

Chapter 2369– 2370 of A Dish Best Served Cold Novel

Chapter 2369

Solmen Chen is the contemporary descendant of Xingyimen, and his strongest method is naturally Xingyiquan.

Therefore, once the Xingyi thirteen punches appeared, it was a force of thunder.

The surging energy swept through, and then slammed at Mark fiercely.

“I go!”

“Could this be the supreme Xingyi school, Xingyi thirteen punches?”

“The chief instructor is awesome?”

After seeing Solmen Chen’s punching technique, someone in the crowd behind him yelled out.

“Ok?”

“Lao Li, what Xingyi 13 punches?”

“Is it amazing?”

“Are there our martial arts strong?”

Many people were immediately puzzled upon hearing this.

“nonsense!”

“Xingyiquan originated in the Qing Dynasty and has a history of two hundred years. It pays attention to the harmony of mind and intention, the harmony of mind and Qi, the combination of Qi and strength, the combination of shoulders and hips, elbows and knees, and hands and feet.”

“And this Xingyi thirteen boxing is the highest and most obscure, and also the most powerful boxing technique in the Xingyi category!”

“Our chief instructor is worthy of being the contemporary descendant of Xingyi Quan, so useful!”

“It’s dead~”

“Qinglong and the others are dead this time.”

Among the crowd, the soldier known as Lao Li kept talking.

He loved national martial arts since he was a child, so he was slightly immersed in traditional Chinese martial arts such as Tai Chi and Xingyi Quan.

Old Li naturally saw this long-famous boxing technique that Solmen Chen is now performing.

Hearing what he said, although the soldiers around still don’t understand, it doesn’t matter, knowing that Solmen Chen is awesome!

However, Mark was expressionless in the face of Solmen Chen’s majestic offensive. In the deep eyes, there was an inexplicable flash of emotion.

He looked at the direction of Solmen Chen’s attack, but shook his head faintly: “Since I have admitted, then there is nothing to say.”

The cold words, like a cold wind, slowly blew up from now on.

In an instant, the temperature here suddenly dropped by a few minutes!

Actually let people, like falling ice cellar.

“Huh, it’s just a mystery~”

“I don’t believe it anymore, I’m Solmen Chen, can I still lose to your junior today?”

Feeling the majestic power from Mark’s body, Solmen Chen’s brows and eyes were furrowed, and there was a heavy color on his old face.

However, even so, Solmen Chen did not believe that Mark had the ability to compete with him.

After all, this kind of martial arts practice is definitely not a matter of overnight!

Solmen Chen has been practicing martial arts for half his life, and he is only fighting for internal strength, and he is not comparable to this junior.

What’s more, he also mastered martial arts such as Xingyi Thirteen Boxing, and he was naturally even more knowledgeable.

As for the previous resignation by Mark, Solmen Chen only thinks that it was because of his carelessness and was caught off guard by Mark.

However, is this really the case?

At this moment, everyone's eyes have already looked over.

Everyone stared intently at the place where they met.

Seeing that Solmen Chen's violent stormy offensive had reached Mark, but what made everyone puzzled was that the young man was still standing safely.

He stood with his hands in his hands, and he remained silent.

On the delicate face, there is no joy or sadness.

Just like a stubborn stone, standing silently in the wind and rain!

“Ok?”

“Why doesn't he make a move yet?”

“Could it be that you accepted your fate?”

“Knowing that I was defeated by Chief Instructor Chen, are you ready to break the jar?”

“Just wait for the waste, before was the instructor of our Noifork Military Region?”

“It's a horrible thing in the world!”

Chapter 2370

Among the crowd, there were already sneers.

Many people sneered and laughed, looking at Mark with disdain.

In fact, for the majority of people present, they hardly knew Mark.

After all, Mark entered the military area for only one month.

Moreover, during this month, Mark stayed in the military area for only a handful of times.

Even in those few days in the military district, Mark's mind was all on Qinglong, so ordinary soldiers had fewer chances to contact Mark.

Therefore, in the Noifork Military Region of Nuo University, those who really want Mark are also Qinglong.

Wang Dongsheng may also be considered one, but speaking of it, he is more afraid of Mark!

Huh~

Finally, the fierce fist wind with explosive power has reached Mark.

At that moment, everyone in Qinglong opened their eyes nervously!

Denren Ye yelled out, "Instructor Chu, get away~"

Boom~

As soon as Denren Ye's words fell, everyone's ears felt like thunderous punches that could not help but explode.

Every blow, every punch, steadily landed on Mark.

what?

But then, Solmen Chen suddenly changed her face!

.....

"Haha~"

"I'll just say it?"

"Instructor Chen is so majestic, how can this young boy be the enemy?"

"If this set of punches goes on, even if the person does not die, the bones of the whole body will fall apart~"

Among the crowd, Lao Li, who had just spoken, commented with a smile again, with a self-proclaimed look.

The others also nodded and laughed: "Yes, who is Instructor Chen?"

"The head of Xingyimen."

"Master Guowu~"

"Which can be compared to others?"

While everyone smiled, they complimented Solmen Chen one after another, and some even took the lead, shouting Solmen Chen mighty.

“Congratulations, instructor Chen~”

“Instructor Chen is mighty!”

“It’s worthy of Master Guowu~”

.....

“WTF!”

“Shut up your mouth~”

The people behind him are still bragging together.

But who would have thought that their flattery not only didn’t exchange Solmen Chen’s gratitude, but was so angry that Solmen Chen cursed directly.

In particular, the sentence Cao Nima, like a slogan, directly condemned all the soldiers!

What happened to us?

I can’t praise you anymore?

Everyone looked at each other, one by one dumbfounded, but they couldn’t figure out where they had offended Solmen Chen.

However, how did they know that Solmen Chen at this time had the heart to kick these idiots to death.

All this is because the attack he just hit on Mark didn’t cause any harm to Mark!

He even failed to repel Mark.

This kind of result originally made Solmen Chen a little flustered and upset, but at this time, hearing the screaming of the idiots behind her naturally made Solmen Chen even more annoyed.

If he really defeated Mark just now, they would just shout a few words.

But now, he attacked with all his strength and didn’t shake Mark at all. The flattery at this time is undoubtedly ironic to Solmen Chen!

“Damn it!”

“I don’t believe it anymore. Is your body made of copper and iron?”

After losing the attack just now, Solmen Chen didn’t believe in evil, and once again took up both fists and hit Mark.

Or punch or foot, or kick or kick!

At this time, Solmen Chen seemed to be crazy, bombarding Mark wildly.

But it’s useless.

Ren Solmen Chen attacked a thousand kinds of methods, Mark still stood there, motionless.

Finally, as a cold wind blew, Mark’s eyebrows also immediately chilled, and the sorrowful words sounded quietly, like a life-defying Shura.

“Next, it’s me.”
