

Chapter 2259– 2260 of A Dish Best Served Cold Novel

Chapter 2259 Behemoth

“A Fei, you have to go before you notice it yet.”

When everyone was panicked, the people of Your Excellency HaiDollar were already arranging a way out for themselves.

Shen Jiuyi and the old man of the Xia family secretly urged Greg Shen and Xia Xue to leave here before taking advantage of the chaos.

After all, with the arrival of Lu Cangqiong, the situation in front of them, Noirfork, has become more and more unfavorable.

“Dad, what are you afraid of?” “Mr. Chu is there.”

“Mr. Chu can make Qianjun kneel and let the military god surrender. Then Lu Cangqiong is nothing but an old thing. No matter how powerful he was when he was young, he has now retired. “A figure without real power, what is afraid of him doing?” “What’s more, when Lu Cangqiong was young, he was not necessarily better than Mr. Chu.”

Greg Shen was very confident.

Having known Mark for so long, in Greg Shen’s impression, he hadn’t lost because of pretense.

It was the Taishan Martial Arts Festival, the Mid-Autumn Festival night auction, and the Battle of Dongchang Lake.

Even if the Xu family came out in full force now, they weren’t breaking down in front of Mr. Chu.

In short, it’s not wrong to follow Brother Mark and pretend to be forceful!

“Yes, grandpa.”

“I think Brother Greg Shen is right.”

“Mr. Chu is so powerful, and this Lu Cangqiong is just an old man who has retired for many years. He can’t change the situation at all.”

“He has no real power~ Xia Xue also echoed.

Neither Greg Shen nor Xia Xue felt that the arrival of Lu Cangqiong would reverse the situation.

After all, Mr. Chu was so majestic that he let the Qianjun kow his head and the military god bow down.

Then, does the Lu Family really have something to do, and it's impossible to make a strong comeback?

“You two kids, know what a fart!” “Yes, this Lu Cangqiong has retired, but his prestige is still there.”

“What's more, the power of their Lu family alone is already terrifying.”

“Especially. Lu He, the eldest son of Lu Cangqiong, is at the pinnacle of power in the extremely hot summer.”

“He is one of the most powerful giants in the official system of the hot summer, and is almost in the center. This Lu He is an absolute figure in power. ” what?

“You...you said, Lu...Lu He, yes...

Is it his son?

“When I heard the name Lu He, it was Greg Shen. At that time, he was dumbfounded. The whole person was frightened. He has heard this name on the TV news network. I don't know how many times. But what about Greg Shen? I didn't expect that Lu He, who was at the pinnacle of extreme power, turned out to be Lu Cangqiong's son. No wonder, an old man came to Wrifill and He Lanshan and other officials from the frontiers came to welcome him in person. A large part of the reason is probably because of him. Son, Lu He. “Otherwise?

“The Lu family is among the four largest in Gritsberg, and they rely on power!”

“The children of the family, all over the hot summer, the giants gathered.”

“Furthermore, this Lu Cangqiong himself is also the veteran of the Yanxia, and he is highly respected, but he was the one who carried the gun with Taizu.

“The success of Lu Clan descendants today is partly because of the shadow of Lu Cangqiong.”

“This old man, don't look at his old age, but his prestige is still there!”

“His words are He Lanshan, I guess he wouldn't dare to disobey.

“Now, do you still feel that this old man Lu shouldn’t be afraid?”

“Shen Jiuyi paled and said to his son in a deep voice. Greg Shen and Xia Xue were already frightened, their legs were soft, and their bodies were trembling. Until now, they didn’t understand why their father, Grandpa and the others are so afraid of Lu and Xu.

Shen Jiuyi paled, and said to his son in a deep voice.

Greg Shen and Xia Xue were already frightened, their legs were weak, and their bodies were shaking.

Only now did they understand why their father, grandfather, and others were so afraid of the Lu and Xu family.

Shen Jiuyi paled, and said to his son in a deep voice.

Chapter 2260 Never Forgive You!

Sure enough, the powerful foundation and accumulation of Gritsberg’s wealthy family is really beyond the ability of individuals to contend.

“This time, Brother Mark is really afraid of breaking the sky~” Panic, Greg Shen raised his head and looked at the thin figure in front of him, full of worry in his heart.

When everyone was shocked, He Lanshan in front of him was talking enthusiastically with Mr. Lu.

“Lao Lu, as soon as I got the news that you are coming, I took people here early in the morning.”

“Fortunately, I caught up. Otherwise, I’m really afraid to neglect your old age.”

“But Lu, in the end. What happened, why did you suddenly come to the small city of Wrifill? If you want to come, you should also go to Edensberg. The environment there is good and I can entertain you easily.”

He Lanshan smiled respectfully and asked doubtfully.

This morning, he got news that Lu He’s old father, Lu Cangqiong, was coming to Wrifill.

He Lanshan naturally did not dare to neglect, not to mention that Lu Cangqiong was highly respected in Yan Xiade, and He Lanshan had to come over to greet his son Lu He alone.

However, when faced with He Lanshan's question, Lu Cangqiong snorted and said in a deep voice: "He Lanshan, do you really not know where I came?" "Or, did you ask knowingly?!" Lu Cangqiong's solemn tone. He Lanshan shuddered, and quickly said: "Old Lu, I went to a conference in the south a few days ago. I just came back yesterday. There may be some things that I haven't understood yet."

You understand."

"A few days ago, just a few days ago, there was a tragic homicide in Noirfork."

"Two young men died. "One of them is the commander-in-chief of Jiangbei, the only son of Xu Haisheng, Xu Shaohua.

"The other one is my grandson, Lu Mingfeng!"

"What?" Lu Cangqiong's words were tantamount to a drunk drink for He Lanshan. At that time, He Lanshan's face turned pale and his pupils shrank. "Exactly..."

What happened?

He Lanshan had to be shocked. Although Noirfork is dying every day, but now, the grandson of the old man Lu is dead, and he is still killed in Noirfork. As the lord of Noirfork, he has to be panicked. "What the hell is this? thing?"

"What happened in the days when I was away?"

After the tremor, He Lanshan turned his head and asked a subordinate who was in charge of Noirfork Security. The bitter face, lowered his head in horror, said: "He Sheng, I am about to report to you in the morning, but before I have time to say, you just Coming to Wrilfill.

"Just a few days ago, here in Wrilfill..."

"Okay, I don't want to listen to nonsense, I'll just say you, the murderer, can you catch it?"

He Lanshan sternly reprimanded. The person suddenly became even more panic: "Well, the working group has already stationed in Wrilfill, assisting Wrilfill's investigation.

For the specific situation, you have to ask the person in charge of the Wrilfill side.

After He Lanshan heard it, Ferguson Wu called out immediately. "Will you come over to me?"

” “what happened?

“How are you the master of Wrilfill?”

“Lao Lu’s grandson is here in Wrilfill, why don’t you know to protect?”

“Now that such a big thing has happened, what should you be guilty of?”

Facing Ferguson Wu in front of him, He Lanshan sternly scolded him. Ferguson Wu was so frightened that he had to explain. “Hmph, you don’t have to explain to me~” “Master Lu is here. If you have anything, you can tell Old Lu.

“You better pray that he can forgive you, otherwise, I will never forgive you!”

He Lanshan said coldly, but directly interrupted Ferguson Wu’s explanation.
