

Chapter 241

In the eyes of everyone's expectation, the old lady announced in a loud voice: "Chenchen is a exiled child from Fengbei. From today on, his name will be changed to Li Qichen and he will be on the Li family tree!"

It turned out to be this.

Li Fengbei has already told her about this, and she is psychologically prepared.

In this way, Chen Chen's identity can be regarded as real.

She felt very uneasy, as if Chenchen would leave her at any time.

At this time, a warm hand stretched out, holding her hand, silently to encourage her.

Wen Qiao a Leng, turn a head, toward Li Feng North tiny smile.

Suman saw the interaction between the two people and broke another nail.

What a good thing, this bitch gave birth to a son to him quietly!

Why did that woman give birth to a daughter, not a son, five years ago?

Why isn't Ann a son? God is so unfair to her!

The shrewd eyes of the old lady narrowed slightly, and fell on their clenched hands. It seemed that she didn't find something for them. She was sorry for her status as the old lady of Li family.

"Well, that's one thing, and one more thing."

"The two children are still young and can't be taken care of without their parents. Fengbei is busy on weekdays and naturally can't take care of the children."

"I mean, the mothers of the two children, Suman and winjo, are moving into the castle from today on, taking care of their own children

Wenjo almost lost his chin, and was in a hurry.

She didn't want to live under the same roof as Suman, and she didn't want to bring Ann.

"I don't agree!" She didn't think so much and just stood up.

Li Fengbei also frowned and refused: "grandma, Qiao Qiao takes good care of An'an. You don't need to worry!"

"Shut up The old lady stabbed lifengbei with hatred, "you are not qualified to refuse! I'm doing it for you! "

The old lady rubbed her eyebrows, looked tired, and finally said, "this is settled! I'm tired. I'll go back to my room first. Take your time! "

Li Fengbei's eyes sank and he stood up, "grandma, I don't agree with this."

The old lady stopped and looked at him fiercely.

She was not far away from Li Fengbei. She twisted her crutch and waved it towards Li Fengbei.

Today, her perfect grandson, for the sake of that woman, repeatedly angered her and made her very dissatisfied.

Li Fengbei could have dodged, but if grandma beat him, he could change his decision. He decided to take the stick of her old man.

However, the crutch didn't fall down and was caught in mid air by a tiny hand.

The crowd looked at winjo in dismay.

This woman is so brave that she even dares to stop the old lady's crutch?

Wen Qiao a Leng, just reaction come over oneself urgent under what did.

She quickly released the old lady's crutch, stepped back, bowed deeply and bowed, "old lady, I'm sorry! I didn't mean to stop you! But please take it back. ANN, it's me..." I'll take care of the children myself.

However, before her words were spoken, Li Fengbei tightened her hand and interrupted: "grandma, we won't agree with this! No matter how many times you say it, I won't let other women live in my castle."

Other women!

Suman seemed to hear the sound of heartbreak, her self-esteem was once again ruthlessly trampled under the feet of Li Fengbei.

She's another woman. Is wenjo his woman?

A sour nose, eyes full of crystal tears, but just right to bear, did not let the tears fall and gaffe.

"Miss wenjo, I know you have a big opinion of me! Now that I am divorced from my marriage in Fengbei, I know that there is no possibility between me and him. But An'an is my daughter. She is my child born in October!

You can't be so cruel as to deprive me of my rights as a mother

"Fart!" Wenqiao looked at Suman's shameless appearance and said something rude.

This superb acting can win an Oscar.

She almost believed it.

Does she know what a near death is?

Five years ago, she was lying on the delivery bed, watching her newborn daughter being carried away. She was so excited that she suffered massive bleeding and almost died.

She said, "do you know what a near death is? Do you really know the danger of having a baby? Ann is my child and has nothing to do with you!"

She was telling the truth, but no one believed it.

Li Feng North picked pick eyebrow peak, unexpectedly looked at Wen Qiao.

I didn't expect that she, who has always been weak, would dare to confront the old lady and confront Suman face to face. It seems that his woman is really getting stronger step by step.

Of course, for Wenqiao's saying that Ann is her child, he only thinks that Wenqiao loves ANN as her own child. The fact is so shocking that they don't even think about it in this direction.

Seeing this, Mrs. Li's frown could kill a fly.

"Wenjo, what are you talking about? You are in a hurry to be the mother of my children before you enter my Li family?"

"No I..." Wenjo was eager to explain, but found it so powerless.

How can this be? Why don't people believe her?

Five years ago, she didn't know what was going on. How would she explain to you that Ann was her daughter?

When Suman heard what winjo said, she always felt that something was wrong, but she couldn't figure out what was wrong.

"Mrs. Li, please allow me to say a word! I don't think it's any use arguing about who should take An'an here! An'an is the person concerned, and she has the right to appoint who will take care of her."

Wen Qiao looked anxiously at An'an and said, "An'an, who do you want to take care of you? You can take care of anyone you want. You can say it with confidence."

She felt that Ann would choose her. After all, she knew that Suman would beat her children. Ann must be afraid of Suman and would not choose her.

However, it was doomed that she would be disappointed.

Ann's big eyes looked at Suman and then at winjo.

Small hands tangled together.

Suman and Ann looked at each other, frowned slightly and winked at her.

Ann's little body shrunk to the nanny's arms for a moment, and opened her mouth expectantly, "I want to Mommy, take care of me"

"What What?" Wen Qiao's heart sank and looked at An'an incredulously.

She forgot that in the world of children, even if the parents are not good, it is an irreplaceable existence in their minds.

There was a news that a little girl who was only a few years old was beaten by her mother for a long time. When she was finally killed, she still opened her hands to hold her.

Suman smugly hooked his lips and held out his hand to the baby sitter, looking like a loving mother.

"Come on, Mommy"

Wenqiao watched Ann nestle in Suman's arms, unable to tell what it was like.

Chapter 242

Ann thought that Suman was the one who gave birth to her. Suman's affectionate words just now were not for others, but for Ann.

She's too confident.

Li Fengbei looked at her with her head down. She looked sad and couldn't bear it.

"Ann, come to Daddy!" He picked up Ann and looked at the old lady, "grandma, Ann didn't have her mother to take her before, and I also took her very well, so I don't need to do anything else?"

Old lady Li gave him a disgruntled look: "smelly boy, you just protect Wenqiao. I tell you, if you don't let Suman move to the castle today, I will never admit Wenqiao's identity. You can do it yourself!"

After that, the old lady left the restaurant with the help of housekeeper Hua.

Wenqiao frowned slightly. What did the old lady mean by that?

Beyond words, is As long as she has passed this pass, she can stay at Li Fengbei's side?

Think of this, eyebrow suddenly jump, a glimmer of joy flashed in my heart.

Li Fengbei looked at her expression of frowning and thinking. He thought she felt aggrieved, so he argued: "grandma, I won't agree with Suman to live in the castle. If you have to do this, I have to take Joe out to live."

Before he finished, he was held by a small hand.

Wenqiao was moved and gave him a firm look. "Li Fengbei, I promise."

At least he was facing her at this time, the only one who cared about her thoughts.

He is arguing for himself. How can she do nothing?

"What?" Li Fengbei looked at her in surprise. Her deep eyes sank. "You don't have to hurt yourself for me!"

Wenqiao shook his head slightly and said with a smile, "I won't be wronged."

As long as can stay in your side, as if she will not feel aggrieved.

She looked at the old lady's back and said in a loud voice, "old lady, I'll do it! I'll prove it to you!"

The old lady had a hunchbacked figure.

She didn't look back, but the corner of her lip drew a very shallow arc, almost inaudible.

.....

On the second floor, the old lady sat down in her exclusive rocking chair, closed her eyes and looked tired.

Now she's not getting better and better. After all, she's getting older. She didn't pretend to be tired just now when she was in the restaurant.

She usually insisted, but she wanted to stay in town for a few more years.

If she is alive, those people will not be able to stir up any storm. When she is gone, I don't know what storm the Li family will be stirred up by them.

The flower housekeeper brought her a glass of warm water, and a clear smile crossed her face: "old lady, you just made such a decision. It seems that you made miss Wenqiao feel bad, but actually you are helping her!"

The old lady took the tea, sipped it slowly, looked out of the window at the distant sky, and sighed heavily.

"As long as I think of the past, I feel sorry for the child!"

"Old lady, I said I would not mention it later. How can I think of it again?"

The old lady sighed again, "the child of the Baron It's been a long time since he came to see me. Even today, he won't come! "

Flower housekeeper comforted: "old lady, master will understand your mind."

The old lady waved her hand, her face even more tired. "Don't say that. I used to comfort myself like this! As you can see, it's been more than 20 years, and he still hasn't been able to forgive me, and he hasn't been able to get out of what happened in those years! "

"He was smart, modest and steady, and I ruined his life! In my heart It's hard

If she had not forcibly separated mingjue from the child, and forced him to marry Li Fengbei's mother, he would not have become a walking corpse.

Li Fengbei was not as young as he was. He had to bear the pressure of the whole family.

Flower housekeeper does not know how to comfort her, after all, there is no regret medicine in this world.

With a smile, she shifted the heavy topic: "don't worry, old lady! I see, miss Wenqiao understood what you mean. I think she is a child with delicate mind and penetrating heart! Isn't the young master in need of such a warm-hearted person to accompany him and take care of him? "

The old lady moved her lips. "I've given her the chance. It depends on how she uses it."

His grandson is the dragon and phoenix of human beings. He was born to be extraordinary.

At the same time of enjoying privileges, they also encounter more difficulties and setbacks than ordinary people.

If you want to be his woman, if you can't keep pace with him, you can only live under his protection.

.....

The old lady originally wanted to leave the children in the old house. When this happened, she changed her mind and asked them to take the children home.

Li Fengbei and Wen Qiao take Chenchen and An'an back to the castle in the same car. Su man is the driver of the old house. He takes her back to Su's house and prepares to move to the castle in Lifengbei.

The children are tired of playing and have fallen asleep in their arms.

Li Fengbei holds Chenchen in his arms and looks out of the window. He looks unhappy and unwilling to pay attention to her.

Wenqiao thought for a moment, and then stretched out his middle finger to scratch the back of his hand. "Li Fengbei, are you angry with me?"

Her careful touch fell on the back of his hand, which was itchy. His hand trembled, and the itch seemed to reach the bottom of his heart.

Wenqiao saw his sensitive reaction in his eyes and found it very interesting. She scratched it again and teased him deliberately. "Li Fengbei, you talk."

Li Fengbei's well-defined handsome face couldn't put on any more. He turned his head quickly and glared at her fiercely. "Who asked you to promise grandma to let that woman Suman live in the castle? I don't like people living in my territory!"

His sense of territory is the strongest, not his people, he can't stand others swaggering in his territory.

"I didn't mean to! Besides, I don't want to!"

Her soft and waxy tone sounded like coquetry. "Well, you know, in that scene just now, if I don't agree, maybe the old lady will drive me away. I don't want to separate from Chenchen."

"That's it?" Li Feng North picked pick eyebrow, face still some hair heavy.

Wenqiao's face turned red, his eyes dodged and said shyly, "of course, I can't bear to leave you!"

"That's about it!" Li Fengbei's tight jaw line immediately stretched and relaxed, and even raised his lips happily.

He hugged Chenchen with one hand, put the other hand around Wenqiao's slender waist, and lifted her to his side. "What are you doing so far away from me? Come closer."

Chapter 243

"....." Can she say no?

Two people each holding a child, so close to do?

Heating in hot weather?

Although reluctant, but still slowly moved to his side, two people finally together.

Li Fengbei is finally satisfied. He looks down at her coquettish appearance, and his heart moves.

The sexy Adam's apple rolled up and down, and her eyes narrowed unconsciously.

Some familiar commotion in her body was easily aroused by her eyes.

Li Fengbei suddenly felt that the bun in his arms was in the way.

He secretly gritted his teeth. If it wasn't for his own sake, he would have thrown them out of the car.

When I get home, it's 9 p.m., which is neither too late nor too early.

When I opened the door, the two buns woke up at the same time.

It was an hour later when wenjo came out of Ann's bedroom and gave them separate baths.

She came out of An'an's room, and Li Fengbei just came out of the innermost study in the corridor. They looked up at each other at the same time.

As long as the right person, even a look, can cause a spark.

For the man's naked eyes, Wenqiao's heart is tight, thinking of the unfinished things in the old house, suddenly some fear.

They don't seem to have been intimate since she kicked him there last time.

She remembered that Li Fengbei could only approach her, so she was forced to stay by her side.

This matter, she always very mind, she is afraid of Li Fengbei, because of this, just treat her differently.

Because of this, venjo doesn't want to have a relationship with him too easily.

She hoped that he liked her purely, not for this.

If Li Fengbei knew what she thought, she would vomit blood.

He's not Liu Xiahui. He plays abstinence.

She took a long step toward her, pinned a strand of broken hair on her cheek behind her ears, and asked, "are the children asleep?" in a low voice with a subwoofer effect

Two people clearly what happened, each other's body has no secret, but he just that action, unexpectedly let Wenqiao's heart thumping.

She shook her head and scolded herself, "not yet. I'm reading a storybook."

Finally, she explained, "they both took a nap just now. I don't think they will fall asleep so soon."

"Well."

Li Fengbei looked at her reddening earlobe. Under the light, she could see the little hair on the tip of her ear clearly.

The purr of the articulated roll is especially clear in the silent corridor.

Wenjo was stunned for a moment, and his heart beat faster.

The night is as cool as water, and the atmosphere is so ambiguous. Wenqiao is worried that if they look like this again, they may not know what will happen.

In a hurry, she made an excuse, "I I went to take a bath! "

Wen Yan, Li Fengbei's deep eyes glided a touch of deep, looking at her eyes become hot, "well."

Wenqiao was stunned.

Always feel His word "um" is definitely not literal.

No matter, or run!

Wenqiao turns to go to the guest room to take a bath, and then goes to An'an's room to sleep with An'an, but Li Fengbei grabs her arm.

"Wait a minute, I'll give you something!"

He took out a diamond necklace and put it around her neck.

Wenqiao a little confused, "why should I wear a necklace?"

There was an unnatural flash on Li Fengbei's face, and his earlobe was slightly red. He was slightly annoyed and said, "woman, can't you have a little romantic cells? I'm giving you a present! "

Although he did not give gifts to other women, Mu Junhao has many women.

Every time Mu Junhao gave them a gift, they would happily kiss and hug each other and take the initiative to give it to them. How did they get to her?

"Ha?" A flock of black crows flew over wenjo's forehead.

It's hard to be so proud and charming to give a gift.

"But Why did you send me a present? "

Don't gifts come under specific circumstances? Who has nothing to give presents all day?

Li Fengbei frowned suspiciously. What's the fool's question?

"Isn't it your birthday?" he asked

"Who told you today is my birthday?" Wenqiao rolled his eyes and blurted out, "isn't today your birthday?"

Smell speech, Li Feng North eyebrow heart suddenly a pick, "today what date?"

"May 29! Don't you even know what your birthday is? "

"....." It's really his birthday.

So is the cake she made for his birthday?"I don't usually have a birthday." He lowered his eyes, and his long eyelashes blocked the darkness that flashed past his eyes.

"Ah? Why? " Wenqiao doubts. She remembers that when she was in the old house, the Li family did not celebrate his birthday.

She thought the old lady had asked them to go to the old house for his birthday.

Don't even his family celebrate his birthday?

Li Feng North pulled to pull the corner of the mouth, don't want to talk more, "nothing."

"Wenjo, will you celebrate my birthday with me every year from now on?"

Wenqiao was slightly stunned.

Does he look down because of some bad memories?

Wenqiao suddenly had a feeling of heartache in her heart. She didn't ask him why he didn't have a birthday. Instead, she raised the corner of her lip and gave him a bright smile. She said, "OK! I will accompany you in the future!"

Only she knew how serious she was when she answered.

Li Feng North heart next move, can't restrain the bottom of the heart tumble emotion, a button her chin, bow hard kiss her lips.

In addition, I wanted to eat her in the old house today, and I couldn't help it now.

His hands follow her soft spine all the way down

At this time, an unintelligent voice suddenly sounded at the stairway.

"Young master Well, I don't see anything. Go on!"

Wen Qiao's face turned red. He pushed away Li Fengbei and ran into the guest room with his face covered.

Today, this is the second time that she has been seen with Li Fengbei

I'm dying!

Li Fengbei was very upset. The food he wanted was gone.

Seeing that housekeeper Lin was pestling with a wooden stake, he was even more angry.

He narrowed his eyes and said coolly, "housekeeper Lin, you paid for the honor of gold medal housekeeper, didn't you? What's so surprising is that the sky has fallen down?"

Steward Lin's face showed a trace of shame, but now things are more like the collapse of the sky.

He bowed and said, "young master, Miss Suman, with her luggage, said that she would live in the castle for a long time. What do you think we should do about this?"

Who doesn't know, the young master and miss Wenqiao have been mixing oil and honey these days.

How dare Suman make the decision when he comes here now?

Chapter 244

Miss Suman also said that she was asked by the old lady to live in and take care of ANN.

This He can't be the master any more.

But he thought that the young master would not let Suman in.

However, it was more than his accident.

Li Fengbei just twisted his eyebrows and then showed a meaningful smile. He looked a little cheap.

“Let her in!”

“Why?”

Housekeeper Lin stayed for a few seconds, as if he couldn't react.

Li Fengbei looked at the closed door of the guest room opposite him, with a wisp of interest on his face.

“In the future, Suman and Wenqiao will enjoy the same treatment.”

Thinking of her clever appearance, shrimp peeling and food feeding in the old house, he thought bitterly that her jealous appearance was really lovely.

At the beginning of their relationship, he forced her and he didn't care about her. Now it's not easy to let her be jealous and care more about him when she is enlightened.

Wenqiao with his back on the door, small hands covering the hot cheek, a heart beat fast.

Mingming made up his mind not to have sex with him.

But But just now She was in love too

Her face is so hot that she needs to wake up.

Pour cold water on your face and look at yourself blushing in the mirror.

On the white neck, a red jewel Necklace refracts a bright light under the white weaving lamp, which is dazzling and beautiful.

She couldn't help reaching out her hand and rubbing it gently.

I didn't see it clearly just now, but now I see it clearly.

Did you think the necklace was a little familiar just now? It turns out that it is the same color as the gem on the ring. Even the style shows that it is the same series.

She heard Su Qingqing say that the ring was a token of love between the president's wife and the president, so the necklace must not be easy to get.

“Poof

She burst out laughing in the mirror.

This awkward man always likes to do something silently, but he is not good at expression.

He is so confident. Can she understand what he does?

I suddenly want to say happy birthday to him

Today, she made him a birthday cake, but never said happy birthday to him.

She looked at the wall clock.

It's 10:30 in the evening. There's still time.

Winjo wiped the water off his face and opened the door with joy. However, seeing the people standing in the corridor, the joy on his face collapsed in an instant.

A woman was leaning against the door of the master bedroom.

Suman wears a long skirt with a high waist and a flaming red color. She leans by the door with enchanting posture. Her voice can give people goose bumps.

"Fengbei, I was in the old house today. I said I would celebrate your birthday, but I didn't have a chance to say it! Is it too late for me to deliver the present?"

Wenjo noticed that she had a delicate blue box in her hand.

Although we can't see what it is, the things that Suman sent out must be selected by thousands.

She narrowed her eyes and closed the door quietly, leaving only a gap, waiting quietly for the response to the door's fierce sealing.

The next second, Suman walked directly into the bedroom and closed the door.

Wenqiao's heart cools down and he pinches his fingertips subconsciously.

Li Fengbei and Suman What are they doing?

How is that possible? Why?

He clearly told her that they were just cooperative.

Did Li Fengbei coax her and cheat her?

Her heart was cold at the thought.

She is very clear in her heart that most of these two people will not have anything to do, but women in love always lack a little sense of security, and are easy to think wildly and lack self-confidence.

Being stirred to the heart of passion, the moment is cold down.

Master bedroom.

Li Feng took a bath in the north, only surrounded a bath towel in the abdomen, then hurried out of the bathroom.

He just flushed the cold water for a long time, and then he finally flushed down the heat in his body. But as soon as he thought of Wenqiao's bright red and angry little mouth, his body could not help heating up.

He is not Liu Xiahui. Why do you want to live such an ascetic life?

After being a vegetarian for too long, he couldn't wait to catch her in order to make up for himself.

But as soon as he opened the bathroom door and looked at the woman sitting beside his bed, Jun's face was obviously stunned, and then his face was so black that he could drip water.

“Who let you in?”

Men’s blue eyes make people afraid, but they also make people palpitating and heart beating faster.

Suman stared at him, his eyes moving with a naughty drop on his chest.

The wheat skin looks healthy and strong, the beautiful eight abdominal muscles are neat and smooth, not ferocious, and the thin muscles on the arm show the beauty of strength. Think of some limited level pictures, Suman a burst of dry mouth, the whole person is hot up.

This man is so excellent, not only his family is first-class, but also his appearance and figure are superior.

Even if she is a woman who has been held by men for a long time, kneeling and licking, in the face of such a perfect and sexy body, she can’t help but want to worship.

Only a man like Li Fengbei, who is different and dignified, can be worthy of her and arouse her desire to conquer!

Suman shook his shoulders and pulled down the lace on his shoulders.

“Fengbei, I’m here to give you a gift. How can you say that in such a tone? People will be sad, too!”

Li Fengbei looked at the white in front of him, and gradually narrowed his eyes. His narrow eyes were shining with a touch of risk.

It is undeniable that Su man is beautiful, and the national film queen is not in vain.

The white skin is like a newly shelled egg. The swan neck is elegant and looks noble and beautiful.

Unfortunately, no matter how beautiful it is, it is no different from the white meat on the chopping board in his eyes.

When Suman saw him staring at his chest, he thought there was a play. He was very happy.

While opening the gift, he leaned over and rubbed his arm intentionally or unintentionally.

She doesn’t believe it. She’s all in his mouth, and he can sit still!

“Fengbei, for this bow tie, I specially went abroad to buy this brand, and then designed and made it myself. Do you still like it?”

Li Feng drooped his eyes in the north, and his eyes fell on the blue bow tie. There was a flash of something in his eyes.

“Thank you, Miss Su, for putting it on the cabinet.”

Does that mean accepting her gift?

Su man was very happy and carefully put the gift box on the low cabinet. When he turned around, he sprained his feet and gasped, “ah...”

“.....” Li Fengbei looked at her condescensively. His eyes lingered on her deliberately exposed chest, and his eyes were full of interest.

He looked her in the eye and knew what she wanted to do.

His black eyes are extremely sharp, as if to see through people.

Suman trembled at the top of his heart. Holding up his hands awkwardly, he got up from the ground and said in a delicate voice: "Fengbei, you see, it's too late now. I We... "

Chapter 245

As soon as the eyes of Suman's amorous feelings turned, the next second, the soft posture fell down on Li Fengbei's body like no bones, "Ouch!"

Li Fengbei watched her play coldly. When she turned over to him, she dodged away perfectly.

"Miss Suman, are you all right?"

Suman couldn't stop her strength and fell to the ground.

Li Fengbei was condescending and looked at her suspiciously. "I've received the gift. Miss Su, can you go now? This is my bedroom

This is the second time that she fell in front of him this evening. He really didn't care about her feelings at all.

"Li Fengbei, you are merciless!"

Suman's face was blue and white. He could no longer endure such humiliation and ran out with his face covered.

I opened the door and almost ran into the man at the door.

As soon as Wenqiao was about to knock on the door, a figure bumped into her. She was so scared that she quickly dodged to avoid the tragedy of the collision.

Wen Qiao opened his big eyes and looked at the woman in front of him strangely, "you What's the matter with you? "

Her clothes were messy, her hair was in a mess, her eyes were red, and she looked like she had been bullied. She had to wonder if they had done something restrictive just now?

Of course, if she didn't know that Suman liked lifengbei and was hopelessly fond of it.

If Li Fengbei really did something to her, she felt that Suman had to ask for it. How could she escape?

It is said that the woman in love is Sherlock Holmes, and Wenqiao feels that he has become smart.

I'm in a good mood to think about it.

When Suman heard winjo's voice, the whole body gave a pause.

She put down her hand, pulled her messy hair, deliberately pulled the shoulder strap down a little more, and took a step towards winjo.

The speed of changing face made winjo gape.

It seems that she was not the one who was in such a mess just now.

Suman with height advantage, hands ring chest, with momentum rolling Wenqiao.

“What do I look like? Is that the way to ask? Is my appearance not obvious enough? Of course we did what we love to do!”

“.....”

Wenqiao was embarrassed and tried to hold back his smile. At this time, he laughed at others for being unkind, “that I’m afraid we can’t even plug our teeth in the last few minutes with our ability to seal the north with force!”

“You Suman responded to what winjo said. The delicate little face was like overturning the palette, blue and white.

If it wasn’t a castle, or a place where she could be presumptuous, she would have torn the innocent face of winjo.

“Wenjo, you are so shameless

She gritted her teeth in anger and gave a cold hum. As she passed by, she deliberately bumped winjo on the shoulder.

Wenqiao looked at her back and turned her lips. She was in a good mood.

At the beginning, she saw that Su man entered Li Fengbei’s bedroom. She was really a little sad and sad. As long as she thought that something might happen to them, her heart pricked.

She felt that instead of hiding here like an ostrich, she should go and knock on their door and see for herself what they were doing?

If she saw that they were really doing that kind of thing, she would make a clean break with Li Fengbei.

Of course, if nothing happened, she was just thinking, and she didn’t want to misunderstand Li Fengbei.

She prepared for the worst and summoned up the courage to knock on the door, but before she could knock, she saw Suman running out with her face covered in tears.

It seems to be out of the question!

Wenqiao’s mood suddenly turned from cloudy to sunny. She hummed twice, but she didn’t knock on the door. She turned back to the guest bedroom and was ready to take a bath and sleep.

However, looking at the empty washroom, she had some silly eyes.

All the toiletries were confiscated and there was nothing in the room.

.....

The room that housekeeper Lin arranged for Suman is in the guest bedroom on the third floor.

Suman pushes the door open and throws the shoes out directly. She grabs a vase nearby and raises her hand to throw it out. However, Shengsheng holds back, grabs the vase's fingers and turns the knuckles white.

Everyone lives on the second floor. The master bedroom of lifengbei is also on the second floor, but she is alone on the third floor, the farthest place from them!

Thinking of Wenqiao's provocative words just now, Meiyan's facial features are distorted because of their ferocious expression, "Wenqiao! bitch! bitch! Die for me

Why does such a good man occupy and enjoy her every day? What is she?

Thinking that Wen Qiao might scream under Li Fengbei every day, she wants to go crazy jealously.

No way! She can't be so passive anymore! She must seize this opportunity!

Forcing herself to calm down, she took out her cell phone and made a call.

As soon as the phone was connected, she could not wait to shout: "sister LAN, help me find her! I want to find that woman! ""Miss, what's the matter? Please speak slowly. Who do you want me to help you find?"

At the other end of the phone, a 40 year old woman with a simple and capable ponytail, said this sentence, she pushed the black frame glasses on the bridge of her nose, looking smart and capable.

It's just like the woman who took an an in the delivery room five years ago.

At that time, she was just a servant who took care of Suman. She had no education and no background. However, she was promoted because she had done that for Suman five years ago, and went abroad to be the manager of the overseas business department.

"The woman who gave birth to Ann five years ago!" At the end of the phone, Suman's beautiful eyes were full of reluctance and ridicule. "Li Fengbei can't touch other women except Wenqiao? I'll find him one he can touch! "

"Yes, miss."

After hanging up, Suman's suffocated heart finally felt better.

Find that woman, even if you can't do something, give Wenqiao that Slut add plug!

The cruel and vicious eyes swept around the room, and at last they hooked their lips evilly.

She took a silk nightgown out of her suitcase, turned and went downstairs to Ann's bedroom on the second floor.

Ann just had a sleep in the car. She was a little excited. The maid was sitting on the bed telling her a story.

"Ann, did you sleep?" Suman opened the door with a smile on her face.

"Mommy..." Seeing the woman at the door of the room, Ann's face changed, and a flustered look flashed through her clear pupils.

When the maid saw Suman, she immediately put away the story book, climbed down from the bed and stood on one side tremblingly, "Miss Suman."

Suman looked at her. "You go down!"

"Yes." The maid did not dare to stay any longer, and hurried out of the room.

She was so afraid of Suman that when Ann held her by the corner of her coat, she brushed her away.

Ann trembled and was afraid. "Don't go..."

Suman walked towards Ann and said with a smile, "Ann, what were you playing with the servant just now? How about Mommy playing with you?"

Chapter 246

Ann subconsciously stepped back. When she was alone with Suman, she was subconsciously afraid.

Only when there are outsiders together, Mommy is gentle. When she is alone with her, Mommy will become terrible.

As long as she is not happy, she will beat her, pinch her, scold her!

Why is she not a son but a daughter?

Suman saw Ann's reaction in his eyes, and a trace of unhappiness flashed in his heart. But he soon converged and said with a flattering smile, "Ann, thank you for talking to mommy in the old house today!"

Wen Yan, an anxiously lowered her eyes.

It's not that she didn't see Aunt Wenqiao's expectant eyes. Aunt Wenqiao was so kind to her that she didn't listen to her.

But Aunt Wenqiao is Chenchen's brother's Mommy. She also wants Mommy. She doesn't want daddy to forget her and Mommy, so she chooses Suman.

When she came back, she felt guilty all the time. She felt that she had betrayed aunt Wenqiao.

Usually she would pester aunt Wenqiao to read her bedtime story, now she has no longer dare to face aunt Wenqiao.

"Ann, why don't you talk?" Suman sat down beside her, did not find anything wrong with her expression, eyes turned, a plot came to mind.

"Ann, can't you sleep? Don't you want to sleep alone?"

Ann nodded hesitantly, "well."

"Will you sleep with daddy?" Suman suggested.

Wen Yan, an's eyes brightened, "can I?"

She just didn't want to be alone in a room with Suman. She was afraid of Suman in her heart.

In fact, her feelings for Suman are very contradictory, that is, she hopes that she won't be left behind by her father, and she can't get close to her, even she is afraid of her.

She can't feel the warmth of her mother in her body, and there is no smell of her mother in her body.

Suman patted her on the shoulder and looked like a loving mother! Why don't you go to daddy's first and let mommy come with you later? "

"But..." Ann was a little embarrassed. "Daddy won't allow you into his room."

The expression on Suman's face was momentary.

Little bitches! Sure enough, it's not that I'm not familiar with it. I'm just like that bitch Wenqiao, who satirizes her about it!

If it wasn't because she had some use value for herself, she would have strangled her!

As soon as Suman's mouth shriveled, he suddenly choked with grief. "Ann, even you don't think Mommy is useful. Can't you get daddy's favor?"

Ann saw her mother crying and explained in a panic, "Mommy, that's not what I mean..."

Suman wiped his tears, hugged Ann and coaxed, "Mommy, it's just you now! Ann, you heard that at the old house just now. Chenchen is Wenqiao's child. If daddy drives Mommy away, you will be alone! Wenjo is good to you now. When she marries your father later, she will drive you away

As soon as Ann's face changed, she clenched her little hand and subconsciously explained to Wenqiao, "Mommy, aunt Wenqiao won't be like this..."

"What do you know?" Suman was upset and said, "you're just a little big now. What do you know? You are a child born in October by mommy. Can Mommy harm you? "

The more she said, the more excited she was. Ann was embarrassed. She held the pink sheet tightly in her little hand and hung her head down. "Mommy, I'm wrong!"

Suman hooked his lips with satisfaction and continued to coax, "Mommy is very poor. Now only you can help Mommy! Ann, it's Mommy, please, OK? Why don't you help Mommy? "

Ann is so young that she can't resist Suman's continuous coaxing and deception.

She immediately softened, "Mommy, don't cry. I'll listen to you. I'll go to daddy's to sleep now!"

"This is Mommy's good boy!" Suman finally broke tears into a smile and asked uneasily, "do you know what to say?"

Ann tilted her head and thought, "well, I said, I want to sleep with daddy and Mommy."

"Good boy! That's it. You'll make daddy happy first, and then you'll find a chance to put it forward. Remember? "

Ann hesitated, nodded, "remember."

"Go

With her little pillow in her arms, An'an went to Lifengbei's bedroom.

"Daddy, can I sleep with you tonight?"

As soon as Li Fengbei looked up, he saw his baby daughter holding a small pillow with big eyes and looking at herself stupidly. He was shocked.

He quickly pulled the quilt, covered his bare chest and put on his nightgown.

His daughter is old. In front of her, he should pay attention to her image.

Usually An'an doesn't appear in his room rashly. Why do you suddenly ask for such a request today and want to sleep with him?

For his daughter's request, he has always been difficult to refuse, but at this moment, he has some hesitation. He plans to enjoy "desserts" this evening. It seems that the "desserts" that come to his mouth can only be ruined.

He waved to ANN with a smile, "come on, baby, come here!"

Ann happily climbed to bed, put her arms around his neck and gave him a sweet kiss on the face.

"Daddy, will you tell me a story? I can't sleep without a story

Tell a story?

Li Feng North thinking, suddenly suddenly in front of a bright, "right! Tell a story! Why didn't I think of that?"

Ann didn't know, so she looked at him suspiciously, "Daddy, what are you talking about? What's the trick?"

Li Feng turned his eyes to the north and coaxed him into saying, "Ann, daddy can't tell a story. Go to the opposite room and ask aunt Wenqiao to tell you a story, OK?"

An'an's eyes flashed a ray of light, but thinking of Mommy's advice, the light went dark again.

"Forget it, I'll let mommy come and tell me?"

"No way!" Li Fengbei refused without thinking about it. "Your aunt Wenqiao tells a good story. Your mother can't tell a story!"

Ann tilted her head and thought about it, as if it was true.

Mommy never told her a story or coaxed her to sleep.

She still likes aunt wenjo!

So, the little baozi, who was good at cajoling, really ran to Wenqiao after listening to Li Fengbei's words.

Wenqiao hasn't bathed yet. Seeing An'an appear and pull her to Li Fengbei's bedroom, the whole person is a little confused.

"Ann, you want me to tell you a story here?"

She quietly raised her eyes and looked at the evil man lying on the bed.

The man's black eyes fell on her, as if she was something delicious, and could come up and eat her at any time.

Wenqiao has a pimple all over her body. She can't tell a story as if nothing happened under such eyes!

"Ann, why don't you Go to your room. Shall I sleep with you tonight? "

Ann shook her head. "No, Mommy's in my room."

Wenjo frowned, and Suman was in Ann's bedroom?

Since she's there, she certainly doesn't want to go there any more.

Wen Qiao glanced at Li Fengbei again and suggested, "shall we go to brother Chenchen's room to sleep? Let's go to bed tonight. You can listen to any story you want! "

At this time, the man lying on the bed finally moved.

He patted the huge bed on his side and said, "let Chenchen come here to sleep, and we'll sleep for four tonight!"

Chapter 247

"There's no problem sleeping six people in this bed at the same time. You don't have to worry about falling out of bed. Besides, we two adults can sleep on one side, so they won't fall out of bed."

The man said very sincerely, and Wenqiao was moved.

Yes! With ANN and Chenchen here, she was not afraid of his acting on her.

"All right! I'll take a shower first

Wenqiao's clothes are put in the master bedroom cloakroom, which can just solve the problem that she can't take a bath.

Wen Qiao took a suit of relatively conservative pajamas, and when he came to the door, he glanced at Li Fengbei uneasily.

The look in his eyes just now really worried her.

The man looked down at his cell phone, a look that didn't care what she was doing.

It seems that she thinks too much. ANN is here. He should not dare to mess around.

Winjo settled down and stepped into the bathroom.

Li Fengbei seems to be looking at the mobile phone, but the corner of his eye is staring at Wen Qiao.

Seeing her back disappearing at the bathroom door, she immediately put away her mobile phone and said to an an, "you go to visit your brother Chenchen first. An hour later, your aunt Wenqiao will have a good bath, and then you will come to sleep with your brother Chenchen, you know?"

Ann curled her lips. "Does aunt wenjo take an hour to take a bath?"

What's more, these adults are so strange. Let her be like this and like that.

Xiaobaozi was not happy. He raised his mouth discontentedly and said, "I don't want it!"

These two days, Chen Chen's elder brother is indifferent to her. It's like a different person. She doesn't want to stick her hot face on his cold ass.

Li Fengbei pinched her angry face. "I'll buy you a cake tomorrow."

"Well! No! Don't buy me off with a cake Small hand ring chest, a face proud, very backbone appearance.

"Two cakes and one ice cream!" Li Fengbei said, "no more. If you don't promise, you'll bring it down directly."

An immediately stretched out his thumb, fearing that he would go back on his word and pull the hook and seal, "deal! Hang on the hook for a hundred years, no change!"

Li Feng waved to her and said in a low voice, "go quickly."

This little girl is very cheating!

Suman is such a smart person, how can he have such a soft and cute daughter?

Ann went to the door and said, "Daddy, you can't cheat me! You have to keep your word

"Of course."

With Li Fengbei's assurance, an Anle opens the door and goes to Chenchen's room.

Watching an an's chubby figure disappear at the door, Li Fengbei immediately gets up and takes out a bunch of spare keys from the drawer of the low cabinet.

Wenqiao was standing under the shower, washing his hair with his eyes closed. Suddenly he heard a small sound and turned his head.

Just feel in front of a flash, a figure three or two steps to jump in front of her.

"Ah Wenqiao screamed subconsciously, kicking and hitting him with his hands and feet

Li Fengbei covered her mouth and warned in a low voice: "don't shout! The children are still out there

The man lied seriously.

Simple poor really believe his lies, really quiet down.

If the children know what they are doing in the bathroom, she can really go straight to kill them.

Wenqiao was so angry that he glared at him with wet eyes, pushed his chest with both hands, and said angrily in a low voice: "the children are outside. Get out of here!"

The man didn't move, his eyes were burning, "don't go. Joe, we haven't had that for a long time

Wen Qiao's face turned red, and he was so ashamed that he wanted to find a hole in the ground. "You go out for me, if you dare to mess around, I'll I... "

I haven't seen you for a long time.

Li Fengbei's long and narrow Feng's eyes were filled with a trace of smile, and his body pressed toward Wen Qiao. Like a frightened little animal, Li Fengbei asked: "if I mess, what do you want?"

"Li Feng North!" Wenqiao was in a hurry. He held his hand on Li Fengbei's chest and kept him away from him.

But she forgot that she didn't wear anything now. In this way, she completely exposed herself to Li Fengbei.

The man's hot eyes began to turn red, the evil spirit of the lips hook, "baby, this question or I'll answer it!"

"....." Ask and answer yourself?

Why do you always feel this kind?

He leaned over and bit the tip of her ear. He could clearly feel the feeling of the tip of his tooth sweeping over the skin.

"If I want to mess around, just enjoy it!"

"You

Ah

Wenqiao back a crisp, too late to fight back, was a pair of strong arms to hold up.

The next second, a whirl, she was put on the toilet.

This is a very difficult action, Wenqiao can not find the focus, can only cling to the man in front of him, just let himself not fall. The temperature in the bathroom keeps rising.

Wenqiao reluctantly regained a trace of reason, holding Li Fengbei's face in both hands, her eyes were like silk, "don't Child Children The children are outside... "

"Baby, don't talk, let's make a quick decision!" Li Fengbei's voice was hoarse and he threw a bangs of sweat in front of his forehead.

The next second, it was hard to block her lips.

An hour later.

Ann led Chenchen to the bedroom and saw that only daddy was lying on the bed, or she left the posture at that time. She couldn't help wondering, "Daddy, hasn't Aunt Wenqiao finished taking a bath yet?"

"It should be fast!" Li Fengbei's eyes were blurred, and he took a meaningful look at the bathroom. He was fresh and fresh, with a happy smile on his face.

As soon as the voice dropped, wenjo pushed the door open.

Her walking posture looks a little strange, just like she hasn't eaten for several days, and her whole body is light.

But the face is very good, white red, through the health of the red halo, even the ears are red.

Chenchen looked at her anxiously, "Mommy, are you not feeling well? Is it a fever?"

"No I'm fine. Don't worry."

When Wenqiao saw that the two steamed buns were really in the room, she wanted to find a hole in the ground. She pretended to be calm and didn't let herself run away.

At that point just now, her brain was blank, and she didn't know whether she was crying or not?

If children hear her voice, will it cause psychological shadow to their young hearts?

She gouged out the "culprit" and did not know whether to blame him or herself for being too spineless.

Looking back at the calm man's face, he urged: "it's late, we go to bed."

An'an immediately climbed into bed and lay down in the middle of the bed. "I want to sleep in the middle, I want to hear the story of snail girl!"

Chenchen also climbed into bed and was happy to sleep with daddy and Mommy.

Chapter 248

Only winjo was still standing there, motionless.

A pair of autumn water cut pupil tried to seize to stare at Li Feng North, the whole body is with vigilance and alert, like an angry bird.

She can't believe this man any more. She can't believe anything!

Li Fengbei hooked his lips, and his facial features showed an evil smile? The children want you to tell stories. Come here quickly

"....."

Wenjo looked at him in disbelief.

Can this person even urge her without changing face and heart? She had never seen such a cheeky person.

She doesn't want to be close to him at all. She just wants to be as far away from him as possible so that she won't be bullied by him.

Li Fengbei seemed to see through her mind, with a smile on his face, "come here! I sleep here, you sleep there, the children sleep in the middle! Come on

"....." Wenjo hesitated.

Is that really all?

Ann and Chenchen also looked at her suspiciously, "Mommy, come to sleep!"

"Auntie, why don't you come here?" Ann children play too happy, completely forget Suman's advice.

Outside, half an hour ago, Suman came and knocked on the bedroom door.

But there was no sound in the bedroom, and no Ann came to open the door for her.

She lingered at the door for a few minutes, worried that she would be seen by the servant, and then she went back to the room bitterly.

Wenjo hesitated, but such a standoff was not the way.

She walked slowly towards the bed and lay down next to Ann on the side away from the man.

“Then I’ll tell you the story of the snail girl.”

“Good!” Ann turned over, her little body nestled close to Wenqiao.

It was a gesture of great attachment. Here in Wenqiao, she could feel her mother’s warmth and make her feel at ease.

Wen Qiao’s heart warms, and he holds an an in his arms. His sweet voice starts slowly.

“Once upon a time, there was a farmer who was industrious and kind...”

Her low, slow voice seemed to have hypnotic effect, and the children’s eyelids began to fight in the middle of the story.

“On that day, the farmer turned back home on the way, opened the door and saw a beautiful woman standing in front of the water tank...”

When she said this, she couldn’t help yawning.

I feel that the light in the room is out, and the whole room is in darkness.

Half asleep and half awake, I feel a warm thing on my back.

Wenqiao reflexively shrank into his warm arms and found a comfortable position to stay.

In the dark, a pair of black eyes are more dazzling than the stars in the sky. They are bright and attentive. They are like a long dormant beast, vowing to devour the prey under their eyes and take it for themselves.

He lowered his head and bit the earlobe of the woman gently. His breath was warm and ambiguous.

“Qiao Qiao, be my snail girl!”

“Well...” Wenjo’s ears are itchy. Who’s talking? Why are there mosquitoes in the room?

How can mosquitoes talk? Have you become a master?

Snail girl?

But the farmer finally put away the snail girl’s shell. There is no snail girl in the world any more!

She must be dreaming!

She reached out impatiently and waved in her ear, slapping the man in the face.

“Pa” a, not light not heavy.

Li Feng North blinked, can't believe that looking at the woman in the arms.

She frowned slightly, turned over, faced him with her face, held his waist, and fell asleep.

If she hadn't breathed evenly, he would have thought she had done it on purpose.

In the dark, he had no choice but to laugh, “little fool, why are you so tired? It seems that you need to improve your physical fitness!”

Li Fengbei pinched her soft and boneless fingers, then bowed his head to kiss her forehead, and closed his eyes contentedly.

The night is deepening.

After a good night's sleep, wenjo was awakened by the heat.

She dreamt that she was in a hot fire, her heart was oppressed by something, and she couldn't breathe more and more.

She wanted to escape, but she couldn't move her hands and feet. Her hands and feet seemed to be nailed by something.

She gasped and opened her eyes.

I almost fainted when I saw it.

The man wrapped his hands and feet around her and held her tightly with his two claws

“.....” Rascal!!

She struggled to move, only to be more entangled by him.

Winjo rolled a big white eye.

Didn't this guy sleep on the opposite side last night? When on earth did you climb to her side to sleep?

Outside the window in the early morning, birds began to chirp, and bright light squeezed into the room through the heavy European curtains. The children were about to wake up soon. In a hurry, Wen Qiao opened his fingers one by one, lowered his voice and cried, “Li Fengbei, release me quickly, let the children see what it looks like.”

Her noise finally awakened the sleeping man.

“Well...” The man hesitated and opened his eyes in confusion.

His hair is not as cold and hard as usual, sloped on the forehead, blocking the small half of the forehead. His narrow Phoenix eyes are not as sharp as usual, and there is a little bit of confusion like a child.

Rao is that she has seen the appearance that he just woke up countless times, and is still stunned by the appearance of his evil.

The man glanced at her, put the cute little woman in his arms again, held her soft body and closed her eyes again.

Early morning voice with a unique husky, heard in her head, "sleep for a while, it's still early."

"....." Wenqiao back a burst of numbness, like a small current through the spine, to the four limbs.

She bit her fingers, her cheeks were getting hot, and even the tips of her ears were turning red.

I didn't find that smelly men are more and more provocative.

At this time, a soft voice sounded behind, with a trace of naive doubt, "Daddy, aunt, what are you doing?"

Wen Qiao: "I'm not sure." The whole body is stiff.

Li Fengbei Open your eyes.

Four eyes opposite, Wen Qiao a quick, foot a pedal, directly the Li Feng North kick out of bed.

"Bang when" a sound, quiet room, sounded a heavy landing sound.

"Li Fengbei! are you all right? I didn't mean to Winjo sat by the bed, blinking at him.

Li Feng North Zheng for several seconds to react, he was really Wenqiao kick over at the foot of the bed!
Kick to the foot of the bed!!

Does he want face in front of the children?

Suddenly his face turned green, he bit his teeth and yelled: "Wenqiao!! You're dead! "

"Poof Wenqiao fell by the bed and looked at him in a rage. He laughed unkindly.

Li Fengbei felt the blue veins on his forehead jumping.

He jumped into bed, pressed her on the shoulder, and said, "how dare you laugh? Woman, you are not so brave as to kick your man out of bed. I'll teach you a lesson! "

Chapter 249

Wenqiao's secret way is not good, the facial expression a change, hastily stop a way: "you don't come disorderly!"

Li Fengbei is just bluffing her. The children are all around. He can't do anything too much.

Wenqiao saw that he was stunned for a while, a hand broke free from his grip, and stretched out two fingers to scratch his armpit.

Li Fengbei is powerful in everything, but it has a fatal point. He is the most popular.

When winjo tickled him, the whole person was not good, hiding and laughing.

Wenqiao thought it was very interesting, just like he found a new century continent. He was afraid of everything. He was afraid of scratching!

Ha ha! God help me!

“Children! Let’s go together

Wen Qiao grinds his knife to the expression of pig and sheep, grabs Li Fengbei’s two arms and lets the children scratch him.

An’an and Chenchen sit in rows, looking at lifengbei with four eyes.

The first time they saw Li Dadi so approachable, they found it interesting and joined in the fight.

“Here we are! You must pay attention, Daddy

“Cluck, cluck, cluck...” Li Fengbei was totally overwhelmed.

In normal times, he would have no problem fighting several strong men alone.

But this is his child, his woman.

No matter who bumps, he is reluctant to give up.

Everyone’s face was so happy, even the smile on winjo’s face was so bright.

Such a beautiful, he did not have the heart to disturb.

So, clearly he can easily escape, but deliberately can not escape, was three people ruthlessly bully.

Suman specially got up early and wanted to take advantage of An’an’s not getting up to go to lifengbei’s bedroom for a walk.

She specially painted a light makeup, looking lazy and sexy.

She helped her stormy chest and thought, how can Wenqiao’s bean sprouts match her?

She confidently went to the door of the master bedroom, but heard a burst of laughter inside, and her confidence froze.

What’s going on?

Did Wenqiao and lifengbei sleep last night? With two kids?

She held her trembling fingers, and her eyes seemed poisoned.

Ann promised her last night to help her finish Li Fengbei!

As a result, I not only forgot her, but also had so much fun with that bitch winjo?!

Sure enough Children are not born, or raise unfamiliar white eyed wolf, the arm is always turning out!

She must give birth to a child to lifengbei as soon as possible, so as to keep her position!

Yes! She needs to be calm and can’t mess with herself.

Lan Jie came back, plus the North Qin, she does not believe that she can not get a nothing Wenqiao!

.....

The children have been sent to school by the nanny.

At breakfast, Li Fengbei wiped the corners of Wenqiao's mouth in a good mood. Regardless of the presence of a servant, he quickly gave her a kiss.

Kiss success, someone in a good mood.

"This is the return of last night."

"What's the return?" She rolled her eyes angrily. She had never seen anyone who took advantage of it so naturally.

But my heart is very sweet, like honey.

Who doesn't like to make love to the people they like?

When Suman came downstairs, he just saw this scene.

Finally, the anger came back like a torrent of mountains and rivers.

The delicate little face became twisted, and she wanted to rush up and separate them.

She didn't go downstairs to have breakfast. She thought Li Fengbei would ask her servants to come and ask her to have dinner. But when they had finished eating, no one came up to call her.

In fact, someone called her.

Housekeeper Lin was about to ask her to have breakfast when he was stopped by Li Fengbei.

"From today on, people who don't get up for breakfast at seven in the morning don't need to leave anything for her."

This attitude is obviously clear, and housekeeper Lin is not allowed to call Suman.

Housekeeper Lin felt a knot in his heart and began to think about what the young master said last night.

He said that Suman and winjo are treated the same. Now it seems that there is a big difference between people.

Housekeeper Lin's eyes were sharp. He looked up to see Suman standing at the stairway, then looked at the young master and Wenqiao, and coughed softly, "good morning, Miss Suman!"

Suman ignored it.

In her heart, housekeeper Lin was always just a servant, not worthy of her smile.

Wenqiao heard Suman's name and immediately pushed Li Fengbei away.

Li Feng North frowned, slightly dissatisfied, he stood up, unhappy way: "I'm full, go to work."

"Why? Are you full?" Asked winjo suspiciously. Li Feng North evil four ground hooked to hook lips, "do you have something to do today?" "If you don't have to go to the company with me?"

He found that after two people quarreled and made up, he would like to tie her on his belt all the time, especially now that there is a woman who does not let people worry.

He was worried that Suman would bully winjo.

“No!” “I have something else to do today. I’m going to school,” he said

If she doesn’t go to school again, she will be expelled from school.

There are so many things in this period that she has asked for leave for nearly ten days.

“All right! Then study hard and let the driver drive you. I’ll pick you up after school! ”

“Say it again!”

“Then I’ll go!”

“Goodbye!”

“I really left.”

“.....” Wen Qiao speechless, coquettishly glared at him, gently pushed his arm, “you go!”

With her strength, Li Fengbei is as stable as a mountain.

Li Feng North hook lips, meaning to point to the cheek, “here.”

It’s self-evident that she understands!

Wenqiao’s face turned red slightly, and she was a little embarrassed, especially under the gaze of many eyes. However, after thinking about it, she summoned up her courage and gave him a kiss on the face.

This face is more red, like a ripe red apple.

Li Fengbei pinched her “red apple” face and squinted.

Through squinting eyes, looking at a shy face, I suddenly feel that some people don’t want to go to work.

Two people tired of crooked for a long time, Li Fengbei reluctantly out of the door.

Suman stood at the top of the stairs, looking at the interaction between the two people and pinching off a few fingernails.

“Wenjo!”

Winjo looked back at Suman, calm, not surprised by her appearance.

Although she still doesn’t know what happened five years ago and what role Suman played in the whole thing, Suman is the opposite of her through the old house.

Old lady Li’s words are very clear. There is only one left between her and Suman.

She didn’t want to push Li Feng to the north, and she didn’t want her children to call such a vicious woman. No matter what it was for, she couldn’t let herself back down.

This woman robbed her daughter, but she didn’t treat her daughter well. She won’t let it go!

Chapter 250

Suman had never seen the side of winjo, plain, cold and confident

For a moment, he was stunned. When he came back to his senses, his face was angry. "Wenqiao, do you think you and Fengbei are in love, and he is yours?"

The irony and scorn in her words were undisguised.

Wen Qiao's eyes flashed slightly, and he was not annoyed. With a faint smile, he replied, "does it belong to you?"

"You Suman was so angry that he gritted his teeth. Unexpectedly, people who looked soft would have sharp claws.

"Well, that's what you are, isn't it? You always pretend to be weak, winjo. Are you disgusting

Wenjo chuckled.

Weak? It's just that I don't want to argue with others!

If you have something you want to stick to, no matter how weak people will become strong!

Wenqiao raised his foot and took a step towards Suman. He had a charming smile on his pure little face and said something rather shameless, "even if I'm disgusted, he's only interested in me now!"

With that, she didn't bother to talk to her again, and walked straight past her.

"Wenjo!" Suman was so mad that he picked up the blue and white bottle half a meter high on the corridor and smashed it on Wenqiao.

Housekeeper Lin's face changed and he pressed her arm. "Miss Suman, don't be impulsive!"

Steward Lin's heart was about to jump to his throat.

If wenjo was hurt under their noses, they wouldn't have to live.

"Let me go! I'm going to kill this bitch Suman's nose was crooked with anger.

Steward Lin's voice was a little heavy, and his face was cold. "Miss Suman, this is the castle, the young master's territory, not your Su family!"

"Do you know who I am? How dare you even yell at me?" Sulman growled reluctantly.

But housekeeper Lin is right. This is Li Fengbei's territory. She doesn't dare to do anything to this bitch.

She is the grand miss of the Su family. She is the queen of the national movie. I heard that even the president of a small country treats her differently. She is also the houseboy goddess of the whole country.

How many men kneel and lick her, and she loses to a winjo who wants nothing?

She lost the vase, wiped a handful of tears, angrily returned to the room, looking at the caller ID on her mobile phone, with a negative smile on her face.

On the other end of the phone, sister Lan's shrill voice came, "Miss, I'm back."

“Good! It’s time for you to come back. Let’s find a place to talk! ”

After hanging up, Suman cleaned himself up and went out.

Coincidentally, I just got off the elevator and met Wenqiao who just came down the stairs.

She was wearing a simple sportswear, a simple ponytail, carrying a white schoolbag, a student’s dress.

Red lips and white teeth, clear eyes as clear as a stream, coupled with the cheek two looming small pear vortex, charming.

Suman’s eyes flashed a trace of jealousy, but she didn’t want to admit it.

Picky eyes scan up and down a circle, light to ridicule, “how old are you still pretending to be pure?”

Wenqiao also took a look at Suman. Her big chestnut wavy hair was naturally pinned aside. She wore a long skirt to decorate her figure, and she hated Tiangao.

It’s beautiful!

Suman Although she doesn’t like her very much, I have to admit that she is really beautiful!

Wen Qiao thinks that Li Fengbei’s aesthetic is not very normal, otherwise he will be seduced by Su man!

Wenqiao’s inner drama is rich, but her small face is indifferent. She raises her chin and walks past her as if she didn’t see Suman.

“Childish!” Suman took a scornful, gnashing look.

When she finds the woman who can get close to Li Fengbei, she can use some means to see if she can still smile so well?

Wenqiao didn’t pay attention to her, but Yu Guangli saw Suman’s smiling face and beat a drum in his heart.

At a glance, I knew that she had bad intentions. I didn’t know what big move she was holding?

As soon as Wenqiao came out of the house, he received a call from the head teacher.

“Wenqiao, you have asked for leave for so many days. If you don’t come to school, we’ll have to expel you!”

“As you know, a university is famous for its strict scholarship. You can’t destroy the school’s signboard for decades alone, can you?”

Wenqiao was a burst of guilt she said, quickly apologized, “I’m coming, teacher, I’m sorry! During this period of time, my father had an operation, and there were a lot of things at home. ”

“Come on! These are not reasons! ”

When he hung up, winjo was a little depressed.

She used to be a cut in student, and now she always asks for leave, which really has a bad influence on the class.

But she really wants to finish her unfinished studies, because this is her dream.

Shake off your head, shake off your confused thoughts."Miss wenjo, I'll see you to school today." Xiao Li, the driver, is waiting for her at the door.

"I'll trouble you." Wenqiao didn't want to be sent by the driver, but he didn't refuse when he thought of the teacher's phone call.

But one street away from the school, Wenqiao let Xiao Li stop.

Xiao Li was puzzled and said, "miss Wenqiao, it's still one stop away from the school. I'll stop at the school gate!"

"Stop! Stop right here Said winjo eagerly.

When she was seen riding millions of luxury cars to school, she could not figure out how to bury her.

She didn't have many friends at school, so she didn't want to be lonely in her short study career because of these things.

When she said that, Xiao Li had to stop by the side of the road.

As soon as Wenqiao got out of the car, there was a voice of surprise behind him before the door was closed.

"Joe, is it really you?"

Wen Qiao is surprised, quickly wave a hand, signal Xiao Li to drive.

Looking at the car driving away, she turned her head and looked at the people, "Yo Yo, what a coincidence!"

"I just got off at this stop by bus!"

When you look at the black Audi A8 that just drove away, the logo of Lishi group on the body is very conspicuous, and you can't hide your admiration.

She pretended not to know and asked, "Joe, did your boyfriend send you here just now? It's good to have a rich boyfriend! "

Boyfriends? Xiao Li?

"He's not my boyfriend!" Winjo explained, but said nothing more.

She and Li Fengbei's affairs are uncertain now. Li Fengbei is half a public figure, and she doesn't have much to say.

"Oh..." A trace of disdain flashed through my heart.

The man in the car must be Li Fengbei just now, otherwise why did she urge him to leave?

She didn't introduce Li Fengbei to herself, because she was worried that after she got to know Li Fengbei, what would she do for her?

The school has spread that Wenqiao is actually Li Fengbei's lover.

Li Fengbei is Su man's fiance. Who doesn't know about this?

It seems that there is a saying right. Xiao San is always afraid that men will have Xiao Si and Xiao Wu, because her own identity is not bright.

Suman did not notice the long eyes, her eyes were all attracted by a figure.
