

Chapter 2453– 2454 of A Dish Best Served Cold Novel

Chapter 2453

“Yes, I am Mr. Chu.”

In front of the villa, Lu Yanxi and Lu Hua were still in a tremor and did not recover.

But Mark was holding a bowl and eating dumplings while smiling lightly.

Noirfork people have a custom, that is, whenever their relatives travel far, they will make dumplings to see them off.

This time Mark was about to leave, Helen Qiu and Mark’s wife made dumplings together on a whim.

However, this process has never been smooth.

Teaching a person with almost blank cooking skills to make dumplings is by no means easy. For Mark, the level of hardship is no less than a grand master decisive battle.

But Helen Qiu insisted on learning and insisted on letting Mark eat the dumplings she made for him.

In the end, the two of them fought for a long time before they finished the dinner.

Fortunately, the time was almost the same. They had just finished their dinner, and Lu Yanxi and the others arrived.

At this time, Mark was still wearing that pink scarf, and his sleeves were still stained with white flour. He looked like a squeezed “housekeeper”.

“Have you eaten?”

“Would you like to go in and get a bowl of dumplings?”

Mark asked enthusiastically.

“Dumplings?”

“Cement coal!”

However, Lu Hua at this time has undoubtedly recovered from the shock.

The two of them looked at Mark with black lines on their faces, and it was hard to believe that the Martial God Temple would allow such a young person to participate in this operation.

“by!”

“Play with us?”

“A bastard, let me, Lu Hua, come in personally?”

“I really don’t know what the Martial God Temple is thinking.”

In this regard, Lu Hua is undoubtedly extremely dissatisfied.

Originally, this operation was extremely dangerous. Of course, he hoped that all the participants would be strong on their own.

Even if everyone can’t be a respected martial arts senior like Kong Lao, but at least they can’t pull their hind legs.

Now that the Wushen Temple recruited a nasty bastard into their team, Lu Hua naturally felt dissatisfied.

What made him even more dissatisfied was that the Martial God Temple even arranged for them to visit this junior in person.

“Fortunately, Mr. Kong didn’t come, otherwise, I’m afraid I will be pissed off!”

Lu Hua said a few words viciously, and then turned away without lingering.

“What’s up with him?”

“Take gunpowder?”

“I don’t want to eat something that I don’t want to eat, why lose my temper.”

“Furthermore, the dumplings my wife made for me, I’m not happy to let him eat it?”

Mark was not angry with Lu Hua’s dissatisfaction.

On the contrary, he smiled faintly, as if nothing had happened, but he didn’t care about it at all.

“How about you?”

“Would you like to try my wife’s craftsmanship?”

“This is the first time to make dumplings, so it can be made to the point where it’s hard to come by.”

Mark was almost showing off and praised Helen Qiu in front of outsiders.

“I’m not interested.”

Lu Yanxi obviously didn’t have a good attitude at this time.

Especially after seeing Mark being so young, the anticipation and respect he had previously disappeared undoubtedly.

Yes, the young man in front of him was completely different from the “Mr. Chu” he had imagined. It was a world of difference.

He originally thought that the person who could make his father so admired, even if he was not as good as Old Kong, would definitely be a martial arts senior who was very educated and full of majesty in every gesture.

However, the ideal is full, but the reality is very skinny!

He did not expect that this “Old Mr. Chu” turned out to be the shabby, carefree young man in front of him.

Chapter 2454

If it weren’t for the fact that her father knew Mr. Chu well, it is estimated that Lu Yanxi would have been like Lu Hua long ago, so he turned his head and left.

After all, this Mark is too young.

Being young often means weak and weak. “Really not eating?”

“Going through this village, there is no more shop.” Mark seemed to say jokingly.

“Okay, I don’t have the time to chat with you. After eating, go to Edensberg International Airport immediately, and we will be waiting for you there.”

“If you don’t arrive before ten o’clock in the evening, you don’t need to participate in this mission.”

“What I said, you can understand...”

Lu Yanxi was still talking, and at this moment Helen Qiu’s shout came from the villa.

“Okay, wife, I’m coming right away~”

“Um.. Well, let’s be out of company, my wife called me, I have to hurry over.”

“Otherwise, you have to kneel on the washboard~”

Mark hurriedly agreed, and then he didn’t care to listen to what Lu Yanxi said, turning his head and hurried back.

“You~”

“I...”

At that time, Lu Yanxi was undoubtedly going crazy.

She hasn’t finished talking about her business, yet Mark has left?

“by!”

“Still a wretched wife who is afraid of his wife?”

“What kind of weird teammate is this?”

Lu Yanxi’s eyes were full of black lines, and her face was green and whispered.

What she hates the most in her life is this kind of wretchedness that is afraid of his wife.

There is no masculinity at all, how is it different from a wife?

Those who make big things should have grandeur.

Like Mark, he was destined to accomplish nothing in his life.

“Forget it, don’t bother to care about him.”

“Does love come.”

“Anyway, one more is not more, and one less is a lot.”

Lu Yanxi didn’t care if Mark heard about the confluence of rivers and seas. After Mark returned, she also left.

Jiang Hai.

Elder Kong had been waiting here for a long time, but when he saw that only Lu Yanxi and Lu Hua had arrived, he suddenly frowned.

“what happened?”

“Where is Mr. Chu?”

“Have you invited?”

“Fart, please!” Lu Hua exploded directly because of the anger in his heart.

“Mr. Kong, you don’t know, this Mr. Chu is just a young man who is still young.”

“Still a wretched wife who is afraid of his wife!”

“When we went, he was wearing a scarf to do housework for his wife?”

“While talking about business here, his wife called back like a dog over there.”

“Ma De, a man, afraid of his wife crawling to the point where he is so scared, he simply embarrassed our men!”

“I really don’t know why this kind of person was selected above to walk with us.”

“Isn’t this holding us back?”

“Also let us come to Noifork to pick him up personally, a brat, is he worthy?”

Lu Hua was so angry that he couldn’t help complaining.

“Oh?”

“A boy?”

Kong Ming was obviously also a little surprised, and immediately began to speculate why the Wushen Temple was arranged in this way.

“Kong Lao, I don’t think we should wait any longer, the three of us will set off directly.”

“Otherwise, this kind of person carries a burden.”

Ye Qingtian naturally did not tell them about Mark’s strength.

After all, the deeper the hole cards are hidden, the better the effect.

Otherwise, if it leaks out, the hot summer martial arts will be punished by the international community.
