

# Chapter 2311– 2312 of A Dish Best Served Cold Novel

## Chapter 2311

Boom~ The words in my ear sound like thunder echoing.

Words are like swords, and every sentence is like sword.

Abe Zhongnan and Miyamoto Hiroshi and two of them trembled.

The old face was pale, and his whole body was shaking.

“Dragon... Dragon Lord?” “Brian Chu’s order of...?” “Could it be that Brian Chu, he...he, didn’t...not dead?” Hearing these words, Abe Zhongnan only felt Thunder exploded from my heart, and inside my heart, there was even more terrible waves.

Before, he thought that it was Brian Chu’s master or a family member of his father’s clan, who would avenge him in Japan.

But now it seems that he was wrong.

He was so wrong.

How could Brian Chu’s relatives avenge him, but that Brian Chu sent his subordinates to avenge himself!

What makes Abe Zhongnan and Nakai Hiroichi more terrifying is that this Brian Chu not only has the strength to reach the sky, but also ranks among the best, and even his subordinates are able to resist the three armies, with ten thousand enemies.

Nakai Hiroichi and the others can’t imagine, what kind of monstrous power is behind Brian Chu?

“The dragon lord has the posture of the dragon and the tiger leaping, and has the power to master the wind and clouds!” “You are the highest god in Japan, and you have no ability to kill my dragon lord.”

“A few planes, a few artillery, and a few pigs. Dog and ant, also want to kill my dragon lord?” “I can only say that you have eyes and no beads, and you don’t know the power of my dragon lord.”

“Then Sato and the first division have been reduced to ashes. Now, it is your turn. “In the dark night, the dark shadow shook his head and said, and in the sneer, the awe-inspiring killing intent became more and more intense.

Abe Zhongnan and others were undoubtedly more panicked, and immediately knelt down and begged for mercy.

“Your Excellency, please... forgive me~” “We were forced to do what happened at the beginning.”

“It is the people of Sato and Truman who persecute us.”

“If we don’t say it, they will kill us.”

“In desperation, we just told about Mr. Chu’s whereabouts~” “We really don’t have any intentions to harm Mr. Chu.”

.....

“Yes, Mr. Chu has the power to do things in the world, it is the legend of the world!” “If I were not forced by others, I would be killed if I were to be killed, and I would definitely not dare to disclose Mr. Chu’s whereabouts~” Nakai Hongyi and the two knelt down and begged for mercy, worshipping again and again.

After learning that the more than 8,000 people in the first division were really killed by the two people in front of them, Hiroichi Nakai and the others were shocked.

The whole person was almost scared to death!

The look of fear and fear, just like a pig dog.

However, in the face of their panic and begging for mercy, the figure in front of them was unmoved.

The cold voice continued to sound.

“You are only afraid. If you don’t say it, the people of Truman will kill you. Are you not afraid that after you say it, the Dragon Lord will kill you?” “I...I...”

These few words, but they are Nakai Hiroshi, who only asked, were speechless, with eyes full of panic, their mouths wide open, and they couldn’t say a word for a long time?

“Okay, that’s it.”

“Longchuan, these two, leave it to you.”

Under the dark night, the figure beckoned.

After that, Longchuan Wang Longbaichuan, who had been standing behind him respectfully, nodded.

Immediately, his eyebrows were cold, and he pointed into a knife, and cut down in anger!

Wow~ Two red blood lines, immediately splashed into the sky!

Nakai Hiroichi and Miyamoto Zhongnan, but before they even had time to scream, they were blocked by Long Baichuan with one finger.

“These few words, but the only questioning Nakai Hiroshi one and two were speechless, full of panic, with their mouths wide open, and they couldn’t say a word for a long time?”  
“Alright, that’s it.”

“Longchuan, these two people, leave it to you.”

“Under the dark night, the figure beckoned. Then, the Longchuan King Long Baichuan who had been standing behind him respectfully nodded. Immediately, his brows were cold, and he pointed to a knife, and slashed down! Wow~ Two lines of red blood splattered the sky immediately! Nakai Hiroichi and Miyamoto Zhongnan, but before they even had time to scream, they were blocked by Long Baichuan with one finger.

## Chapter 2312

However, Nakai Hiroichi was also a strong man comparable to a grandmaster, and even if he was sealed by Long Baichuan, he did not die immediately.

Instead, he clutched his throat, struggling there.

Seeing this, the black figure walked up and stepped down.

In the sound of bones breaking, the person in front of him directly crushed Nakai Hiroichi’s chest.

After solving Abe Zhongnan and Nakai Hiroichi, Long Baichuan and the others also turned and left.

Soon, it disappeared into the night.

What came abruptly, but also left suddenly.

Only behind him, there was a silent death.

The next day, the killing of the Abe Patriarch before his house was like a hurricane, which swept through the entire winter capital.

The death of Abe Zhongnan had caused the shock to the entire Winter Capital, and it was not in the slightest weak that the entire army of the First Division was destroyed.

After all, the Abe family is second to none in Japan.

It was the commander, Sato, who met Abe Zhongnan, and he was treated with courtesy.

What's more, Abe Zhongnan has been in business for many years and declared that it is far-reaching. In the Japanese secular world, Abe Zhongnan is far more famous than Sato.

Now, it is such a powerful and powerful figure who stands on the top of Japan's power, but it is bizarre to die.

What is even more frightening and trembling is that the place where Abe Zhongnan died was his doorstep.

Before the house, blatantly attacked.

This also shows the arrogance of the mob.

In just a few days, the Japanese military and secular circles successively happened such big cases, which can be said to have caused a great sensation in the country.

The Japanese lord, Thunder, was furious and ordered a thorough investigation of the matter as soon as possible, and the mob must be brought to justice as soon as possible.

In addition, the departure port was blocked on the same day, and various forces were used to trace the real culprit.

For a time, the wind in Japan was violent and people were panicked.

Of course, this matter has not only caused a huge wave in the secular world, but also the Japanese martial arts community has also noticed.

In particular, the destruction of the entire army of the First Division overnight attracted the attention of Japanese martial artists.

Sword God Palace.

Several people were sitting in the hall.

The person in the upper seat is surprisingly the Japanese sword god, Wangyuehe, who had some connections with Mark before.

And the man next to Mochizuki River, with only one stubborn arm left, sat there peacefully, with a bit of majesty between his brows and eyes.

This person is the second palace master of the Sword God Palace, who was beheaded by Mark back then, Ishiye Ryuichi.

In addition to these two people, there are also several old men who are highly respected in the Japanese martial arts world.

At this time, these people were all talking about the tragedy of the destruction of the First Division and the death of Abe Zhongnan.

..... “Able to kill eight thousand soldiers silently in just one night.”

“Except for the titled master, there is no one else!” “Moreover, except for the massacre of the First Division. In addition, the death of the Abe Patriarch is also very likely to be the work of a martial artist.”

“After all, his righteous brother Nakai Hiroichi. As far as I know, he is also a martial artist, at least in the realm of a master.”

“But, yes. Such a powerful person was actually sealed with a sword.”

“It can also be seen that the people who killed Abe Zhongnan are also powerful martial arts.”

“Moreover, it is very likely that they are the same as the murderer who destroyed the first division. People.”

“Sword God, I suggest, immediately use my Japanese martial arts power to thoroughly investigate this time, and capture the real perpetrator.”

“Focus on the investigation. People from other countries who enter Japan in the short term.”

“Moreover, it is best to know. We will meet the Sanshen Pavilion and seek the help of the Moon Reading God and others.”
