

Chapter 2389– 2390 of A Dish Best Served Cold Novel

Chapter 2389

However, what made Mark dumbfounded was that after learning that Ericson Li's son Croven Li had been granted by the state and Guangzong Yaozu, Lei San, who was far away in Denham, went to Wrifill overnight and sent his son Lei Aoting over. .

“Mr. Chu, my rebellious son is stubborn. Over the years, I don't know how many disasters I have caused.”

“I implore Mr. Chu to also bring me, the rebellious son, into his command and be trained by the Chu instructor.”

“Should be beaten and fined. As long as Mr. Chu can lead my son to the right path, you will break one of his legs. Lei San will not complain!”

In the villa in the western suburbs, Lei Laosan pleaded with Mark.

Behind him, Lei Aoting stood honestly.

This lawless prince of the Lei family would be so honest in front of Mark on weekdays.

“What are you doing in a daze?”

“You rebel, don't hurry down on your knees and call instructor Chu!”

Before Mark could answer, Lei Lao San glared at his son Lei Aoting and asked him to kneel down for Mark's apprenticeship.

Mark didn't speak either, just turned his head and glared at Ericson Li.

You don't need to think about it, it must be this Ericson Li who knows that Croven Li has been promoted to the ranks, so he proudly shows off everywhere.

It's all right now, I have caused the trouble to Mark!

“Lei San, what are you doing?”

“Mr. Chu takes care of everything, how can you have time to discipline your son?”

“Aren’t you embarrassing Mr. Chu?”

“If you can’t control it, let him call my father, and I will take care of it for you.”

Ericson Li seemed to know that this happened because of him, so he didn’t wait for Mark to answer, so he directly blocked Mark back.

“Ericson Li, get out of here!”

“I’m talking to Mr. Chu, do you want to interrupt?”

“Furthermore, if your son Zun Chu can be the instructor, my son can’t call it?”

“What’s more, maybe my son’s talent is still higher than yours?”

.....

“Nyma bullshit! My son is a general talent, how can you compare with your stubborn and rebellious son?” Ericson Li cursed directly.

Just like this, Ericson Li and Lei Lao San, without saying a few words, scolded each other.

Just when Mark’s head was burnt, someone else arrived outside.

Surprisingly, it was Wang Jiexi, the head of the Wang Family Patriarch who succeeded Chen Ao and was in charge of Jiang Hai.

“Jessie, you came just right.”

“Come here to comment, Mr. Chu manages everything every day, and the affairs are complicated. But this old man Lei didn’t know how to share his worries with Mr. Chu, so he even asked Mr. Chu to find work.”

“I’m incompetent as a father, so I actually intend to let Mr. Chu take care of him.”

“You said, isn’t this foolish?”

Seeing that Wang Jiexi was also here, Ericson Li seemed to have found a helper, so he pulled Wang Jiexi and asked him to comment.

However, Wang Jiexi smiled awkwardly: “Well, I also came to ask Mr. Chu to discipline my rebellious son.”

While speaking, Wang Jiexi turned to look behind him, and shouted in a low voice: “Nizi, come in quickly and kneel down for Mr. Chu!”

“In the future, I will let you respect Mr. Chu as a father, and respect Mr. Chu as a teacher!”

“Do you understand?”

Wang Jiexi said sharply.

Ericson Li next to him was dumbfounded.

“Fuck, are you two sick?”

“Looking at my son’s appointment as a colonel, did you all send your son here?”

“You are jealous, naked jealousy.” Ericson Li shouted from the side.

Wang Jiexi and Lei San both rolled their eyes and stared at Ericson Li, “Ericson Li, I think you are the one who is jealous.”

Chapter 2390

“We are asking for Mr. Chu, not for you, but you are repeatedly obstructing here, is it because we are afraid that my family’s Yuchen’s future achievements will surpass your son?”

Seeing that the three of them were about to quarrel again, Mark, who had been silent for a long time, finally said: “Okay, let’s just say a few words.”

“However, Lei San, do you really want to send your son to me to train with Qinglong?”

Teacher Lei and Wang Jiexi nodded and said yes.

“All right, in that case, let the two of them stay over there.”

“However, let me remind you two in advance that everyone in this world has talents.”

“Some people are suitable to practice martial arts and make contributions.”

“And some people may be suitable for business, the rich side.”

“There are others who may be suitable for medical treatment to save the dying and heal the wounded~”

“I originally selected Croven Li to join Qinglong because I thought he was talented in martial arts.”

“But Lei Aoting and Wang Yuchen, whether they have this talent or not, it may be possible.”

“Well, I will give them two weeks to train with Qinglong.”

“After a week, let them decide whether to go or stay. What do you think?”

Mark looked at Lei Old Three and asked slowly.

The two of Lei Lao San naturally had no objections, so they agreed.

Afterwards, a few of them also left and went home.

After they left, Helen Qiu, who had been by Mark's side, asked Mark, “Mark, do you really plan to accept the sons of Lei Sanye and Wang's Patriarch?”

Mark smiled bitterly: “You are the Azure Dragon team, who can join?”

“Wait and see, in seven days, Lei Aoting and Wang Yuchen will run home by themselves.”

“One way of martial arts, the arduousness is beyond the reach of ordinary people.”

Mark shook his head and said, for this matter, Mark was actually just watching it as a farce.

He knew very well that Wang Jiexi and Lei San were jealous when they saw that Ericson Li's son was given a military rank, and they sent their own son.

Mark naturally couldn't accept it.

After all, he doesn't have so much energy, so he will start training them from scratch.

What's more, Lei Aoting and Wang Yuchen were not the materials for martial arts.

However, Mark couldn't refuse directly.

Always take into account the face of Lei Lao San and the others, and don't let the two of them chill and feel that they are biased towards Ericson Li.

Therefore, Mark could only use this method to let them retreat in the face of difficulties!

Sure enough, just as Mark had expected, after only three days, Wang Yuchen couldn't hold it anymore and ran over to say goodbye to Mark.

Lei Aoting was better, insisting on it for five days.

But on the sixth day, his body couldn't hold it, he passed out during training, and was finally pulled back to the hospital by an ambulance.

It is said that he was almost never saved.

This frightened Lei Aoting. After that, Lei Aoting didn't have to say goodbye. Lei Aoting came to Mark himself, saying that his son was not the material, and finally gave up and let Lei Aoting continue to train in the Qinglong team. Plan.

"The third child, I said a long time ago that everyone in the world has talents."

"Even if Aoting can't become a martial artist, just like you, it's good to be a powerful and powerful guy."

"Furthermore, the martial arts journey is extremely dangerous. Now there are five players in the Qinglong team, but even I don't know how many people will survive in the Qinglong team after these ten years?"

"If I, Mark, have children, I would rather let him cultivate the countryside, and never let him get involved in martial arts."
