

Chapter 2443– 2444 of A Dish Best Served Cold Novel

Chapter 2443

“But now, I find that I can’t even do the simplest things.”

While speaking, tears flowed from Helen Qiu’s eyes.

He felt more and more that he was not a competent wife at all, even less worthy of Mark’s excellence.

Seeing Helen Qiu’s sadness and self-blame, Mark let out a chuckle.

“You silly girl, this is the first time I have seen a woman who shed tears because she didn’t have a chance to do housework.”

Mark shook his head and smiled, but in his heart, it was exceptionally sweet.

Nowadays, the society is full of material desires and people’s hearts are not ancient.

Especially because of the proliferation of female boxing on the Internet, many women have long been lost in it.

Don’t say that she is rushing to do housework like Helen Qiu, she is completely like an ancestor at home.

With a monthly salary of 3,000, I can’t support myself, but I often demand a monthly salary of tens of thousands of my future husband.

After marriage, the ten fingers do not touch the sun and the spring water, and even the right to have the surname, ask the garage to be in his own name, and always warn about giving birth to children.

For these, Mark just treated it as a joke.

In Mark’s view, when a woman makes these unreasonable demands, that marriage has already become a deal, and life has become a torment.

True love should be selfless dedication and dedication to each other.

“Okay, okay, can you make breakfast tomorrow?”

Mark shook his head and smiled, while walking up, gently hugging Helen Qiu into his arms, comforting in a low voice.

In my heart, at the same time, I felt more pity for this girl.

Of course Mark knew that Helen Qiu just wanted to do something for herself. But all kind people can never accept the contributions of others without any reward.

Even between husband and wife, this is naturally the case.

“Hmph, this is what you said, so you won’t be allowed to snatch it from me in the future.”

“And, I promise, I won’t sleep again tomorrow~”

Helen Qiu wrinkled Qiong’s nose, and there was still a nasal sound in her faintly resentful words. There were still wet tears on her stunning pretty face.

That look is very cute.

So Mark couldn’t help but stretched out his hand and gently scratched Helen Qiu’s Qiong nose.

In the end, under Mark’s comfort, Helen Qiu just sat down and finished her breakfast.

After that, Mark drove himself to send Helen Qiu to work.

Of course, Mark does not need to do these tasks himself, and even housework can be done by a nanny.

But Mark didn’t. Instead, he did it himself.

Because Mark knew that the time he could spend with Helen Qiu was running out.

Therefore, he especially cherishes every bit of time he spends with her.

After half an hour, the roar of the car rang out.

Mark, who went to send Helen Qiu to work, had also returned.

However, when he returned to the villa, he found a man standing at the door.

The man was dressed in white, with staring eyebrows and sword eyes, and between his eyebrows, there was implied majesty.

The whole person stood there with a smile like that, standing with his hands behind.

It resembles a generation of sword celestial swords in ancient times. It is suave and graceful.

This person is not someone else. Surprisingly, Ye Qingtian is the number one strong in the summer.

Seeing Mark, the two smiled at each other.

“Send my wife back?”

“Yeah. She just got her driver’s license and she’s still a novice. I don’t worry about driving by herself.” Mark nodded and replied with a chuckle.

Chapter 2444

“Haha~”

“I thought that among the Seven Pillar Kingdoms in the hot summer, the passionate person was nothing but Ye Qingtian, the god of war.”

“Now it seems that there is another Mark who is unparalleled in the country.”

“It’s okay to love your wife, but you can’t be afraid of your wife if you are a big husband.”

“Otherwise, it’s spread out that my country’s strongest pillar country in the scorching summer is actually a strict wife, and we must not let other country’s strongest jokes.”

Ye Qingtian laughed haha.

But Mark had already walked into the living room at this time, made tea for Ye Qingtian, and invited him to a seat.

However, after hearing Ye Qingtian’s words just now, Mark felt curious and couldn’t help asking, “So, does God of War also have a favorite woman?”

“If you can win the favor of the strongest person in the summer, it is estimated that that girl will have a stunning posture.”

When the two talked about this, the man in front of him who dominated the hot summer, his eyes suddenly became a lot more affectionate and soft: “I’m not hiding from you, she is indeed the first beauty I have seen in this life.”

“Not only has a majestic appearance, but also a powerful and powerful.”

“Sometimes, even in front of him, I feel ashamed.”

Ye Qingtian shook his head with emotion.

He has never said these words to others.

Today, he also saw that Mark was a lover, so he said it.

And Mark is undoubtedly more interested: "Oh?"

"To make you feel ashamed?"

"I am really curious, where is the goddess in the heart of the God of War?"

However, facing Mark's question, Ye Qingtian waved his hand, as if he didn't want to continue this topic, and instead said, "Forget it, don't talk about it."

"Mark, I am looking for you today, but I am here to ask you a crime!"

"I heard that the Jiangbei defense zone was turned upside down by you a few days ago."

"A large number of special teams were destroyed by your Qinglong group!"

"The three major instructors, under your hand, are wounded, killed and disabled."

"For so many years, in my hot summer defense zone, there has never been such a bloody incident."

"Do you know that after this happened, the high-level military directly filed a complaint to the Martial God Temple."

"My hot summer martial arts, the most taboo thing is to bully the weak and wanton killing."

"What you did has touched the bottom line."

"Even in the Martial God Temple, there are people who advocate that you should be cured of your fault."

Ye Qingtian said in a deep voice, and Yu Qi was a little serious.

Obviously, even Ye Qingtian felt that what Mark did was a bit too much.

However, facing these words, Mark was still calm.

He picked up the tea cup, took a sip, and smiled calmly: "Really?"

"If someone wants to fix my fault, let him come."

“Tell him, Mark, I’m waiting for him right here.”

“Only he has the ability, so why don’t I give Mark my head to him?”

“You~” Mark’s words made Ye Qingtian stare with anger.

Finally, he smiled helplessly, “You guy, you still have this temper.”

“I knew it before I came. It’s impossible to let you know your mistakes.”

“But Mark, I still advise you to try to restrain yourself.”

“Otherwise, with your aloof temper, I am afraid that you will offend many people in the future.”

Mark shook his head and said, “I know what I am wrong? Why am I wrong? Why do I know what I am wrong?”

“Those people offended me first.”

“To blame, you can only blame them for not being able to do anything.”

“The purpose of martial arts practice is to be happy and enmity.”

“If you have mastered the power, but still allow others to insult, then what is the use of this power?”
