

Chapter 2461

Steve knew that the Su family was currently the strongest family in China, so he wanted to make friends with him.

Now, knowing that he came to Aurous Hill for almost the same purpose, and he invited him to go to the hotel with him. This is definitely a good opportunity to establish an intersection with the Su family and increase the chance of finding the son.

It is definitely killing two birds with one stone!

So he said gratefully: "Mr. Su, it's true that since my son and his men disappeared, I have not even a single person available in Aurous Hill, so no one arranged a pick-up. If I can get your car if you're going to the hotel together, thank you so much!"

Shoude smiled slightly: "Mr. Steve you're too polite. Our Su family had some ties with the Rothschild family back then. Although we had some unpleasantness, we finally reached a cooperation, which can be regarded as some friendship!"

Steve nodded gently, and said flatteringly: "If there is a chance in the future, I hope we can also have substantial cooperation with the Su family, even including the Rothschild family, I can also let my mother walk around a bit more and see if it can lead to new cooperation."

Shoude said, feeling very happy.

Although he doesn't take Steve seriously, he still has a lot of friendship with the Rothschild family.

He couldn't help thinking in his heart: "After all, the Rothschild family is the most powerful family in the world, and its true influence is more than ten times stronger than the Su family. If it can really get along with the Rothschild family in the future, it will be good for the entire Su family, but for myself, it must be of great help, at least it will make me stand more stable in the Su family!"

Thinking of this, he couldn't help but smiled and said to Steve: "Come Mr. Steve, let's go to the hotel in my car, and I'm going to be a host tonight. Let's have dinner for the two of us and exchange clues by the way. We can also cooperate with each other on the matter of finding someone next."

Steve immediately said excitedly: "Great Mr. Su, there is absolutely no problem with me!"

Shoude invited Steve to get in his car. As for the others brought by Steve, they were not treated as well. They had to take the car to the hotel.

Steve and Shoude sat in the back row of one of the Presidential One's. As the convoy departed from the airport, Steve probably introduced details about his son Walter to Shoude.

However, Steve didn't know his son Walter's attempt to Doris, nor did he know his nasty actions against Doris's father. Therefore, in his opinion, his son was steadfastly developing business in Aurous Hill. He did not expect that, suddenly one day he'll evaporate, just like that.

After listening to his introduction, Shoude was even more puzzled, and said in a low voice: "It would be nice to say if it was your son who disappeared alone, but it would be a bit weird to have so many people getting missing all at once..."

“Yes!” Steve sighed, “I suspected that he was kidnapped at first, but, I know, I haven’t received any information about the kidnappers asking for a ransom.”

After speaking, Steve added: “I also asked people to check all the bank records of my son. Since his disappearance, none of his bank accounts have been woven even a penny. If the other party really does it is for money, it is impossible to still not want to ask for money...”

“Yes.” Shoude frowned and said, “A dozen people can disappear at the same time, and all monitoring records can be erased. The forces behind it must be very difficult to comprehend...”

Speaking of this, he couldn’t help thinking: “Liona and Zhiyu disappeared in the tunnel, and even Steven, the bodyguard of the old man, is also missing. It must be very difficult for someone common to do this. Aurous Hill itself is a small second-tier city. Even if there are big people hiding in it, it is impossible for two or more powerful forces to stay here... Maybe, the ones who let Steve’s son disappear are the same group of people who took Liona and Zhiyu.”

Chapter 2462

So Shoude hurriedly asked Steve: “Did your son offend anyone during his time in Aurous Hill?”

“This...” Steve shook his head and said, “My son has never been to Aurous Hill before, or even China. This time he was sent to Aurous Hill by the family to develop the family business, and he came here. The time was also very short, so I don’t think he will have any enemies here.”

Shoude asked him, “Is your son married?”

Steve hurriedly said truthfully: “He’s married and have two children.”

Shoude continued to ask: “Then his private life is checked?”

Steve seriously said: “I have never heard of improper relations with any woman.”

Shoude asked again, “Is he an addict?”

“No! Absolutely not!” Steve said hurriedly: “Our family absolutely does not allow any addicts to appear. All adult men must undergo regular urine tests. Once he is found to be an addict, he will be interrupted. In all the positions in the family and the withdrawal of all funds, Walter will never touch this red line made by the family!”

Shoude stretched out his four fingers and said, “In most criminal cases in the world, there are four possibilities. The first is for money, the second is for addicts, the third is for love, and the fourth is for Enmity.”

“If the other party kidnapped your son and doesn’t want money, this will rule out the possibility of making money.”

“If your son has regular urine tests and he is not a drug addict, then this aspect can also be ruled out.”

“As for? In terms of relationships, although you say that your son is very prudent in his private life, he knows his face and doesn’t know his heart. What’s more, you are a father. To put it ugly, how many

women your son has slept with may not be known better than his good friends. You know better, so I think there is still a possibility for emotional reasons.”

“And revenge. Even if your son has just arrived in Aurous Hill, it doesn’t mean that he won’t offend people. Maybe he really offended some very powerful people in in the city.”

Speaking of this, Shoude smacked his lips, and said, “I think the possibility of love and hatred is fifty fifty. You can start to examine these two aspects first.”

Steve nodded gently: “Thank you Mr. Su for this insight. I will actively search for relevant clues to see if I can find any breakthrough points!”

The reason why Shoude did so much analysis for Steve is to hope that Steve can find clues to his son’s disappearance through these aspects.

He now suspect that the disappearance of his son was done by the same people who are responsible for the disappearance of Liona and Zhiyu. He has no way to find clues. If Steve can, it would be a curve to save the efforts.

At this moment, Steve suddenly said, “That’s right! My son seems to have a close college classmate in Aurous Hill, and it seems to be a woman!”

Shoude immediately said excitedly: “This is a very valuable clue! If this woman has something to do with your son’s disappearance, first find a way to find a breakthrough from her!”

Chapter 2463

At this moment.

Charlie was not in a hurry to go home, but stayed in Issac’s office, staring at the current trend of public opinion on the Internet in real time with his mobile phone.

He found that now the Su family’s PR forces are clearly overwhelming. No matter what APP, even if it is just a small website or forum, there are a large number of Su family PR forces washing the ground for the Su family.

They have even been helping the Su family sell miserably, trying their best to exaggerate that other people are murdering Liona and Zhiyu the mother and daughter, and they also claim that the real purpose of the behind-the-scenes gang is to completely destroy the entire Su family.

When Issac saw these remarks, he couldn’t help but said angrily: “Master, the Su family are really unscrupulous. They can play with such shameless whitewashing!”

Charlie smiled indifferently: “What’s this? They haven’t fully exerted their strength yet. If they fully exert their strength, they will probably wash themselves further.”

Issac asked inexplicably, “Master, their public opinion offensive is already overwhelming, how can they use it?”

Charlie said seriously: "The most urgent task they have now is to find Liona and Zhiyu, to see them alive, and corpses if they are dead, and if they really find a big living person, they will definitely find a way to get them together. Kill everyone."

Issac nodded: "The wife already knows the truth, the Su family will definitely kill them!"

"Yes!" Charlie smiled slightly and said, "As long as they are sure that these are dead, the Su family can breathe a sigh of relief. Then they only need to spend money to find a few scapegoats and claim that everything is these people. What it does has nothing to do with the Su family."

Issac couldn't help laughing: "Now let them do their best to wash themselves. When the video on your mobile phone is released, Master, it will be a large-scale face-slapping scene that will cause a sensation among more than one billion people. By then, the Su family will really become a sinner in the gutter!"

Charlie nodded and said, "To completely destroy the reputation of the Su family is a prelude to the complete destruction of the family. Once the Su family becomes a mouse crossing the street, the century-old foundation of the Su family will collapse little by little!"

Issac suddenly remembered something and asked, "Master, if your video is exposed, wouldn't it be a great help to Zynn? Now Zynn is carrying the scapegoat for Mr. Su before he can only go to Australia. If your video is exposed if that matter, Ruoli, the public will definitely recalculate the matter, and Zynn will completely clear the grievances."

"It doesn't matter." Charlie said calmly, "Even if I help Zynn, Zynn will be uncomfortable."

Issac hurriedly asked, "Master, what do you mean?"

Charlie sneered: "Chengfeng, an old dog, pushed his son's illegitimate daughter to death at a critical moment, and then pushed his son away. He did this to Zynn treated his future to death. The blood-emotions have long since disappeared. Now Chengfeng wants to kill Zynn's wife and another daughter. What do you think Zynn would think?"

Issac hesitated for a moment, and said, "If Zynn learns the truth, I'm afraid he will turn his head against him?"

"That's right." Charlie said with a smile: "Chengfeng will definitely not let Zynn turn over at that time, but after Zynn and his face are torn apart, he will definitely use the advantage of public opinion to fight back, and even try to seize control of the Su family, but Chengfeng definitely can't let Zynn seize power, because he is also afraid that Zynn will be liquidated by him, so by then, the Su family will definitely stage a big fight between father and son!"

After speaking, Charlie said again: "This does not include the other descendants of the Su family, that is, the younger brothers of Zynn!"

"Since ancient times, the prince most wanted to get rid of is the emperor, and the prince most wanted to get rid of other princes as well!"

"At that time, if Zynn and Chengfeng turn against each other, the other sons will not be idle, or the Su family will fall into a civil turmoil!"

Issac couldn't help but smiled and said, "Then we can just watch the good show then!"

Charlie smiled slightly, and said: "Watching the fire from across the bank and reaping the profit!"

Chapter 2464

At this moment, Issac received a text message on his cell phone. After he clicked on it and read it, he hurriedly said to Charlie: "Master, the second child of the Su family, Shoude is here in Aurous Hill!"

"Really?" Charlie asked curiously, "When did he come?"

Issac said hurriedly, "Aurous Hill Airport reported that he just landed about ten minutes ago."

Charlie sneered, "It seems that he was ordered by Old Man Su to find Liona and Zhiyu."

Issac said again: "Master, there is one more thing I want to report to you."

Charlie nodded: "Say it."

Issac said: "There was also a private plane registered in the United States that landed with Shoude's. My people checked the registration number of the plane, and the plane was under the name of the American Hogwitz family."

"Hogwitz?" Charlie frowned and said coldly: "It seems that Walter's family is here."

Issac continued: "Yes, the immigration information shows that it is a guy named Steve Hogwitz, who should be Walter's father. He is now taking Shoude's car to Aurous Hill International Hotel with Shoude."

Charlie asked curiously, "Why are they together?"

Issac shook his head and said, "I don't know this too well. They may have been acquainted before or temporarily."

Charlie couldn't help but frowned, and said, "The strength of the Hogwitz family is relatively average. The assets of tens of billions of dollars are not even as good as the Song family. It stands to reason that the Su family can't see such a family very seriously. Here, it's impossible to have any intersection with them. In addition, the planes of the two of them landed front and back. I guess they should have just met!"

Issac smiled and said, "These two people are really interesting. They are quite destined to land in Aurous Hill one after another."

Charlie said with a solemn expression, "It's not a good thing that they meet together."

"Why?" Issac asked puzzledly, "Master, are you worried that the two of them will join forces?"

Charlie shook his head and said seriously: "I am worried that the two of them will exchange clues."

"Exchange clues? What clues?"

Charlie said solemnly: "We left few clues about Liona and Zhiyu. The people who were alive were brought out, and only Shred's body was left behind; however, regarding Walter, we did not leave any clues?"

Issac understood instantly and exclaimed: "You mean, Miss Doris?!"

"Yes!" Charlie said coldly: "There is no clue about the disappearance of Liona and Zhiyu. Walter's disappearance is also the line of Doris. I'm afraid they will be embarrassed and concentrate together to try to get a way from Doris. Find a breakthrough through her!"

Issac hurriedly asked: "Master, do you want to protect Miss now?!"

Charlie waved his hand: "It's meaningless to protect her. The more you protect her, the more people will feel that she must be inseparable from this matter."

"What about it then?"

Charlie smiled slightly: "Since the two friends have come from a long distance and are so close to each other, then I will take the initiative and keep them all together. By the way, let their relatives realize that Aurous Hill is a place. It's just a bottomless black hole!"

Chapter 2465

When Issac heard Charlie say that he wanted to keep Shoude and Steve Hogwitz, he immediately exclaimed, "Master, Steve, fortunately, he should not bring many people from the United States this time. But Shoude has hired dozens of security personnel, and the masters hidden behind him don't even I don't know how many. It's a bit difficult to catch him..."

Charlie said calmly: "It doesn't matter, there are no impervious pants in this world, to grab Shoude and Walter, I will be enough."

As he said, a person suddenly flashed in his mind, so he immediately changed his words: "No, let's add another person."

Issac stood up immediately and said without hesitation: "Master, I am willing to be with you!"

Charlie smiled and said seriously: "Old man, you are courageous, but you are still a little bit weak in strength. Maybe you haven't gotten close to Shoude, you have been discovered by his hidden men in the dark."

Issac said awkwardly, "This...Master...If you don't dislike it, I will try my best from now on!"

Charlie smiled and said, "It's definitely too late to practice caution now."

Issac hurriedly asked, "When do you plan to do it? If I need to do something on my side, I will prepare in advance!"

Charlie said: "Hurry up, I want to do it tonight, otherwise if they focus on Doris, this matter will be a little tricky."

After speaking, Charlie said again: "Let me call Doris first and let her work overtime at the company today. In that case, I will do it tonight."

Immediately afterwards, Charlie took out his mobile phone and called Doris.

As soon as the phone was connected, Doris's voice came over: "Master!"

Charlie gave a hum and asked her, "Doris, where are you now?"

Doris respectfully said: "Master, I am in Hong Kong."

"Hong Kong?" Charlie asked curiously, "Why did you go to Hong Kong?"

Doris explained: "In recent years, Hong Kong real estate has been declining, and our mainland market is very competitive. Therefore, Emgrand Group plans to develop a commercial real estate project with the Xu family in Hong Kong. I just came over here this morning to prepare for further discussions with them."

After speaking, Doris hurriedly asked, "Master, were you looking for me?"

Charlie smiled slightly and said, "You don't have anything to worry about. Since you are not in Aurous Hill now, wait until you come back."

Doris had no choice but to say, "Well, young master, if there is anything anxious, please tell me, I can fly back anytime."

Charlie said hurriedly, "No need, just stay in Hong Kong."

Doris didn't know what Charlie meant, so she said, "OK master, then I will concentrate on discussing cooperation in Hong Kong these days. If you need me to come back, please inform me at any time."

"It is good."

After hanging up the phone, Charlie breathed a sigh of relief.

Doris happened to be not in Aurous Hill, so this matter was not so anxious.

If this is the case, it's better to closely monitor Shoude and Steve first to see what kind of medicine the two people, especially Shoude, is selling in the gourd.

But Charlie didn't plan to give the two of them too long. Within two or three days, let them evaporate directly in the Aurous Hill world!

At this time, Issac saw Charlie hung up, and hurriedly asked, "Master, Miss Doris has gone to Hong Kong?"

"Yes." Charlie smiled slightly: "It's a coincidence, she just left this morning."

Chapter 2466

Issac asked again: "Then when are you going to act on Shoude and Steve?"

Charlie thought for a while, and said, "For these two days, first observe the two of them and see what actions they have."

After speaking, Charlie further ordered: "Old man, you have the widest network in Aurous Hill. You must give it to me and keep an eye on them. No matter where they have been or who they have met, report to me as soon as possible!"

Issac said without hesitation: "Master, don't worry, I will make arrangements!"

Charlie nodded, and said with a little regret: "Why didn't the two of them choose to stay in your hotel."

Issac smiled and said, "Master, that Walter lived in the Aurous Hill International Hotel before he disappeared. It is normal for his father to live there. As for Shoude, the Su family knows that this is the property of the Wade family. How could he come here to stay."

Charlie asked curiously, "With such a large property in the Su family, he didn't buy any property in Aurous Hill?"

Issac shook his head and said, "The Su family had a negotiation with the Wade family a few years ago. The two parties agreed on the commercial development of the two sides. In the city selected by the Su family, the Wade family would not buy a home. The reverse is also true. It was within the territory selected by the Wade family, so the Su family did not engage in industry here."

Charlie asked him: "Then what is the basis for dividing the business territory of the two parties?"

Issac said: "It was your grandfather and Chengfeng who had a face-to-face meeting. After all, the strength of the two families is similar, and their businesses are blooming everywhere. He didn't want to continue to fight in second-tier cities, so they privately defined a range. For example, in the southeast capital cities, Aurous Hill is the Wade family, and Suhang is the Su family territory."

"In the final analysis, the Su family has a stronger voice. When dividing the business map, all the materials of Suzhou and Hangzhou were significantly better than those of Aurous Hill. Therefore, the Su family first picked Suhang away and left Aurous Hill to Wade's."

"Understood." Charlie nodded slightly, and then asked: "Then since Regnar Wu is the richest man in Suhang, why didn't he hear of anything to do with the Su family?"

Issac smiled and said, "You see, the Song family is the richest in Aurous Hill, and it has nothing to do with the Wade family."

After speaking, Issac continued to explain: "In fact, the main purpose of the Su Wade family's delineation is to avoid competition between the two sides, which is equivalent to a gentleman's agreement."

"However, local families are generally deeply entrenched. It is very difficult for us to confront the local snakes, or even crush each other."

"After all, most of the strength of the two families is still concentrated in Eastcliff. China is so big, and the strength that everyone can spread across the country is not that strong.

"Whether it is the Wade family or the Su family, the total assets that can be invested in other cities in China are only hundreds of billions of dollars. However, in addition to Eastcliff, there are three first-tier cities in the country, and second-tier cities like Aurous Hill are even bigger. Heap, so on average, the human, material, and financial resources that can be invested in each city are not large."

"After all, I'm in Aurous Hill, which means I just guard the Wade family's stronghold in Aurous Hill."

After speaking, Issac said again: "Just like the Wade family, if you don't count the Emgrand Group that was bought for you young master, then the Wade family in Aurous Hill, and it doesn't actually have much business."

“The main part of the Wade family in Aurous Hill is the hotel. In addition, there are several security companies that do not seem to have any relationship on the surface. Then they participated in some projects. The total assets in Aurous Hill add up scattered and scattered. It’s only around one or two tens of billions, which is far behind the Song family’s 100 billion assets.”

“My most important task over the years is not to help the Wade family make money in Aurous Hill, but to help the Wade family develop contacts, networks, and a complete intelligence system in Aurous Hill, turning Aurous Hill into a component of the Wade family’s neural network. It’s like a tentacle of an octopus, and I can report any disturbance to the Wade family in time.”

Speaking of this, Issac couldn’t help but laughed at himself and said, “Actually, if it were not for the young master you were in Aurous Hill, the Wade family would not pay much attention to the situation here. There are many spokespersons like me in the Wade family all over the country. Those who really have a strong voice are the spokespersons of three first-tier cities.”

Charlie nodded: “I understand, since the Su family has no foundation in Aurous Hill, it is more proactive for us.”

Issac agreed and said: “Yes, when the Su family is here, even if there is an emergency, it will only take a few hours to dispatch troops from Eastcliff temporarily.”

After speaking, he asked again: “By the way, Master, if the time is right and you are ready to do something with them, do you have any suitable helper?”

Charlie nodded and smiled: “Of course! In this regard, I already have the most suitable candidate in my heart!”

Issac asked, “Who is it?”

Charlie said with a smile, “Ruoli!”

Chapter 2467

As soon as Issac heard that Charlie wanted to use Ruoli, he immediately asked with some worry: “Master, Ruoli is not sure whether she is uncontrollable. She has been under house arrest by us. If she is released, will she not take the opportunity to escape?!”

Charlie shook his head: “From what I know about her, she definitely won’t.”

Issac asked inexplicably, “Master, why are you so sure? This woman has always been cruel, not a fuel-efficient lamp!”

Charlie smiled and said: “She was so miserable under Su’s. Now that she has the opportunity to catch Shoude first, it is also a chance for her to take revenge. Based on this, she cannot turn back.”

After speaking, Charlie said again: “And now she is missing from the Su family’s view. Once she really gets rid of my control or my asylum, she will probably be discovered by the Su family. At that time, The Su family will definitely kill her.”

“I took another 10,000 steps and said that even if the Su family didn’t do anything to her, if the Japanese government knew where she was, they would never let her go. After all, she is the fugitive that the Japanese government wanted most to catch.

Issac nodded and said seriously: “I understand that young master. If you say so, Ruoli is indeed a good candidate. Her personal strength is very strong. Acting with you will not only help you, but also Will hold her back.”

Charlie smiled and said, “In the recent period, Ruoli’s strength has improved again. It is no longer the same as when she was in Su’s house before.”

After that, he stood up and said, “You stay in the office, and I’ll have a chat with Ruoli.”

Issac hurriedly asked, “Master, what about Liona and Zhiyu?”

Charlie said, “They should be able to wake up tomorrow morning. Tonight, you just need to arrange someone to guard the gate. By the way, let someone buy some change of laundry and daily necessities in advance, prepare the items, and deliver them early tomorrow morning.”

Issac said immediately: “OK, young master.”

Charlie said again, “Also, do you know Liona and Zhiyu?”

Issac thought for a while and said, “I know them, but they should not know me.”

“That’s good.” Charlie said, “When they wake up tomorrow, no matter what questions they ask about me, you don’t answer them. They ask you where this is, and you don’t answer. They have to leave or talk to me. You can never agree to contact with the outside world. Just tell them and I will let them stay here honestly.”

Issac said immediately: “OK master, I understand!”

.....

at the same time.

Ruoli was practicing in the room.

Since the last time, Charlie completely opened up her Ren Vessel, she has felt the tremendous progress made by leaps and bounds.

Therefore, taking advantage of this good opportunity, she spent all her time and energy on practicing, and her strength continued to improve like a rocket.

However, in addition to practicing hard these days, she would always think of Charlie uncontrollably.

These days, she would always be involuntarily in her mind, thinking about Charlie’s good.

Whether it was Charlie saving her, or Charlie helping her to open up her line of power and let her strength grow by leaps and bounds, to him, she was deeply grateful.

If she thinks too much, she will naturally look forward to seeing Charlie more.

But Charlie didn't seem to always come to this hotel, so she was somewhat regretful.

Chapter 2468

Just when she was practicing the exercises until she was sweating, the doorbell suddenly rang.

Ruoli suddenly became a little excited.

She lived here for a period of time to understand the service rules of the service staff here.

Three meals a day are scheduled here, and the service staff will prepare food, drink and daily necessities for delivery.

At other times, the service staff will not take the initiative to interrupt.

But now is not time to eat, so it is most likely that Charlie is here!

Thinking of this, Ruoli hurried to the door happily.

Through the display screen, she saw Charlie standing at the door of her room at a glance, and her heart suddenly jumped for joy.

She just remembered that she didn't tidy up her clothes, she was still wearing the most basic exercise underwear, and she suddenly hesitated. She didn't know whether to change clothes or open the door to Charlie first.

However, after another thought, she was still worried that it would be inappropriate for Charlie to wait too long, so she didn't care about that much, and opened the door directly.

The moment the door opened, Charlie saw Ruoli, who was only wearing sports underwear, and was somewhat embarrassed for an instant.

Ruoli also blushed a little shamefully and said, "I'm sorry Young Master, I was in a hurry just now, and I didn't care about packing myself up. Or if you come in and sit down, I will change my clothes."

Charlie walked into the room, smiled slightly, and said, "I just came here to tell you something and see if you are interested in doing it with me."

Ruoli immediately became even more embarrassed when she heard this, and she kept on asking: "... Master, I don't know what you are talking about... "

Charlie didn't know that she had a misunderstanding, and said with a serious face: "Shoude has come to Aurous Hill, I plan to find a suitable time to directly control him!"

Ruoli instantly woke up from the embarrassment just now, and blurted out, "Shoude?! How did he come to Aurous Hill?! Is it to target you?!"

Charlie shook his head and said, "No, Shoude is here to find Liona and Zhiyu."

"Ah?" Ruoli was even more puzzled: "Why did he come to see the grandma and the eldest lady?"

Ruoli is here under house arrest. Although she is not at all guilty, she does not have any contact with the outside world, and there is no channel for obtaining information from the outside world such as mobile phones and computers.

Therefore, Ruoli didn't know the big event that happened in Aurous Hill today.

So Charlie probably introduced the cause and effect of the incident to Ruoli.

When Ruoli heard that Elder Su actually instructed people to assassinate Liona, and even some people wanted to kill Zhiyu alongside her, the whole person was filled with righteous indignation and said: "The facts of the Su family are too sinister and nasty! The same trick has been used on me once, and it will be used on my grandmother, and even the eldest lady is involved..."

As she said, she couldn't help but said a little lonely: "Actually, my grandmother has always been kind to me, but she didn't know my true identity before, Miss...Miss she was kind to me too, But she didn't know before. I am her half-sister. I don't know now how to face her in the future..."

Immediately, she hurriedly asked Charlie, "Master, are you okay with your her and eldest lady now?"

Charlie nodded lightly and said, "Don't worry, their lives are no longer in danger, and they are safe."

"It's great..." Ruoli breathed a sigh of relief, and then immediately said firmly and unwaveringly: "Young Master, if you can trust Ruoli, Ruoli is willing to follow you and serve you. Whatever you ask of her!"

Chapter 2469

At this moment, Aurous Hill International Hotel.

Shoude's motorcade stopped a row directly in front of the hotel.

Before he got out of the car, the security personnel had already rushed down and wiped out everyone around him.

At this time, the hotel's manager also brought dozens of security guards and greeted him graciously. He respectfully said to Shoude's assistant, "May I ask Mr. Su, what can we do for you? As long as there is, please Mr. Su bring it up, we will definitely Go all out!"

Shoude's assistant said coldly: "It's not used here for the time being. You let all your people back off. Don't let any of your staff run into Mr. Su without permission! As for other guests, you must not allow them Within 10 meters of Mr. Su!"

The hotel manager nodded without hesitation, and said graciously, "As long as there is anything specific, please speak up!"

Shoude got out of the car with Steve Hogwitz at this time. After getting out of the car, Shoude straightened his collar and said in a somewhat majestic tone: "Steve, let's have dinner together tonight, by the way. Also communicate in detail the details of your son's disappearance."

Steve was naturally flattered, and said hurriedly, "Okay Mr. Su! I'm causing you trouble."

Shoude asked him again: "Oh yes, which room do you live in? Do you know the room number?"

Steve said: "Because the rooms above the executive deluxe suite are gone, I can only book a normal deluxe suite. I don't know the specific room number. I don't know until after checking in at the front desk. ."

Shoude said indifferently: "The rooms above the executive deluxe suite are gone, because I have completely covered the entire executive floor."

Steve was taken aback for a moment, and hurriedly complimented: "No wonder, Mr. Su's handwriting is really too big!"

Shoude waved his hand slightly, and said calmly, "What's the deal? If it weren't for the agreement with the Wade family, I would have bought this hotel with ease."

With that, he opened his mouth and said to his assistant: "Say hello to the hotel manager, change the room to Mr. Steve and let him live next door to me."

The assistant immediately nodded and said, "No problem, I'll let the front desk arrange it."

Steve was a little embarrassed at once, because he did not come alone this time, he also brought some entourages and bodyguards.

It's just that those people had no chance to get on Shoude's motorcade, so they had to take a taxi to the hotel. They haven't arrived yet.

If he lives on the executive floor alone and is separated from his other entourage bodyguards, it will be more or less troublesome.

Shoude saw his concerns and said, "Well, let me arrange another room for you. You can let your assistant live in, but your bodyguard should not live on the executive floor. My people are here. It will definitely make you safer."

Steve knew in his heart that he didn't have many bodyguards.

Coupled with the fact that his son had brought them to China before, almost all the entourage had disappeared, so there were not many people who could be used in Aurous Hill, and the security force was not strong.

But Shoude is different.

He is the second child of the Su family, the Su family is so strong, secretly don't know how many masters are protecting his safety at all times.

For Steve, if he can live on the same floor with Shoude, or even next door, his own safety can also be greatly guaranteed.

So he was very grateful and said, "Thank you Mr. Su! You are really taking care of me!"

Shoude smiled slightly, and said to Steve with a lofty posture: "In China, as long as you have a good relationship with the Su family, no matter where you are, we can keep you unblocked."

After that, he asked Steve: "Do you know the name of your son's college classmate in Aurous Hill? I will ask someone to check her information now."

Steve hurriedly said: "I once heard my son talk about it. It seems to be called Doris. It is said that this woman is quite capable. She is the chairman of a very large listed company in Aurous Hill."

Shoude looked at his assistant and said in a serious tone: "I will give you 5 minutes to check, what is the origin of this Doris!"

"OK boss!"

five minutes later.

As soon as Shoude stepped into his presidential suite, his assistant hurried over and said, "Boss, I have already investigated. That Doris is the vice chairman of Aurous Hill Emgrand Group. She is very famous in Aurous Hill and a well-known entrepreneur. ."

Shoude nodded and said, "Before 12 o'clock this evening, bring this Doris over to see me. I have something to ask her in person."

The assistant hurriedly said: "Boss, Doris flew to Hong Kong early this morning. They have real estate-related cooperation in Hong Kong."

"Go to Hong Kong?" Shoude frowned slightly. At first, he was a little confused, but quickly realized that he came here today with a temporary motive. It seems that this person shouldn't escape Aurous Hill intentionally, but can only say that it was a coincidence.

So he nodded and said, "Then you can keep an eye on what's going on at the airport. Once this Doris returns to Aurous Hill, tell me immediately."

After that, he asked again: "What is the origin of the Emgrand Group you mentioned?"

The assistant hurriedly explained: "The Emgrand Group is Aurous Hill's largest group company with a market value of more than 100 billion. It was originally a real estate company born and raised in Aurous Hill, but it seems to have been wholly-owned by the Wade family last year."

"Acquired by the Wade family?" Shoude asked in surprise, "What is the intention of the Wade family to buy a real estate company in Aurous Hill?"

"This is not clear." The assistant said truthfully, "I only know that there are rumors that the boss behind the Emgrand Group is the Wade family's, but who he is in the Wade family is currently unclear."

Shoude snorted, "Isn't there just a few people in the Wade family? Changying is dead, rest of his brothers are mediocre people."

The assistant nodded and asked, "Boss, since this Doris belongs to the Wade family, do we still need to move her?"

Shoude immediately replied: "Move, of course! This woman is the only possible clue I can find at the moment. I can't just give up just because she is from the Wade family."

After that, Shoude said in a cold voice, "As long as she is not aware of it, and don't leave any evidence, the Wade family won't be able to talk to us."

"OK boss, I get it!"

Shoude lowered his voice and continued to order: "Now we will select ten masters and check the whereabouts of Liona and Zhiyu in major hospitals in the city from recent days. I think if they are still alive, they should have a high probability now of being there. They were treated secretly in a certain hospital. You lead someone to find them for me. I have a great reward for them!"

The assistant hurriedly asked him, "Boss, what should I do after I find them?"

Shoude smiled coldly: "Inject a little bit of ricin to their food and use ten times the lethal dose to make sure they can't escape death no matter how hard their luck is with them!"
