I' m Sorry My Love Novel Alternative Chapter 2322 - 2323

Chapter 2322

Let's escape! I really don't want to have anything to do with the Shu family anymore. "

Jia Nan, I just want to be with you.

By the way, Jia Nan, I have been hiding something from you, so don't blame me, okay?

You also know that at my age, it is impossible to devote everything to my heart. Say it out loud.

But now, I will never hide it from you again. " Alyce looked at Tong Jianan apologetically.

Tong Jianan was slightly surprised: "what's the matter, what are you hiding from me?"

Alyce's face coaxed a little.

She hesitated for a while, then said: "I also have a house in the suburbs, where I store a lot of jewelry, all of which were given to me by my daughter, and some jewelry that my mother saved before, and the jewelry is about the same. Tens of millions, let's take those jewels and run.

Those jewels are enough for the two of us to eat for a lifetime.

Okay? "

Tong Jianan was stunned for a long time.

After a long time, he asked incredulously: "You yourself have tens of millions of assets?"

Alyce nodded: "Yeah."

In fact, she didn't.

She is a person who does not love money, but only loves family.

All along, whether it was her daughter or her nephew Darius, they basically gave her money, but she basically didn't want it.

From Alyce's point of view, Qian Nui is outside the body.

As long as she has family affection, she can see that her daughter is living a good life, her son-in-law loves her daughter very much, and her daughter's two or three children are all healthy, which is more important than anything else.

She usually lives a very regular and poor life.

Even teaching children the piano, she received very little money.

Because she doesn't teach children from rich families, he only helps those children who love music but don't have the money to teach art.

Therefore, Alyce's deposit, let alone hundreds of thousands.

She didn't even have one hundred thousand dollars.

The reason why she still has jewelry worth tens of millions in the suburbs is clearly a trap for Tong Jianan.

Only in this way can Tong Jianan's real gang be attracted.

Then, it can be wiped out.

"Jianan, do you...would you blame me?" Alyce looked at Tong Jianan nervously.

Tong Jianan smiled slightly: "how come back, it was originally your property, but Alyce, I didn't know if you didn't tell me before, but when you tell me now, I suddenly feel that if you put those jewels in the suburbs, will you? Not safe?"

Where is your suburban house?"

He was already thinking about it.

Tens of millions.

Not a small amount!

They have billions of dollars to take.

But tens of millions are also to be taken!

It's all jewelry, and Tong Jianan can't take it personally, because he knows that he can't do it alone.

No matter how unwilling he is, he has to notify his gangs first.

Also, suburban houses...

If it is a remote place, it can also be used as a den for them to negotiate with Mr. Shu.

"Well, it's very far from the city. It's at the foot of the mountain and surrounded by mountains on three sides. It's not easy to walk. Usually, few people go there, so my jewelry has always been safe there." Alyce deliberately revealed the geographical environment to Tong Jianan. .

"You, your father, no no no, does Mr. Shu know that place?" Tong Jianan asked tentatively.

"I don't know." Alyce said.

She sighed and said in a very desolate tone: "Since childhood, he never recognized me as a daughter, until I was eighteen years old, my mother died, I had no money to poison the university, and I became a homeless orphan

. At that time, I was really desperate. Later, my adoptive parents adopted me.

My adoptive parents are real farmers. They have never been out of the mountain in their lives. They have always been honest and responsible vegetable farmers.

To say that I have No parents.

Yes.

Chapter 2323

is them.

Their surname is Nguyen. “

Alyce didn't say this to Tong Jianan.

In fact, she was really expressing her heart.

She really couldn't think of Mr. Shu as her father.

Because he didn't feed her for a day

. Although her parents took her in at the age of 18, Alyce felt that her adoptive parents were more close.

Hearing Alyce say this, Tong Jianan said with emotion: “I know Alyce, and I will accompany you, no matter where you are. The ends of the earth, I am with you. So, I have to go back to my place and clean up first.

Then I and you, we live in the mountains, and from then on, the sun rises and the sun sets and rests, okay? “

Alyce nodded with tears in his eyes: “Yes. I will listen to you. “

“Then I'll go back and clean up first?” Tong Jianan asked.

“Okay.” “

With Alyce's consent, Tong Jianan immediately regretted the den he was in.

“I already know what she told me, where it should be Ruanjiagou, about 60 to 70 kilometers away from Nancheng, deep mountain valley, now mountain valley The people in the city have moved to the urban area, and there are even fewer people there.

Let's step on a spot first and get familiar with the surrounding geographical environment.

Be fully prepared, I'm going there with Alyce.

I am telling you good news by the way.

In that small courtyard in Yongjia, Alyce also hid 70 to 80 million in that place.

If she hadn't already known that her father had left her billions in assets. Even her 70 to 80 million jewelry is a lot of money for us.

Hey, now that there are dozens of billions, why do you feel that these seven or eight million are nothing?

However, no matter how small the money is, we can't miss it.

Take it together!

Can't keep one! "

Everyone in the gang said in unison: "Of course take it!" Seven or eight million, just kidding!

Several of us have an average score, and each of us can still have 10 to 20 million!

Must take it! "

"Okay, that's it!" Let's hit the spot now! "

On the same day, several members of the gang went to the place Alyce said, and it was really a good place.

The Tibetans are first-class.

Moreover, it is very easy to escape.

In the afternoon, Tong Jianan returned to Alyce's residence.

“Alyce, I have everything packed, and we can move there at any time. In order not to arouse the suspicion of Mr. Shu, we split up. What do you think?”

“Well, I listen to you, we are in my hometown, meeting. “Alyce looked at Tong Jianan with a sweet face.

“Okay. Tong Jianan promised: “Tomorrow, see you in your hometown.” “

“Tomorrow, see you at my hometown.” “

The next day, when Alyce went to Ruanjiagou, Tong Jianan and his accomplices had already arrived.

They were just here to deceive Alyce and tell her where the jewelry was hidden. After finding the jewelry, they would take her Kidnapped.

Next step.

You can directly negotiate with Mr. Shu.

They have a good plan.

Appears flawless.

But what Tong Jianan never expected was that there is an old saying: The mantis catches the cicada, and the oriole is behind.

This sentence is suitable for their gang.

When Alyce came to the small courtyard in Ruanjiagou, Tong Jianan came out to greet her naturally. At this time, he no longer needed to hide his greed, but asked Alyce straight to the point: “Alyce, those Where are the jewelry?”

Alyce smiled gently: “Jia Nan, there are too many jewelry, the two of us may not be able to carry them.”
