## Chapter 2293

After the gangsters were taken into the car, Wang Qiang looked at Ye Bufan and said, “Captain He, who is this?” Ye Bufan said, “Oh, I am her uncle!” Seeing this guy came to take advantage of him again, He Shuangshuang gave him a fierce look.

“My car was smashed, and there are so many people waiting to deal with it. Go back by yourself!” “Yes!” Ye Bufan said, opening the car door and taking out his belongings.

He didn’t want to stay with Ye Shuangshuang for too long. If he knew that these gangsters were coming for him, maybe this woman would do something.

He carried the pots and pans in his hands and walked towards the school.

In the SUV, Xiang Yuntian looked dumbfounded. The police had indeed arrived, but they did not follow the routine. It was not Ye Bufan who had taken away, but the people he had found.

Cobra exclaimed angrily: “Xiang Yuntian, what’s going on? Why did your cousin take all of my people away?” Xiang Yuntian vaguely said, “I...I...don’t know! “I told you the surname Xiang, or today I will get my people out of the bureau, I will never finish with you...”

Cobra was talking, and He Shuangshuang turned around and looked at them. At a glance.

He can be crushed to death by flicking his fingers.

I knew this a long time ago, let alone 200,000, even if he was given 2 billion, he would not dare to take this job. After all, no matter how much money he had, he had to spend his life.

Thinking of this, he was extremely angry, and grabbed Xiang Yuntian’s neck and cursed, “The surname Xiang, you are so silly, you dare to let me do something to Miss He Jia, what the hell do you want to do?” Xiang Yuntian also saw He Shuangshuang, and struggling to push Cobra’s hand away, “Brother Snake, I don’t know. Who would have thought that Miss He’s drove the Jetta around.”

Cobra angered: “I don’t care. , Anyway, the matter this time is caused by you, you must fish out people from the bureau and give me 10 million as compensation.”

“10 million?” Although Xiang Yuntian has a lot of money in his family, But 10 million is definitely not a small number, he said, “Brother Snake, is 10 million too much?”

Cobra’s big mouth turned to his face, “Many farts, I provoke Miss He’s family, shouldn’t I spend money to settle things, this 10 million is not necessarily enough, I will kill you if I am less!” Thinking of the cobra’s viciousness, Xiang Yuntian said quickly: “Brother Snake, don’t be angry, I will give you the money, I will definitely give it.”

People like the doctor Ye Xiao will become great in the future, and our He family must befriend him. That’s good. This time he saved the old man’s life.
