

## Wonder Doctor Chapter 2271

“Haha! Brother Pimp, then we can cooperate more in the future!”

Black Heaven laughed and didn't have much doubt.

“Please also take care of Old Brother Black Sky!”

Lin Ran also laughed.

“Don't worry, Old Brother Black Sky is a very nice person!”

The Heart Prisoner on the side also laughed.

“Alright, have you brought the stuff? The top is in a hurry and has already been rushed several times!”

Black Heaven asked.

“I've brought it!”

Heart Prisoner said and fished out a ring from his pocket and handed it to Black Sky.

Black Heaven took it and examined it before smiling in satisfaction.

“Alright, I still have to hurry to the gladiatorial arena later the tigress has to compete with the top puppet!”

“I have to hurry up and get the parts put together!”

“Old Brother Black Sky, you could have said you'd show me last time, have you forgotten?”

Heart Prisoner chuckled.

It also seemed to be to prove to Lin Ran that he and Black Sky were related.

Heart Prisoner didn't wait for the next time either.

“Oops, look at this brain of mine!”

The Black Celestial couldn't help but slap his head.

“Let's go then, but you can only watch for five minutes!”

“And no talking nonsense, if the tigress finds out, we'll all be finished!”

Black Sky said.

“Don't worry, we'll all listen to you!”

Heart Prisoner had expectations in his heart.

Lin Ran, however, didn't feel much.

It was just a puppet in the test area, so what if it was unbelievable.

At this moment, he only wanted to know where Song Nuan really was!

But the entire test area was heavily guarded, and there were even people at the entrances to each area.

If he wanted to find someone here, it would undoubtedly be as difficult as the sky!

But Lin Ran wasn't in a hurry either.

If he couldn't do it once, then he could wait for another time.

He wasn't so unlucky that he wouldn't be able to run into Song Nuan even once.

Although there was already a great war in the Immortal World.

But after all, he still had a doppelganger in the Immortal World.

To be honest, Lin Ran wasn't really in a hurry.

The only worry was that he didn't know how long it would take for the Divine Shadow Clan to descend into the Immortal Realm.

This was the hardest part for him.

Once the Divine Shadow Clan descended into the Immortal Realm, Song Nuan would definitely be taken out by then, and the Immortal Realm was vast.

By then, if he wanted to find Song Nuan in the Immortal Realm, it would undoubtedly be a fool's errand.

With his thoughts in mind, under the guidance of Black Sky, Lin Ran and Heart Prisoner had arrived at a martial arts arena.

Hei Tian took out a jade token and then said something to the other party.

Only then did the other party move out of the way, and Black Sky led the two of them in.

As soon as they entered the gladiatorial arena, Lin Ran was stunned by the scene in front of him.

Inside was a huge gladiatorial arena, the size of a football field at least.

On this huge open space was a puppet that must have been at least ten metres tall.

The entire puppet was tall and sturdy, and its body exuded a stern aura.

It gave people a terrifying feeling.

Even Lin Ran could clearly feel that this puppet was far from those heavenly-ranked puppets or blood-red puppets that could be compared to it!

Just such a puppet would have to be at least above the Little Perfection realm in starting combat power.

"A puppet is so strong!"

"No wonder they say that the more you get into the puppet world, the more powerful it becomes!"

Lin Ran said with emotion in his heart.

A puppet of this strength was also the first time he had ever seen one in his life.

“Brother Pimp, this puppet rocks! Damn I’m about to kneel down!”

Heart Prisoner couldn’t help but say.

Lin Ran smiled at his words and cooperated.

“Boss, to tell you the truth I’m about to piss myself!”

“Haha!”

Heart Prisoner and Black Sky both couldn’t help but laugh at that.

“Well I’ve got to get busy, you two watch for a while and then get going! Don’t spoil the big event!”

Black Sky reminded, and whirled towards the puppet.

Heart Prisoner responded and led Lin Ran around the puppet.

Lin Ran found that although this puppet was powerful.

However, the parts used throughout its body were also very numerous.

This would cause a downside, once a certain place was damaged, it might cause a chain reaction.

Of course, this was just his own speculation, or maybe this problem had been solved by the Divine Shadow Clan a long time ago!

The golem was huge, and it took the two of them almost five minutes to rake it around.

And the heart prisoner seemed to be very excited, looking at the puppet for a long time, unwilling to leave.

“Why haven’t you guys left yet, go quickly to kill me!”

Seeing that the two were still looking at the puppet, Black Sky couldn’t help but shout.

“This is the way to go, this is the way to go! See you next time Old Brother Black Sky!”

Heart Prisoner busily responded, while pulling Lin Ran and heading out.

However, just as the two were about to walk into the passage and go out.

Suddenly, there was a strong aura coming from behind them.

This aura was incomparably strong, but it was permeated with a vast and righteous aura.

This aura seemed a little out of place within the entire Divine Shadow Clan!

The Divine Shadow Clan had been detached from the Immortal Realm for a long time.

The cultivation techniques and the aura brought by these techniques were all permeated with an evil aura.

But this aura was as if it was a vast and righteous aura in the heaven and earth.

There was simply a world of difference from those auras of the Divine Shadow Clan!

“Run!”

Sensing this aura, Heart Prisoner’s heart instantly lifted

Pulling Lin Ran, he was about to run.

Lin Ran, however, felt very strange and couldn’t help but look back.

With this glance, his entire body froze.

He saw a woman’s silhouette in mid-air in the back of the martial arts arena.

A woman’s silhouette stood out of thin air.

The white veil on her body bristled.

Her face seemed like the most delightful masterpiece in heaven and earth, breathtakingly beautiful.

The damask dress on her body was even more as if it were the most precious material in heaven and earth.

Her face was indifferent, as if she could not show any interest in anything in the world.

But only her eyes were a little blank.

They should have been the brightest eyes in heaven and earth, but at this moment they were filled with a sense of sadness.

If she wasn’t Song Nuan, who was she?

“What are you staring at? Hurry up and go!”

Seeing Lin Ran frozen in place, the heart prisoner couldn’t help but shout.

“It’s beautiful!”

Lin Ran couldn’t help but say.

Although it had been over a thousand years since he had seen her, she was still the same as when he had first met her.

One could not move one’s eyes.

Lin Ran vaguely remembered when she was at Temperance University, during the entrance performance, her ancient style dance!

And the sound of her voice confessing to herself on stage!

“Lin Ran, I like you! Will you be my boyfriend?”

Time goes by you, and who would have thought that meeting again would be like this.

“I know it’s beautiful, if you keep fucking looking at it, we’ll both be fucked!”

Prisoner of the Heart couldn’t resist giving Lin Ran a slap in the face!

Only then did Lin Ran wake up with a start.

“Get out of here!”

Heart Prisoner pulled Lin Ran up and ran outside.

As he was leaving the martial arts arena, Lin Ran took one last look back.

It just so happened that Song Nuan was also looking towards him at that moment.

Their eyes instantly met.

This glance was a million years, and everything around them went silent.

Lin Ran opened his mouth, and before his sight disappeared, he said to himself.

“Are you still you?”

The sight quickly disappeared and Lin Ran and Heart Prisoner left the martial arts arena.

Without the slightest hint of stopping, the two men followed the path they had come from and headed straight for the dungeon.

What Lin Ran didn't know was that after he left, Song Nuan's bewildered eyes clearly had a hint more doubt in them.

She felt that those dark eyes were very familiar.

But for a moment, she simply couldn't recall whose they actually were.

But that feeling of staring at each other just now had indeed shocked her.

### **Wonder Doctor Chapter 2272**

“You kid are crazy!”

Having easily left the test area, the heart prisoner couldn't help but curse.

“Old.... Boss, I might have just looked bewitched, that woman was too pretty too!”

Lin Ran said in mock embarrassment.

“Damn, she was indeed too pretty, fortunately, I'm firmer than you, otherwise I would have had to look spellbound too!”

Heart Prisoner also said.

“Alright, just be more careful yourself next time!”

Heart Prisoner said.

“Next time?”

Lin Ran heard a pang.

“What else? I've already brought you here once, so next time I won't come!”

“But you said before, you don’t want the stuff!”

Heart Prisoner said.

“Fine!”

Lin Ran was busy nodding his head.

Naturally he didn’t care about the so-called rewards, being able to come to the test area regularly was what he wanted

Only by having access to Song Nuan could he have a chance to save him.

“Alright hurry up and go back!”

Heart Prisoner greeted, and with a whirl the two entered the spatial tunnel towards the dungeon and hurried over.

With this experience, Lin Ran had a general understanding of the test area in his mind.

Only how he could awaken Song Nuan’s divine sense, he didn’t have a clue in his own mind.

Not to mention when to do it!

....

“Lin Ran!”

As soon as he returned to the dungeon, the Heartless Old Man couldn’t help but transmit a voice to Lin Ran.

Lin Ran answered, then returned to his room before he invaded part of his divine sense into the spatial scroll.

“How about it? When are we going to make our move?”

Seeing Lin Ran enter, the heartless old man asked excitedly.

“It’s still under consideration for now!”

Lin Ran said.

“Still thinking about it? Haven’t you already been to the test area!”

The Heartless Old Man was puzzled.

“I’ve been there, but I’m not sure what’s going on there yet!”

Lin Ran said.

“Then how much longer do we have to wait!”

The Heartless Elder couldn’t help but ask.

“At least we’re still waiting for me to go there once more!”

Lin Ran said.

The Heartless Elder looked a little disappointed at his words, but he could only nod when the words were said.

“All right!”

Lin Ran then left the scroll space.

Days passed by day by day.

Soon, after half a month, Lin Ran finally had his second chance to travel to the test area!

And this time, he was the only one going.

To be honest, he was somewhat apprehensive in his heart.

Last time, after all, there were prisoners of the heart following him, and only then did Blackie take them to the martial arts arena to have a look.

This time, I’m afraid he wouldn’t have that kind of treatment.

If he couldn’t go to the martial arts arena, Lin Ran’s greatest fear was that he wouldn’t even be able to meet Song Nuan.

If that happened, he could say that his trip to the test area would not make the slightest progress at all.

Therefore, he was also very worried in his heart whether he would be able to see Song Nuan this time or not.

Following the same path as last time, Lin Ran soon arrived at the test area.

It was no surprise that he also met Hei Tian.

But apparently this time, Hei Tian’s attitude was obviously a few degrees colder than last time.

“Alright, I’ve received the stuff, you can go now!”

Black Sky said blandly.

Lin Ran didn’t say anything more when he saw this.

A messenger from the dungeon himself, and to be honest, he wasn’t too familiar with Hei Tian either.

If he asked too much he might also cause the other party to resent him.

“I’ll leave first then!”

Lin Ran said, and with a whirl, he turned around and left the place.

As he walked out of the room where Hei Tian was, Lin Ran’s heart lifted.

Whether or not Dao could see Song Nuan this time, he honestly didn’t have a clue in his heart.

As he saw that the exit of the test area was getting closer and closer.

Lin Ran's heart couldn't help but feel a little lost.

It was true that luck was unreliable.

It seemed that his plan would have to be postponed again.

Lin Ran shook his head helplessly.

However, just as he was about to leave the base of the test area.

Suddenly, he felt a tightening of his shoulders, and even before he could see clearly what was going on, his entire body was directly sent flying off the ground.

The next moment the whole scene in front of him changed several times.

At the same time a voice rang out in his ears.

"Who the hell are you!"

"Who are you again!"

Lin Ran couldn't help but ask back.

At this moment, he didn't even see the other party's shadow.

"Weng!"

Finally, the scene around him stopped changing.

Lin Ran's gaze finally took a clear look at his surroundings.

He only saw that at this moment, he was actually in the martial arts arena where he had come with Heart Prisoner last time.

And at this moment, in front of him, a silhouette was standing with her hands folded, her gaze tightly watching him.

If it wasn't Song Nuan or someone else!

"You!"

Lin Ran was instantly frozen.

Originally, he had felt that it was impossible for him to find Song Nuan.

As a result, who knew that Song Nuan would actually come looking for himself.

"Who the hell are you!"

Song Nuan looked at Lin Ran with a dark suspicion.

It seemed like she was trying to recall something, but how could she just not remember.

"I'm Lin Ran!"

Lin Ran couldn't help but say, his eyes instantly reddening.

Back in her hometown, Song Nuan was just an ordinary girl!

But now, she had turned into this.

In these thousand years of her own slumber, no one knew what she had gone through.

But she had indeed grown from a weak woman to an existence beneath the Immortal Emperor's seat of one person and above all others.

Having easily awakened herself, she began to search for them one by one.

As a result, everyone had been found, but Song Nuan was the only one who was in prison again!

Looking at Song Nuan in front of him, Lin Ran felt his heart was dripping blood.

That was clearly heartache!

"Lin Ran? I don't know you, but why do you give me a sense of familiarity!"

Song Nuan looked at Lin Ran with a question in her eyes.

"Because I am."

"Angelicide! Are you in there?"

A voice suddenly interrupted Lin Ran's words.

"It's me!"

Song Nuan said back.

"Angelicide?"

Lin Ran was stunned to hear this, this must be the name the Divine Shadow Clan had given Song Nuan.

"Your name isn't Angelicide, your name is Song Nuan!"

"Don't tell them, they've sealed your divine memory, I'm here to save you!"

Lin Ran said busily.

Song Nuan looked at Lin Ran with a slight frown, obviously not sure that what Lin Ran was saying was true!

"Little Nuan! I've really come to save you!"

Lin Ran said urgently.

But apparently Song Nuan couldn't believe him at all at this moment!

"It doesn't matter if you don't believe me, if there's another time, I'll definitely take you away when I come back!"

Lin Ran said.

"Take me away?"

Song Nuan was stunned, but just then the sound of footsteps was already coming from outside.

“Trust me!”

Lin Ran saw that the situation was critical, and he didn’t have time to say more.

Dropping a sentence, his entire body directly burrowed into the puppet on the side.

At this point, it was clearly impossible to get out.

But hiding in the puppet did not necessarily mean that it was safe either.

But now Lin Ran was treating a dead horse as a living horse.

There was nothing else he could do except for this solution.

“Angelicide!”

Just as Lin Ran entered the puppet, a low voice of an old man came from outside.

“My lord!”

Song Nuan’s voice also rang out.

“What are you doing here?”

The old man asked.

“I wanted to try the puppet again, but now I remember there are some things I need to talk to you about, let’s go ah”

Song Nuan said.

What he said was very bland, he couldn’t see any difference at all.

Lin Ran couldn’t help but breathe a sigh of relief at hearing this, at least Song Nuan hadn’t exposed herself!

It was just that this time he had almost been discovered by the other side, so his own plan had to be done.

If he dragged on, it might be even more dangerous!

### **Wonder Doctor Chapter 2273**

After waiting quietly in the martial arts arena for a few moments, there was really no movement outside.

Only then did Lin Ran climb out, and then he was busy leaving the test area.

After returning to the dungeon.

Lin Ran immediately went to find the Heartless Elder to ask about the situation.

“How is the situation in the nine dungeons now!”

“Basically, they’ve all learned, and they’re all in for your news!”

The Heartless Elder said, while a light filled his eyes.

It was obvious that Lin Ran had suddenly brought up this matter, so it was clear that he might be about to start moving.

“That’s good, we’ll do it when I go to the test area later!”

Lin Ran said.

“Are you sure?”

The heartless old man asked busily.

“It’s confirmed!”

Lin Ran nodded his head.

“Good! What all do I need to do!”

The Heartless Elder asked excitedly.

“Bring all of these people out!”

Lin Ran said.

“The exact plan will depend on the next time we go to the test area!”

“But the goal won’t change, it’s to bring everyone out!”

Lin Ran said.

“Before that, I need a magic weapon! A magic weapon that contains a small world inside!”

“My spatial scrolls have a limited range and are easily damaged, so I still have to have a small world type magic weapon for safety!”

“That’s a good one, you go to the second district, there’s someone inside the second district who has one!”

The heartless old man said.

Lin Ran nodded at his words, and immediately went straight to the second district without delay.

This magic weapon that the Heartless Elder had obtained from the second zone was called the Boundary Heart!

It was a treasure, and was made from the core of a small world, hence the name Boundary Heart.

In order to make such a boundary heart, you must first have a small world.

But usually small worlds have living beings in them, so no one would be willing to use them to make a boundary heart.

You can only find a small world that is devoid of living beings, so you can make your own boundary heart.

The greatest advantage of this boundary heart artefact is that it is very concealed.

If the owner does not want others to discover it, almost no one can.

Unless you can destroy the whole place where the boundary heart is located, so that the boundary heart can be destroyed, you will not be able to find where it is at all.

But again, such a terrifying boundary heart is very rare.

The fact that they could run into it here was enough to show that the cultivators that the people of the Divine Shadow Clan had captured were all very powerful.

After obtaining the boundary heart, Lin Ran also began to wait.

Everything depended on how long the next trip to the test area actually was.

However, no one expected that the wait would be a full three months!

Just when the Heartless Old Man and the others were all a little relieved.

The turn of events had finally arrived.

“Brother Pimp, you can’t miss this gathering!”

“Yes, it’s said that this time, Lao Er has brought back a very large amount of good wine from outside!”

“Haha! He must be properly slaughtered!”

The nine great inspectors had gathered together in a rare occasion.

Laughing and flirting, they said.

“I can’t, I still have to make a delivery to the test area that night!”

“How about this, how about I drink a little less and leave!”

Lin Ran excused himself.

Coincidentally, three months later, he had waited for the opportunity to go to the test area.

However, the Second District Supervisor was also going to hold a banquet.

This left Lin Ran a little helpless.

But this was good, at least when the banquet was held, the other eight dungeons would only be guarded by his men.

It would be easier for Lin Ran to bring out the people inside!

It just depended on one of the timing differences!

The opportunity had finally come.

When Lin Ran told the heartless old man the news, the other party was also excited.

The day had finally arrived amidst the anticipation of the crowd.

Lin Ran had arrived in the second district early, waiting for the evening gathering.

And none of the crowd noticed anything out of the ordinary.

Soon all the nine great Supervisory Ambassadors had arrived.

Although it was said that the Second District Inspector was treating them, everyone was allowed to take out their own treasures.

Lin Ran also deliberately took out the wine he had prepared.

“Brother Pimp, what kind of wine is this, how come you’ve never seen it before!”

Heart Prisoner couldn’t help asking.

The wine Lin Ran took out had never been seen before, but the smell was very strong.

It was good wine at first smell!

“This wine, ah, is called Eight Nights Wine!”

Lin Ran laughed.

“Eight Nights Wine? What brand of wine is this? How come I’ve never heard of it?”

“Right! Have any of you heard of it?”

“No!”

The crowd all shook their heads, saying they had never heard of it.

“Haha! This Eight Nights Wine is my collection, and there are only two bottles in total, come come let’s have a taste today!”

Lin Ran laughed.

At the same time, he had already started pouring wine for the crowd.

This Eight Nights Wine was not his, but had been found in the Little World of the Realm Heart.

It was said that this wine was so powerful that a single sip could get you drunk for eight days, hence the name Eight Nights Wine!

But whether it was that terrifying or not was unknown!

Lin Ran didn’t expect this wine to really get everyone drunk for eight days.

After all, they were all cultivators, so if they could make it drunk for eight days, it would have to be an immortal wine made by an immortal emperor himself!

“Come and taste it!”

At Lin Ran's greeting, the crowd all began to drink and talk freely.

But because later on, Lin Ran had to leave for the test area to deliver something.

So he drank the least.

As the saying goes, everyone gets drunk when they're not drunk, and after three decades, the wine hadn't been consumed by many people, but the conversation box was opened.

Lin Ran saw that it was almost time, so he did not delay any longer.

He quietly left the place.

Just ten minutes later, the heart prisoner found Lin Ran left.

"Old pimp this kid, afraid that we won't let him go, but actually quietly ran away!"

"Haha, big brother, you're now free of things, and you have someone to deliver your things, so you can focus on your cultivation!"

"Who says otherwise!"

"Come on come on regardless of him drinking and drinking!"

Heart Prisoner greeted.

The crowd immediately began to drink again with open arms.

....

But Lin Ran, after leaving, went straight to the dungeon in the second district.

"My lord, what brings you here?"

The guards were surprised to see Lin Ran arrive!

"Nothing, your lord is having a good time, I've come to check on him!"

Lin Ran said.

"An inspection? There's no need for that, is there?"

The underling was a bit puzzled.

Generally speaking, if one wanted to enter the dungeon, one had to have an order from the inspector, but unfortunately, Lin Ran was not the inspector of this second district.

So wanting to get in wasn't just a matter of talking!

"This is your lord's wish, the game lost for me to come and inspect for him!"

Lin Ran said blandly.

"But this..."

The henchman looked more or less embarrassed.

Lin Ran couldn't help but frown a few times when he saw this.

"What? You want to go against even your lord's wishes?"

"No my lord, but this..."

"But what? Your lord is drinking right now, or should I go and call him over?"

"If something happens then, don't blame me for not warning you!"

Lin Ran said in a cold voice.

The henchman's face instantly turned pale when he heard this.

"No, no, no! I'll open the door, I'll open the door right now!"

Said the henchman as he busily opened the door to the dungeon.

"That's more like it!"

Lin Ran nodded in satisfaction and then walked towards the dungeon's interior.

#### **Wonder Doctor Chapter 2274**

"My lord, is there ever anything different?"

The henchman kept following Lin Ran, as if he was afraid that he would do something rash.

"It's alright! Let's go!"

Lin Ran, however, only made a rough turn and then whirled around before greeting his men and heading out.

When the other side saw that Lin Ran hadn't gone inside for long at all, they didn't give it a second thought.

However, these few steps were already enough.

Since his men were not the watchdogs, he could not feel that the entire dungeon had disappeared the moment the door closed again!

And all of them died from normal divine sense dissipation, so the divine sense probing within the entire dungeon did not yield any results either.

"Alright, I still have to go drink!"

Lin Ran dropped a sentence and left in a whirl.

"Inexplicable."

The henchman muttered, and said nothing more.

And next, Lin Ran's actions were considered to be completely kicked off.

He went from the nearest fourth district, all the way down to the fifth district, and gave all the dungeons a turn.

Finally, he went to the first dungeon!

When all the dungeons in all the districts had been turned around, all the hostages had also been brought out by him.

“Now what!”

The heartless old man’s eyes were filled with anticipation.

At this point, the plan had already played out to a third, the next step was to just find Song Nuan and then they could leave!

“Set off for the test area!”

Lin Ran didn’t delay.

Immediately, he hurried towards the test area.

Just like the previous two times they had gone, there were no problems this time.

Moreover, over at the dungeon, the Heart Prisoner and the others were still drinking and didn’t notice anything unusual at all.

All Lin Ran needed was the time he had.

He rushed to the test area without stopping.

Very soon afterwards, Lin Ran met with Black Sky.

“Here you are, where’s the stuff?”

Black Sky’s attitude was the same as last time, not cold or warm.

“Here it is!”

Lin Ran fetched the stuff out.

Black Sky didn’t say anything and took it in his hand.

“Alright, you can go now!”

Black Heaven said.

This time, however, Lin Ran did not leave.

“Hm?”

Black Sky frowned slightly at this.

“I said you can leave now!”

Black Heaven’s voice couldn’t help but grow a few degrees colder.

“Brother Black Sky, I have something I want to ask you!”

Lin Ran looked at Black Heaven and smiled.

“What is it.”

Black Tian frowned slightly, looking displeased.

“Does Brother Black Tian know where I can leave the Divine Shadow Clan?”

Lin Ran asked.

The spatial tunnel that the messenger who had brought the Divine Shadow Clan had taken himself through in the beginning, Lin Ran could no longer find it.

As the only passage between the Divine Shadow Clan and the outside, it was obviously impossible for it to exist for long.

This was something Lin Ran himself could imagine.

So if he wanted to leave, he still had to start from within the Divine Shadow Clan.

“Why are you asking this? You’re the dungeon’s monitoring envoy, so by definition you don’t need to go outside!”

Black Sky said with a slight frown

“O, yes, I want to bring something in from outside!”

“But again, I don’t know who can get out! Or who knows where the spatial tunnel is!”

Lin Ran asked with a smile.

Black Sky’s tense voice relaxed slightly at that.

“In that case, I’ll know where it is, but I won’t be going out for a while either!”

“If you’re not in a hurry, I can help you walk when I go out later!”

“If it’s urgent, then there’s nothing I can do! I don’t really know anyone else who can get out!”

“Thanks a lot!”

Lin Ran laughed, but a cold glint flashed across his eyes.

“Whoosh!”

In the next moment, suddenly Lin Ran’s entire body instantly arrived in front of Black Sky.

Almost simultaneously, his palm directly strangled Black Sky’s neck.

A force of disintegration instantly enveloped Black Sky.

“Hustler! What are you doing!”

Black Sky’s face instantly changed as he watched.

This disintegration was directly acting on his divine sense.

It could be said that as long as Lin Ran had a thought at this moment, this decomposition power could disintegrate Black Heaven's entire being into nothingness in an instant.

"We're all from the Divine Shadow Clan, what the hell are you doing!"

Hei Tian said angrily.

Lin Ran did look at him with a bland smile and said.

"I'm sorry, but I have to get out! Please lead the way!"

With that, Lin Ran waved his hand and directly took Hei Tian into the small world of scrolls as well!

After doing this, Lin Ran then turned around and ran towards the outside.

He didn't go to the martial arts arena.

Instead, he went straight to the exit and waited.

He believed that with Song Nuan's strength it wouldn't be difficult at all to detect that he had come.

Last time, he had not seen her, but she had found him.

He believed that Song Nuan would be able to do it again this time!

However, after waiting for half a day, there was no sign of Song Nuan.

Lin Ran couldn't help but feel a little strange.

"Where's Angelslayer?"

Lin Ran busily sent a voice to ask Black Sky!

However, Black Sky didn't answer him at all!

"If you don't say anything, I'll let you die right now!"

Lin Ran said as the force of disintegration had already started to take hold.

"No, no! I'll talk!"

Black Heaven finally couldn't carry on, who could face the threat of death and remain indifferent!

Obviously Black Sky was definitely not able to!

"Originally for a few days Angelicide was to leave and fight the golem!"

"But the top suddenly decided not to fight the golem today, and I suspect that Angelicide may still be in his quarters!"

Black Sky said.

"Residence? Where does he live?"

Lin Ran asked, frowning.

“Don’t try to play tricks with me, or you definitely won’t survive!”

Lin Ran said in a cold voice.

“It’s nearby!”

Hei Tian busily said.

“Lead the way!”

Lin Ran said in an angry voice.

Then, with Black Sky leading the way, Lin Ran quickly rushed towards Song Nuan’s residence.

It was a very ordinary building that couldn’t even be seen as a place to live from the outside.

But when Lin Ran did find Song Nuan inside, he was still very happy you!

“Why is it you?”

Seeing Lin Ran who appeared in front of him, Song Nuan was also taken aback.

“Come with me!”

Lin Ran took Song Nuan’s hand and walked away.

“Hey! I don’t even know you!”

Song Nuan broke away from Lin Ran’s hand and looked at him warily.

“Do you trust me?”

Time was tight, and Lin Ran didn’t have time to explain at all.

His gaze burned as he looked at Song Nuan.

Song Nuan didn’t say anything, but she clearly felt her heart actually tremble.

Deep inside, there was a voice crying out, “Believe in him! Believe in him!”

“Who the hell are you?”

Song Nuan asked again.

“I’m your boyfriend!”

Lin Ran looked at Song Nuan with tenderness in his eyes.

“Boyfriend?”

Song Nuan was stunned to hear this, but at that moment Lin Ran had already sensed that someone was coming.

“Come with me now!”

Lin Ran didn't have time to explain, and immediately pulled Song Nuan up and rushed out towards the outside.

"Hey! You!"

Song Nuan was pulled by Lin Ran and just silently looked at his back.

If it was anyone else, she would have probably already made her move.

But looking at the youth in front of her, feeling the aura on his body.

Song Nuan was actually a little hesitant for a moment.

And deep inside, a voice was clearly persuading her that she couldn't hurt him! Can't!

"Who the hell is he! And what's a boyfriend! Why do I feel so familiar with him!"

A series of questions popped up in Song Nuan's mind, but no one could answer her at that moment!

She couldn't even answer herself!

### **Wonder Doctor Chapter 2275**

The thoughts in Song Nuan's mind were chaotic, but at this moment, Lin Ran did not have any time to think about it.

He led Song Nuan all the way, following the route provided by Black Sky and rushed towards the outside.

He soon arrived at the place Hei Tian had mentioned.

It was a space that was on the outskirts of the divine Shadow Race's test area.

Here he did see a spatial tunnel.

"This is the place, it leads directly to the Immortal Realm!"

Black Sky said.

"The way has been brought for you, now can you let me go!"

"Sorry, I can't!"

Lin Ran replied back and stopped paying attention to Black Sky.

He then rushed headlong into this spatial tunnel.

"Where are you taking me!"

Song Nuan couldn't help but ask as she followed behind.

"To your home!"

Lin Ran turned his head and said.

"Home?"

Song Nuan was stunned to hear this, and her eyes were even a little confused.

It seemed that she didn't know what going home meant at all.

"It doesn't matter if you can't remember now, I'll slowly awaken your divine sense, you'll know by then!"

Lin Ran laughed, and in his smile, there was infinite tenderness.

Song Nuan looked a little unsure of what to do.

Her heart still made her choose to believe Lin Ran.

But she really didn't remember Lin Ran, nor did she remember all the things that were going on in front of her.

And just as Lin Ran was leading Song Nuan all the way through the spatial tunnel, he ran wildly.

At this moment, within the test area, an angry voice finally rang out.

"Where's Angelicide! Find it for me!"

This voice exploded out of thin air, and almost everyone in the entire test area heard it.

Immediately afterwards, all of the people in the entire experimental area began to move.

One by one, they quickly searched through the entire test area.

The experimental area, which was still quiet, also came to life in an instant.

Almost simultaneously, a terrifying power of divine sense swept out in all directions like a tidal wave, as if it was going to envelop all of the place!

"Where's Black Heaven?"

Suddenly, another voice rang out.

And this voice was like a guide, and everyone around heard it and rushed over towards where Black Sky was.

Sure enough, they found that Black Sky's room was empty!

"Keep checking!"

The booming voice resounded again, while that huge force of divine sense floated directly towards the surroundings.

It even included inside the spatial tunnel.

"Something's not right!"

Suddenly, Black Sky, who was trapped in the scroll space, spoke up.

"What's wrong?"

Lin Ran was busy asking when he saw this.

“Even if I had brought you here, you still wouldn’t be able to leave!”

“Angelslayer has a mark on his body, I’m afraid that at this point the great powers of the test area already know that he has left the test area and will soon find him!”

Black Sky explained.

“It’s not like they haven’t found him yet!”

Lin Ran said, but his eyes went icy cold as well.

He didn’t dare to delay and immediately increased his speed to the extreme, as long as he rushed out of this spatial tunnel, he would have completely left the Divine Shadow Clan.

At that time, the entire Immortal Realm was so big, how could he still worry that the Divine Shadow Race could find him?

However, while the idea was good, the reality was very cruel.

As Lin Ran was thinking, a terrifying force of divine sense had already enveloped him from behind.

It instantly locked onto his position!

“Unrestrained, who the hell are you!”

Seeing that Song Nuan was indeed with Lin Ran, the owner of that divine sense was also instantly furious.

“Does it matter to you who I am?”

Lin Ran said in a cold voice, but his feet didn’t stop in the slightest!

“Lord Quan, that’s Lord Quan!”

Song Nuan next to him couldn’t help but shout.

“Move!”

Lin Ran really didn’t have any time to explain at this moment, pulling Song Nuan up and continuing to run wildly towards the front.

However, not long after, suddenly a bifurcation appeared in front of the tunnel!

The spatial tunnel, which had been going without a hitch, actually appeared to have a bifurcation at this moment.

The way forward was still unobstructed, but there was another tunnel next to it leading to nowhere.

“What’s going on here!”

Lin Ran asked busily.

“Going forward is the way to the Immortal World, no one has ever been to the bifurcation, and it’s said to be very dangerous!”

“And it looks like you can go, but there’s actually a layer of seals that only Elders and above can open!”

Hei Tian was busy explaining.

Lin Ran didn’t think much of it when he heard that, there was no extra choice at this point!

He didn’t bother to care where the other tunnel led to, so he was about to run on ahead!

But at that moment, a loud bang was heard, and the tunnel ahead of him exploded!

This explosion not only broke the tunnel back to the Immortal World, but also destroyed any hope of returning to the Immortal World!

Inside the small world, the heartless old man and the others looked on with a chill in their hearts.

None of them were stupid and knew that this plan was basically a failure!

In the land of the Divine Shadow Clan, the way out was now gone!

How else could they get out!

It was simply impossible!

“No! No!”

Lin Ran looked mad, but there was nothing else he could do at this moment!

“Suffer death!”

At that moment, an angry voice had come from behind.

At the same time, a terrifying force was coming straight at Lin Ran.

Lin Ran could feel that the other party’s strength was very strong, and was even on top of Song Nuan only.

In his current situation, there was no way he could be a match for him!

The power of the Divine Sense Origin was already dissipating, so if he fought the other party again!

I’m afraid that in an instant, his own divine sense would have to be completely extinguished!

He couldn’t do that, if he really died, then the countless cultivators within the Realm’s core would be recaptured as well!

“Go!”

At this urgent moment, Lin Ran didn’t have time to think at all.

Turning around, he rushed in towards the other spatial tunnel that had been blown open to the side.

At this moment, he couldn’t care less about where this four-way tunnel actually led!

He only wanted to avoid falling into the other party's hands!

"Hm?"

When the other side saw that Lin Ran had actually rushed into another tunnel, they too were furious.

But this tunnel seemed to be important to them, so the other party hadn't blown this tunnel up.

It was just that divine sense had been enveloping Lin Ran, always locked onto his position!

The sounds behind him were getting louder and louder, and it was obvious that someone had already chased after them.

Lin Ran didn't know what to do!

But he knew that he was afraid that he was really going to fail this time!

"You go in first!"

Lin Ran greeted as he looked towards Song Nuan.

Preparing to take her into the Boundary Heart Small World!

No matter what, he couldn't let Song Nuan fall into the other party's hands!

"Okay!"

Song Nuan instinctively agreed with Lin Ran, and her body instantly disappeared from the spot.

The fact that Song Nuan was able to enter the Boundary Heart Small World undoubtedly relaxed Lin Ran's hanging heart a little.

No matter what happened in the end, at least he had sent Song Nuan to a safe place for the time being.

As long as the Boundary Heart Small World wouldn't be destroyed, they were all safe when they were inside the Small World!

"Weng!"

Just as Lin Ran was thinking in his mind, the space around him shifted for a moment.

In the next moment, Lin Ran's entire body actually disappeared directly into the spatial tunnel.

Followed by a terrifying aura that enveloped him directly as if it was the most powerful being in heaven and earth!

This aura was even more powerful than Elder Quan's before, so powerful that Lin Ran stood still almost instantly, not daring to move a muscle!

And soon he also saw the situation around him clearly, and his entire face instantly changed!

"This is the forbidden land?"

**Wonder Doctor Chapter 2276**

It was just a barren space, with red stones everywhere.

Even the earth was red, as if it had just been burned by the flames of fire.

In some places, sparks of fire could still be clearly seen floating about, and the temperature of the entire earth was simply outrageously high.

“What exactly is in this forbidden land!”

Lin Ran couldn't help but ask.

“I don't know either, regarding the Forbidden Land, only those above the level of Elder have the right to know.”

Black Sky explained.

Lin Ran was silent at his words.

Within the entire Forbidden Land was sweetly a wreckage left behind after the flames of fire had burned.

Lin Ran stood motionless, although he could not see any creatures around him.

But he knew very well that ever since he had entered this space.

He was invisibly locked in by a powerful force.

That power was indistinct, but it caused him to feel a palpitation in his heart.

It seemed that if he dared to make a rash move, he would be completely destroyed in an instant.

“This kid has actually entered the forbidden land!”

“Hurry! Quickly notify Lord Quan!”

“Hurry up and inform!”

At this moment, the crowd coming after them from the rear also arrived here.

But they didn't dare to enter, they just stood at the exit of the tunnel, looking warily at Lin Ran below.

As Lin Ran looked at these people, he couldn't help but feel even more nervous in his heart.

This was the lair of the Divine Shadow Clan, and as a result, even the people of the Divine Shadow Clan didn't dare to enter.

One could imagine how dangerous this place really was.

Lin Ran was quite speechless at this point, he actually didn't even know what was hidden in this place.

He could only stand here and wait for death.

“Weng!”

There was a fluctuation of power around the spatial tunnel.

In an instant, an old man dressed in golden robes appeared out of thin air, and it was obvious that he was the so-called Master Quan!

“My Lord!”

Upon seeing this person, the surrounding God Shadow clansmen all bowed respectfully, appearing to be very respectful.

“Hm!”

As Lord Quan casually responded, Mu Yang also landed on Lin Ran who was in the forbidden land below.

“Who the hell are you!”

Lord Quan looked at Lin Ran with doubts in his eyes.

The Divine Shadow Clan was their lair, and historically, no one had been able to mix in.

Although many people had broken in in the past, none of them had been discovered right from the start.

After all, all the people of the Divine Shadow Clan possessed a fate pattern.

But not this time, even when Lin Ran was standing in front of him, he was still unable to see Lin Ran’s true identity.

The Fate Pattern was like an identity that hid Lin Ran’s true identity.

“Does it matter who I am?”

Lin Ran looked at the other party, his voice bland.

“It is indeed unimportant!”

Elder Quan said indifferently.

“But you were actually able to talk Angelicide into it, so it seems that you should be him!”

“You know about me?”

Lin Ran looked at the other party.

Elder Quan smiled at his words, but he laughed.

“Do you really think that our Divine Shadow Clan doesn’t know anything about the Immortal Realm at all?”

“A thousand years ago, a group of you suddenly appeared in the Immortal Realm!”

“Originally, two people died, but you ended up coming back to life!”

“And the person who travelled with you, Angelicide, was one of them!”

“To be able to bring Angelicide here despite the suppression of our Divine Shadow Clan, who else could there be but Lin Ran?”

Elder Quan looked at Lin Ran quietly, with a profound look in his eyes.

Lin Ran, for his part, was stunned at hearing this, not expecting that the Divine Shadow Clan knew so much about where he and the others had come from.

“How did you know that?”

Lin Ran looked at Elder Quan and asked indifferently.

“Haha! Kid, you’re really ruthless!”

Elder Quan suddenly laughed.

“But since you’re already dead on your feet, I don’t mind telling you!”

Elder Quan said with a hint of playfulness in his eyes!

“You have taken the Broken Karma in order to come and save Angelslayer, and I’m afraid you still don’t know now that a great war has begun throughout the Immortal World!”

“Regarding you people, the Immortal Emperor’s side has investigated very clearly!”

“But it’s a pity that you won’t be able to get out of this doppelganger of yours!”

“And the other doppelganger you left behind in the Immortal Realm will also eventually die in the Immortal Realm!”

“How do you know I can’t get out!”

Lin Ran looked at Elder Quan with bemusement in his eyes.

“Having arrived at our Divine Shadow Clan’s territory, you still want to leave?”

“Let’s not even talk about what our Divine Shadow Clan can do to you for now, just within this forbidden land, you won’t even get out!”

Elder Quan said blandly.

At the same time, he only saw his palm wave, and instantly a breath rushed directly into the forbidden land.

And the moment this breath entered within the forbidden land, the balance of breath within the entire forbidden land was actually instantly broken.

Lin Ran only felt that the terrifying aura around him became chaotic in an instant.

Countless auras were like a gust of wind and blades, heading straight for him.

It felt as if he was in the eye of a storm in a whirlwind.

“Arise!”

Lin Ran let out a roar, and instantly his breath surged outside his body.

A white barrier of aura instantly enveloped the area where he was.

Lin Ran's strength was already very strong.

But at this moment, within this forbidden land, the aura barrier he had condensed was like a piece of paper.

With just one glance, the aura barrier instantly shattered with a bang.

His entire body was instantly swept backwards and sent flying out.

At the same time, the entire person's divine sense aura weakened by a large amount next year.

"What a terrifying power!"

Lin Ran's entire eyes were filled with shock.

Elder Quan had merely disturbed the balance of power within this forbidden land, and he himself had received such a terrifying shock.

If the owner of the terrifying aura within this forbidden land was allowed to awaken.

Then, he would still be able to wipe himself out in an instant.

I was afraid that I would not even have the slightest power to fight back.

"What secrets is this place hiding?"

Lin Ran was curious in his heart.

But at this moment, there was no one to answer him at all.

"Kid, I'll give you one last way out, come out yourself!"

"I can consider not killing you!"

"Otherwise, you will be prepared to sleep for a long time within this forbidden land!"

Elder Quan's eyes were icy cold as he said.

"Asking me to be a lackey for your Divine Shadow Clan, don't even think about it!"

Lin Ran said in a cold voice, he would rather die in this place than go play lapdog for the Divine Shadow Clan.

"Haha, what a great act of righteousness, then I'll see how hardened you can be!"

Elder Quan said, his entire body fiercely flaring up, and instantly a strange fluctuation actually diffused out of thin air.

And as this strange fluctuation appeared, the space around him did not appear to be abnormal.

What made Lin Ran a little strange was that.

This attack seemed to be a divine sense fluctuation, rather than a normal divine sense attack.

"Weng!"

Just as Lin Ran's mind was wondering, suddenly a figure actually appeared next to him.

If it wasn't Song Nuan or someone else!

"Angelslayer still doesn't come over!"

Elder Quan's voice boomed as he looked at Song Nuan.

Lin Ran instantly felt his head explode.

Only to see that Song Nuan's eyes, which were still somewhat puzzled, were actually filled with calmness at this moment.

Following without looking back, she walked right towards Elder Quan's direction.

"Xiao Nuan!"

Lin Ran couldn't help but shout when he saw this.

However, Song Nuan did not pay any attention to him at all.

It seemed to have forgotten about him.

"Now do you still think that whether you die here or not has any effect on me?"

Elder Quan looked at Lin Ran with playfulness in his eyes.

### **Wonder Doctor Chapter 2277**

"Xiao Nuan!"

Lin Ran couldn't help but open his mouth and shout.

Song Nuan's forward steps gave a noticeable lurch, and the entire person turned his head to look at Lin Ran, a hint of doubt in his calm eyes.

The current consciousness of him must also be very torn.

On the one hand was the suppression of her divine consciousness by the Divine Shadow Race, and on the other was Lin Ran's call to her divine consciousness.

At this moment, her divine consciousness must also be struggling bitterly.

"Angelslayer!"

Lord Quan suddenly spoke again.

And this time, the doubt in Song Nuan's eyes was not diminished in the slightest.

And it seemed to be growing in abundance!

"Hm?"

Elder Quan's face instantly turned gloomy when he saw this.

"Seeking death!"

With a cold snort, Elder Quan instantly threw a red punch towards the forbidden land within.

And this time, the attack was clearly more powerful!

The raging aura didn't even need to greet Lin Ran at all, as soon as it entered within this forbidden land.

The entire balance of power caused by the forbidden land was broken.

The next moment, the power within the forbidden land would sweep directly towards Lin Ran.

Moreover, because this time, Elder Quan had struck with a stronger force.

So it caused the power within the forbidden land to recoil even more violently!

And at this point the difference in strength and heritage was highlighted.

Song Nuan's strength was stronger than Lin Ran's.

Moreover, she had no limitations, unlike Lin Ran, as her divine essence was constantly dissipating.

It wouldn't be able to carry on for long at all.

Once the Divine Sense Origin completely collapsed, by then his entire person would simply lose even his life.

The most direct manifestation of this situation was that Song Nuan could still barely resist the attacks of the power sweeping through this forbidden land.

Although she was shaken, at least she was able to resist.

But Lin Ran was unable to carry it at all.

The huge explosion of power almost instantly sent him flying backwards.

His divine sense also became much more illusory in an instant.

It looked as if it was about to collapse at any moment.

"Bang!"

Suddenly, just as Lin Ran's entire body felt like his divine sense was in a bit of a trance, not knowing when it would simply dissipate.

A figure was actually directly in front of him.

Lin Ran fixed his eyes and saw who else was in front of him at that moment, if not Song Nuan!

"Xiao Nuan!"

Lin Ran's eyes instantly turned red and he raised his hand to caress Song Nuan.

But the situation at this moment did not allow it at all.

The moment his palm reached out, a violent force directly swept him towards the depths of the forbidden land.

Song Nuan's entire body was also swept towards the inside.

But at that moment, Elder Quan at the entrance of the tunnel made a move.

He pulled his palm, and in an instant, Song Nuan's entire body was torn out of the forbidden land!

And when he looked at Lin Ran, his entire body had already disappeared.

Swept away directly into the darkness by the fierce wind!

"No!"

Song Nuan's eyes were bloodshot, and he couldn't stop the tears from flowing down in an instant.

Elder Quan looked at the scene with an icy gaze and did not say a single word more.

He just secretly said in his heart.

"Such a seal can't even completely cut off her past!"

"It seems that we still have to strengthen the seal when we go back!"

"Elder, what now?"

A man next to him couldn't help but ask.

"What else can we do, go back! If he has mistakenly entered the forbidden land, he wouldn't be able to get out alive even if he had nine lives!"

Elder Quan said in a cold voice.

"Yes!"

Seeing this, the men next to him did not dare to talk much, and immediately a group of people left the place.

Indeed, the danger within the Forbidden Land was extraordinary, and it was almost impossible to get out of here!

Let's not mention the raging power that permeated the entire Forbidden Land.

Not to mention the violent power that permeated the entire Forbidden Land, the divine Shadow Clan that was cooped up outside was destined to make it impossible for Lin Ran to escape!

....

Within the Forbidden Land, silence was restored.

The Boundary Heart had also transformed into the same colour as the surrounding rocks at this time, and if Lin Ran hadn't known about it in advance.

I'm afraid that he wouldn't have recognised that there was actually a Boundary Heart small world here.

"Lin Ran!"

“Brother Lin Ran!”

Within the Boundary Heart Small World, when Lin Ran reappeared, his divine sense had turned so pale that it almost wanted to turn transparent!

The heartless old man and a host of other cultivators looked at him, each with disappointment and worry in their eyes.

What they were worried about was naturally Lin Ran’s condition.

And the disappointment was undoubtedly the fact that this plan had obviously failed!

“I’m sorry everyone!”

Lin Ran looked at the Heartless Old Man and the others with apologies in his eyes.

I didn’t expect that in the end, it was still a lost cause.

“What’s the point of talking about this at this point in time!”

Even though the Heartless Old Man was thinking of going out, he couldn’t help but feel a little red in his eyes at this point.

Lin Ran had given his life as a direct cost!

“Brother Lin Ran, what exactly is your current situation, I still have it here.”

Someone next to him said busily.

However, Lin Ran’s situation was something that no one knew better than him.

“No need to bother, the power within this forbidden land is too violent, I can’t support it for much longer!”

“You won’t be able to get out either, I’m sorry!”

“Brother Lin Ran you don’t say that!”

“Yes!”

All the people were also busy saying.

“We’re already grateful that you can take us out of the dungeon!”

“Brother Lin Ran!”

“Everyone, hear me out!”

Lin Ran sighed and continued.

“The remaining power of this divine sense of mine is no longer enough to support me for too much longer!”

“If it’s alright with everyone, I’ll use the last of my power to seal the entire boundary heart!”

“If coming in has a chance!”

“I said if, once the Divine Shadow Clan returns to the Immortal Realm in the future, a great war is bound to start!”

“If the Immortal Realm side wins, everyone will still have a chance to get out!”

“If the Immortal Realm loses, at least within the heart of this realm, everyone will still be able to live on!”

“Brother Lin Ran!”

When the crowd heard Lin Ran’s words, they couldn’t help but feel a little red in their eyes.

This choice of Lin Ran’s could be said to be a direct death sentence for himself.

“Brother Lin Ran, the boundary heart is very strong, there’s absolutely no need for you to do this!”

“Yes brother Lin Ran, you don’t have to do this at all!”

“No!”

Lin Ran shook his head.

“Although Boundary Heart is powerful, this is the stronghold of the Divine Shadow Clan after all, if they find out that everyone inside the dungeon has disappeared!”

“They will definitely spare no effort in searching the place!”

To the Divine Shadow Clan, these imprisoned cultivators were also a very large fortune!

If they were just gone, the Divine Shadow Clan definitely wouldn’t rest in peace either!

“That’s it, time is running out!”

“Gentlemen! We’ll meet again later!”

Lin Ran said as his form violently dissipated.

Although everyone knew that Lin Ran still had a doppelganger in the Immortal World!

But when they saw Lin Ran like this, they couldn’t help but feel a bit moved!

But seeing Lin Ran like this, they couldn’t help but be moved!

Beyond the heart of the realm was the space of the forbidden land

At this moment, the power around it was still very frightening.

But as Lin Ran looked at the earth scorched by the flames of fire, his heart was incomparably calm!

He turned his head to look in the direction of the Divine Shadow Clan’s stronghold.

In the end, only a tear fell.

He had gone through it, only to fail in the end!

“I’m sorry, if we have the chance to meet again, I will definitely save you from getting out!”

Lin Ran whispered to himself.

At the same time the aura of his entire body collapsed in an instant.

Countless points of divine sense light transformed into a star, instantly completely enveloping the boundary heart below.

Lin Ran’s doppelganger, completely dissipated!

### **Wonder Doctor Chapter 2278**

At this moment when Lin Ran’s doppelganger dissipated.

Located in the test area within the Divine Shadow Clan, Angelicide’s eyes instantly went red.

She didn’t know what had happened, but all the same she seemed to know what had happened.

The feeling of heartache that came through cause and effect.

There was no trace of it, yet it was that feeling that was quite deep!

Tears soon flowed from Song Nuan’s eyes.

She didn’t know why she was like this!

But the emotions deep inside her could not be suppressed, that sadness she felt so deeply.

Song Nuan’s eyes soon blurred, and she was not conscious of anything at the moment.

It was only by instinct that she grabbed a tear in her hand.

When her palm loosened again, the tear had already solidified, and around it was wrapped a sunken white crystal-like substance.

The tear was firmly fixed in the middle.

Song Nuan tied this tear to her chest.

As if to remember this tear forever!

“Angelicide!”

Suddenly a voice rang out from outside.

Song Nuan got up and walked out.

“Follow me!”

Elder Quan was standing outside at this moment, and when he saw Song Nuan, he said indifferently.

Song Nuan didn’t say a word more, just followed the other party!

Soon, her mind was once again occupied by a divine sense.

And the original divine consciousness was once again suppressed!

She didn't know who she was, she only knew that she seemed really upset just now!

....

"Father!"

Inside the Chaos Clan, White Mist's eyes were red.

"I know all about it!"

Bai Qian also sighed helplessly.

Just now he too had felt a hint of inexplicable sadness, and he didn't need to think about it to know what had happened!

With strength to his level, the dissipation of Lin Ran's doppelganger was something he could feel through cause and effect!

"Father, I want to go find Lin Ran, I really will go first!"

White Mist looked at Bai Qian, with tears in his eyes.

"Silly child, the immortal world now!"

Bai Qian didn't finish his sentence and stopped himself.

Looking at Bai Mog's tears, Bai Qian, the father, was really a bit unbearable!

But Bai Qian didn't promise Bai Misty straight away, saying that he had to discuss it with her mother!

By nightfall, a wisp of Lin Ran's doppelganger left within the Chaos Clan, found Bai Qian!

"Why are you here?"

Seeing Lin Ran's diversion, Bai Qian was busy saying.

"Once the split body died, this remnant of my body won't be able to support me for much longer!"

"I've come to say goodbye!"

"Farewell? Where are you going?"

Bai Qian asked.

"Back to the Immortal World, there are too many things in this wisp that I need to pass on!"

"I can't keep waiting here!"

Lin Ran said.

"No way!"

Bai Qian, however, refused outright.

“You’re just a broken wisp, you won’t last long at all after leaving the God Transformation Pond, and I’m afraid that before you can rush back to the Immortal Realm, you’ll dissipate yourself!”

“I don’t have a choice! Or else this wisp of a doppelganger would have died for nothing!”

Lin Ran said.

The dissipation of the doppelganger was doomed, and the most important thing for him now was to tell all of the memories of the doppelganger to Lin Ran who was in the Immortal Realm.

Otherwise it could almost be said that the doppelganger’s death would be in vain!

“Ai!”

Bai Qian sighed helplessly and said.

“I’ll personally go to the Immortal Realm and take a trip, you wait for me in the Chaos Clan!”

“This...”

Lin Ran was clearly taken aback, going from the Chaos Clan to the Immortal Realm was no joke!

Even Bai Qian wouldn’t dare say it was absolutely safe!

Furthermore, the Chaos Clan was originally a hermit family.

Even Bai Qian didn’t dare to say that it would be safe!

“Who let my daughter like you, I’m afraid I owe you this in my past life!”

Bai Qian said helplessly.

“I...”

Lin Ran wanted to say something else, but Bai Qian waved his hand and said.

“Alright, no need to say more, you go back!”

“By the way, tell White Mist to stop running around!”

Bai Qian said as he went back into the room.

Bai Qian had decided to set off personally, which was undoubtedly for the best.

It just made Lin Ran’s heart feel a little bit more guilty towards the Bai family!

◦ ◦ ◦ ◦

Time passed day by day, and Bai Qian finally set off three days later!

And Lin Ran’s death didn’t seem to set off much of a ripple!

The only thing was within the Divine Shadow Clan, and later on, as all the prisoners within the dungeon disappeared were discovered.

The only thing that happened within the Divine Shadow Clan was that the dungeons were found to be empty.

The rest was really untouched.

Even the Divine Shadow Clan later accepted the fact that all the prisoners had been rescued!

But in reality, only Lin Ran knew that all those who had been captured by the Divine Shadow Clan were still in the forbidden land!

Waiting for rescue from their fellow Immortals!

....

Time passed day by day!

In the Immortal Realm, not a single person knew about the death of Lin Ran's doppelganger!

Not even Lin Ran, who was in the Immortal Realm, knew about it!

Within the Immortal Realm, a vast project was being constructed at a rapid pace.

It had even touched off the strongest of the Star Realm and the Violet Sea Realm to act as hard labourers.

And that project was the construction of a huge dueling arena in the middle of the Immortal Emperor Realm and the Beast King Realm!

There was not a single grandstand in the entire jousting arena, there was just a platform that was tens of thousands of feet high and nearly a thousand miles wide!

And it was the Immortal Emperor who ordered the construction of this arena!

Five years after the war between the Immortal Emperor's domain and the Beast King's domain broke out!

The Immortal Emperor announced an ultimatum to the world!

"I, Immortal Emperor Fulong! I hereby announce to the world that in three years' time, in the Demon Slaying Mountain Range, a pact of life and death!"

"I, alone, will fight against the Lord of the Alliance, the Beast King Zhen Yan!"

"Win, Lord of the Immortal World, lose and die!"

"The return of the Divine Shadow Clan is imminent, and the Immortal Realm must be united!"

"Do you dare to fight!"

As soon as the announcement was made, the Immortal Realm cultivators' blood instantly boiled.

Some had even decided to watch this unprecedented battle three years later.

And many cultivators of the Anti-Alliance as well as the Beast King Domain who were still hastily hostile to the Immortal Emperor.

They had also rallied their support!

It had to be said that the Immortal Emperor had made a clever move to the extreme!

He wanted to unify the Immortal Realm and confront the Divine Shadow Race!

Even if he wasn't a rival of the Divine Shadow Race in the future, with his relationship with the Divine Shadow Race and doing, it wasn't impossible to talk about it!

But if the Immortal Realm was scattered, I'm afraid he wouldn't be able to compete with the Divine Shadow Clan at all!

At that time, not to mention the Immortal Emperor's throne.

Maybe even the Immortal Realm would have to be given away!

Since we can't do it secretly, let's do it directly and openly!

Prove to the entire Immortal Realm who is truly the number one person in the Immortal Realm!

Who can lead them and guard their homeland!

This move has undoubtedly been noticed by all the powers!

It can be said that almost everyone in the Immortal World is now waiting!

Waiting for the final victory in the battle of the ages!

To lead the Immortal World and resist the Divine Shadow Race!

And this great battle can almost be said to be irreversible!

Because if anyone loses and doesn't admit it, they will become the laughing stock of the entire Immortal World!

....

Half a year after the dueling order was issued, a white light pierced through the barriers of the Immortal Realm and entered the place where the Beast King Domain was!

With terrifying speed, the white light headed straight for the heart of the Beast King's Domain, the small island in the heart of the lake!

And on the island in the heart of the lake, two guards were on guard here!

Suddenly a voice rang out in their minds.

"Tell Zhen Yan that Bai Qian is here!"

**Wonder Doctor Chapter 2279**

"Bai Qian?"

Upon hearing this name, the two guards at the entrance were both clearly stunned.

Obviously they didn't know who it was!

"Go and report!"

Bai Qian didn't bother with nonsense and gave a scolding, instantly scaring the two men into not daring to talk any more nonsense!

"Yes!"

One of his men busily answered and turned to leave.

And just a few moments later, a terrifying aura appeared.

"Brother Bai Qian, can you come over now for something?"

The voice rang out, and Zhen Yan had appeared out of thin air.

"What else, should I be allowed to talk to you here?"

Bai Qian said blandly.

"Haha! Naturally I wouldn't dare, I just don't know if Brother Bai Qian dares to enter this world of my Salamander!"

Zhen Yan laughed.

"Joke, there are still places that I, Bai Qian, wouldn't dare to go!"

Bai Qian said, glaring at Zhen Yan, and then disappeared into thin air.

Seeing this, Zhen Yan laughed and also followed him into the Little World of Fire!

....

Within the small world, Bai Qian had just entered it when he spoke up.

"Lord of the Alliance, is it fun to hide in the shadows?"

"Haha! What kind of words are these, Old Brother Bai, I'm preparing a drink for you!"

A voice rang out, followed by a figure also rushing into the sky out of thin air!

"Humph! Preparing wine for me, would you be so kind?"

Bai Qian coldly snorted, but in a whirl the three figures disappeared from the sky anyway.

A few moments later, somewhere in the courtyard below.

Bai Qian, the Lord of the Alliance and Zhen Yan were already sitting at separate tables.

At this moment, on the bar table in front of the three of them, there was a lot of fine wine.

"Come, Elder Brother Bai Qian, try some?"

Zhen Yan greeted.

Bai Qian was not polite, and immediately took a glass and drank it down.

Seeing this, Zhen Yan and the Lord of the Alliance followed suit and drank it all down!

“Old Brother Bai Qian, you’re a rare guest! What brings you to this Beast King Domain?”

Zhen Yan said with a smile.

“Yes! Could it be because of this recent dueling order from the Immortal Emperor?”

The Lord of the Alliance on the side also asked.

As a member of the Chaos Clan, it was impossible for Bai Qian to leave the Sovereign on a normal day!

Unexpectedly, he had actually come to the Immortal Realm in person now, which really made them both a little puzzled.

“Speaking of this dueling order, what are the chances of you two winning?”

Bai Qian asked.

Both Zhen Yan and the Lord of the Alliance could not help but sigh at their words.

“It’s hard, ah ah, the two of us know our own strength, there’s still a gap between us and Immortal Emperors!”

Zhen Yan said.

“And this time, this Voltron has also made the news known to the world, making people who worship him more, and his momentum has risen a lot more!”

“As you know, this Immortal Emperor position of his has a boost of qi, so I’m afraid we have little hope!”

The Lord of the Alliance also said.

“Then you guys are saying that in the future, when the Divine Shadow Clan invades, it will still be the Immortal Emperor who will have to take the lead?”

Bai Qian frowned and said.

“We don’t want to, but is there anyone else who can be stronger than him?”

Zhen Yan said helplessly.

They all knew that Immortal Emperors were no good, but it was just that they couldn’t do anything about it!

At least the Immortal Emperor was a little stronger, and if they were the ones to fight the Divine Shadow Clan then I’m afraid their chances would only get slimmer!

“Humph! I don’t want to work with him, he’s not what he seems, he’s a villain!”

Bai Qian said in a cold voice, and then drank the wine in his hand in one go!

“Alright, I won’t talk nonsense with you guys, I came here this time to find little friend Lin Ran!”

“Let him come out!”

“Looking for Lin Ran?”

Zhen Yan and the Lord of the Alliance were both stunned.

Although Lin Ran was extraordinary, they didn't think they actually knew Bai Qian.

You know, many people whose strength was close to reaching the Immortal Realm wouldn't necessarily know of Bai Qian's existence!

After all, the Divine Shadow Clan normally didn't communicate with outsiders!

“Elder brother Bai Qian actually knows little friend Lin Ran?”

Zhen Yan was shocked.

“Cut the crap, hurry up and shout, I am acquainted with his doppelganger!”

Bai Qian urged.

As soon as he heard about the doppelganger, Zhen Yan understood and immediately got up and went to find Lin Ran.

Lin Ran had a doppelganger walking in the chaos, he knew that!

At this moment, Zhen Yan was looking for him, so it must be because of the split body!

A few moments later, when Zhen Yan returned, a figure followed him over, if not Lin Ran or someone else!

“Senior Bai!”

Seeing Bai Qian, Lin Ran arched his hand and said.

“Alright, you two go aside first, Lin Ran and I have something to talk about!”

Bai Qian wasn't polite, he just started to drive people away!

“And! As if we wanted to hear it!”

Zhen Yan coldly summed up, and immediately left with the Lord of the Alliance.

Lin Ran looked at Bai Qian with some embarrassment, still unaware of what was going on.

“Kid, you're dashing around with your dao doppelganger!”

Looking at Lin Ran Bai Qian had grumbling in his eyes and said.

“Senior.... You are!”

Lin Ran was a little puzzled, how did he provoke you?

“What do you mean by me, my daughter is still crying at home!”

Bai Qian said discontentedly.

“Er.... Senior do I know your daughter?”

Lin Ran was a little embarrassed, he really didn't know White Mist.

And there were very few memories of White Mist, all he knew was that his distraction had known a girl named White Mist back in the day!

And then it was gone!

And no one had told him that Bai Qian was Bai Misty's father!

“What do you think?”

Bai Qian gave Lin Ran a blank look and didn't bother with nonsense, telling him everything he knew!

In the end, Lin Ran's entire body froze as he listened.

He didn't expect his doppelganger to have gone through so much after taking the Cause Breaking Fruit.

Many of them were even without details.

For example, the doppelganger's experiences within the base before he met Bai Qian.

As well as the experiences after entering the Divine Shadow Race.

Especially this experience after entering the Divine Shadow Clan made Lin Ran very desperate to know!

“Alright, that's all I know!”

“You'd better come with me for the rest, go within the Chaos Clan and ask your doppelganger yourself!”

Bai Qian said.

Lin Ran was busy nodding, and he now understood.

His own doppelganger had dissipated, leaving only a remnant soul still in the Chaos Clan!

And if he wanted to know this information, he would have to take a trip up to the Chaos Clan!

“Senior, how long would it probably take to go to the Chaos Clan?”

Lin Ran asked busily.

It was now almost two and a half years before the dueling days began.

He couldn't afford to delay if it was too long!

After all, if he left on his own during the great battle, he might not be able to take care of many things!

Su Rou, Luo Qiqi Qin Bing and the others could all be in the Little World of Payload at this time!

“Half a year!”

“It's only half a year for a round trip!”

Bai Qian said.

Lin Ran nodded at his words.

“That’s fine, I’ll go make the arrangements and leave!”

Lin Ran said.

This was a departure for himself after all, so at least he had to say hello to Qin Bing and the others.

Otherwise, they would be worried as well.

Moreover, there was no telling if there would be any danger on the way to the Chaos Clan this time.

After thinking about it, he decided not to bring Qin Bing and the others along.

For the current situation, at least it was safer to go to the Little World of Salve Fire!

“Hey hey! Bai Qian why did you take Lin Ran with you!”

A few moments later, when Lin Ran and Bai Qian left, Zhen Yan couldn’t help but rush out.

“Two seniors, I’m going to go to the Chaos Clan, I’ll definitely be back before the day of the duel begins!”

Lin Ran busily transmitted his voice.

Time was running out, and he couldn’t afford to go into detail.

Hearing that Lin Ran had said this, Zhen Yan and the Lord of the Alliance didn’t say anything more.

It was his freedom to go anywhere, and the two of them couldn’t say anything!

“Fine! Be careful yourself!”

Zhen Yan gave a final reminder!

### **Wonder Doctor Chapter 2280**

The journey to the Chaos Clan was a very long one.

But the good news was that Lin Ran’s heart was full of anticipation.

Although the news of the dissipation of his doppelganger made him feel helpless.

But at least the doppelganger had arrived at the Divine Shadow Race.

Just this one piece of news was very much worth it.

As long as he met his doppelganger himself, then he would be able to know exactly what his doppelganger had experienced in the Divine Shadow Clan.

This was a very important matter for Lin Ran.

Six months was not a long time to say, but not a short time either.

It was hard to say that it was also a rare break of peace in the Immortal World once these half a year had passed.

But everyone knew that in two years' time, the duel between the Immortal Emperor and the Beast King's Domain would take place.

But everyone knew that in two years' time, the battle between the Immortal Emperor and the Beast King's Domain would be a very big one.

It could be the day when the Immortal Emperor completely unifies the Immortal Realm, or it could be the day when a new king is crowned.

It all depended on the outcome two years later!

And after half a year of trekking, Lin Ran had finally arrived within the Chaos Clan.

Looking at the endless void before him, Lin Ran really couldn't figure out where the Chaos Clan was!

At least in his opinion, he hadn't found any indication of where the Chaos Clan was.

"Let's go!"

Bai Qian didn't explain, smiling blandly as he swirled and then led Lin Ran towards the front.

And until now, Lin Ran hadn't felt where the Chaos Clan was!

Unable to figure it out, he didn't bother to think about it, and immediately followed.

And just as the two stepped into the area in front of them.

Lin Ran suddenly sensed a small fluctuation of aura.

Almost instantly, the situation around them had begun to change.

First, a lot of white mist appeared, and then these white mists dissipated and countless mountains actually appeared.

Immediately after the mountains also dissipated, this time there were flames in the sky.

In the flames of the fire, countless wild beasts could be seen, roaring in anger.

A sign that the heavens and earth were about to collapse.

"These are all illusions!"

Bai Qian, who was at the side, spoke.

At this moment, Lin Ran's entire forehead was already sweating.

Such a scene was indeed a little too shocking for someone whose strength was only at the early stage of the Great Perfection realm.

One must know that this illusionary realm set up by the Chaos Clan was something that even some people at the peak of Great Perfection, or even those who had broken through the Great Perfection Mirror, would not dare to trespass!

I'm afraid that only those whose strength had reached the Immortal Realm would still dare to come and try!

“I’ve made senior laugh!”

Lin Ran said with some embarrassment.

“It’s no matter, your strength to resist these illusions is already very good!”

“But compared to your doppelganger, your strength is still a little weaker!”

Bai Qian said.

“The doppelganger walks in the chaos and has more experience than me, and after taking the Cause and Effect break, this gap has widened!”

Lin Ran, however, was very frank.

“You’re not bad for having this state of mind!”

Bai Qian laughed.

“Alright we’re here!”

As the two of them spoke, the scene around them had changed once again.

And this time, the surroundings had turned into a beautiful scene with birds and flowers.

“Little friend Lin Ran it’s been a long time!”

A beautiful woman came up to them with a woman in tow, if it wasn’t Suribachi and White Mist or who else.

“You must be Senior Suribachi, and this is Miss White Mist!”

Lin Ran said busily.

The sound of Miss White Mist caused White Mist’s eyes to instantly tear up when she heard it.

The name had a distance that made her heart ache.

But looking at the person in front of her, it was a living, breathing person.

The pain in her heart dissipated.

“Miss White Mist, did I say something wrong?”

Lin Ran said, somewhat embarrassed by the situation.

How come when he opened his mouth, this nee-san even cried!

“It’s alright, I’m just excited!”

White Mist said.

“I don’t blame you for calling me white mist girl, I’ll give you time!”

“Er...”

Lin Ran was a little embarrassed, not knowing why White Mist would say what she did!

“Alright, I’ll take him to meet the doppelganger first!”

Bai Qian spoke.

White Mist was naturally treating Lin Ran the same way as before at this point.

But Lin Ran was a different person already.

He didn’t know the memories of the doppelganger and White Mist at all.

So when he treated White Mist, there was naturally a hint of distance!

White Mist was also aware of this, which was why he had just said something like I’ll give you time!

A few moments later, in a room, Lin Ran finally saw his doppelganger.

Looking at the faint breath of his doppelganger in front of him, Lin Ran felt both familiar and unfamiliar.

Once they were one person.

But now they were two people!

“Hello!”

“Hello!”

Lin Ran and the doppelganger spoke at the same time.

Bai Qian looked on with a smile and said.

“Then you guys talk, I won’t bother you!”

After saying this, Bai Qian walked out first and even took the door with him.

Lin Ran saw this and smiled, and didn’t say anything more.

The two of them sat looking at each other.

“Begin?”

Lin Ran asked with a smile.

“Let’s begin!”

The other side nodded, and immediately the doppelganger directly dissipated away into thin air.

At the same time, a wisp of white light shot directly towards Lin Ran’s brow.

It soon disappeared into Lin Ran’s mind.

And as the doppelganger entered Lin Ran’s mind.

At once a huge wave of information began to flash through Lin Ran’s mind as quickly as if it were a movie.

One by one, without reservation, all of Lin Ran's doppelganger's subsequent experiences were passed on to him.

Lin Ran just watched in silence.

Each image was as if he was experiencing it himself!

He was at times shocked, at times despondent, and at times there was this light in his eyes.

Everything was as if he was experiencing it himself.

He was in shock, sometimes distressed, sometimes with this light in his eyes.

"Father, why can't I go with him!"

In the attic, White Mist asked with great anxiety.

"I know you are eager to leave with him this time when you see him!"

"But have you ever thought that after taking the Cause Breaker, he and the Lin Ran you know are simply two different people!"

"Although they are originally from the same root, but breaking the karma is breaking the karma!"

"Are you really just going to treat him as that?"

Bai Qian said.

"Son, you are now in a state of love where your heart is in turmoil!"

"Tell you what, mother has a proposal!"

Said Suribachi from the side!

"What proposal?"

White Mist was busy looking at his mother.

"It's simple, in the end your father is still worried about you because of the situation in the immortal world!"

"How about this, I'll give you and him with a year!"

"You can follow him during that year!"

"But when the year is up, your father will set out to bring you back!"

"Counting the journey, you will have a year and a half at most to spend together!"

"If in that year and a half, you feel he is the one you are looking for, then we are not holding you back!"

"But man at the end of a year and a half, you feel that it is not, then you have to come back with us!"

"Because by then the Immortal World will really be in chaos!"

Si Shui said.

“Yes!”

White Mist didn't think twice about it and agreed right away!

“Is that alright?”

Bai Qian was still a little worried and said.

Suribachi shook his head and said.

“Don't worry, the duel is still two years away after all, and this is the best arrangement!”

“Until the duel begins, none of the parties will make any moves!”

“These two years will instead be the safest days in the Immortal World!”

“Ai! Fine!”

Seeing that Si Shui had said so, Bai Qian could only nod his head in agreement!
