

Noble Husband At the Door Chapter 232

In the space, Tian Changsheng looked up and down at Samuel. The even more he considered him, the much more satisfied he was. He was just the excellent prospect for his grandson-in-law. Sadly, such a person had married into the Sue family members.

The look in Tian Changsheng's eyes made Samuel get goose bumps. He said fast, "Why are you gazing at me?"

" You bastard, what nonsense are you spouting? How can this old man have any kind of thoughts on you?" Tian Changsheng glared at Samuel.

" Hey, hi, hey, can you respect Master a little? Is this the mindset of you talking to your master?" Samuel put his hands on his hips and looked at Tian Changsheng with a happy face. He did not fail to remember the Pupil Strategy.

Tian Changsheng was stunned, and his old face turned slightly red.

" You are the head of the Heavenly Household, the leading person in Cloud City. The saliva on the ground doesn't taste good," Samuel reminded him with a smile.

The expression on Tian Changsheng's face was exceptionally terrific, packed with uncertainty, as well as it was almost twisted with each other.

" Do you desire me to give you tea at an old age?" Tian Changsheng stated discontentedly.

" You don't require to do that, however you have to remember that I'm your master," Samuel said. The tea was too excessive for him to do. He didn't want to be struck by lightning since Tian Changsheng was an older.

" At least you're practical, youngster. It's possible for me to call you master, however you have to promise me something," claimed Tian Changsheng.

" You're my excellent adherent. Samuel claimed with a wry smile.

Samuel was the initial person in Cloud City who can talk to Tian Changsheng in such a way and also even quit him from getting angry.

" You need to flaunt. When I discover your weak point, I'll teach you a lesson," Tian Changsheng threatened.

At this time, Tian Ling' er went to the area. If her daddy had not asked her to follow him to delight the guests, Tian Ling' emergency room would certainly never ever miss out on the suit between Samuel as well as Wang Mao.

" Exactly how did it go? Did you win? I saw Grandfather Wang leave and also he remained in a bad mood." Tian Ling' emergency room asked Samuel expectantly.

" I really did not win, however I really did not shed either," Samuel claimed.

" Draw? It's also very effective. Grandfather Wang is the leading gamer in the field of chess in Cloud City. I really did not anticipate you to be on a connection with him." Tian Ling' er claimed with a smile.

" This big shot has currently been stepped on by Samuel." Tian Changsheng said with a smile. It had nothing to do with him, yet he was in a good mood and felt happy.

" What do you suggest?" Tian Ling' er took a look at Tian Changsheng in confusion.

" If Xie Fei had not deliberately destroyed the game, your Grandfather Wang would have shed for sure." Tian Changsheng pointed to the spread chess pieces on the ground and said.

Tian Ling' er opened her eyes wide and also considered Samuel in shock.

She originally believed that it would certainly be better if Samuel can not shed badly. When she saw Wang Mao's appearance when he left, she believed that Samuel could have revealed a toughness that made Wang Mao consider her with brand-new eyes. She never fantasized that Samuel was able to beat Wang Mao.

That was the president of the Go Organization. He was the most effective individual in the circle of Enter Cloud City!

" Actually ... Actually?" Tian Ling' er's eyes almost befalled.

" Boy, you're too moderate. You're being hypocritical." Tian Changsheng said with a smile.

Samuel shrugged his shoulders helplessly and stated, "If you offer him another 10 chances, he will certainly shed as well. This is not moderate."

Tian Changsheng really did not know whether to laugh or cry. If these words were listened to by Wang Mao, he would suffer a great deal.

Tian Ling'er was like a fan girl who had seen her idolizer. Her eyes were peach-blossom-shaped and also her heart was fluttering.

In Tian Ling'er's eyes, Samuel was almost perfect. The only drawback was that he was married.

But it didn't matter. They can obtain separated also if they obtained wed.

"Samuel, when are you obtaining divorced?" Tian Ling'er blurted out.
