

Chapter 2419– 2420 of A Dish Best Served Cold Novel

Chapter 2419

In the defense zone, Zhu Rong screamed. The sound of anger echoed everywhere.

When Mark heard this, his expression was completely cold.

In the end, Mark laughed furiously.

“Northwest Tigers?”

“The grandmaster’s descendants?”

“You guys are really powerful.”

“But, so what?”

“In my eyes, Mark, these things you are proud of are not worth mentioning!”

“But you, a group of ants and mice, dare to threaten me.”

“Even if Ye Qingtian is here, he definitely doesn’t dare to speak to the dragon master in this tone!”

what?

Not afraid of Ye Qingtian?

Return the dragon owner?

“Fuck, I’ll go to Nima!”

“Idiot, this is~”

Hearing Mark’s words, Han Pingping was almost mad.

All of them looked like idiots, looking at Mark.

They didn’t expect that Mark, a nasty bastard, would be so arrogant and arrogant.

It is enough to call them ants and mice, but now even General Ye dare to desecrate?

“Little beast, I think you really don’t want to live anymore!”

“In that case, why should we keep you anymore?” Zhu Rong’s old face was gloomy, and his harsh words sounded quietly.

Not only Zhu Rong, but the two instructors Han Ping and Lan Xing were also completely angered by Mark’s arrogance and arrogance.

Seeing that, Zhu Rong had already lifted his steps and walked in the direction of Mark.

And, as Zhu Rong’s approaching approached, the power on his body continued to rise and linger.

However, just when Zhu Rong was about to attack Mark, he heard an angry shout, which immediately rang from behind!

“If you want to move the Chu instructor, pass our level first!”

In the anger, five figures descended from the sky in succession.

Amazingly, it was the Qinglong people who had severely injured Flying Eagle before and came to escort them.

“Ok?”

“You are so courageous, even this instructor dare to stop?”

“Now, as a general, I order you to retreat to me immediately.”

Seeing the people in front of Qinglong, Zhu Rong’s brows were condensed, and he said coldly.

Qinglong and the others are just a group of captains, not even generals. Regardless of level or seniority, they are far behind them.

Therefore, Zhu Rong directly issued military orders to them as a general!

However, Denren Ye turned a deaf ear to Zhu Rong’s words.

When Zhu Rong saw this, he was undoubtedly even more angry: “Why, do you dare to disobey the military order?”

Faced with Zhu Rong’s threat, Qinglong responded with only one sentence: “In front of the instructor, there is no military order!”

“You...you guys~”

Upon seeing this, Zhu Rong was trembling with anger.

Finally, he smiled: "Okay, very good. There is no military order in front of an instructor. It seems that in your eyes, there is only this bastard, and there is no national military discipline."

"Since you are so daring and loyal, I am as you wish. On Huangquan Road, let you accompany this stinky boy!"

In the sneer, Zhu Rong's eyebrows were cold, and he immediately shouted, "Red Phoenix, where is it?"

Whoosh whoosh~

The moment Zhu Rong's words fell, the Red Phoenix Team, who had been waiting for orders, rushed out immediately and jumped in front of Zhu Rong.

"Instructor Han, do you still want to watch it now?"

"Hurry up and do it together!"

"This Azure Dragon team is weird and unusual, just one Red Phoenix team, I'm afraid it will be difficult to contend."

"Only when all the teams in my major defense zones join forces and attack together, can the Azure Dragon be rebellious and wiped out in one fell swoop!"

Seeing the red phoenix dispatched, Orell Lin immediately lobbied Han Ping and Lan Xing.

Chapter 2420

The two instructors looked at each other, and then nodded, saying: "It's a pity that there are a group of good seedlings, but I didn't expect that Mark was brainwashed."

"This group of rebels, no matter how talented they are, there is really no need to stay."

"This time, kill them together by the way~"

Han Ping shook his head and said, his words were full of pity.

After speaking, Han Ping's eyebrows were cold, he looked around, and finally he said coldly, "Qingqi, where is it?"

At the same time, Lan Xing, chief instructor of the Northwest Defense Zone, his expression condensed, and he immediately shouted in a deep voice, "Black Tiger, where is it?"

Whoosh whoosh~

In this way, under the orders of Han Pingping, the special teams of the three major defense zones, but they all shot together, gathering their strengths.

"You wait for the order!"

"Team Qinglong, rebellious, and sinful."

"Not only disrupting the game in my defense zone, but also crippling comrades in arms and rebelling against their superiors."

"Now, I tell you to wait, and grab the five Qinglong people on the spot."

"If there is resistance, let's kill it!"

Boom~

The majestic anger resounded here like a rolling thunder.

Afterwards, the three teams of Qiongqi, Heihu, and Red Phoenix all followed orders to attack Qinglong.

Not only them, but even Feiying, who was hit hard by Taishan and the others just now, also had a few lightly injured people who stood up and joined the team that besieged Qinglong.

"Haha~"

"Qinglong, your death date has come."

"No matter how powerful you are, can you still use your own strength to contend with the strength of the entire hot summer defense zone?"

Seeing all the major defense areas attacked, besieging Qinglong.

Orell Lin smiled grimly, his face full of schadenfreude.

As for Han Ping and the others, there may be a pity in their hearts, but they have no choice.

Originally, Han Ping also planned to bring Qinglong into his command and let them worship in the Jiangbei defense zone and be transferred by him.

But unfortunately, Denren Ye and the others were stubborn, and they even said that there was no military order in front of the instructor.

With just this sentence, Han Ping knew that people like Qinglong would be hard to tame under his own hands.

If you can't get it, then destroy it.

In this way, the teams from the major defense zones joined forces to encircle Qinglong.

For a time, the Azure Dragon team was embarrassed on all sides and was in a desperate situation!

"It's too late to regret now."

"As long as you voluntarily leave the control of Mark, worship me in the Jiangbei defense zone, and respect me as a teacher. I can spare your life."

At the last moment, Han Ping said to everyone again.

"Haha~"

"You old dog, want us to respect you as a teacher?"

"You deserve it too?"

Faced with Han Ping's words, Croven Li cursed directly.

"You~" Han Ping was so angry with his old face that he immediately angered, "Okay, you really don't know how to live or die!"

"I just don't know, when you are dead for a while, you still can't say such arrogant words!"

"Everyone, do it."

"Kill all the Qinglong people on the spot!"

After all, Han Ping was irritated by Croven Li and the others, and directly issued an order to kill the Qiongqi team and others.

"Only these people want to kill us?"

"Simply wishful thinking!"

At this moment, Denren Ye, who was in the cusp of the storm, gave a cold voice.

After that, she stepped on the ground with her graceful and delicate body like a flying swallow, soaring into the air, and then directly jumped into the Qinglong crowd.

Around, there are Croven Li, Taishan, Sara Ma, Gao Dazhuang and other four guards, and Denren Ye is in it, like a star holding the moon.

The next moment, her red lips lightly opened, and the cold voice resounded through the world!

“Everyone, Qinglong, listen to the order.”

“Knot, join forces!”
