

Chapter 2255– 2256 of A Dish Best Served Cold Novel

Chapter 2255

Your Excellency HaiDollar, thousands of soldiers bow down and all sentient beings bow their heads.

In front of everyone, the thin figure stood proudly.

The sound of majesty and domineering, with endless arrogance, echoed everywhere.

This is the self-confidence of the strong, and this is the majesty of Mark.

In his eyes, what is an army and a powerful background?

It's just these numerous beings, in his eyes, it's not worth mentioning.

Therefore, no matter the Lu family or the Xu family, no matter how terrifying power they have behind them, Mark never really cared about it from beginning to end.

once having seen the best, the rest is not worthwhile looking.

Mark's life goal was to destroy the Chu family since he was a child.

For a person who is determined to be the enemy of the world's largest giants, what is there in this world that is worth his fear?

Therefore, Xu Junlin's threat was just a joke to Mark.

He doesn't care how powerful the Lu Family is, or how respected Lu Cangqiong is.

Mark only recognizes one point, that is, humiliating him to death, and violating others to death!

If the Lu family's clan power attacked him, Mark would slaughter him!

If it uses national power to humiliate him, step on the hot summer over there!

For today's Mark, there are not many powers that can threaten him in this hot summer.

The God of War Ye Qingtian is one, and so is the nuclear arsenal of Hot Summer.

However, Mark didn't feel that the Lu Family had the ability to use these two forces.

Therefore, Mark is naturally fearless.

However, Ericson and others were not as calm as Mark.

They worry more and more that things will be overwhelming.

"I only hope that the people of the Lu family can be reasonable, argue right and wrong, and will not avenge private revenge, openly deal with Mr. Chu~" Your Excellency HaiDollor, Ericson and others prayed in their hearts.

In fact, it stands to reason that Mark was not wrong in killing Lu Mingfeng and Xu Shaohua.

It was these two people who challenged Mark's bottom line time and time again, Mark couldn't bear it, and finally killed them both.

From this perspective, Mark was just a defensive person.

In terms of legal principles, Mark is not wrong.

Therefore, if the Lu Family Patriarch is reasonable and able to distinguish right from wrong, Mark will not be blamed. All of this is their Lu Family's helplessness, and they will eat their own evil results.

But now, they are afraid that there are people in the Lu family who protect calves like Xu Junlin.

This kind of people don't care about the principles and laws. In their eyes, they probably only know that they have killed Mr. Chu to avenge their children and grandchildren.

While everyone was praying and worrying, in Wrilfill City, suddenly a number of black Audi cars came galloping in.

Chapter 2256

Boom~ The low engine sound, like the low roar of a beast, echoed the world.

The number of luxury cars galloped in and passed by. The speed was so fast that they shocked the birds in the distance.

From a distance, it was like a black whirlwind sweeping from here.

Moreover, what is even more shocking is that these vehicles even ignored the red lights, the prohibition, and even the traffic signs of the traffic police.

Even rescue vehicles such as ambulances and fire trucks have given way to escape.

In short, the passage of these Audi cars is unimpeded, as if entering no one.

“I’m hungry and mow the grass~” “What’s the source of these cars?” “In front of the traffic police, they ignore the traffic rules.”

“The key point is that the traffic police didn’t dare to put one fart when they saw it, let alone say. Go up and intercept it?”
