichuan’s words are sonorous, and every word is like a knife. Every sentence is directly inserted into Xu Junlin’s heart. At the end of hearing, Xu Junlin is even more desperate.

He knew that he was defeated in this war with Mark, and their Xu family was completely defeated.

A defeat, smashed!
