

# Chapter 2391– 2392 of A Dish Best Served Cold Novel

## Chapter 2391

In the room, Mark's words echoed slowly.

Lei San nodded in agreement, and so far did not mention the matter of letting his son enter the Azure Dragon.

This farce, at this point, has completely ended.

In the next few months, in addition to personal cultivation, Mark also spent more time on cultivating Qinglong.

In a blink of an eye, two months have passed.

Until, one morning, Lu Tianhe reappeared outside the villa in Wrilfill, the western suburbs.

At that moment, Mark knew that it was time for Qinglong to leave the teacher!

In the morning, Mark summoned the Qinglong people and gave them a final speech.

“Several months of hard training, and success in one go.”

“Next, it's time to test you.”

“Next, I will let you go to Jiangbei with General Lu to participate in the special forces competition.”

“It's a dragon or a worm, it depends on this battle.”

“However, before leaving, I would like to ask you one last sentence, I will teach you the art of combined attack, it is not the last juncture, and you must not use it.”

“Wait, remember?”

Under the Tianhe, Mark stood with his hand in his hand.

In front of him, the people of Qinglong respectfully worshipped, facing Mark's blessings, they replied in a loud voice: “Chu instructor blesses, Qinglong will take it to heart.”

“It's not a matter of life or death, you don't need a combined attack!”

“Very well, let’s set off. Some grievances should be settled. Let’s go, I am here, waiting for you and your triumph.” Mark nodded, then smiled at the corner of his mouth, waved his hand, and sent Lu Tianhe and his group on the road.

The wind is roaring and the water is flowing.

Outside the city of Wrifill, the Qinglong people knelt down and bowed, bowing to the man who was seeing off in front of them three times!

“I, Qinglong, will definitely live up to the high expectations of the Chu instructor.”

“Going to Jiangbei this time will never return!”

.....

“Too much to win!”

Boom~

The voice of the sky converges into a stream. Impacted the whole world.

In this way, the five Qinglong people, in the eyes of Mark, rushed to Jiangbei to participate in the special forces competition.

In this battle, they did not serve fame or fame and fortune, but just to make a break with the original grudges!

They want everyone to know that the awkward blue dragon, which was like a bereavement dog, is now full of wings and will flap its wings for nine days!

“Mr. Chu, do you really rest assured and let them go alone?”

“After all, they are just children who are new to the society. They don’t understand the world and don’t know what is important. I am worried...”

Next to Mark, Ericson Li looked at the direction of his son’s departure, but he was worried.

He never knew that the martial arts journey was extremely dangerous and perilous.

Those fame and glory are almost all gambled with fate!

In the past, with Mark’s protection, Ericson Li was still at ease.

But now, Qinglong went to Jiangbei alone to join the war, and Ericson Li naturally worried about the safety of this trip.

Mark chuckled and replied faintly: “Why worry?”

“Qinglong was founded by me, and I personally trained it. There is a Qinglong body refining body protection inside, and I teach the combined attack technique to attack.”

“I can say without exaggeration that the current Azure Dragon is enough to cross Jiangbei, come and go freely!”

“You just need to sit at home and wait for the good news.”

Mark said lightly, but his confident and proud laugh echoed the world.

Later, Mark also returned to his residence.

However, when Mark was studying the Yundao Tianshu and was familiar with the arrangement process of Yundao Tianjue Formation, his mobile phone rang suddenly.

Mark looked down and saw that it was Lao Han calling.

As the date of going to Chu’s house gradually approached, just in case, Mark had already instructed Elder Han not to contact him unless there were important things.

Now, Mr. Han suddenly called, and he seemed to have something important to report.

## Chapter 2392

Mark didn’t hesitate, and immediately answered the call.

“Old Han, what’s the matter, could something happen?”

After receiving the call, Mark asked with doubts on his face.

“Yes, little lord.”

“Recently, the Chu family suddenly mobilized the strong on a large scale, and it seems that they have to act.”

“I’m worried, the Chu family is going to you, the young master.”

“Little Lord, you have to be careful.”

In the words, there was a worried voice from Old Han.

Mark frowned: “Oh?”

“The Chu Family mobilizes the strong on a large scale?”

After Mark pondered for a moment, he shook his head.

“The Temple of Wushen in Yanxia is stationed in Yanxia, and the power of the six pillar nations sits at the center. If the Chu family dares to send a large number of strong people to kill me in the summer, it will surely alarm the Temple of Wu.”

“The six pillar kingdoms in the Martial God Temple are not vegetarian either.”

“They definitely won’t let foreign powers go deep into the country.”

“At that time, the Chu family may have not rushed to Noirfork, they will be blocked by the Martial God Temple outside the gate.”

“So, no matter how stupid my third uncle is, he would never choose to kill me in this way.”

“If they really want to deal with me, they will only send one or two people to sneak into the hot summer to secretly assassinate me.”

Listening to Mark’s analysis, the old Han on the other end of the phone was stunned: “Little lord, what do you mean is that the target of the Chu family’s actions this time is not you?”

Mark nodded: “80% of it is not. I guess there should be another picture.”

“By the way, what’s the situation with Truman now?”

“The Chu Sect master once returned to the Sect.”

Mark asked in a deep voice.

Old Han replied, “Little lord, I’m about to tell you. A few days ago, the master of the Trumen returned.”

“Now, I am sitting in Chumen Mountain.”

Hearing this, Mark’s face was even more ugly: “Have you come back?”

Mark whispered in a deep voice, and there was a strong jealousy in the words.

Although Mark’s grudge with the Chu family was only a family affair of the Chu family, and had nothing to do with the other two of the Chu family.

However, Mark also had to worry about whether the people of the Chu Clan would intervene in the clan disputes of the Chu Clan once he led the powerful people to kill the Chu family.

Especially this Truman Sect Master, but the most powerful person on the top of the list.

In the world of martial arts, one of the few people who stood at the pinnacle.

He is as strong as Mark, and he has absolutely no confidence that he can take advantage of this master of Truman.

Previously, Adam Han reported that the master of Chumen had not returned to the sect for a year. At that time, Mark was fortunate that he was missing at least one strong enemy he might encounter.

But now, she is back.

This is definitely not good news for Mark. Mark was naturally worried.

“Well, you continue to hide the Chu family first, and inquire about the news.”

Old Han also had very limited information, so Mark didn't ask any more questions and hung up the phone.

After the call ended, the worries in Mark's eyebrows did not dissipate for a long time.

The news of the return of the sect master of Trumen, like a haze, filled Mark's heart.

The existence of this person is undoubtedly one of the biggest variables in Mark's plan.

“If I want to fight against the Lord of Chu Sect, Yun Dao Tianjue must at least cultivate to the fourth level.”

“But in a short period of time, it's not easy to break through a big realm?”
