

Chapter 2401– 2402 of A Dish Best Served Cold Novel

Chapter 2401

“In the defense zone, you colluded with others and abused Qinglong.”

“Now, they have left Noirfork and have nothing to do with you anymore. But you are still reluctant to forgive them, and force them on the road to absolutes.”

“Orell Lin, in your heart, is there really no guilt?”

“You are still the commander of the defense zone at a loss, but you are manipulating authority and embarrassing the juniors. Don’t you have half a sense of shame?”

Below the Tianhe, Lu Tianhe asked with a blank expression on his face.

Senran’s sound, like a sword, sweeps across the square.

Repeatedly asked, even more aggressive.

However, facing Lu Tianhe’s questioning, Orell Lin shook his head and smiled wantonly: “Guilty?”

“shame?”

“The blue dragon is just a bunch of scumbags, a scum in our army.”

“For them, why should I be ashamed? Why should I be ashamed?”

“They deserve it too?”

“It’s you, Lu Tianhe, regardless of right and wrong, good and evil, blindly using these scumbags, you should be guilty, and you should be ashamed!”

Orell Lin’s eyebrows were cold, and his words were also aggressive. But there is no intention of knowing what is wrong at all.

Lu Tianhe chuckled when he saw this, “Since everything is said to the point, there is nothing to say.”

“But I want to tell you that instructor Chu entrusted Qinglong to me, and I, Lu Tianhe, naturally can’t tolerate them half wronged.”

Lu Tianhe sneered, and when he spoke, Lu Tianhe’s steps did not stop in the slightest.

At the same time, the momentum of his whole body is gradually rising.

Perhaps because of the strong pressure on Lu Tianhe, Orell Lin glared at him and said in panic: “Lu Tianhe, what are you going to do?”

“Could you dare to do nothing against this commander?”

Bang~

As soon as Orell Lin’s words fell, Lu Tianhe kicked it out.

Just hearing a bang, Orell Lin had already been kicked out.

With a scream, he fell to the ground and groaned.

“Commander Lin~”

Everyone present was shocked when they saw the scene in front of them.

Han Ping was the first to stand up and criticize Lu Tianhe angrily: “Lu Tianhe, you are so bold!”

“Strong defense zone, how dare you do something against Commander Lin?”

“In your eyes, there are still national laws? But there are military regulations?”

As Han Ping stepped out, Zhu Rong and other officers from the other major defense zones also attacked Lu Tianhe one after another.

“Lu Tianhe, you are so bold!”

“Hurry up and apologize to Commander Lin?”

“Otherwise, don’t blame us, you will be dealt with by military law!”

However, Lu Tianhe turned a deaf ear to everyone’s persuasion.

He lifted his steps and walked in the direction of Orell Lin again.

It seemed that Lu Tianhe was not going to let Orell Lin so easily.

“Instructor Han, I wish instructor, stop him quickly!”

Orell Lin is not a martial artist, so facing the generals like Lu Tianhe, he naturally has no power to fight back.

Therefore, we can only ask Han Pingping for help.

And Han Ping Zhengchou did not have the opportunity to avenge his original revenge, and there is undoubtedly an excellent opportunity before him!

Therefore, Han Ping stood up and stood in front of Lu Tianhe, warning again: "Lu Tianhe, I repeat, this is not your place to go wild."

"Now it's too late to rein in the cliff."

"But if you go your own way, don't blame someone Han, disregarding old feelings?"

Han Ping said coldly, the icy voice echoed everywhere.

Chapter 2402

After that, he didn't wait for Lu Tianhe to answer at all. This Han Ping immediately attacked with a majestic punch and directly slammed Lu Tianhe.

A big battle is about to start!

Bang~

Naturally, Lu Tianhe would not let him attack. After Han Ping took the shot, Lu Tianhe also raised his arm and punched him immediately.

After a loud bang, the two of them both retreated unexpectedly.

He stepped on the ground and took ten steps back in a row.

Lu Tianhe's eyebrows trembled at the moment he met. In the old eyes, a few colors of surprise and surprise flashed.

"Haha~"

"Lu Tianhe, didn't you expect it?"

"Three years ago, my Taijiquan method was not yet successful, so naturally it was not as good as you."

"But now, my Han Ping's cultivation base has greatly increased."

"You Lu Tianhe, if you want to defeat me, it won't be that easy."

“Today, I am determined to double the humiliation I suffered!”

With a sneer, Han Ping stepped on the ground again, and suddenly shot out with a palm.

Soon, he became a group with Lu Tianhe!

“Instructor I wish, Instructor Lan, what are you still doing in a daze?”

“Hurry up and help Instructor Han and catch this rebel together!”

“A heavy defense zone, but he blatantly made trouble, he should be punished severely!”

Orell Lin got up from the ground and urged Zhu Rong and others.

After Zhu Rong and Lan Xing looked at each other, they nodded and rushed forward.

After all, Lu Tianhe’s move today has severely disrupted the discipline of the game. If he is not subdued as soon as possible, they might not be able to play this game.

In this way, Zhu Rong and Lan Xing also rushed over and joined the battle.

With the joining of the two of them, the battle here naturally took on a one-sided attitude.

Originally, Lu Tianhe and Han Ping were basically the same.

Now that the three major instructors encircle Lu Tianhe, with two fists hard to beat with four hands, he will naturally fall into a disadvantage soon.

In the end, Zhu Rong slapped him and hit him for a few meters.

“It’s now!”

As the saying goes, take advantage of his illness and kill him.

Han Ping, who had been waiting for an opportunity, seized the opportunity and immediately stepped on the ground like an arrow from the string, and rushed over.

“Storm Legs!”

With a loud shout, Han Ping suddenly rose into the air. Like a big Peng spreading his wings, he flew into the air, and then kicked his legs fiercely on Lu Tianhe.

Bang bang bang bang~

Han Ping kicked with eight feet, everyone saw Lu Tianhe’s chest dented by the kick, his ribs broke, and blood flew across.

Lu Tianhe vomited blood, and he flew out dozens of meters like a kite with a broken line.

Finally, Lu Tianhe fell to the ground, but he could no longer stand up.

However, even so, Han Ping still didn't mean to let Lu Tianhe go.

After Lu Tianhe fell to the ground, he hit again with a heavy fist, which slammed on Lu Tianhe's back.

Huh~

Lu Tianhe's body trembled suddenly, and blood mixed with internal organ fragments spewed out frantically.

In the end, he was plunged into darkness and completely lost consciousness.

He fell to the ground and passed out.

"Lu Tianhe, Lu Tianhe, this is how you end up fighting with me!"

Han Ping sneered at Lu Tianhe, who looked like a dead dog at his feet, turned his head and left.

Lu Tianhe had already been subdued, and the two instructors Lan Xing and Zhu Rong also took their skills and ignored Lu Tianhe.

Orell Lin, who was kicked by Lu Tianhe just now, ran over and kicked and kicked Lu Tianhe, who was lying motionless on the ground, in a posture of beating a dog.

"Yes~"

"No way!"

"Get up, shoot me again?"

"Even the commander dared to fight, today I will kick you to death!"
