

# Chapter 2321– 2322 of A Dish Best Served Cold Novel

## Chapter 2321 Poetry Moves Beauty's Heart

“The dragon lord also said that he has a lot of affairs now and can't get away. When I have time in the future, I will come to Japan to visit you.”

The black man saw that the moon reading god looks like this, knowing that there is a play, he quickly told her Mark's words.

But when I heard Haruhi Yingyue here, on the pretty face, it was hard to hide the feeling of joy and joy.

One is that I am happy that Mark is still alive, and the other is because, the original master is still thinking about her?

Especially when she heard that Mark was going to visit her in the future, Haruhi Yingyue was even more moved, and her beautiful eyes were already red while her mouth was smiling.

Since childhood, Haruhi Yingyue has been neglected and ignored by her relatives and tribesmen.

It can be said that she has never felt the care of her relatives, let alone the care of others.

But now, her master, although far away by thousands of rivers and mountains, still misses her and cares about her.

This naturally made Haruhi Yingyue extremely moved, and only felt a warm current flowing slowly in her heart.

Is this the feeling of being cared for?

Really, it makes people happy.

Haruhi Yingyue was full of joy, and then asked again expectantly: “Anything else?” “My master, do you have anything else to say?” Haruhi Yingyue seemed to have not heard enough, but asked again.

“This...”

The black-clothed man slackened slightly, then his expression turned, and then he smiled: “Yes, there is another poem. The Dragon Lord asked me to send you the Moon God.”

“What poem? Say it quickly.”

Hearing Mark sending poems to herself, Haruong Yingyue was undoubtedly happier, but she couldn't wait to ask.

The black-clothed man cleared his throat and immediately said, “The Moon God, please listen carefully.”

After a short pause, the black-clothed man chanted in an affectionate tone, full of endless emotions.

“Xianyun is a coincidence, the flying stars pass the hate~” “The silver man flies in the dark~” .... Just the first sentence, Haruhi Yingyue was stunned.

The Mochizuki River and Ishiyelong who were on the side were also surprised.

I just feel that an aesthetic mood, with this moving verse, slowly unfolds in front of my eyes.

“This..

This beautiful poem~” Mochizuki River whispered in his heart. At this time, there was a breeze here suddenly. Like a lover's soothing, the green leaves were blowing and rustling. The Bibo Lake in the distance also made waves of ripples. The horizon At the end, there was a pair of chaffinch flying by with wings. It was also at this moment that the black-clothed man suddenly raised his head, his deep eyes fell on the stunning beauty in front of him, and his affectionate and touching words continued to sound. When Yulu meets, it wins and wins countless people.

“Om~ At that moment, Haruhi Yingyue just seemed to have been hit by something, her pretty face immediately became panicked, and her brows and eyes were filled with inexplicable affection and touch. There was even more unspeakable feeling in her heart. His joy is slowly brewing. However, it is not over yet. The verse continues. “Tenderness is like water, good times are like dreams, bear with the magpie bridge and return home.

“If the two loves last for a long time, how can they be there?”

“Boom~ It's like being struck by thunder. At the moment this poem was finished, Haruhi Yingyue was completely lost. The whole person was hit by this poem. Her delicate body trembled slightly, her brows and eyes flushed, and her heart It was full of strong touch and joy. Long Baichuan and the others vaguely saw that the beautiful woman in front of her brows and eyes flashed with that moving crystal. It was so beautiful! Haruhi Yingyue had never heard of such a moving verse.

At the moment when this poem was finished, Haruhi Yingyue was completely lost.

The whole person was hit hard by this verse.

The Jiao body trembled slightly, his eyebrows were flushed, and his heart was full of strong touch and joy.

Long Baichuan and the others vaguely saw that the beautiful woman in front of her brows and eyes flashed with that moving crystal.

So beautiful!

Haruhi Yingyue has never heard of such a moving verse.

At the moment when this poem was finished, Haruhi Yingyue was completely lost.

The whole person was hit hard by this verse.

So beautiful!

Haruhi Yingyue has never heard of such a moving verse.

## Chapter 2322

Although there are only a few sentences, they are like a thousand words.

Even though they are thousands of miles away, Haruhi Yingyue can still feel the protection and attachment of the young man to her through this poem.

“When the golden wind and jade dew meet, there are...there are countless wins in the world~” .... Liang Gong Yingyue kept repeating, reading it over and over again, and the words were full of joy.

“Master, thank you~” “Thank you for your poems to Yue’er, and thank you for your friendship with Yue’er...”

“Under the sky, Haruhi Yingyue smiled with tears. Although, this poem is an ancient poem of Vietnam. However, through the poem to express emotions, how can Haruying Yingyue fail to hear what this poem contains? Strong friendship. At that moment of Liang Palace Yingyue, there was joy and panic in my heart. Fortunately, the master’s deep

friendship with her. What was terrified was that her Lianggong Yingyue, how could He De, can bear the master's This feeling? "Pavilion Lord Moon God, this is what the Dragon Lord asked me to convey to you before I came.

"If it weren't for the dragon lord, I think the dragon lord will come to Japan to see you in person."

When Haruhi Yingyue was deeply touched, the black-clothed man hit the iron while it was hot, but continued to say: "The words are all here, if the Moon God has no more instructions, we will leave first and return home to the Dragon Lord.

"No!"

"When Mochizuki and the others heard it, they were shocked and quickly said, "Moon God, you must never let them go like this."

"The two men broke into our Japanese martial arts without permission."

And slaughtered wildly within our country, blood staining Dongjing.

"They committed such a heinous crime, they deserved death!"

"Please Moon God, kill these two thugs, and avenge the dead spirits of our Japanese country."

"Mochizuki River and Ishiyelong were one or two, and they begged again and again. They were afraid of the moon god, let the dragon Baichuan and they return safely. However, who would have thought that as soon as Mochizuki River and their words fell, Haruhi Yingyue immediately said angrily: "Shut up. !

"With me, I see who of you dare to move them the slightest?"

"My master's subordinates are the distinguished guests from Japan."

"You wait for the two, dare to insult?"

"Haru Palace Yingyue furiously scolded her. Mark has a blessing for her, and she has shelter. It can be said that in today's world, Liang Palace Yingyue undoubtedly regards Mark as his closest person. Now Mark sends people to Japan. , Even if she considers the master's face, she should provide them with shelter. "But... but the moon god, he...

They killed so many people, can we just let them go so easily?

"If it is spread out, won't people in the world make a joke about my Japanese martial arts, and let others invade and kill them?"

"Moon God, you have to pay attention to your identity and position."

“You are the moon god of our Japanese country, not their Vietnamese moon god, let alone the moon god of Brian Chu, you have to protect our Japanese people.

“Mochizuki and the two continued to persuade them bitterly, and the whole person was about to cry. They did not expect that the Moon God, who had been killing intent before, vowing to maintain the majesty of the Japanese martial arts, after hearing the three characters Brian Chu, Then her attitude was reversed 180 degrees. Now she turned her elbow outward to defend the other country’s people. However, Haruhi Yingyue could not hear this. Her pretty face was cold and she replied in a cold voice: ” It is they who murdered others first, the martial arts world, murder for life, is the unchanging iron law through the ages.

“From the time they murdered my master, they should have thought of today’s ending!”

“These people are guilty of death. They are not worthy of mercy, let alone shelter.”
