

Noble Husband At the Door Chapter 244

After arriving at the villa, the old lady could not wait to inform Harvey regarding her cooperation with the Beautiful family.

If it remained in the past, Harvey would absolutely be really ecstatic, because he could get this task and have the funding to take on Yvonne. Now, he was not satisfied with any kind of placement listed below the chairman.

Just when he became the chairman of the board of directors could he find a method to drive Yvonne out of the Sue family as well as take revenge on Samuel.

As the claiming goes, "There are no more than three times. Harvey has been beaten by Samuel 3 times. This embarrassment is certainly except him to accept."

On the surface area, Harvey still looked happy as well as excited.

"Grandma, thank you for trusting me. Don't worry, I will do my work well as well as will not allow you down," Harvey said.

The old woman claimed with a gratified look, "I wish you can make progress in this issue. If you can do an excellent task, I will offer you the position of chairman."

"Can it be done well?"

I can not wait that long.

Harvey concealed the viciousness in his eyes as well as said, "Grandmother, are you thirsty? I'll obtain you some water."

The old lady responded. It was not unreasonable for her to like this grandson, due to the fact that he recognized effectively how to please the old lady.

Harvey walked to the old woman with a mug of cozy water. The old lady was really parched and consumed alcohol half of it in one gulp.

There was yet one more round of talking. After sending Harvey off, the old woman really felt a little drowsy and also returned to her space to sleep.

After leaving the rental property, Harvey returned to the cars and truck, as well as his hands couldn't quit trembling.

"What's there to be afraid of? You're currently done, and also you're about to become the chairman of the board of supervisors. What's there to be terrified of?" Harvey applauded himself on. Recently, when pouring the water, he had actually included a bit of product. If everything worked out, the old lady would certainly die tonight.

This was the idea that Harvey came up with after being beaten by Samuel as well as the old lady's refusal of being promoted to the setting of chairman. Because only in this way can he end up being the chairman of the Sue family as soon as possible.

Taking a deep breath, Harvey stepped on the accelerator as well as drove the car away.

Samuel had not selected Yvonne up from work lately, since he was warm and also tranquil. Perhaps she might slowly ignore the event in Golden Bridge City as time went by.

In the evening when they were having dinner in your home, Godfrey received a call, as well as his face instantly turned pale. Yvonne as well as others did not comprehend, but Lydia directly grabbed Godfrey's ear.

"Godfrey, did you have a girlfriend outside? She's expectant, isn't she?" Lydia stated madly.

Samuel had seen Lydia's strange means of thinking plenty of times. This woman was really neurotic, however luckily, Godfrey had strong endurance. Otherwise, both of them would have separated long ago.

Godfrey drew Lydia's hand away, looking a little bored.

"Why do not you state something? Did the bitch call you?" Lydia wondered about.

"What bitch? Do I have the cash to keep a mistress?" Godfrey roared at Lydia madly.

Lydia had never seen Godfrey shed his mood so terribly at her, and also Godfrey's actions made Lydia assume that he had a guilty conscience.

"How dare you yell at me? Godfrey, are you crazy?" Lydia waved her hand and also slapped Godfrey in the face.

Seeing that something was wrong with the two of them, Yvonne asked quickly, "Dad, what took place? Inform me swiftly."

Godfrey's throat relocated a little, and then he claimed, "Your grandmother is dead!"

The vacation home fell under silence. Even Samuel, the "outsider" who did not care about the life and death of the old woman, was surprised.

Her body was very challenging. Exactly how might she all of a sudden die!

"You ... you said, Mother is dead?" Lydia stammered.
