

Chapter 2357– 2358 of A Dish Best Served Cold Novel

Chapter 2357–Swordsman

During this time, he has been paying attention to the Qinglong team.

After all, this team was brought out by that man.

At the beginning of the siege of Wrilfill, Wang Dongsheng also saw the five members of the Qinglong team show their skills.

Therefore, whether it is because of Mark or because of his love for talents, Wang Dongsheng naturally can't just sit back and watch Solmen Chan destroy these talents.

“Huh?” “Who are you, dare to question my training method?” However, Solmen Chan's brows were cold when he heard Wang Dongsheng's words, and she turned her head and stared at Wang Dongsheng.

He had only been in the military area for only half a month, so naturally he didn't know this Wang Dongsheng, let alone his position.

“Instructor Chen, this is Wang Dongsheng, commander of the 258th regiment of Noirfork Military Region.”

What?

“A little regiment commander, dare to point fingers at this general's training methods?” “Could it be that you don't agree with me Solmen Chan, as the chief instructor of this military region?” Solmen Chan said coldly and aggressively.

Feeling the surging chill on Solmen Chan, Wang Dongsheng was also afraid, but he still argued with reason: “Instructor Chen, I am not dissatisfied, mainly because your method is really inappropriate.”

“Go on like this, this How many children will be ruined by you!” “Shut up!” As soon as Wang Dongsheng's words fell, Solmen Chan immediately shouted, “You are so courageous, how dare you say that I misunderstood the children?” “I am Professor Solmen Chan. Disciples for decades, peaches and plums have spread all over the world.”

“Under the sect, I don't know how many current heroes have been out!” “You little leader, ant and rat generation, dare to question my authority?” “I think you don't know me Solmen Chan Majesty, I thought Solmen Chan was good for bullying, right?” “However, if I see you are the first offender, this instructor will spare you once!” “Now, don't you get out of here?” “This instructor trainer, how can you be a rat , Are you pointing here?!” Solmen Chan said with cold eyes to Wang Dongsheng.

In the end, he directly let this Wang Dongsheng get out, without leaving him any face.

This Wang Dongsheng is not a temperament that can bear humiliation. Hearing what Solmen Chan said was so unpleasant, Wang Dongsheng also exploded, and said directly angrily: "I said you old thing, such a powerful official!" "It is the commander of the military."

, There is no such a big airframe as you."

"You have only been here for a few days?"

"When I was the head of the regiment, why didn't you know how happy you were with that woman outside?" "I really thought I became an instructor, so I was lawless?!" "I will tell you today, this matter, I Just take care of it."

"I, Wang Dongsheng, absolutely don't allow such good seedlings of Mount Tai and let them be destroyed in your hands!" Wang Dongsheng looked at Solmen Chan, not afraid, but he replied sharply.

After all, he was also a veteran who had been a soldier for decades, and he was definitely not scared.

No matter how great Solmen Chan's official power is, he won't take that set!

He didn't believe it. Solmen Chan, a newcomer who had just been in the military region for less than a month, would dare to attack his old regiment leader?

"Really?" "It seems that you can't cry without seeing the coffin!" However, facing Wang Dongsheng's words, Solmen Chan just sneered.

Then immediately ordered that Wang Dongsheng be taken down, the key military prison was to disrupt the order of the military region and disobey the superiors!

"a*shole, do you really dare to catch me?" "Who would dare to see you?" Wang Dongsheng yelled angrily, then looked at the two soldiers who had brought Solmen Chan's order to catch him, and kicked them one by one. Aside.

"Dare to resist?" Solmen Chan saw this, her brows and eyes darkened.

After that, he walked up, turned his back and kicked Wang Dongsheng who was resisting arrest.

"Give it to me!" "Lock it up."

Solmen Chan gave a cold voice, and then the two soldiers directly lifted Wang Dongsheng from the ground and sent him to a military prison.

"Head Wang?" "Let him go!" "You old dog, have the ability to rush to us, regardless of other people's affairs~" Seeing Wang Dongsheng being caught by Solmen Chan, Croven Li and others' eyes suddenly turned red.

These days, Wang Dongsheng secretly gave them food.

Otherwise, with the unnutritious coarse-grain meals that Solmen Chan provided them, the bodies of the five members of Qinglong would have collapsed long ago, and they would not be able to survive today.

Therefore, no one in Qinglong is grateful to Wang Dongsheng.

Now, seeing Wang Dongsheng being injured and sent to prison by Solmen Chan because he was pleading for them, Croven Li and the others were naturally angry and guilty.

In furious, they all rushed to save people.

However, before they ran a few steps, they were stopped by Solmen Chan, and then shot Croven Li and others in a row, but they couldn't stop Solmen Chan from taking a palm.

“A bunch of trash, it's hard to protect yourself, and you still want to save others?” “Things that are beyond your ability!” “It seems that today, I have to teach you a good lesson.”

“Take away the hostility and stubbornness from you, It is estimated that it will be more honest in the future.”

Solmen Chan said coldly, and then lifted up and walked towards Croven Li and the others.

Seeing that, Solmen Chan wanted to violently beat the Qinglong people.

However, at this moment, Solmen Chan's phone rang suddenly.

After he answered, he was shocked: “What are you talking about, Commander Lin's son fainted?” “What are you doing, don't you know how to take care of it?” “a*shole, call a military doctor, I'll rush over!” After Solmen Chan scolded a few times, she hung up the phone, and with anxiety behind her, she turned her head and walked out.

Before leaving, Solmen Chan specially warned: “Today, if you are lucky, I don't have time to teach you.”

“However, tomorrow, I will come.”

“At that time, if anyone does not accept my discipline, he will be Your fate!”

Solmen Chan pointed in the direction of Mount Tai, then turned and left.

After all, Lin Fan is Orell Lin's son. If something happens to him, Solmen Chan will not be easy to explain to Orell Lin.

Therefore, to be on the safe side, Solmen Chan could only go to check Lin Fan's situation in person.

“Taishan, are you okay~” “Wake up, don't close your eyes.”

“Blame me, blame me~” After Solmen Chan left, Croven Li and others surrounded Mount Tai, and Denren was even more self-conscious. Responsibility, tears flowed down.

Then Solmen Chan acted too hard, kicking off a few of Taishan's ribs with two feet in a row, and his chest was sunken.

If they hadn't practiced the Azure Dragon Body Refining Jue before, the body's anti-strike ability would be greatly enhanced.

Otherwise, Solmen Chan's deadly feet would have killed Taishan directly.

However, even so, Taishan was dying, and there was blood in his open mouth.

While the blood was gurgling, Tai Shan still made a trembling sound against his throat.

Croven Li and the others leaned against their ears and listened many times before they could hear what Taishan was shouting.

“I...I...”

“I...I think Chu...Instructor Chu~” With a few words, it made the Qinglong people cry instantly!
