Chapter 2431

Amidst the laughter, Wu Yang led his relatives and friends, old friends, and bigwigs from all walks of life, and immediately went out to greet him.

At the same time, the music official Huage and salute roared.

An atmosphere of joy and joy filled the entire Noirfork defense zone.

In this way, in the eyes of everyone's expectation, the number of off-road vehicles rolled over the earth, split the sky, and Mercedes-Benz swept in.

Wherever he went, the crowd cheered and a thousand soldiers saluted.

Gunshots and salutes blasted together, music and laughter sounded together.

Yes, this time Wuyang greeted Orell Lin and their triumph with the highest specifications.

Finally, the vehicle stopped before the hotel in the defense zone.

Wu Yang and the others hurried forward, before the people in the car got off, Wu Yang smiled and greeted: "Haha~"

"Orell Lin, this time, it's been hard work."

"I have set a feast for you to catch the wind and dust for you."

However, Wu Yang's laughter did not last long.

Until the car door opened, a young and beautiful face slowly focused in front of him.

At that moment, Wu Yang only felt that his whole body was drunk, his whole body trembled, and the smile on his face suddenly stagnated.

"Ok?"

"Mark, why are you?"

"Things that do not live or die, I was kind enough to let you go last time, you even dared to trespass into my Noirfork."

“Do you really think that Wu Yang didn’t dare to move you?”

Wu Yang’s face was as sinking as water, and when he saw Mark, the anger that was suppressed in his heart came out in a flash.

Originally, Wu Yang was very dissatisfied with Mark because of Qinglong and Solmen Chen.

Now, on the day of their Noirfork rejoicing, this bastard dared to show up, and Wu Yang was naturally even more angry when he swept his interest!

However, in the face of Wu Yang’s anger, Mark smiled indifferently: “Ms. Wu, stay calm.”

“I heard that under the leadership of Orell Lin, Feiying won the championship of the military district competition.”

“So, I am here today to congratulate Mr. Wu.”

“Really?” Wu Yang snorted when he heard the words, “I’m not hiding from you, I plan to send someone to notify you of this matter.”

“Mark, when you led Qinglong out of my Noirfork defense zone, you definitely wanted to see my jokes in your heart.”

“I feel that there is no Azure Dragon, my Noirfork will definitely have no one to compete.”

“But now, how?”

“Without you, without Qinglong, our Noirfork defense zone, on the contrary, won the championship and created brilliance!”

“Facts have proved that my decision to revoke your position as chief instructor and kick you out of Noirfork was extremely correct.”

“Compared with Orell Lin, you are nothing more than a nasty waste after all.”

Wu Yang smiled wantonly, his eyes full of arrogance.

At this moment, looking at Mark in front of him, he felt a strong sense of superiority in his heart.

However, Mark ignored Wu Yang’s pride.

He just shook his head and glanced at Wu Yang with an idiot look.

Then he waved his hand.

Immediately afterwards, Qinglong and his party jumped off the car.

In this way, Denren Ye was in front, Taishan, Sara Ma and others were behind, and walked towards Wuyang with expressionless faces.

“you you..”

“What do you want to do?”

“I warn you, this is a defensive zone, where the armies are stationed, not your wild place.”

“Moreover, Feiying and the others will be back soon.”

“If you dare to make a mistake, I will order Flying Eagle to kill you on the spot!”

Wu Yang seemed to feel the murderous aura of Qinglong and others, suddenly panicked, and roared in a lien.

Chapter 2432

However, Denren Ye and the others just walked forward as if they hadn't heard Wu Yang's anger.

Only when he was less than a few meters away from Wuyang did he stop.

Afterwards, Denren Ye looked at Wu Yang, and his deep words sounded quietly: “Mr. Wu, to celebrate the victory of Flying Eagle, I, Qinglong, came here to send a congratulatory gift on the order of the instructor of Chu.”

“Manager Wu, please accept it!”

When saying this, Qinglong and the others showed a strange smile on their faces.

Just when Wu Yang was puzzled, Tai Shan drank in a low voice, and then kicked out the things under his feet vigorously.

Bang~

After a bang, a cold corpse fell heavily in front of Wu Yang.

“This...this is...”

At first, Wu Yang was still wondering who this corpse would be.

However, until he saw the face of the corpse under his feet.

At that moment, as if thunder struck down, Wu Yang was immediately stunned!

“This...this is, Lin... Orell Lin?”

“This... How is this possible?”

Wu Yang's old face was pale, his old eyes almost cracked, staring at the corpse of Orell Lin under his feet.

He did not expect that today's celebration banquet, waiting for it, turned out to be Orell Lin's corpse.

Not only Wu Yang, but after seeing Orell Lin's body, all the people present trembled, and many people screamed out in fright. Some of the female guests didn't even dare to look. They covered their eyes and turned their heads.

After a long tremor, Wu Yang's red eyes immediately glared at Mark.

“Asshole!”

“What did you do?”

“You guys are so brave!”

“Dare to kill my deputy director of the defense zone?”

“You killed Orell Lin?”

“You deserve to die!”

“Deserve to die~”

Wu Yang's eyes were red, and he roared angrily.

In the end, Wu Yang even announced directly: “Good you Mark, good you Qinglong.”

“You wait, when Flying Eagle returns, I will give an order to let Flying Eagle kill you all!”

“Let your blood commemorate Orell Lin!”

Wu Yang has always regarded Orell Lin as his right-hand man. ,

Now, Orell Lin has given them a tremendous contribution to Jiangbei!

But now that Orell Lin is dead, would Wu Yang not be angry?

He now almost has Mark's thoughts about slashing at all times.

“Don't wait any longer, Flying Eagle will also bring it to you.”

Mark chuckled, then looked in Croven Li's direction and shouted: “Ziyang, take it out.”

“Yes!”

Croven Li immediately agreed.

Afterwards, a piece of reddish loess was scattered in front of Wu Yang.

“this is?”

Wu Yang was taken aback, naturally, he didn't know what Mark meant.

Croven Li chuckled and replied, “Ms. Wu, Feiying has arrived.”

“I’ll wait, I’ll leave.”

The five Qinglong clasped their fists and said politely.

After that, there was no more nonsense, Mark and the others also left.

“come back!”

“You guys come back to me~”

“what happened?”

“Where is the flying eagle?”

“Where is my flying eagle?”

“What happened to you flying eagle?”

Behind him came Wu Yang’s angry roar.

However, no one paid any attention.

Mark and Qinglong had already gone far away, leaving this land completely.

And the loess and the corpse are their best farewells to the Noirfork defense zone!

At this point, the grievances are gone, Qinglong has nothing to do with this!
