Chapter 2285: Questioning Chen Ao

In front of them, everyone bowed their heads.

There are clouds moving from all directions behind him.

With a beautiful woman in hand today, dare to ask the world, who is the hero?

Phew~ The cold wind is bitter, rolling up the wind and sand in the sky.

Mark's eyes swept across Tianhe, across the earth, across the misty lake, and across the people in the east of the river.

Although Mark didn't say a word at this time, everyone in the Quartet had already worshipped Mark's majesty.

Everyone, looking at Mark, was left with endless respect and respect.

In Mark's arms, looking at the majestic and domineering figure of his own man, there was a charming smile on his pretty face, quietly blooming.

In my heart, there is love and satisfaction for Mark.

This is her man?

This is her husband of Helen Qiu!

There was never a moment that Helen Qiu felt so happy.

In the past, she suffered countless injustices in the Qiu family.

He once complained about the injustice of heaven and others.

But now, Helen Qiu faced God in her heart, and only her gratitude remained.

She is grateful for fate, for life, for letting her know, this outstanding teenager, for making her his woman!

However, in addition to joy and excitement, in the depths of Helen Qiu's heart, that loss is also quietly growing.

Moreover, the better Mark performed, the more intense the loss in Helen Qiu's heart.

In the past, when Mark was the son-in-law of their Qiu family, maybe they were wronged, but at that time Mark was extraordinarily real.

But now, Mark has become the respect of Noifork, and even the country has to fear the three-pointer to the strongest, especially when people like Li Hongze who stand on the pinnacle of power treat him with such respect, Helen Qiu Suddenly, she discovered that her man had already stood so high.

In the past, Helen Qiu worked hard to run the Mufan Group, not because he really wanted to make money, but because he wanted to prove himself and wanted to pursue Mark with all his strength.

But now, she finally found that Mark was too dazzling, dazzling, even if she stood on her toes, she could not touch his world.

She felt more and more that she was not worthy of him, and that she couldn't keep up with Mark's footsteps.

Helen Qiu, who has always been strong, has always believed that evenly matched love is the most sustainable.

But now, Helen Qiu knew very well that the huge ability gap between herself and Mark would eventually turn her into a vase next to Mark.

However, these thoughts of Helen Qiu were only hidden in her heart, and she did not reveal them.

But if Helen Qiu didn't say it, Mark naturally didn't know.

His current gaze, after passing everyone, finally fell on Xu Ao's body.

With a cold laughter, with utter abundance, and majestic arrogance, Your Excellency Yu HaiDollar exploded: "Chen Ao, how?" "Now, you should know if it is Mark who is dead or that Lu , Xu family, bow their heads and become ministers?" Boom~ The low voice, just like thunder in nine days, exploded.

Mark asked Chen Ao the first thing after Lu Cangqiong and others left.

Before, Chen Ao betrayed him, but Mark didn't take his life immediately, but kept him.

And, gave him a promise.

That is, let Chen Ao watch it with his own eyes and watch his war with Lu and Xu. Who can have the last laugh, and who is dead?

And now, the answer has been revealed.

Mark naturally asked again!

Chapter 2286

Facing Mark's thunderous rebuke, Chen Ao's old face was pale, his whole body trembled, and finally the soles of his feet softened. This powerful and powerful man, Noifork Wang Chen Ao, just like that, under Mark's majesty, directly Spread on the ground.

He was panicked, but for a long time, he didn't say a word.

Finally, Chen Ao laughed.

His eyes were desolate, like a dying veteran.

He got up and leaned against the corner, laughing at himself.

"Yeah, Mr. Chu, you won."

"It was you who had the last laugh."

"You have proved with facts that I, Chen Ao, have eyes and no beads, I am Chen Ao who is ignorant, and I am Chen Ao, who looked down upon Mr. Chu."

Chen Ao laughed and laughed sadly, but Ericson and others were moved by listening.

However, after the laugh, Chen Ao calmly went to death: "Mr. Chu, let's do it."

"If I can die under Mr. Chu, Chen Ao will die well."

"Moreover, I have done things under a generation of Tianjiao. I, Chen Ao, died without regrets~" There was not much begging for mercy, let alone crying in fear. In the face of life and death, Chen Ao was extremely calm.

Because he had expected this scene a long time ago.

Mark values love and righteousness the most, and the person who values love and righteousness hates betrayal most.

Therefore, Chen Ao never came to think that Mark would spare him.

Now, it's just time for him to forgive sins.

"Okay."

"Chen Ao, I have allowed you to live for so long, and it's time to send you on the road."

Mark sneered, without hesitation, his arm was raised, and a hand knife was about to slash Chen Ao.

However, at this time, Ericson and others rushed forward and hugged Mark directly.

"Mr. Chu, don't do it~" "I beg you to be loyal to you before Chen Ao, let him spare his life."

Ericson couldn't bear to look at his old friend, just like Mark died. The hand of Mark was pleading for help.

"Yes, Mr. Chu."

"Chen Ao is a momentary confusion."

"He also thought that you were dead, just betrayed you."

"When you were alive, Chen Ao was also loyal to you, no difference. Heart?"

"What's more, this time the Lu family led the army to encircle Mr. Chu. Chen Ao was concerned about Mr. Chu's safety. Not far away, he rushed from Edensberg overnight to send a letter to Mr. Chu and let you leave."

"This alone also shows Chen Ao. , Are you loyal to you?" Lei Laosan also persuaded him from the side.

Soon, Wang Jiexi, as well as many other Noirfork dignitaries, all begged Mark: "Mr. Chu, please let Chen Ao live on the net!" "Please Mr. Chu, let the net open, Rao Chen Proud life~" ... In a moment, everyone here actually interceded for Chen Ao.

Although Chen Ao has become a little domineering over the years, he has rules and regulations in everything he does, and it can be regarded as benevolence and justice.

Moreover, before Mark's success, Noirfork was dominated by Chen Ao, and in everyone's hearts, the prestige was not small.

Now that Chen Ao is in danger, many people followed Ericson and Lei Lao San to plead for Chen Ao.

"Betrayal is betrayal."

“Even if he has a thousand reasons, ten thousand reasons, that still can’t change the mistake he committed.”

“Today, all of you are going to stop me, Chen Ao , I still want to kill!” Mark’s low anger continued to echo.

But Ericson and others still persuaded.

“Mr. Chu, you have to be forgiving and forgiving.”

“Mr. Chu is in charge of Noifork, should benevolence and righteousness come first?”
