

Chapter 2427– 2428 of A Dish Best Served Cold Novel

Chapter 2427

The Tianhe is far away, and everything is silent.

Before Wan Jun, there was only one handsome young man standing proudly.

The deep eyes seemed to reflect the Tianhe Wanli.

Proud spirit, just like a king, king over the world!

At that moment, under their majesty, tens of thousands of soldiers in the entire Jiangbei defense zone felt a sense of fear and surrender in their hearts.

Undoubtedly, Mark's majesty completely trembled everyone.

Especially under Mark's feet, the rugged ground in the ravines, and the red blood and bones that flowed, just looking at it made countless people shudder.

Especially Orell Lin was already scared to death.

He paled, and stepped back little by little.

Seeing that, I was planning to escape from here when Mark was not paying attention.

However, how could he leave?

When Orell Lin moved a little, Mark's gaze was already looking over.

"Commander Lin, where are you going?"

The faint laughter was like a refreshing breeze.

However, how calm Mark said this, how harsh it fell in Orell Lin's ears.

Orell Lin was stunned, looking at Mark like this, shaking involuntarily, "What do you want to do?"

Facing Orell Lin's panic, Mark ignored it.

He lifted his steps and walked in the direction of Orell Lin.

The low footsteps stepped on the ground, but they echoed in everyone's hearts.

Especially for Orell Lin, looking at Mark's approaching figure, it was like looking at death, slowly descending!

Finally, under this fear of death, Orell Lin's psychological defense line collapsed.

With sad eyes, he begged each other bitterly: "Instructor Chu Chu, please forgive me~"

"Kneel down and talk!!"

Boom~

Mark suddenly drank, the sound exploded, the majestic and majestic, like an ocean storm, swept out.

At that moment, Orell Lin only felt that Mount Tai was pressing on the top, and the majestic majesty directly pressed him to his knees.

Just like this, before the Wanjun, the former deputy commander of the military region, who had been unparalleled before, fell to his knees.

But Mark stood condescendingly, standing in front of him, with a cold smile: "Orell Lin, I didn't expect that one day, you will kneel at the feet of the dragon master!"

"I think at the beginning, I coached Noirfork and held positions and responsibilities."

"And you are narrow-minded, unite with others, get trapped in me, and eventually force me out of the Noirfork defense zone!"

"If it's just that, that's all."

"As far as I am concerned, the post of chief instructor is a dispensable name."

"You don't tolerate me, I won't force it."

"The position of chief instructor, what does it matter to you?"

"But you, after driving away the dragon lord, you don't know how to constrain, and you allow Solmen Chen to abuse Qinglong."

"Now, he smashed through others and expelled me Qinglong from the game. Even, he threatened to kill me and Qinglong!"

"Now that it ends today, I can only say that it's you, and I'll take the blame."

Mark's face was expressionless, and his angry words felt like a cold wind swept across.

Facing Mark's anger, Orell Lin was already scared, his nose and tears streaming down his face, he knelt on the ground and couldn't help begging Mark for mercy.

"Instructor Chu, I am wrong."

"Thousands of mistakes are all my Orell Lin's fault."

"It was Orell Lin who was blind. It was me who did not live or die, and offended you. I deserved to die, and I deserved it."

"But please, instructor Chu, for the sake of your colleagues and my colleagues, save my life~"

Chapter 2428

"Instructor Chu, please, save my life."

"As long as you don't kill me and act as a cow and a horse, Orell Lin is willing to~"

Once, Orell Lin thought he could face death calmly.

However, when this moment really came, Orell Lin only knew that he was wrong.

The desire to survive, the fear of death, tortured him almost

As a result, he no longer cares about his identity and face, he just wants to live now.

"Spare you?"

However, after Mark heard it, he immediately smiled.

The laughter was loud, ridiculing, and shouting sarcasm, as if he had heard the funniest joke in the world.

"You have repeatedly embarrassed Qinglong and let people besieged and killed me."

"Do you think it is possible for you to live?"

Mark shook his head and smiled, then his eyebrows suddenly became cold.

Between Tianhe, everyone saw that Mark stretched out his palm and grabbed it in the air.

Then, make a stroke to the sky!

Whoosh~

The air blade was like a knife, suddenly shot out from Mark's hands.

Orell Lin's throat was instantly pierced after hearing a chuckle.

Red blood, gushing like a spring!

At that moment, Orell Lin's eyes widened, staring at Mark like this.

His red lips trembled and he seemed to want to say something.

However, when you opened your mouth, all that came out was blood!

Finally, in the trembling and panic eyes of everyone, the Noirfork defense zone, a generation of hero Orell Lin, fell!

Before he died, Orell Lin was full of regret.

If he had known this long ago, even if he had been killed, he would definitely not provoke Mark at all.

Now, not only did he die, he also killed his son, and he was also tired, so many people.

The world is silent, the vegetation is silent.

Only the breeze swept across the Tianhe in all directions.

Looking at the mess on the ground, no one in the Jiangbei defense zone of Nuo Da dared to say a word. 嘶 81 神文 Full text is the fastest ㄥ ttps://mx 八 1zщ./

Not to mention, to investigate Mark's fault.

After all, it's too cruel~

Mark's harsh methods had already shocked everyone.

At this time, only fear was left in everyone's mind, where there were half other thoughts.

In this way, after solving Orell Lin, Mark also took Qinglong and left.

Before leaving, Mark asked Taishan to take Orell Lin's body, and at the same time asked Qinglong to hold a dust in the place where the flying eagle members fell.

Then, a group of several people walked away just as they did when they came.

All that was left to everyone was the dignified and dusty back.

However, even if Mark and others had left for a long time, the world here was still silent for a long time.

It is like a desert swept by a storm, only wind and sand swept through, and there was no anger.

I don't know how long it took before someone among the crowd yelled: "Hurry up."

"Go and save people!"

"Go save instructor Han~"

This sudden shout is just like the cock crowing before dawn.

Soon, the entire defense zone became noisy.

A large number of soldiers ran over and began to save people.

In the previous battle, although the entire army of the Fourth Great War was destroyed, Lan Xing and Zhu Rong might still be alive.

These two have good identities in the defense zone. Even if there is only a glimmer of hope, everyone will naturally not give up on them.

Therefore, Lan Xing, who was dying, was quickly taken to the hospital.

As for Zhu Rong, everyone is still digging.

Before Mark punched the earth out of a huge pit, many people felt that Zhu Rong was smashed into the earth by Mark.

"dig!"

"I want to see people when I live, and corpses when I die. Come on, dig them all for me~"

"Be sure to find Instructor Zhu Rong~"

In the defense zone, someone shouted in panic.
