

## The One and The Only Chapter 231 - 240

At this time, the Blues Club.

Zhu Jiuling and Lu Qingyun are drinking, discussing how to obtain the right to produce and

sell liver cancer vaccines from Crazy Huatuo?

Zhu Jiuling said with a smile: "According to the latest news I got,

Professor Crazy Hua

Tuojiang will come to Mannity City to visit friends tomorrow."

"I checked, Professor Jiang's medical research institution is a private research institution

and has no official background. . " "

that is no official Professor Jiang big backer, then his hand liver cancer vaccine, we are

determined to win. "

Lu Qingyun also eyes shine, excited and said:"? I wish less, how are you going to do, "

I wish Jiuling He smiled and said: "

Because the news that Professor Jiang has developed a liver cancer vaccine has not yet

been fully spread in the medical community, I plan to start with a strong one." Lu Qingyun

said excitedly: "Well, if our two families can win the liver cancer vaccine

The full authority of

the agency, then our two will be issued. It is just around the corner to become a first-class

family in China, and even a world-famous family." The

next day, Professor Hua Tuojiang, who was accompanied by only a male assistant,

appeared on time. At the exit of China Overseas Airport.

Professor Jiang came to Mannity this time for two reasons.

One reason is that he wants to come to Mannity to have an interview with Yash Nics and

plan to hand over the production and marketing rights of liver cancer vaccine to Yash Nics.

Another reason is that he is going to Mannity University to visit his granddaughter, Jiang

Rong.

Professor Jiang came to Mannity without telling Yash Nics in advance that he planned to

reunite with his granddaughter before visiting Yash Nics.

But just after he came out of the airport with his assistant, two brightly dressed young men,

with dozens of men in suits and leather shoes, blocked their way.

The two brightly-dressed men are not others. The one wearing a white Versace suit is Zhu

Jiuling, and the one wearing a black Armani suit is Lu Qingyun.

Zhu Jiuling stretched out her hand to shake hands with Professor Jiang, and said with a

smile: "Hello Professor Jiang, we have been waiting for a long time."

Professor Jiang did not shake hands with Zhu Jiuling for the first time, but asked

suspiciously: "Who are you? Could it be that Yash Nics knew that I came to Mannity and

sent you to greet me?"

Yash Nics? !

Zhu Jiuling and Lu Qingyun couldn't help but look at each other, and there was a look of

surprise in each other's eyes.

The two of them quickly understood that Yash Nics also knew that

Professor Jiang had

developed a liver cancer vaccine, and even had contact with Professor Jiang and wanted to

take the agency.

Both Zhu Jiuling and Lu Qingyun felt threatened, but they did not take Yash Nics too

seriously.

After all, both of them are one of the four pillars in the south of the Yangtze River, and their

forces are all over the south, and Yash Nics is not qualified to challenge them.

They are determined to win the liver cancer vaccine agency rights of Professor Jiang.

Zhu Jiuling said with a smile but not a smile: "Professor Jiang, we are not from Yash Nics."

Lu Qingyun also smiled and said: "Please let us introduce him. He is the youngest of the Southern Zhu family, Zhu Jiuling; I belong to the Lu family. My son, his name is Lu Qingyun."

The

Zhu family and the Lu family are still well-known in the south.

Crazy Hua Tuo Jiang Nanfeng also heard a little about these two families. He calmly said: "It turns out that it was Zhu Shao and Lu Shao. The two are really magical.

They were able to find out my itinerary and they were here to guard me. I wonder if there is any advice?"

Lu Qingyun smiled: "I dare not be a teacher. , Our two learned that Professor Jiang you have developed a liver cancer vaccine. This time I specially invited you to talk about the vaccine agent of our two companies."

The One and The Only Chapter 232

Professor Jiang frowned slightly and said, "Sorry, the vaccine agent, I already have the best candidate in my mind. I am afraid that the two will be disappointed, please go back."

Zhu Jiuling and Lu Qingyun heard the words. Surprised, Zhu Jiuling said unsurely : "The candidate you mentioned is not Yash Nics, right?" Lu Qingyun said

unconvincedly: "What is Yash Nics? The price he gave, we can also give it, and The price is higher than what he offered."

Zhu Jiuling said, "Yes, no matter what the price is. Both the Zhu family and the Lu family can accept it. Please speak up, Professor Jiang."

Professor Jiang shook his head, "It's not a question of price. The vaccine agent can only be

Yash Nics. As for why, I don't need to explain to the two of you. Goodbye."

After speaking, Professor Jiang will leave with his assistant.

The smile on Lu Qingyun's face disappeared, she became gloomy, and said coldly: "Jiang

Nanfeng, let's talk to you about cooperation with a good voice, don't be shameless!"

Jiang Nanfeng was angry when he heard the words. , But no episodes. Just snorted and wanted to leave again.

At this time, Zhu Jiuling spoke and smiled sinisterly: "Hehe, Professor Jiang, you seem to have a granddaughter studying at China Overseas University?"

Professor Jiang's footsteps suddenly stopped. He turned his head and looked at Zhu Jiuling in anger: " What do you mean by this?"

Zhu Jiuling said with a gloomy smile: "It doesn't mean anything, but an hour ago, I sent someone to China Overseas University to pick up your granddaughter. She should be waiting for you at the Blues Club now. "

Professor Jiang said angrily: "You kidnapped my granddaughter!"

Zhu Jiuling smiled and said, "Don't be so nervous, as long as you promise to go with us and cooperate with us, your granddaughter has nothing to do, and the agency you deserve Fees, a penny will not be less."

When Zhu Jiuling said this, her smile gradually became sullen: "But if you refuse to cooperate, then with the strength of our Zhu family and Lu family in the south, you can completely make your granddaughter disappear in your world from now on."

"If you are not. Where did your granddaughter go after she disappeared in your world?"

"You can imagine a harbor full of kilns with dirty black crew members, or a dark alley in a city full of prostitutes, or a poor mountainous area. In the wedding room of a 60-year-old man..."

Professor Jiang stared at Zhu Jiuling and Lu Qingyun closely, and said word by word: "You better let my granddaughter go right away. There is still room for maneuver in this matter.

.Otherwise, disaster is imminent for both of your two families."

Great disaster is imminent?

When both Zhu Jiuling and Lu Qingyun heard this, they couldn't help laughing. They had investigated the identity of Professor Jiang long ago.

It is clear that Professor Jiang has no official background and is just a grotesque medical research lunatic.

Moreover, the Zhu family and the Lu family have extraordinary status in the south. In the

entire south, no one dares to easily bring them down.

Neither Zhu Jiuling nor Lu Qingyun took Professor Jiang's words seriously.

Zhu Jiuling said

coldly: "Come here, please get in the bus, and be a guest at the Blues Club!" When

Zhu Jiuling's words fell, there were several tall bodyguards. Coming over, he said to

Professor Jiang in a bad tone: "Old man, did you get in the car obediently, or did we pull you into the car?"

Zhu Jiuling took a look at Zhu Jiuling and others, and only said one sentence: "You are

about to face a disaster!"

The One and The Only Chapter 233

Today is Monday, Song Pingting is going to work in the company, and Song Qingqing is

going to the kindergarten.

So Song Pingting could only ask Yash Nics to accompany Tong Ke to stroll around the

various scenic spots in Mannity, as a landlord.

Yash Nics reluctantly agreed, and just drove Tong Ke to the famous scenic spot in Mannity,

the ancient church of Archangel.

But before the two of them had time to go in for a tour, Yash Nics suddenly received a call

from Dian Chu.

Yash Nics's face sank after answering the phone.

Tong Ke asked in

shock : “Brother-in-law, what’s the matter?” Yash Nics calmly said: “Half an hour ago,

Professor Jiang arrived at Mannity. Someone kidnapped his granddaughter, threatened him, and forcibly took him away.”

Tong Ke Lost her voice: “What!”

Yash Nics said coldly: “Tong Ke, I am afraid I can’t accompany you to visit the attractions today.”

Tong Ke couldn’t help asking: “Brother-in-law, where are you going?”

Yash Nics said coldly: “I’ll pick up Professor Jiang back and clean up the garbage by the way.”

...

At this time!

Blues Business Club.

The magnificent business hall.

I wish Jiuling and Lu Qingyun are sitting lazily on the sofa.

Opposite them were Professor Jiang, his granddaughter Jiang Rong, and his assistant

Zhang Jinan.

There were thirty black suit men standing with their hands hanging around, and everyone

stared at Professor Jiang fiercely.

Zhu Jiuling pointed to the contract document on the desktop and sneered to Jiang Nanfeng

and said, “Professor Jiang, now you have seen your granddaughter, can you sign this contract?”

Lu Qingyun also said: “Professor Jiang, agency fees we give 10 billion, five-year re-signed a

five-year contract you get one billion agency fees, a lot of it.”

Jiangnan Feng was about to be The words of these two people laughed angrily!

his Dawning Medical Research Institute, which has only accepted Yash Nics’s secret

investment these years, and spent more than 10 billion yuan in total. It took three years to finally develop a liver cancer vaccine .

However, Zhu Jiuling and Lu Qingyun wanted to win the agency rights of liver cancer vaccines at an average price of 200 million yuan per year.

Hehe, Jiang Nanfeng doesn't know whether to say that these two people are ignorant and fearless, or whether they should say that these two people are inadequate?

He didn't even bother to bother with the two of them, but said coldly: "Sorry, I'm still the same as the previous sentence, the vaccine agent, I already have the best candidate in my heart."

Lu Qingyun said, angrily: "Old man. , Don't be shameless!"

Zhu Jiuling also played with a nail clipper, and said coldly: "Old man Jiang, do you think you are all right after seeing your granddaughter now?"

"This is Mannity, This is the south, and our Zhu family and Lu family have absolute right to talk here. Believe it or not, we can prevent your grandparents from getting out of the blues club?" Jiang Nanfeng subconsciously protected his granddaughter behind him, and said with a calm face: "Haha , You two have caught me here. It's already a disaster. Now you dare to threaten me, you are so dead and you don't know it!"

Zhu Jiuling and Lu Qingyun looked at each other and couldn't help laughing. .

Death is coming?  
Who is so capable, dare to say let them die?

Zhu Jiuling waved his hand and told the men on the scene: "Come here, old man Jiang is unwilling to sign and press his handprint on the contract, please help him!" As soon as Zhu Jiuling's words fell, there were two tall and full faces immediately. His subordinates approached Jiang Nanfeng aggressively.

Jiang Nanfeng's assistant Zhang Jinan saw these arrogant people and wanted to do something against Jiang. He couldn't help it anymore, stepped forward, stopped in front of the grandson of Jiang, righteously reprimanded: "In broad daylight, the world is bright, you What do these villains want to do? If you want to be rude to Old Jiang, I am the first to refuse!" Zhu Jiuling coldly snorted: "Presumptuously, kneel down!" "As soon as Zhu Jiuling's words fell, the two tall bodyguards attacked Zhang Jinan. Zhang Jinan was severely slapped by the two bodyguards and was beaten with blood. In the end, he was kicked in his calf and couldn't stand. Kneeling on the ground steadily. Jiang Rong couldn't help screaming when he saw it. Jiang Nanfeng's eyesight was split and angrily said, "Stop!" Zhu Jiuling said with a smile: "Old man Jiang, if you don't want your granddaughter to ask your assistant for something, then sign it obediently." " Jiangnan Feng grimace:" You never expect to succeed! " Zhu Jiuling sneered: "Really?" " He said, his eyes fell upon Jiang Rong Jiang Rong tall white T-shirt with blue jeans, wearing a pair of white shoes, ponytail, a typical female students dress up the sun, pure and moving. His mouth showing a touch of evil Laughing, said to the people on the scene: "Ms. Jiang looks good, who is interested in playing with Ms. Jiang? "In an instant, the eyes of the subordinates on the scene lit up, and some even couldn't help whistling frivolously, and replied: "Zhu Shao, we are too interested, hehe. " I wish Jiuling face beaming with satisfaction, the threat of Jiangnan Feng said:" I'll give you the last chance, you are now obediently sign the contract, otherwise, I would live to pick the

ten most strongest men, playing in front of your face Your granddaughter...”

Professor Jiang trembled with anger, but he had not had time to speak. A cold voice came from the entrance of the commercial hall: “Just say this to you, you are dead today! ”

Everyone at the scene was shocked when they heard this, and they all looked towards the door.

Then I saw the person speaking, it was Yash Nics.

The One and The Only Chapter 234

Yash Nics followed Tong Ke, Dianchu and Bahuwei behind him, striding in.

Jiang Nanfeng was very surprised when he saw Yash Nics, and said excitedly: “Yash Nics, you can count.”

Zhang Jinan, who was kneeling on the ground with blood on his face, also showed ecstasy in his eyes. He is Professor Jiang’s personal assistant and one of the few who knows. One of Yash Nics’s identity.

Seeing Yash Nics, he struggled to stand up with excitement.

Zhu Jiuling said coldly: “Who made you stand up and kneel down again, wanting to die?”

Zhang Jinan, who had been beaten up just now, had no temper, but when he saw Yash Nics coming, he became stubborn.

He wiped the blood off his face with a backhand, and said with a sneer: “Hehe, Mr. Yash has come, you are the one who is going to die.”

Zhu Jiuling opened his eyes wide: “Want to rebel? You still don’t understand the feelings. In the south, who has the final say!”

“Come here, let me scrap this kid!”

Zhu Jiuling’s voice fell, and the two bodyguards beside Zhang Jinan immediately wanted to

be ruthless again.

But at this moment, the Dian Chu beside Yash Nics burst out with incredible speed, and instantly rushed to the two bodyguards.

With a punch and kick, Dian Chu knocked the two bodyguards into the air almost at the same time.

Bang bang!

The two bodyguards who were knocked into the air fell heavily to the ground.

One face was deeply sunken and bloodstained; the other chest was deeply sunken, and it was obvious that all the chest bones were broken, and both of them fainted on the spot.

As soon as Dian Chu made a move, he severely wounded the two of them, and instantly shocked the audience.

Yash Nics brought Tong Ke and Bahuwei over without hurries, and said indifferently: "Little mayfly, dare to Hengjiang. Do you want to understand what's so arrogant as you are as weak as you?"

Lu Qingyun was frightened and angry. From the bottom of his heart, he was a little afraid of Yash Nics. After all, the arm that was broken by Yash Nics was still not healed.

Zhu Jiuling stared at Yash Nics with sinister eyes and shouted: "Wang Finglei!"

"Yes!"

A loud and powerful voice came, and then he saw a man with a height of 1.9 meters, walking in slowly.

The man was wearing only a black leather jacket on his upper body, with his chest exposed and his abdomen exposed. He could see his spurting muscles. He wore a pair of ordinary

canvas jeans on his lower body and a pair of combat boots on his feet. He is the strong one among the thousands of disciples in the Zhu family, Wang Finglei.

When Zhu Jiuling saw Wang Finglei appear, she looked at Yash Nics's gaze like a dead person.

He triumphantly commanded: "Wang Finglei, kill Yash Nics!"

"Yes, Young Master!" There was a loud bang under Wang Finglei's feet, and the marble floor was covered with cracks like spider webs.

He was like a cannonball, whizzing towards Yash Nics, with an aura like a rainbow.

Everyone at the scene exclaimed, Tong Ke and others looked at Yash Nics with worry, for fear of Yash Nics's accident.

Yash Nics said indifferently: "The glow of the firefly, let it shine too!" As he said, he had already raised his foot and took a step, raising his hand with a punch.

boom!

Yash Nics fought with Wang Finglei's fists!

Kaka Kaka... Amidst

a string of slight bone cracking, Wang Finglei's strong arm was broken into pieces.

He spouted a mouthful of blood, and his whole body flew upside down like a broken kite, smashing the coffee table to pieces with a bang, and pours it among the glass shards, only to breathe out!

Wang Finglei, killed on the spot!

I wish Jiuling's eyes protruded, her mouth opened, her face full of disbelief.

Everyone on the scene was also dumbfounded.

The One and The Only Chapter 235

Among the thousands of disciples in Zhu's family, Wang Finglei ranked in the top ten in

terms of combat effectiveness.

Since the last time Zhu Jiuling was abandoned by Yash Nics, the Zhu family has specially

arranged Wang Fenglei to be Zhu Jiuling's bodyguard.

I just want to protect Zhu Jiuling, don't let Zhu Jiuling travel any more.

What Zhu Jiuling didn't expect was that the family carefully selected them to protect his

masters.

He was killed by Yash Nics's punch!

He looked at Yash Nics in horror. The fear of being dominated by Yash Nics at the Song

family mansion last time rose again in his heart.

Lu Qingyun looked at Yash Nics in shock as well. He knew that Zhu Jiuling's personal

bodyguard would definitely not be bad. Yash Nics was able to kill with one punch. Is this too

strong?

Tong Ke also opened her eyes wide and looked at Yash Nics. In addition to shock, she was

more of ecstasy.

There was an excited thought screaming in my heart: it was him, it was him, it was him!

The heroic man who defeated dozens of punks and rescued her from the wolf den in the

blue club that day was brother-in-law Yash Nics!

The vague figure in Tong Ke's memory at this time finally overlapped with Yash Nics's

straight back.

Whether Yash Nics admits it or not, Tong Ke is 100% convinced.

The person who rescued her that day was her brother-in-law, Yash Nics.

Yash Nics shot Wang Fenglei with a punch, and walked straight towards Jiang Nanfeng,

Jiang Rong, and Zhang Jinan like no one else, and asked with concern:

"Old Jiang, are you

all right?"

Jiang Nanfeng shook his head: "I'm fine. , But they are too much."

Zhang Jinan wiped the blood stains on his face with his backhand, and echoed with

righteous indignation: “Yes, Mr. Yash, they not only used Ms. Jiang to threaten Mr. Jiang.

They said Mr. Jiang did not agree to give the vaccine. They act as agents, and they will tarnish Miss Jiang.”

“Furthermore, they also threatened not to hand over the vaccine to their agents. They would be able to

prevent us from getting out of this business club alive.” Yash Nics looked at Jiang Nanfeng,

and Jiang Nanfeng nodded: “These two boys surnamed Zhu and Lu. I really said it.”

Yash Nics’s eyes grew colder, and a murderous aura that seemed like nothing, disappeared invisibly.

The surrounding temperature seemed to drop several degrees.

“Protect Shao Zhu and Lu Gongzi!” There were about thirty men in black suits at the scene, who seemed to realize something and started to drink .

They crowded around Zhu Jiuling and Lu Qingyun in a hurry, protecting the two in groups.

Yash Nics indifferently looked at Zhu Jiuling and Lu Qingyun, who were hiding among a group of bodyguards, and said coldly: “You two naively thought that this bodyguard could save your lives?”

Zhu Jiuling and Lu Qingyun both knew about it. Over Yash Nics’s skill. In addition, they are more afraid of Dian Chu next to Yash Nics.

They knew that Dianchu was a colonel of the Northern Army. Last time, Dianchu led his troops to surround the armed forces department and relieved Yash Nics from the siege.

However, they have always believed that Dian Chu was the leader of Yash Nics, and Yash Nics was the soldier of Dian Chu.

The last time Dian Chu was a short-term guardian, he led troops to surround the Armed

Forces and help Yash Nics relieve the siege.  
But now it seems that Dian Chu seems to be Yash Nics's soldier?  
Just when Zhu Jiuling and Lu Qingyun were both panicking, a majestic  
and powerful voice  
suddenly came from outside the door: "This bodyguard can't help Zhu  
Shao and Lu Gongzi.  
What if I are added?"  
Everyone at the scene couldn't help it. Qidi looked towards the door.  
Then I saw an exceptionally burly and strong man with dozens of  
subordinates walking in  
murderously.  
This man walked cleanly and faintly with an aura of iron and iron, and he  
knew that he was  
from the army at a glance!  
What is even more shocking is that this person has a bullet scar on the  
left side of his head.  
The bullet marks started from the corner of his left eye, went to the left  
sideburn, and then  
continued straight to the left side of his head.  
This bullet mark seemed to tell everyone that he was the strong man  
who came out of the  
dead man on the battlefield.  
The person here is not someone else. Huang Jinhua, a well-known  
soldier who was once in  
the middle and lower ranks of the army.  
The One and The Only Chapter 236

Huang Jinhua was once famous in the military and became a colonel at  
the age of 35.  
For the average person, it is already a remarkable achievement.  
It's a pity that his abilities are not bad, but his private life is improper.  
Drinking, gambling, and playing with women, these three taboos, he  
does everything.  
When he was 36 years old, because of a drinking accident, he was sent  
from the front line to  
the armed forces reserve to manage the militia.  
But in less than two years, he was held accountable again because of the  
woman problem.  
This time he was directly expelled!

Although he was expelled, he stayed very close to the Lu family during his two years in the Armed Forces Department. Therefore, after he was expelled, he simply worked for the Lu family and became a subordinate of the Lu family. Lu Qingyun was overjoyed when he saw Huang Jinhua coming. He who only calls Huang Jinhua the old Huang on weekdays, he was surprised to shout at this time: "Uncle Huang, you came just right. Someone relied on being backed by the northern chief and threatened to kill me and Zhu Shao. You save us. Huang Jinhua with murderous come under a helper, while looking around the crowd scene, while Leng Heng said: "Oh, I'd like to see who is so arrogant, dare threatened to Lu Gongzi wish with little life." "I'm more Let 's see, who is the chief of the Northern Territory who is supporting him?" Lu Qingyun and Zhu Jiuling were happy when they heard Huang Jinhua's strong words. In terms of skill, Huang Jinhua was once known as the king of soldiers, and it should be more than enough to defeat Yash Nics.

In terms of strength, Huang Jinhua used to be a colonel in the Northern Territory, and his colonel was said to have been promoted by the Northern Marshal himself. Although Huang Jinhua is no longer in the army, he certainly has weight in the army. Even Dian Chu should give three points of face. Lu Qingyun and Zhu Jiuling felt that if Huang Jinhua appeared, they would be saved. If you are not sure, Yash Nics can be solved by the way. They both smiled, and they were so happy they wanted to sing. Lu Qingyun pointed at Dian Chu triumphantly, and said loudly: "Uncle Huang, it is him who

has been covering Yash Nics, you have to let him give an explanation today anyway.”

Huang Jinhua looked in the direction Lu Qingyun pointed and fell on Dian Chu body.

His eyes widened for an instant, and the unparalleled expression on his face was gone.

Instead, he was shocked and lost his voice: “Chief Guardian, it’s you!” Dianchu

said with a sneer: “Huang Jinhua, I haven’t seen him in a few years, it seems You’re better than the cows!”

If Huang Jinhua was a powerful and vicious wolf, now he has become a wagging pug in front of Dian Chu.

He smiled profusely and said: “No, no, in front of Chief Dian, how dare I?”

“Brother Dian, I think there must be a lot of misunderstandings in this matter. Can you look at my face, this one? Don’t worry about things. I’ll let the Zhu family and the Lu family give you a generous gift.”

Dian Chu said with a sneer, “Hehe, you made a big mistake back then. The militiamen. I just want to keep you a little bit. I hope you can perform well and return to the front line one day.”

“But I didn’t expect that you really can’t support the wall with mud. Get out of the team.” “Now I am still mixed with these social trash, and I want to bribe me.

Let me give you face, you are so much face!”

Huang Jinhua was sweating, and he just wanted to talk.

But Dian Chu has continued to say: “You let me give you face, but it’s not my final say today.

You can ask my master if he is willing to forgive you?”

Master, who is it?

When Huang Jinhua heard Dian Chu’s words, he couldn’t help but wonder, isn’t Dian Chu the guard captain of Marshal Yash Nics? Where did the young master come from?

Could it be the son of a young marshal?  
Impossible, the marshal is so young, where's his son?  
Huang Jinhua looked in the direction of Dian Chu with full of doubts, and then he noticed that Yash Nics was inconspicuous in the huge commercial hall. When he saw Yash Nics, he was struck by lightning, and his whole body trembled suddenly. Then he softened his knees and plopped before kneeling directly in front of Yash Nics.

The One and The Only Chapter 237

Huang Jinhua trembled and said: "Less -"

Yash Nics interrupted Huang Jinhua, and said coldly: "You are not my person, don't call me Master!"

Huang Jinhua trembled. Zhan, his voice trembled: "Yes!"

Yash Nics asked coldly: "I want to kill them two, do you have an opinion?"

Huang Jinhua leaned lower, almost crawling on the ground, he lowered his head and

trembled Said: "Don't dare, even if you want to kill me, I will immediately

judge myself , never dare to have the slightest opinion." Zhu Jiuling and Lu Qingyun opened

their eyes and stared at the scene in shock.

They didn't understand that Huang Jinhua, who was still majestic and majestic just now,

was so scared as a mouse when he saw Yash Nics?

Tong Ke also felt extremely shocked. Her heart kept beating, her pretty face flushed with

excitement, and the eyes of Yash Nics were brilliant, thinking: Too great, brother-in-law is really great.

Yash Nics turned a blind eye to Huang Jinhua, who was crawling on the ground, and looked

at Zhu Jiuling and Lu Qingyun, and said indifferently, "What else do you have to say?"

Zhu Jiuling looked at Yash Nics in horror: "You really dare to kill me, do you know our Zhu's

family? The power is all over the south.”

“Zhong Hai City Chief Feng Jiantao is a friend of our Zhu family, and the city veteran Zhou

Ruoshu is a guest of our Zhu family.”

“If you kill me, Zhong Hai will never have a foothold for you.”

Lu Qingyun is also stern. shouted: “we are one family land south four Tingzhu, black and

white business in the south political and military have friends.”

“you know, Major General Wang Fangzhong Naval District, General Wang relationship with

my grandfather a great deal.”

“you Dare to touch one of my hairs, and don’t even think of a good end.”

Dian Chu , Bahuwei, Professor Jiang and others couldn’t help showing mysterious smiles

when they heard the clamor of these two gangsters.

Even Huang Jinhua, who was crawling on the ground, wanted to jump up and cover Zhu

Jiuling’s and Lu Qingyun’s mouths so that they would stop talking.

You two really don’t know anything about the power of this character in front of you!

Yash Nics looked at Zhu Jiuling and Lu Qingyun, and the corners of his mouth rose slightly:

“I don’t know yet, you wish so many friends and patrons from the Lu family!” When both

Zhu Jiuling and Lu Qingyun heard Yash Nics’s words, they were a little startled and didn’t

quite understand. What does Yash Nics mean?

Yash Nics took out a seemingly ordinary rugged mobile phone, threw it in front of Zhu

Jiuling and Lu Qingyun, and said indifferently: “Call, call all those friends and backers you mentioned!”

Zhu Jiuling He was completely dumbfounded with Lu Qingyun.

Yash Nics asked them to call their friends and patrons over, why?

Ning see the two of them did not pick up the phone call, turned to Dian Chu said:. “! They

two do not fight, you call the king side, if the tree with Feng Jiantao Zhou et al., Gave me

called”

Dian Chu Chen Sheng Road “Yes!”

Dian Chu made only one phone call, and within ten minutes, there were soldiers in the brigade, and the blues business club was surrounded by water.

Then, about forty years old, the tall head of the national character face, with his soldiers and a few leaders, walked in quickly.

The head of this national character face is the king!

The leaders behind Wang Daofang were suddenly Zhou Ruoshu, Feng Jiantao and others.

Zhu Jiuling lost his voice: “Zhou

Shizun , Feng Shizheng !” Lu Qingyun also exclaimed: “Head Wang!”

Whether it was Wang Daofang in a uniform, Zhou Ruoshu and Feng Jiantao in black jackets,

they turned a blind eye to Zhu Jiuling.

Instead, they walked quickly to Yash Nics, saluted together, and said respectfully: “Mr.

Yash!”

Everyone at the scene saw the respectful attitude of Wang Daofang and others, and was deeply shocked again.

Zhou Ruoshu and Feng Jiantao are already the most powerful two in Mannity city. They are

so respectful to Yash Nics, which makes people feel incredible.

And Wang Daofang is even more extraordinary, an army leader who sits on one side.

When Zhu Jiuling and Lu Qingyun saw Wang Daofang’s awe of Yash Nics, their faces were ashamed and desperate.

They finally realized that they had kicked the steel plate this time.

Yash Nics calmly talked to Wang Daofang about the reason for calling them over.

When Wang Daofang heard the words, he said in a deep voice: “Kill the chicken with a

sledgehammer, this kind of louse, Mr. He Xuchen, you can do it yourself, and your

subordinates can do it for you!” After

Wang Daofang finished speaking, he waved his hand and ordered the soldiers behind him. :

“Come here, take Zhu Jiuling and Lu Qingyun down and shoot them on the spot!”

The One and The Only Chapter 238

As Wang Daofang’s voice fell, Zhu Jiuling and Lu Qingyun were soon picked out by the soldiers from the crowd.

Two bangs! Gunshots!

Lu Qingyun and Zhu Jiuling were killed on the spot and fell in a pool of blood.

After the soldiers shot Zhu Jiuling with Lu Qingyun, they said to Wang Daofang: “Report to the chief and the execution is complete.”

Wang Daofang said coldly: “Send the bodies of the two people to the Zhu’s and Lu’s respectively, in order to emulate you.”

Zhou Ruoshu couldn’t help but said at this time: “Head Wang, Zhu Jiuling and Lu Qingyun are both off the court today. It can be said that the blame is on their own.”

“However, I think that sending their bodies back should be done by someone else, Wan. The Yizhu family and the Lu family are making a big mess ...” Wang Daofang said coldly, “Hehe, I haven’t put the Zhu family and the Lu family in my eyes. They dared to offend Mr. Yash, and I didn’t smooth the two of them together. It’s already considered good.”

Zhou Ruoshu said: “Head Wang, we know that the Zhu family and the Lu family are nothing in the eyes of you and Mr. Yash.”

“Just let the Zhu family and the Lu family make a big deal and spread it out. Affect your reputation as Chief Wang.”

Wang

Daofang coldly snorted, “What is my little reputation to defend Mr. Yash’s majesty?” Zhou

Ruoshu and Feng Jiantao both looked helpless and turned to look at Yash Nics.

Yash Nics smiled. He knew that Zhou Ruoshu and Feng Jiantao felt that Wang Daofang's identity was too sensitive.

If this matter spreads, I am afraid it will cause an uproar, so Zhou Ruoshu and Feng Jiantao both want to suggest a low-key handling.

Yash Nics patted Wang Daofang on the shoulder and said with a smile: "Pharaoh, just leave this small matter to the people below. Why do you need to do it yourself?"

Yash Nics also didn't want Wang Daofang to speak, and turned around and ordered Dian

Chu: "You inform Dong Tianbao to come over and ask Dong Tianbao to return the bodies of the two to Zhu's and Lu's, in order to behave like you."

"At the same time, tell the Zhu family that the deadline for me to order them to retire is only one week left."

Dian Chu: "Yes!"

Yash Nics looked at the bodyguards of Zhu Jiuling and Lu Qingyun at the scene, and

ordered Wang Daofang: "These The accomplices will be taken away by you. Arrange a good place for them to rehabilitate for a few years."

Wang Daofang saluted: "Yes!"

...

Soon, the bodies of Zhu Jiuling and Lu Qingyun were sent by Dong Tianbao. Sent back to

Zhu's and Lu's in the provincial capital respectively.

The Zhu family and the Lu family were killed in Mannity at the same time.

When the news came out, Tianhai Provincial City was directly fried.

Everyone has only heard that Zhu Jiuling and Lu Qingyun, in order to compete with Yash

Nics for the agency of liver cancer vaccine, were finally killed by Yash Nics.

But everyone has heard the rumors, the specific real situation, because China Shipping strictly blocked the news, so few people know.

Zhu's home, mansion, study.

The old man of the Zhu family wished bitter meditation, firmly squeezing a string of beads

bracelet in his hand, his face was hideous.

His two sons, Zhu Fenghua, the eldest son, and Zhu Chengyang, the second son, stood

before him with their heads down.

Zhu Kuchan's voice was full of hatred: "Yash Nics killed my grandson and threatened that

we wish the family to retire completely within seven days?"

Zhu Chengyang lowered his head: "Yes!"

Zhu Kuchan was too angry, His chest undulated violently. He took a deep breath and asked,

"The son of the Lu family was also killed by Yash Nics. What is the reaction of the Lu family now?"

Zhu Chengyang said, "The Lu family has not moved yet."

Zhu Fenghua was grieved and angry. Said: "Dad, the Lu family always likes to make

decisions. But does it take so much effort to deal with a small Yash Nics?"

"Let's stop waiting for them, let's just do it. Kill Yash Nics's family and give Jiuling the coffin bottom."

Zhu Kuchan was silent when he heard the words, but he quickly turned the Buddha beads in

his hands, turning faster and faster. The look in his eyes became more and more fierce.

Snapped!

Zhu Kuchan patted the Buddhist bead bracelet on the table, stood up, and said in a

deep voice : "Send me an order, call my disciples. From all over the world, eight thousand

disciples. Gather in Mannity and kill Yash Nics!" Zhu Fenghua and Zhu Chengyang both Get

excited and shout loudly: "Send orders, call disciples, and eight thousand heroes gather in Mannity!"

The One and The Only Chapter 239

Yash Nics rescued Professor Jiang from the Blues Business Club, he planned to invite

Professor Jiang to his home as a guest.

But Professor Jiang came to Mannity this time, in addition to planning to hand over the liver

cancer vaccine to Yash Nics's agent, there is another important reason, that is, to reunite

with his granddaughter Jiang Rong.

Professor Jiang, nicknamed Crazy Hua Tuo, has always been fascinated by medical

research.

He studied cancer for decades and finally achieved great success.

However, in the past few decades, he has rarely accompanied his family, and even the death

of his son and his wife, he has not been able to come back in time to deal with it.

For his only remaining relative, granddaughter Jiang Rong.

He only pays living expenses on time on weekdays, and rarely has time to reunite together.

His granddaughter is also relatively distant from him.

Therefore, he came to Mannity to meet with his granddaughter this time and wanted to

spend more time with his relatives, so he did not go to Yash Nics's house as a guest, and

refused to live in Yash Nics's house.

Yash Nics did not force him, and ordered Dianchu to escort Professor Jiang back to his

residence, and asked Dianchu to send someone to protect him.

Yash Nics and Tong Ke, still driving the old Volkswagen polo, returned to the Jiangbin

Garden District.

On the way, Tong Ke has been looking at Yash Nics with admiration.

The excitement is like seeing a little fan of an idol.

She couldn't help asking: "Brother-in-law, who are you?"

Yash Nics said indifferently: "I am Yash Nics, it's your brother-in-law, who else can I be?"

Tong Ke: "I mean, are you paying me back?" There are other secrets kept from us? Why are

the city lord and General Wang so respectful when they see you?"

Yash Nics said calmly, "When I was a soldier in the army, I saved General Wang's life. He

always looked at me. Be a benefactor and take good care of me."

"As for the leaders of Shizun and their gang, they are so polite to me because of General

Wang's face."

Tong Ke was dubious when he heard Yash Nics's words.

She suspected that Yash Nics was a big man just now!

But now Yash Nics's explanation is reasonable and has no flaws at all.

She can only believe it temporarily.

However, she immediately asked another question that she was more concerned about:

"Brother-in-law, the person who saved me last time at the Blue Club, was it you?"

Yash Nics concentrated on driving and replied in a calm voice: "No!"

Tong Ke was speechless, after all these days of observation and her intuition, she told her

that Yash Nics was the hero man who saved her that day.

It's a pity that Yash Nics doesn't admit it.

She snorted, "Brother-in-law, don't you admit it, I will definitely find evidence that will make

you

indefensible ." Yash Nics was a little bit dumbfounded, and criticized in an angry tone: "First

of all, I repeat, I didn't save you."

"Secondly, I want to say that the man who saved you didn't leave his name and contact

information, which means that he is doing nothing at his fingertips."

"Maybe they already have a wife and children, so don't bother to find him. "

Tong Ke still wanted to argue with Yash Nics after hearing this, but at this time he had already arrived home.

Yash Nics parked the car, got off the car, and commanded: "By the way, what happened at the Blues Club today, don't tell your cousins and them, I don't want them to worry."

The things at the Blues Club today are indeed too much. Shocked. And it's dead!

Tong Ke also understood that Yash Nics didn't want to tell Song Pingting's family about this kind of thing, so as not to worry everyone.

She nodded and said, "Okay, this is my brother-in-law's secret, I will definitely not tell it."

Yash Nics frowned again, and the secret to her brother-in-law was a bit weird no matter how you heard it.

The One and The Only Chapter 240 returned home, it happened to be dinner time.

Song Pingting's family is already waiting for Yash Nics and Tong Ke to come back for dinner.

Song Pingting greeted Yash Nics and personally took off his suit and jacket for Yash Nics,

and whispered softly, "Why did you come back until this time?"

Yash Nics laughed and said, "At noon, we suddenly learned that Professor Jiang had arrived in Mannity, so we hurried. I went to pick up Professor Jiang for a long time."

Song Pingting asked in surprise, "Is that Professor Jiang from Tong Ke's research institute?"

Yash Nics nodded, "Yes, are we not planning to set up a pharmaceutical company recently?"

He intends to obtain the agency rights of liver cancer vaccine from Professor Jiang. He

came to Mannity this time and took the opportunity to discuss the matter."

Song Pingting was shocked and said, "We can really get it from Professor Jiang. Agency

right? I'm worried that our company's strength is insufficient, and there is not so much

money to buy the agency right..."

Yash Nics laughed and said, "It's human efforts, and success or failure. I will accompany

you to see Professor Jiang in person in two days and sit down to talk.

had to know. " "

As for the money well, we only have the hands of a good project, are willing to invest a lot of

CEOs do not have to worry too much about the question of money. "

Song Ping Ting suffered encouragement, she nodded and said:" ah, I have two days Get all

the materials ready, and then we will visit Professor Jiang together and try hard!"

If it was before, Tong Ke would have mocked Yash Nics for daydreaming.

But now, Tong Ke is standing by, looking at Song Pingting with envy.

I thought: Brother-in-law also spoils his cousin too much, right?

Obviously he was able to win the agency right himself, but he just wanted to pretend to

accompany his cousin to compete for the agency right, and let the cousin get the agency

right in person.

This is the so-called overwhelming spoiled wife, right?

...

The news that Professor Jiang Nanfeng appeared in Mannity the next day was quickly

spread.

Many CEOs of pharmaceutical groups rushed in after hearing the wind, all wanted to visit

Professor Jiang, and wanted to win the agency rights of liver cancer vaccines.

However, Professor Jiang's temporary residence had long been protected by a team of

soldiers day and night.

Those who came to visit were all shot back by the soldiers.

Although everyone was unsuccessful in asking to see Professor Jiang, Professor Jiang did not leave everyone in the cold. Professor Jiang announced that tomorrow night he will be walking around the Cloud Restaurant and holding a cocktail party to entertain the CEOs and representatives of the pharmaceutical group. At the same time, it will be announced at the reception who will become the agent of the liver cancer vaccine. There are only two hundred invitations to the reception. Professor Jiang's assistant Zhang Jinan is responsible for who is eligible to receive the invitations. Song Pingting received the news and immediately submitted an application for the qualifications to participate in the cocktail party on the Internet as the president of Ningda Group. But until I got off work in the afternoon, I didn't get any response, and I didn't receive the invitation letter for the reception. Song Pingting sighed. It is estimated that in the eyes of Professor Jiang, Ningda Group does not even have the qualifications to participate in the cocktail party, nor even the qualifications to compete for agency rights. It seems that this time she and Yash Nics want to win the agency rights of the liver cancer vaccine, and they are completely cold. Frustrated, she came out of the company building, ready to go home. She was on the street waiting for Yash Nics to pick her up, when suddenly a black Bentley stopped in front of her.

The back-seat window of the Bentley was dropped, and inside was a man in his thirties who looked somewhat similar to Li Shuixian.

It is Li Shuixian's brother, Li Shuilin, the new president of Jiahe Pharmaceutical Group.
