## Chapter 2261

Ferguson Wu's eyes were full of bitterness, and finally looked at Mr. Lu: "Master, I'm really sorry about Mr. Lu's affairs."

"I only hate Ferguson Wu for my limited ability. If I have three thousand soldiers, I will surround Yulong Hotel on that day. Save Young Master Lu and Young Master Xu, and bring Mark's villain to justice."

"However, I only hate Ferguson Wu for being incompetent~" "Also, the security affairs are handled by Deputy Mayor Han Dongmin. "When I learn from Han Dongmin, it will be too late when I rush over."

Ferguson Wu said guiltily, his eyes full of sorrow, I don't know, maybe he thought it was his son who had an accident?

Moreover, Ferguson Wu's remark just now was also a thief.

Cleverly removed his own fault, and successfully dumped the pot to Han Dongmin.

Although he and Han Dongmin have been old partners for many years, so what?

In the face of interests, Ferguson Wu naturally acted in accordance with the principle of dead daoists, not dead and poor.

"Well, you are Xiao Wu."

"Junlin told me you before, this time I can surround the fanatic so quickly, thanks to your help."

"Get up, I don't blame you."

"Like You said that security matters are not in your charge. To blame, blame the vice city Han Dongmin's corpse for the vegetarian meal."

"However, these days, you should have investigated this matter clearly."

"The criminal evidence of those fanatics, Have you found them all?" Lu Cangqiong looked at Ferguson Wu in a deep voice.

This time, he was going to use official power to deal with Mark, so he naturally wanted his teacher to be famous and occupy the legal principles.

Therefore, before doing it, it is best to grasp Mark's criminal evidence.

In this case, their actions today will naturally be more reasonable.

"This..."

Ferguson Wu was silent for a moment. "Huh?"

Could it be that you haven't investigated this matter clearly?

Ferguson Wu, I think you really don't want to do it?

"Before Lu Cangqiong could speak, He Lanshan was the first to scold him. Ferguson Wu said in distress: "He Sheng, I really don't blame me for this, because of this, I have now been suspended.

Han Dongmin is in charge of all affairs of Wrilfill now.

"Han Dongmin is the second in command of Wrilfill. Now that Ferguson Wu has been suspended from his post, he is naturally the agent of Wrilfill affairs. "Really?

"What about Han Dongmin?"

"Why didn't I see him?"

"He Lanshan said in a deep voice, his words suppressed disapproval and anger. Such a big thing happened here, but he did not see the figure of the head of Wrilfill, He Lanshan was naturally displeased. "Here is here. , He Sheng, where am I?

"He Lanshan was about to ask his subordinates to call him to come, but who could have imagined that a few calls came not far away. Everyone followed the prestige, but among the crowd, Han Dongmin was anxious. Came over. Actually, Han Dongmin was here long ago. The movement here is so great that Han Dongmin is now in charge of the affairs of a city, how could he not know. But, like Ferguson Wu, he has been watching from a distance. Of course, he Unlike Ferguson Wu, Ferguson Wu wanted to see how Mark fell, and he only dared not show up because of self-preservation. After all, whether it was Mark, Lu or Xu, he was the same as Han Dongmin. Can't afford it. No way, since you can't afford it, then you can only hide. Try not to participate in the fight between the two parties! But now, with the arrival of He Lanshan, Han Dongmin wants to hide, and can't avoid it.

However, like Ferguson Wu, he has been watching from a distance.

Of course, the difference between him and Ferguson Wu is that Ferguson Wu wanted to see how Mark fell, but he only dared not show up just out of self-protection.

After all, whether it is Mark, or the wealthy Lu and Xu, he Han Dongmin can't afford it.

No way, since you can't afford it, you can only hide.

Try not to participate in the fight between the two parties!

But now, with the arrival of He Lanshan, Han Dongmin wanted to hide, but couldn't hide it.

## Chapter 2262

After all, that old bastard Ferguson Wu has already caused trouble to him.

He Lanshan called him by name.

No way, in this situation, Han Dongmin had to bite the bullet.

"Huh, so you are here?" "I don't know, I thought that this land of Wrifill is unmanaged."

"Let me ask you, do you know that Grandpa Lu died in Wrifill?" He Lanshan asked sharply.

Han Dongmin nodded in panic: "I know."

"Since I know, why not go to Edensberg to report the details?" "If Mr. Lu told me today, do you still want to keep hiding from me?" "I..."

Han Dongmin would explain, He Lanshan interrupted him again: "Let me ask you again, how many days have passed since the incident occurred. Can the perpetrator be brought to justice?" "Evidence and witnesses are all collected?" "Lu The old man is here. His grandson died in Noirfork. We in Noirfork must give the old man an explanation."

Hearing He Lanshan's words, Han Dongmin's old face became more bitter.

"He Sheng, this...we are all working on these tasks. Everything is still in the investigation stage, so the murderer hasn't come down yet~" What?

"Still investigating?" "What did you do these days?" He Lanshan finally got angry when he heard this.

Originally, in their Noirfork territory, He Lanshan felt it was embarrassing enough to happen.

But now, after so many days, Han Dongmin has not even caught the murderer, which undoubtedly made He Lanshan lose face in front of Mr. Lu, and he was naturally angry.

“This..

This case is a bit complicated, so progress is a bit slow.

However, we will do our best and will definitely give Mr. Lu a fair and just result.

“Han Dongmin explained again and again. However, Ferguson Wu asked pretendingly: “Dongmin, the facts of this case are clear, the reason can be investigated, the context is clear, and the participants are well documented.

“I think it shouldn’t be very complicated.

“You just need to arrest people.

Hearing Ferguson Wu’s words, Han Dongmin’s face turned green at the time, and he was so angry that he was scolding Ferguson Wu as a bastard. He was really cheating him. Sure enough, He Lanshan’s brows sank when he heard this. He looked at Han Dongmin. Coldly said: “Han Dongmin, what he said is true?

Han Dongmin suddenly smiled bitterly: “This...this, there is still some evidence missing, so...”

“So what a shit!”

Get me arrested first.

“He Lanshan roared. Han Dongmin had to nod his head: “Well, I’ll send someone to check the whereabouts of the murderer.”

“In fact, Han Dongmin knew that Mark was in front, but in order not to offend Mark, he could only delay the time with a delay, pretending not to know the whereabouts of the murderer, and let his subordinates investigate first. “Huh?

“Dongmin, are you afraid that you won’t play stupid again?”

“Isn’t the murderer in front?”

“Do you still need to check it?”

“Ferguson Wu said with a smile rather than a smile. Second Ao! Han Dongmin wanted to kick Ferguson Wu to death at the time. This bastard made it clear that it’s not too big to watch the excitement. “Huh?

” “just in front?

“Who is such a bold man, who dare to kill Lu’s grandson?”

He Lanshan immediately raised his head and looked forward. Lu Cangqiong raised his head for the first time after arriving in Wrilfill, and looked at the distant Lord HaiDollan. I saw there, Qianjun bowed down. Xu He fell in the ruins, life or death is unknown. Xu Junlin knelt on the ground and let out an unwilling growl. In front of them, there was only a young man standing proudly. His eyebrows were majestic, and his face was sneer. His deep and ethereal eyes had the majesty of despising the world.
