

# Chapter 2407– 2408 of A Dish Best Served Cold Novel

## Chapter 2407

Sure enough, the subsequent development of the game was as Orell Lin had imagined, and the Flying Eagle broke out completely in the next game.

Go through five levels, cut six generals, and reach the finals of the team battle all the way.

Especially in the final battle, when the flying eagles took off the sandbags weighing tens of kilograms tied to their bodies, everyone on the scene trembled.

They did not expect that in the previous battle, the flying eagles were all fighting with heavy loads.

However, even so, they still reached the finals.

Now, when the shackles are taken off, how strong should this Flying Eagle team be?

Everyone dared not think about it anymore.

The Qiongqi team on the platform looked at this scene with panic and tremor.

There is no more suspense in the next development!

When the shackles faded, the overall strength of the Flying Eagles once again ascended to the next level.

In the face of their offensive, the champion team that has dominated this game for nearly ten years, Qiongqi, was ultimately lost and completely defeated.

In the end, the Flying Eagles completely counterattacked, won the championship of the team battle, and created the history of the Noifork defense zone.

But this is more than that.

After winning the championship in the team battle, the members of the Flying Eagle team also performed extremely well in the next individual challenge.

Especially the team leader Lin Fan, who has passed five levels all the way, cut six generals, ten battles and ten victories, like entering the land of no one.

Finally, with an absolute advantage, win the championship of the individual challenge.

Moreover, what made everyone even more shocked was that the Flying Eagles not only won the team championship, even in the individual challenge, the members of the Flying Eagles also swept the top three.

This special forces competition has almost become the only show of Flying Eagle.

With unrivaled aura, they tremble the three armies with their destructive power, attracting the attention of everyone.

“Commander Lin, congratulations.”

“I didn’t expect Jiang Dong to have such a strong team under your leadership?”

“After today, Flying Eagle will be the strongest team in the army!”

“It’s really so-called not to talk, it’s a blockbuster.”

“If you don’t fly, you’ll just fly into the sky.”

“Commander Lin, it is not an exaggeration to say that the Flying Eagles team you lead is terrifying the entire army~”

After three days and two nights of fighting, this military region competition has undoubtedly come to an end.

No one thought that the Flying Eagles, which had been unknown before, won the championship!

After the ranking, Han Ping, Zhu Rong and other instructors all extended their congratulations and congratulations to Orell Lin.

In the face of everyone’s congratulations, Orell Lin was so proud and energetic.

In the end, Orell Lin, representing the Noifork Defense Zone, ascended to the throne of champions and delivered speeches and speeches.

On the high platform, Orell Lin stood with his hands in his hands, proud and energetic.

Orell Lin at this time is undoubtedly standing at the pinnacle of his life and is respected and worshipped by countless people.

He stood proudly on the high platform and looked around until his eyes fell on the dying Lu Tianhe lying on the ground not far away.

Yes, since Lu Tianhe was hit hard, he has been lying here for two days.

In these two days, no one cared about him.

Like a stray dog, lying there, lingering.

Of course, during this period, there were people who wanted to send Lu Tianhe to the hospital for treatment, but they were all drunk by Han Ping, Orell Lin and others.

## Chapter 2408

They had a gap with Lu Tianhe long ago, and Orell Lin was almost killed by him. Therefore, he naturally hates him, and naturally will not let people save him, but let him watch and watch his Flying Eagle team, how to reach the top of glory! “

“Lu Tianhe, how?”

“At the beginning, in the defense zone, you called me and the military commander, ignorant and stupid.”

“But what about the result?”

“The Qinglong team in your mouth is not even qualified to participate in the game.”

“And my flying eagle has reached the top, and the three armies have won the championship.”

“After today, Feiying will be the number one in the army!”

Below the Tianhe, Orell Lin was full of spirits, and looked down at the dying Lu Tianhe in the distance.

The corners of his mouth are curled up, how rich is the smug color on his face?

Like a general returning home in a triumph, he is glorious and arrogant.

However, at this bright moment of Orell Lin, a sneer came from outside the defense zone.

“A group of ants and mice dare to make false claims that the three services will win the championship?”

Huh~

The cold wind rustled three thousand fallen leaves.

At the moment when these words fell, the noisy and lively Jiangbei defense zone suddenly became quiet.

Afterwards, an incomparably majestic and murderous air swept the entire defense area like a storm.

Many of them trembled unconsciously.

“This this..”

“What’s wrong?”

“what happened?”

Just when everyone was panicked, they heard a loud bang and the sky shook the sky.

Afterwards, the gate of the steel-poured defense zone was kicked open by someone directly.

Between the iron filings, a thin young figure appeared in front of everyone.

However, at the moment when he saw this person, on the high platform, Orell Lin, who was originally energetic, immediately changed his color: “Mark?”

“Why is he?”

“This bastard, how dare to come here?”

In the Flying Eagle team, Lin Fan and others also trembled and surprised.

It was Lu Tianhe, who was dying on the ground. The moment he saw Mark, his old eyes burst into tears unconsciously.

He stretched out his hand hard and screamed sadly in the direction where Mark appeared.

“Chu...Instructor Chu...”

In just a few words, it almost exhausted Lu Tianhe’s life’s strength.

“General Lu?”

“What’s wrong with you?”

“How did you become like this?”

At the moment when Mark led Qinglong into the Jiangbei defense zone, Denren Ye and others saw Lu Tianhe dying.

Panicked, the Qinglong people immediately ran over, and they were angry and worried and helped Lu Tianhe up from the ground.

After seeing Lu Tianhe's injury, Denren Ye's eyes immediately turned red.

"Teacher, who hurt you?"

"who is it?"

"The student will definitely not let him go."

Denren Ye said with red eyebrows and angrily.

However, today's Lu Tianhe was seriously injured, even if he opened his mouth, he didn't seem to have the strength to make any noise.

"Denren Ye, you group of bereaved dogs, dare to come back?"

"It seems that the lessons I taught you before are not enough!"

"I advise you, while we are in a good mood, get out as soon as possible."

"Otherwise, the ending of this old thing will be the final destination of you guys!"

At this time, Lin Fan's contemptuous laughter came not far away.

Before, before joining the Flying Eagles, Lin Fan might still be a little bit afraid of Denren Ye.

But now, their flying eagles are already the strongest in the entire army, and they are naturally fearless against dogs such as Qinglong.

Now he came out directly and provoked Denren Ye and others!
