

## Chapter 2431

Hearing Charlie's question, Issac exclaimed: "Master, then do you think, who is responsible for this matter?"

Charlie thought for a while and said, "I currently think that the Su family is most likely to be the instructors behind him."

"The Su family?!" Issac said dumbfounded, "Master, why did the Su family do something to the two women? There is no reason..."

Charlie said with a serious expression: "I really want to tell you the reasons. I think there are many. This Aunt Liona resolutely wants to divorce Zynn. This in itself hurts the face of the Su family. Zynn must be dissatisfied. It must be the same the Su family old man."

Issac nodded and said, "For any family with a face, if a wife or daughter-in-law wants to divorce publicly, it will definitely damage the family's face, but there is no need for such a cruel hand?"

Charlie said, "After all, it's a big family. Sometimes I feel that face is above everything else. What's more, Aunt Liona and Zynn are not just divorced. Why did she travel all the way to Aurous Hill? You know, I know, so many people in Eastcliff's big family must also know."

Issac nodded and sighed, "It's true... Back then, the second lady of the Du family liked your father's things, and everyone knows this in Eastcliff. Now she comes to Aurous Hill and participates in this event. At the auction, the old house where your father lived was taken at a high price of tens of millions. As everyone knows, she must still have not forgotten your father in her heart..."

Charlie sighed with a melancholic expression, and said, "I'm very surprised by her feelings for my father, but the more surprised I am, the more I can't help but look at the problem from another angle."

Issac hurriedly asked, "Master, what is the other direction you are talking about? My mind is a bit dull at the moment, I really don't understand."

Charlie said indifferently: "The other direction is naturally Zynn. If Aunt Liona hasn't forgotten my father for so many years, she has been married to Zynn for so many years, does she have true feelings for Zynn?"

"This..." Issac fell silent for a moment.

After a while, he suddenly realized, "I see! Her family came to Aurous Hill to commemorate your father. She also publicly participated in this auction and won the old house where your father lived. This is almost equivalent to telling others. She has been in love with your father for so many years, so she must have never loved Zynn for so many years! This is a great shame for him!"

"That's right." Charlie sighed, "So I suspect that the man behind the scenes pushing all of this in front is probably Zynn."

Issac frowned and said, "Master, Zhiyu is the flesh and blood of Zynn. Even if he hates Liona, it is absolutely impossible to harm Zhiyu together with her?"

“Yes.” Charlie said, “Tiger poison still doesn’t eat seeds. Zynn shouldn’t attack Zhiyu. Maybe Zhiyu is just a blindfold.”

Issac said helplessly: “The Su family has always had no ethics in doing things. What you said may be the truth of the matter.”

Charlie said at this time: “If the Su family really wants that Aunt Liona to die, then I won’t let them do it!”

After all, Charlie immediately said to Issac: “Mr. Issac, immediately investigate the specific location of the Rolls Royce, and prepare the helicopter!”

When Issac heard this, he immediately asked: “Master, do you want to save his wife?”

Charlie sneered and said, “The enemy’s enemy is my friend. I can even save Su Ruoli, let alone Liona or Zhiyu!”

Issac immediately said, “OK master! I will let someone track the location of the car and get the helicopter ready!”

Technology is developing rapidly now, and most models will be equipped with certain remote functions.

If it’s worse, you can remotely check the position of the car, the fuel level, and the closing of the doors and windows

The better ones can remotely open and close the door, even start the car and start the air conditioner remotely.

For example, some new energy vehicles can even be called remotely and operated by mobile phones, so that the car can drive over to find the driver instead of the driver.

## **Chapter 2432**

Although Rolls-Royce does not have the function of remote summoning, other remote functions are complete and working. Among them, the position of the car can be obtained in real time from the software of the Rolls-Royce Center.

Soon, Issac’s men sent him the trajectory of the car.

After he saw it, he said: “Master, Shred drove into the mountains.”

“In the mountains?” Charlie frowned, “What exactly is the location?”

Issac hurriedly said, “It’s the direction of the Champs Ely Spa Hotel.”

“Okay!” Charlie immediately ordered: “Now turn! to your hotel and take a helicopter to intercept his car in advance!”

Issac blurted out, “Master, Shred is strapped with explosives. Are you sure to subdue him?”

Charlie sneered and said disdainfully: “If I want to, I can make Shred not even able to blink, let alone press the detonation switch!”

“That’s good!” Issac breathed a sigh of relief and hurried to the hotel.

At the same time, he immediately took out his mobile phone and ordered the helicopter pilot of the hotel to prepare.

...

At this moment, it was Shred who was already driving a Rolls Royce, swiftly driving towards the mountainous area south of Aurous Hill.

This is the route that Elder Su’s men arranged for him.

After entering the mountain all the way from here, there is a winding mountain road of more than 30 kilometers. This road of more than 30 kilometers has no exit or entrance. As long as the car runs fast enough, no one can catch up.

This is why Shred asked the police to prepare a Rolls Royce.

Ordinary cars running on mountain roads will have a very significant drop in power, but for a 12-cylinder behemoth like Rolls-Royce, even on mountain roads, the power is completely sufficient, enough to keep away from chasing soldiers.

Moreover, the other party had already arranged a way for Shred to get rid of his luggage.

When Shred drives the car into a two-kilometer-long tunnel on the Panshan Highway, two cars immediately will have an accident at the entrance of the tunnel and completely blocked the tunnel for other traffic. He will drive the car to the center of the tunnel, A safety island specially used for emergency parking is the spot for him. According to the requirements, he will kill Liona and Zhiyu there.

After killing the mother and daughter, he would discard the bodies on the island as planned, and then drive on.

There will be a container truck waiting near the tunnel.

When the time comes, he will drive the Rolls-Royce directly into the container truck, and the other party will use the prepared goods to hide the Rolls-Royce in it, and unknowingly transport it away.

Moreover, the container truck that was going to meet Shred was also equipped with powerful signal shielding equipment. Even if the Rolls-Royce was equipped with a hundred GPS devices, it would never be discovered.

At that time, the Rolls-Royce Center will find that this car has not come out since entering the tunnel.

The police will first concentrate on searching for his whereabouts in the tunnel.

By the time the police realized that he might have escaped from their shell, he had already escaped along way!

### **Chapter 2433**

As he got closer to the scheduled tunnel, Shred’s heart became more and more nervous.

For him, victory or defeat is only one move.

Therefore, he kept praying in his heart: "God, I, Shred, never begged anyone in my life, now I beg you to show your spirits, and bless me everything goes smoothly today!"

"If it goes well, after I finish solving this bunch of mother and daughter, God, you only need to save me an hour to escape!"

"One hour is enough for the Su family to arrange my escape!"

"At this time tomorrow, I will have changed my identity and start a new life abroad!"

Thinking of this, Shred was also excited and intolerable deep in his heart.

At this moment, Liona and Zhiyu were sitting in the back row of Rolls-Royce, and the mother and daughter were a little nervous deep in their hearts.

Zhiyu's heart has been highly tense. Seeing the vehicle driving into the mountain, she felt a kind of inexplicable panic. It seemed that something was wrong, but she couldn't think of what was wrong.

Liona realized that Zhiyu next to her was a little uneasy. In order to prevent her daughter from being overly frightened, Liona held her hand tightly and gave her a look of encouragement from time to time to let her relax as much as possible.

Zhiyu found it hard to relax. She couldn't help but ask, "Where are you taking us?"

Shred didn't look back, and said coldly, "Don't worry about where you go, just sit in the car!"

Zhiyu continued to ask, "Then when will you let us go?"

Shred held the steering wheel in one hand and dangling around with the gun in the other. He said impatiently, "When will I let you go, or if I want to let you go? It all depends on my mood. If you are honest Just sit and don't talk so much nonsense, I may still keep you alive, but you keep asking questions, and I will have to kill you now!"

Liona knew that Shred didn't blink at killing, so she immediately scolded Zhiyu and said, "Zhiyu! Shut your mouth and stop talking!"

Zhiyu had to be obedient and closed her mouth.

However, she became more worried, and the premonition of something wrong became stronger and stronger.

She carefully searched all the details in her brain, hoping to find clues that she had overlooked.

A few minutes later, a detail suddenly appeared in her mind.

She thought of Shred's cell phone answering a call when she was in Treasures Pavilion!

Moreover, it seems that he took out his cell phone and sent information to someone.

This detail made her nervous!

"A wanted criminal who has fled all over the country for a long time. When he was rounded up alone, why did he still have the energy to call and send information to others, and his call took a long time?"

“Even if the people who were calling him and sending messages were his family members, it is difficult to explain the past, because normal people will use the fastest way to tell their family members that they are busy, and then hang up quickly. It’s impossible to talk directly on the phone at length.”

“Because, since he has a mobile phone and can communicate with his family at any time, he can communicate anytime and anywhere. If it is not important, there is no need to distract from communicating with family members at such a critical moment. It is easy to be distracted. One’s attention, influence business affairs, especially important matters related to his life safety.”

“It’s like a doctor. When focusing on performing surgery on patients, it is absolutely impossible for him to bring his mobile phone to call or send text messages to his family. This will cause great interference to his work, and a little carelessness will cause serious problems, as a result of.”

“It would be understandable if Shred had just embarked on the road of crime and had insufficient experience, but he is a wanted criminal who has fled for a long time and evaded the law enforcement. He should have strong anti-reconnaissance awareness. Such people should not make such low-level mistakes. “

“So, whether the person calling or texting with him is his family member or not, the other party communicating with him must be a very important thing!”

#### **Chapter 2434**

“Even, it is very likely something closely related to his rushing into the Treasure Pavilion today!”

Thinking of this, Zhiyu came to a conclusion: “Behind Shred, there must be someone else! If this is the case, it is not an accident that he rushed into the Treasure Pavilion today!”

“If this is not accidental, then he kidnapped me and my mother, it is also not accidental!”

“Could it be...Could it be that he rushed to my mother and me?!”

Zhiyu suddenly became more flustered!

“If Shred really happened to rush into the Treasure Pavilion while being hunted down, as long as my mother and I cooperate with Shred to escape, after Shred is safe, my mother and I will have a greater chance of surviving. After all, he has been exposed. In front of the police, there is absolutely no need to kill me and my mother to anger the police and create public opinion. That will only be more detrimental to his follow-up...”

“However, if Shred was instigated by someone, it is a fake to evade hunting, and to kidnap me and my mother is true, then we would be really in big trouble...”

At this point, Zhiyu suddenly said, “Brother Shred, if you let my mother and me go, I can give you 50 million as a reward. I will do what I say!”

“Fifty million?!” Shred was stunned.

The number of fifty million is indeed not small, for him, it is enough to make him tempted.

Moreover, he had no doubt about Zhiyu’s ability.

After all, she was from the Su family, and it would be easy to get five hundred million, let alone fifty million.

However, Zhiyu dared to give it, but he dared not ask for it.

Because, in his heart, he knew that it was the Su family who paid him to kill the mother and daughter.

“Moreover, this matter is more complicated than he thought before!”

“In the beginning, someone asked him to kill Liona. Today, someone called his family gave 20 million and asked to kill that Zhiyu...”

“Why is this Su family so vicious? It doesn’t matter if he kills Liona. After all, she is an outsider, but why do they need this Zhiyu?”

“A family that doesn’t even let go of their own people can no longer be described as cruel. If I honestly follow their arrangements, I can get another chance to go abroad, but if I play cleverness behind them, even secretly took Zhiyu’s money again, then they probably won’t let me go...”

“What’s more, my family is still in China, which really will anger the Su family. They didn’t even let their own family members go, so how could they let my family go?!”

Through the rearview mirror of the car, Zhiyu saw that Shred’s expression which was full of entanglements, and realized that the situation was even worse, so she hurriedly said: “Brother Shred, you must know my situation, let alone 50 million. , Even if it is 60 million or even 80 million, as long as you nod your head, I can give it to you! As long as you nod your head, I can call someone to send the money to your account immediately!”

As he said, Zhiyu hurriedly said, “I won’t tell you 50 million or 80 million anymore. I will make a round for you, 100 million. As long as you nod your head, I will have someone pay you the bill within ten minutes, 100 million in cash, not a penny less!”

Shred heard that as long as he nodded his head, one hundred million would have to be credited to his account. There was a very hungry person who was so hungry that he didn’t dare to open his mouth when he saw the delicacies of Table Mountain.

This made him feel very irritable all of a sudden, and he blurted out subconsciously, “Don’t f\*cking talk nonsense with me! It’s not about money at all!”

As soon as Shred said these words, Zhiyu felt a little bit in her heart and immediately looked at Liona beside her.

Liona had already realized that her daughter was deliberately arranging Shred’s words, and when she heard Shred’s answer, she immediately realized the source of the problem.

Therefore, she also looked up at Zhiyu at this moment.

The mother and daughter looked at each other at once, and both could see each other’s eyes in deep shock!

**Chapter 2435**

Zhiyu used money to buy Shred for two purposes.

First, if spending money is effective, it's best to spend money on wire and directly;

Second, if spending money has no effect, at least the situation of Shred can be determined through dialogue.

Now, Zhiyu has drawn several key clues from Shred's mouth through a set of speech skills designed by herself.

"First, ordinary people hear that a girl in her early twenties is capable of spending tens of millions or a hundred million when she opens her mouth and shuts her mouth. They will definitely not believe her, but will only think that she is bluffing. But Shred does not doubt that she can get five thousand. Ten thousand, eighty million, even one hundred million!"

"This means that he knows who she am! It's easy to know that one hundred million is easy for me, so he doesn't doubt what I say!"

"From this, combined with Shred's previous behavior of talking on the phone and sending text messages, I can see that Shred must have been instructed to kidnap my mother and me!"

"Second, people like Shred can never be good who abide by the agreement. If I say that I am willing to give him 100 million, he can choose to take my money, betray the original employer, or even take my money. Then I will turn my face with me. With his type of a gangster, it is impossible not to consider these two ways to get money.

"However, Shred didn't even think about these two methods. This proves that the original employer behind him is someone he never dared to offend!"

"So, who exactly bought him and made him act in such a big show just to kidnap me and my mother?"

Thinking of this, Zhiyu had no answer in her heart.

She also wondered if her grandfather was dissatisfied with her mother, so he had to clean up this all?

However, based on her understanding of Old Man Su, she felt that Old Man Su would not have murderous intent on her at least.

She also wondered if it was her father who was unhappy with mother, but this was the same as the speculation just now. Whether it was her father or her grandfather, both her father and her grandfather had reasons to attack mother, but for neither of them It is possible to include her.

Therefore, Zhiyu also led herself into a dead end.

Immediately afterwards, she thought: "Could it be my father or grandfather behind the scenes who asked Shred to kidnap my mother and me, but in fact he was only going to be disadvantageous to my mother?"

Thinking of this, Zhiyu suddenly became extremely nervous, and thought to herself: "If this is the case, then when Shred reveals his true colors, I must protect my mother!"

While Zhiyu made a desperate effort to protect Liona, her heart was full of anger and despair towards the Su family.

She couldn't figure out why the Su family would be so cruel to her mother.

What she doesn't even understand is that this matter is obviously that the father is at fault first, so why want to kill mother?

Is it because her mother came here to this city this time?

At this time, Liona also guessed the whole thing.

Deep down in her heart, she also had the same question: "Zynn can bear me and give birth to an illegitimate daughter outside, even unscrupulously bringing the illegitimate daughter to his side, and I have been married for so many years, and never betrayed him. I just wanted to get a divorce from him. Is he wrong or I am wrong?"

At this time, Shred didn't realize that he had accidentally leaked the secrets just now. At this time, he only hoped that the tunnel on the map would arrive sooner, so that he could solve all this.

## **Chapter 2436**

At the same time, a helicopter has left the urban area and hurried towards the mountainous area outside the city.

On the plane, Issac was reporting to Charlie: "Master, the target is still ten kilometers away from us in a straight line. Since their car can only travel in curves in the mountains, we should be able to catch up soon."

Charlie nodded, and said: "I have one more question I don't understand."

Issac hurriedly asked, "Master, what is the problem?"

Charlie said: "I don't understand what Shred left behind. He made such a big move. I believe that although there are no police chasing after him, but every intersection ahead there should have been a police ambush. No matter how expensive the Rolls-Royce he drove, it was nothing more than a car. In this case, he could not escape even with his wings."

"Yes." Issac nodded and said in agreement: "Perhaps this gangster Shred didn't want to escape at all. He was originally a Grade A wanted criminal. If he is caught, he will definitely be unable to escape, so it is better to live his own old man life, earn a settling allowance from the Su family for his wife, children, and grandchildren."

Charlie smacked his lips: "What you mean is that Shred has already reported his determination to die, and he is not ready to escape alive, right?"

"Yes!" Issac said: "I think this possibility is the greatest."

Charlie shook his head and said, "If he is really going to die, then he shouldn't have to spend such a big setback to perform such a play. He only needs to find an excuse and reason in the treasure pavilion and treat Liona as and just kill the hostages, so why bother to have a Rolls Royce running here non-stop?"

Issac thought for a while: "Is he going to do a full set of drama?"

"Is it necessary?" Charlie said lightly: "He will be dead soon, and there are going to be so many scenes before death. What's the point? If he just wants to confuse the audience and let everyone not suspect that the Su family is in the Killing so many hostages in the Pavilion, just a little bit of the muzzle can kill Liona, and everyone will not doubt it."

Issac asked: "Master, what do you mean is that Shred has a way to escape?"

Charlie sneered, "I'm still not sure whether Shred really has a way to escape, but what I can be sure of is that if it's the Su family who promised him the help to escape, then the Su family will not let him live."

Issac hurriedly asked, "Master, if you say so, then the Su family must be ready to kill Shred!"

"Yes." Charlie nodded lightly and said: "I think from the perspective of the Su family's behavior, they will definitely avoid nights and dreams, so they will definitely solve Shred as soon as possible within a reasonable range."

Issac thought for a while, and said, "The place that Su's family would choose should be this section of mountain road with no exit."

Charlie gave a hum, and said: "Speed up, lock them as soon as possible!"

"OK master!"

After another few minutes of flying by the helicopter, Issac pointed to a black car on the road diagonally ahead and said: "Master, lock that car! It's the black stretch car below!"

Charlie lowered his head and glanced, and he found Issac's Rolls Royce.

However, due to the high altitude, the Rolls-Royce looked not even as big as a fingernail.

At this time, Issac asked him: "Master, should we descend to catch up?"

Charlie waved his hand: "No, so as not to startle the snake, follow him from a distance to observe!"

## **Chapter 2437**

At this moment, Shred didn't know that Charlie had locked him firmly from the sky.

While driving intently, he stared at the navigation from time to time.

The navigation shows the distance, the scheduled tunnel, and there it is, less than 5 kilometers.

The current speed is about 180 kilometers per hour, and it only takes two minutes to arrive at the destination!

Thinking of this, Shred was so excited that he couldn't bear it.

As the tunnel got closer and closer, he became more excited, couldn't help but step on the accelerator deeper and the speed of the car rose a little faster.

As he approached the tunnel, he saw that on the right side of the road ahead, there were a number of relatively slow trucks running one after the other.

He glanced at the license plate and felt more relieved.

The two trucks in the front are the ones arranged by the Su family.

These two cars have been driving on the road at low speed, just to determine the time to reach the tunnel based on Shred's location.

Because according to the plan of the Su family, after Shred's vehicle enters the tunnel, the two vehicles would collide behind him, at the entrance of the tunnel.

In this way, two trucks collided with each other, which can directly block the road of the two-lane road, and the vehicles behind will be stuck, making it impossible for a while to move ahead.

In this way, Shred will win enough time.

The vehicle driven by Shred soon surpassed the two trucks. At this time, there was only one kilometer left at the entrance of the tunnel.

Shred took care of the trucks behind him, because he knew that no matter how many trucks there were behind him, if the two leading cars collided, they would be blocked behind him.

At that time, this highway will be completely cut off.

However, when Shred had already driven the car into the tunnel, the two trucks at the front did not intend to cause an accident. On the contrary, they all started to speed up in an instant, accelerating and rushing into the tunnel.

As the two trucks entered the tunnel, several vehicles behind the two trucks suddenly collided at the entrance of the tunnel, and the entire road was immediately blocked by the crashed cars.

The Su family is ready to kill people!

These two trucks are accelerating continuously, each of which is loaded with dozens of tons of goods, and its inertia is large enough to completely destroy any family car.

At the exit of this tunnel, two trucks blocked the way.

In this way, Shred's Rolls-Royce became a can of human flesh surrounded by four trucks.

With no entry and no retreat, this Rolls-Royce has only one end, that is, being hit by two heavy-duty trucks into a pile of scrap iron!

At that time, the people in the car will never survive.

Shred will die, and his two abductees too!

## **Chapter 2438**

At the same time, Charlie was on the helicopter and saw the car enter the tunnel. He also saw the two trucks at the back follow in. Then, he saw several cars collided at the tunnel entrance. .

Charlie could tell at a glance that these cars had crashed into each other on purpose.

So he immediately said to Issac: "These trucks should be closing the road. I think they are going to do this in this tunnel! Go to the other side of the tunnel immediately!"

Issac didn't dare to hesitate and blurt out: "OK young master! Let's get down to the height and dive straight over!"

...

At this moment, Shred in the tunnel suddenly discovered that the road ahead was blocked by two container trucks parked side by side. He immediately realized that the time had come.

Because according to the plan, he was supposed to kill Liona and Zhiyu in the car here, and then the Su family would disguise the two of them as they pushed open the door from a high-speed car and fell to death.

As for Shred himself, him and the vehicle will be loaded into the container truck and taken away.

In this way, the outside world would think that the mother and daughter died when they jumped out of the car in the escape attempt, while Shred himself continued and escaped.

So, Shred slowed the vehicle to a stop, raised his pistol and turned around, and said to Liona and Zhiyu, the mother and daughter sitting in the back of the car, "Sorry, two beauties, I want to send you off on the road together!"

"What?!" Liona said in a panic: "The Su family came for me, but it has nothing to do with my daughter. Please let my daughter go!"

Zhiyu also panicked, and blurted out: "If you want to kill, kill me and let my mother go!"

Shred frowned in astonishment, and looked at Liona and asked, "How did you know that it was the Su family? Did you get any information in advance?"

Zhiyu hurriedly said: "There must be some misunderstanding here. My surname is Su and I belong to the Su family. The current Su family's patron is my grandfather. The Su family cannot kill me. There must be something in it. Some misunderstanding, I beg you to call and confirm with them!"

Shred sneered and said: "I have confirmed it a long time ago. What they want is the lives of both of you. You are indispensable, so you don't have to intercede for each other. Things have developed to this point. I can't drop any of you!"

With that said, Shred pointed to the two container trucks blocking the way in front, and said with a smile: "And you don't have to try to open the doors and escape. These people have been prepared for nothing. They are going to get yours lives!"

"You two fell into my hands, I can at least give you a happy one, but if you fall into their hands, I guess they will treat you directly as adult meat bowling, causing your brains to explode a terrible death!"

When Zhiyu heard this, she cried and lost her voice: "Mom! Why did Dad and Grandpa do this..."

Liona held Zhiyu in her arms, held back her tears, choked up and said: "Zhiyu, I'm sorry, Mom, it's your mother who brought this to you..."

Shred pointed his gun at Liona and said lightly: "White-haired people shouldn't be sent to black-haired people, so I just wrong you and go ahead!"

Liona knew that she was definitely in danger this time, she just felt very sorry for her daughter, and was full of guilt for her.

At this moment, she has accepted her fate, rubbing Zhiyu's head, crying and saying: "Zhiyu, I'm sorry..., I'm sorry...Don't blame mom... .."

Zhiyu also cried sadly and said, "Mom...I don't blame you..."

Shred couldn't help sighing: "Oh, it's a pity to kill two such beautiful beauties, but I have no way to survive. I can only let you two die for my own survival!"

With that, he was ready to pull the trigger to kill Liona first.

But at this moment, he turned around to look at the back seat, and suddenly through the rear glass, he saw two groups of dark shadows coming quickly!

He glanced intently and couldn't help exclaiming: "F\*ck! What the hell is going on? Don't they know if the two of them are blocking the road behind? Why did they both rush in?"

#### **Chapter 2439**

Shred clearly saw that the two black shadows rushing right behind the Rolls-Royce were the trucks that were supposed to cause a car accident at the tunnel entrance and seal the intersection!

These two cars are fast, and they are driving side by side, completely occupying the entire road. Now that they are getting closer and closer to the Rolls-Royce driven by himself, there is no intention to stop.

Shred was shocked by this!

After all, he is a person with a strong sense of anti-reconnaissance, so he immediately realized that a major change had happened!

He thought nervously in his heart: "Before this, the whole thing was proceeding in accordance with the plan made by me and the Su family."

"Including me being discovered by the police, including me being chased into Treasure Pavilion, including me taking the woman and girl as hostages, and even including me taking the two of them to flee, everything did go according to the original plan!"

"However, only the two trucks in front of us have a major deviation from the original plan!"

"They two, shouldn't be here..."

"These are now rushing towards them at such a fast speed. At first glance, this is not a good sign!"

Shred is not a fool.

He watched the news and videos of major car accidents on TV.

Knowing that trucks traveling at high speeds are simply the most lethal vehicles on the ground.

A truck of hundreds of tons rushes at a speed of more than 100 kilometers per hour, and even a tank may not be able to handle the impact.

If it's a car, it will be knocked out directly!

What's more terrifying is that there is no way to escape before this f\*cking thing!

If the front is unobstructed, with the power and acceleration of Rolls-Royce, these two big trucks can only eat farts in the back!

However, the road ahead was blocked by two other trucks, and there was nowhere to escape!

Seeing that the two large trucks were getting closer, Shred's eyes were split in anger, and he couldn't help but gritted his teeth and cursed: "D@mn! I didn't expect the Su family to be so untrustworthy! They let me kill you two. They also wanted to kill me too! The Su Clan makes it a great way to unload the grind and kill the donkey!"

Zhiyu thought that Shred would directly shoot her and her mother.

But she didn't expect that Shred suddenly looked at the rear windshield and scolded the Su family with a look of resentment.

So she turned her head subconsciously and immediately saw the two large trucks getting closer and closer.

With her IQ, she understood the situation almost immediately. She smiled bitterly and said to Shred: "You knew that the Su family would even kill you, you should have thought that they would never let you live and go away like that!"

Shred looked desperate and murmured: "You are right...I was completely f\*cked by the Su family as a gunman..."

After that, Shred suddenly became very irritable, crying and cursing: "What the h3ll are you stupid family! Since you are a mess, at least the morality of the world is always going to be untrustworthy forever? "

Zhiyu sneered and said, "You are a murderer who can take the lives of others by taking other people's money. What are you talking about?"

Shred immediately scolded, "Damn, f\*cking with me, believe it or not, I will shot you to death?!"

Zhiyu smiled miserably, and said without concession: "Just shoot and give me a good time! It's much better to be shot to death by you than to be hit by a truck into a can of meat and then die a painfull death!"

As soon as Shred heard this, his face paled in shock!

Although he is a gangster with many live threatening experiences, he is also afraid of death and pain. If he is really like the dead in a major car accident, and then slowly dies after being hit, then he would rather prefer to die simply. ....

Zhiyu saw that he was already completely panicked, and his expression was full of contempt, and said coldly: "Why, you usually kill people like numb, but now you are afraid of death?"

Shred ignored Zhiyu's ridicule at this time, and blurted out, "Aren't you afraid of death?"

#### **Chapter 2440**

Zhiyu said coldly, "If I am mortal, what's the use of being afraid? Can you escape if you are afraid?"

Shred was silent for a moment.

Zhiyu was right.

In this situation, there is no chance to escape.

If you can't drive past, it will be worse if you get off.

If the human body is directly run over by an overloaded truck, it will basically become muddy!

Zhiyu said at this time: "Don't you have a bomb on your body? Just detonate it! That way, death can alleviate a little pain!"

Shred smiled bitterly: "I don't have any *fcking bombs*, *all the fcking* are fake."

As he said, he picked up the detonator, pressed it several times, and said bitterly, "Look, there is no reaction at all."

Zhiyu did not expect that this Shred would be rubbish from the beginning to the end. When she thought that she and her mother would be buried in this tunnel because of this person, she felt 10,000 in her heart.

However, at this moment, she also realized that she and her mother had no chance of escaping from birth, leaving a window of life for her, and there were dozens of seconds at most.

At this moment, she could already feel the strong vibration caused by the two overloaded trucks driving at high speed. At this moment, her arms tightly hugged Liona beside her.

.....

At the same time, Charlie's helicopter had swooped down and appeared on the other side of the mountain.

The helicopter is constantly lowering its altitude over the tunnel entrance at this end, but as it gets closer to the ground, the pilot's descent speed has become more and more cautious.

Just now, seeing that Rolls-Royce entered and two big trucks rushing in, Charlie realized the other party's strategy.

The Su family must have wanted to create a serious traffic accident and solve Liona, Zhiyu, and Shred all at once.

In the tunnel, these three people would never have a chance to escape.

Therefore, Charlie kept urging the pilot: “Go down faster! If you are slow, I’m afraid it will be too late to save people!”

The pilot blurted out: “Master! There is a radar on the bottom of the plane to detect the distance between the fuselage and the ground in real time. Once the distance is within 20 meters, it will forcefully maintain the descent speed within a safe range. I don’t think I can get it faster. ....”

Charlie looked at the ground, and the height was almost a dozen meters, not to mention, it was at least five stories high.

If he follow this descent speed, he will have to wait at least twenty or thirty seconds before landing, so he immediately unfastened his seat belt, opened the hatch, and said to Issac: “Take someone to hold a gun at the tunnel entrance. Anyone who dares to support him release the bullets!”

Issac hurriedly asked, “Master, are you going to...”

Before he finished speaking, Charlie had already jumped and jumped off the helicopter!

For Charlie, although he had never jumped from such a high place, he continued to take a lot of rejuvenation pills to improve his physique, and he also has his aura as support.

Therefore, he can be sure that with his current physical strength, there will be no problem jumping from such a high level.

really!

Charlie leaped and fell heavily on the ground in the blink of an eye. Although his legs had withstood a huge impact in an instant, they were completely within the range of his body’s bearing range.

At the moment he landed, he did not dare to have any delay, and quickly rushed toward the tunnel entrance.

At this time, he heard a huge impact suddenly coming from inside!

“boom!”
