

Chapter 2335– 2336 of A Dish Best Served Cold Novel

Chapter 2335

During this period, many handsome-looking rich, young or wealthy men could not help but approach each other, wishing to kiss Fangze.

After all, the girl in front of me is really Tai Chi.

Even the second- and third-tier celebrities they have played are far inferior to her.

However, this woman turned a deaf ear to the conversations of these rich and young, and ignored them.

Her gaze is always looking out the window.

As far as the line of sight is, it is the direction of Yunding Mountain.

Vaguely, she saw a young figure sitting on the ground at the top of Yunding Mountain.

In this way, all the guests in the hall were watching her, but she was watching the boy on Yunding Mountain.

Time passed gradually.

At noon, suddenly another beautiful young man walked up outside.

“I’m going, another best product?” “What’s wrong with this today?” “We Wrillfill, why are so many beautiful women suddenly appearing?” “Look at this leg, this figure, and that exquisite waist, mother, chicken, If I could marry such a beautiful woman as a wife, I would be willing to die for ten years.”

Everyone has the love of beauty.

No matter where you go, beautiful women are naturally the focus of attention.

Just like the one who just appeared in front of him, perhaps the temperament and appearance are much inferior to the previous woman in purple skirt.

But that beauty is enough to overwhelm countless people.

Even those rich and young, who have seen countless people in the flowers, can't help feeling that they have never seen such beauties in Wrilfill.

After the girl appeared, she went straight to the window, her eyes finally fell on the woman in the purple skirt before, and she was overjoyed.

"Teacher, I finally found you."

"As soon as I received your message, I rushed over."

"Shall we go back soon?" "Elder Zongmen is looking for you everywhere. There seems to be something important and I want to discuss with you." "The girl was pleased to see the woman in the purple skirt, and immediately respectfully persuaded.

However, the woman in the purple skirt didn't seem to mean to leave. Seeing the person, she just whispered back: "Wait."

"Okay."

The girl thought that there was something wrong with her teacher, so she nodded and said nothing. .

However, a few hours passed, and seeing the sunset sinking and the sky getting darker, her teacher just sat there all the time, looking out the window without any movement.

"Teacher, what are you waiting for?"

"You have been away from the sect for many days, and it is time to go back."

"If you have nothing to do, please return to the sect with me as soon as possible."

"The elders in the sect are almost anxious."

In the end, the girl couldn't wait. But once again persuade.

However, she still shook her head, just said: "Wait."

Time continued to pass.

In the restaurant, guests come and go, come and go.

At the top of Yunding Mountain, tea is poured and cold, and cold and poured again.

In the same city, in different spaces, a restaurant, a mountain top, two people are all waiting.

He was waiting for her to come, but she was waiting for him to go.

Finally, it was late at night.

Soon, it will be midnight.

However, the figure on the top of Yunding Mountain was still there.

In the end, her heart softened, and at this moment, a moment of tenderness appeared in her lonely heart.

She turned her head and looked at the student standing next to her: "Wan Yu, you will go to Yunding Mountain in front of you in a while, find someone for me, and then send him a few words."

Chapter 2336 But Mr. Chu?

"Huh?" "Looking for someone?" Meng Wanyu was slightly surprised when she heard this, not knowing who her teacher asked her to find.

Could it be that there is still a teacher's deceased in Wrilfill?

Yunding Mountain.

It was late at night, and the cool breeze could not help blowing through with moisture.

In the moonlight, the young figure was still sitting there, making tea and drinking lightly.

"Mr. Chu, you have been waiting here for a day."

"It is estimated that the guest you are waiting for will not be there anymore."

"Now it is late at night, and it is heavy outside. Shall we go back?" Ericson stood there. Beside Mark, persuaded bitterly.

He sent Mark here, and if Mark didn't leave, Ericson naturally didn't dare to go home without authorization.

However, in the face of Ericson's advice, Mark smiled softly: "It's her business whether she will come. I'm not waiting, it's mine." "I promised her, ten days later, I will wait for her here."

"I, Brian Chu, must promise. Since I promised to wait for her, I won't leave today."

"Hey~" What else can Ericson say about Mark.

After a long sigh, he stopped speaking and continued to accompany Mark and others here.

The night is pleasant and the moon is beautiful.

At the top of Yunding Mountain, there is a breeze and the vegetation is swaying.

In the distance, the sound of insects is clear and sweet.

Here, the boy is still waiting.

I don't know how many pots of tea I have changed.

If someone else waited for a day here, they would have left angrily.

But looking back at Mark, not only did he show no signs of impatience, but he was still calm.

The clouds are light and the wind is light, as if the Pinghu Lake stops water.

Seeing the scene before him, Ericson on the side was secretly startled.

He couldn't help wondering, what is it sacred that made Mr. Chu willingly wait a day?

In Ericson's view, since Mark was given a "title", Nuo Da's hot summer is estimated to have little power and power over Chu Xian.

After all, even the two giants of Lu and Xu were stepped on by Mr. Chu alone.

Now Mark, not only in Noirfork, even in the hot summer of Nuo Da, also has a monstrous power!

Even the governor of Noirfork Province is not qualified. Let Mr. Chu wait for a day, right?

"Who will it be?" Ericson thought hard, but could not figure out who it would be.

In this way, time continued to pass.

Until midnight, the citizens of Wrifill were already asleep. Ericson stepped forward again and respectfully persuaded Mark in a low voice: "Mr. Chu, it's almost twelve o'clock. It's time to go back."

Have you clicked?" Mark shook his head when he heard this, and suddenly felt a little disappointed in his eyes.

After all, I still couldn't wait for her.

"This woman doesn't even give me the opportunity to say thank you in person."

Mark sighed and then gave up and prepared to go back.

However, at this moment, in the night ahead, a beautiful and beautiful shadow suddenly appeared quietly.

This girl looked young, but her face was delicate and her temperament was extraordinary.

A green skirt, more vividly outlines his graceful figure.

Under the moonlight, it is even more moving.

When Ericson saw this person, he was shocked.

I thought that this girl was so touching when she was young.

Once it grows in the future, it must be the enchanting evildoer again?

Just when Ericson secretly guessed the other party's intentions, the young girl had already looked over, looked at Mark and Ericson, and asked neither humble nor arrogant: "I don't know the two, which one is Mr. Jiang Dongchu? "
