Chapter 2327

“It’s weird, this Xu family dare not answer the phone?” “He is so bold!” Chu Qitian saw that the call was not made for a long time, and he was immediately unhappy, thinking that there would be a chance to clean up the Xu family. .

Seeing that the Xu family couldn’t get through, Chu Qitian turned to call the Lu family.

“Huh?” “You didn’t even answer?” Chu Qitian frowned, suddenly feeling unhappy.

“Continue to fight.”

“Till they answer!” Chu Zhengliang seemed to notice something strange, and he said in a deep voice, with a faint anger in his words.

In this way, Chu Qitian made several calls in a row, and when Chu Qitian was about to give up and then send someone to inquire about sin in the summer, the call finally got through.

“Lu Cangqiong, you are so bold.”

“You dare not answer my call?” “Do you think that your wings are hard and you can compete with my Chu family?” “Don’t forget, your Lu family can have it? Today’s achievement is indispensable for the support of my Chu family!” After the call was connected, Chu Qitian immediately scolded.

For a long time, Chu Qitian regarded the Lu and Xu family as affiliated families of the Chu family, and these affiliated forces should obey their Chu family’s language and respect them.

But now, even daring not to answer his call, of course Chu Qitian was angry.

However, after Chu Qitian finished cursing, there was no answer on the other end of the phone for a long time.

“Huh?” “Why don’t you speak?” “Are you deaf or dumb?” Chu Qitian continued to scold.

“Your Excellency, it should be Master Chu, right?” Only then did a low voice on the phone.

Hearing this voice, Chu Qitian's expression stopped: "Huh? You are not Lu Cangqiong, who are you?" "Where is Lu Cangqiong, let Lu Cangqiong answer the phone!" contact.

After all, Lu Cangqiong is the eldest son of the Lu family, with the highest generation and prestige. In the entire Lu family, only Lu Cangqiong is qualified to talk to their Chu family.

As for the others, they are not worthy of dialogue with the Chu family.

Therefore, after hearing that the other party was not Lu Cangqiong, Chu Qitian immediately asked the Lu family father to listen to the phone.

"My father is sick, and now I am the head of the Lu family."

Lu He said coldly on the other side of the phone.

"Oh? Lu Cangqiong is your father? So, you should be the eldest son of the Lu family, Lu He?" "Also, since you are in charge of the Lu family now, and Lu Cangqiong is old and weak, then in the future, You can be the contact between the Lu family and the Chu family."

"Listen well, I now ask you, I let your two big families take over Noifork before, how are you doing now?" "The so-called power of Mr. Chu, Can you get rid of it all?" "I asked you to investigate the whereabouts of the person, and there will be results?" Chu Qitian asked coldly in a condescending tone.

However, Lu He did not pay attention to Chu Qitian's question, instead he said to himself.

"Master Chu, I originally didn't want to answer this call."

"But now that I answered it, let me explain to you."

"I don't know. How much favor my father inherited from you back then, I don't even know. You are right. What kind of blessings our Lu family has."

"But, for so many years, our Lu family has done so many things for you. No matter how great the kindness, no matter how great the love, it has been paid off."

"Today, I call the Lu family. In the name of the Patriarch, I announce to you. From now on, the Gritsberg Lu Family, and the Chu family members, will be cut off from justice and have nothing to do with them."

"You take your Yangguan Road, and I cross my single-plank bridge."

"I'm dead, don't talk to each other!" Boom~ Lu He's remarks were categorical.

The deep and firm tone is even more like a stone falling to the ground, with a sound!

After hearing this, Chu Qitian was undoubtedly shocked.

A pair of eyes immediately widened!

“You...what did you say?” “You are going to betray my Chu family?” “You are so brave?” “Do you know, what will happen to you today?” “You take it seriously.. .

“On the phone, Chu Qitian yelled angrily. However, Lu He didn’t care about it. After he finished speaking, he hung up the phone. But Markzhiwei, the Lu family is also not offended As the saying goes, the county magistrate is not as good as the current one. “I think they are getting bored and don’t want to live anymore.

Chu Qitian said viciously. At this time, the phone that just hung up rang again. Chu Qitian saw that it was the Xu family who called. “It’s just right, I want to ask Xu Junlin, this Lu What’s going on at home, why are you so bold?

Chu Qitian thought in his heart, and then answered the phone. “But Xu Junlin?”

“You are so brave, you dare not answer my phone?”

When Chu Qitian came up, he questioned the Xu family. “Are you Chu Young Master?”

“Like Lu He, when the other party came up, he still asked about Chu Qitian’s identity. Chu Qitian was stunned, because he discovered that the voice of the speaker was not the old man of the Xu family, Xu Junlin. Where is King’s Landing?

Is it possible to be sick or not?

Chu Qitian frowned unhappy. “Sick you Malgobi!”

“Bad son, what a draft of my ancestor for eight lifetimes!”

“

“If it weren’t for you, how could my son, Shaohua, die, and how could my father return to nine days? How could my brother go to jail? How could the three generals of the Xu family be cut off?” “Grass mud horse!” My Xu family has fallen today, and it is all you bastard who has no father~” On the other end of the phone, the head of the Xu family, Xu Haisheng, with bare eyes, cursed at Chu Qitian.

At that time, Chu Qitian was stunned.

Frozen there, I haven’t recovered for a long time.

When he realized that he had suffered a great humiliation, the phone had been hung up.

At that moment, Chu Qitian understood why they called the Xu family just now and no one answered them. Later, the Xu family took the initiative to call.

Daeqing specifically called and scolded him!
