

Super Rich Dad Chapter 247-248

Chapter 247 is not the same

‘I’m not talking about the same thing!’ Jiang Hao hurriedly explained up, ‘The tickets I had before were indeed stolen by her, and I had someone send them to me afterwards’

Before Jiang Hao could finish his words, he saw the security chief snicker and interrupt him with a wave of his hand.

‘Hey well well, you should stop saying that, I understand it now.’ The security captain shook his head with a smile and said, ‘I am not a three year old child, I have my judgement and can see what is going on here, I advise you to stop arguing unnecessarily here and leave, I see that you are a student, so I won’t give you a hard time!’

Having said that, the security chief looked at the guard again and reprimanded, ‘And you, if you have something to say, say something, who gave you permission to hit someone? I’ll fire you if you ever do that again! Say what you have to say, if you hit someone and something happens, the company will all suffer with you!’

He then looked at the security guards and waved his hand, ‘All right, let them leave quickly, if they delay the big event, you and I will both have to suffer!’

After saying that, the security chief turned to look at Jiang Hao and said with a long smile, ‘Young man, to be honest, I’ve seen a lot of you like this, and I understand, you’re all young people, you have vanity, but after all, you’re a man, a man has to stand up to the sky, don’t think about some twists and turns, it’s useless.’

Obviously the security chief didn’t believe Jiang Hao’s words, just the fact that Jiang Hao said something about the tickets being stolen and he immediately had the tickets sent to him, this thing is outrageously false.

Who do you think you are? Is your family a ticket printer? If you tell a reasonable lie, maybe some people will believe you, but to say something so outrageous will only become a laughing stock.

Only the security chief didn’t say these things, he had a natural sense of superiority over Jiang Hao, and he thought he had thoroughly seen through these young men like Jiang Hao, so any move they made would look ignorant and ridiculous in his own eyes.

In his opinion, it would be good to drive people like Jiang Hao away, and wasting any more breath with him would only give him an inch.

Besides, he didn’t deserve it!

Jiang Hao could tell that this head of security didn’t even put himself in his sights, to the point of not even bothering to talk to him.

This attitude of the other party made Jiang Hao somewhat unhappy, and in his opinion, this person was too presumptuous.

As the other party was about to leave, Jiang Hao hurriedly spoke back to him, 'You think you've seen through me? Do you think you've really seen through? Do you know me? Do you know where I come from and my background? You are only judging me with your own pair of eyes, but I can only say to you, 'Sorry, you have misjudged me.'

Jiang Hao said, 'I'm not the kind of person you're looking at, and I never will be, but as for what I really am, I'll let you know sooner or later!'

The security chief laughed contemptuously, with a sneering frown at the corners of his eyes.

As far as he was concerned, all this was nothing more than Jiang Hao's struggle.

What's the use of you saying this? Do you really still think you can possibly see me again?

The security captain looked at Jiang Hao, snorted and turned to leave, 'Fine, I'll be waiting for you then!'

The security chief left, and the security guard hurriedly pushed Jiang Hao and Xue Yuning aside, 'Hey, hey, hey, don't you understand human language? I'm telling you, if our captain hadn't given the word today, I'd f*cking guarantee that I wouldn't have let you guys off!'

Jiang Hao didn't struggle unnecessarily this time and took a few steps backwards.

After Jiang Hao had withdrawn some distance, the security guard mumbled something under his breath and turned around to maintain order at the entrance.

Not far away, Feng Pingping was smiling and laughing, simply delighted.

She waved her ticket in her hand and strutted towards the ticket gate at the entrance of the stadium.

Feng Pingping's victorious posture was truly disgusting.

Xue Yuning was so angry that she bit her lip and could not wait to go up and argue with her.

But instead, Jiang Hao called her back.

'Forget it, it's useless for you to reason with this kind of person.' Xue Yu Ning said, 'This kind of person should either be let go of her or taught a lesson directly.'

'But just let it go, right?' Xue Yuning said reluctantly, 'It's too infuriating, she stole our tickets and in the end she wants to frame us, I can't swallow this anger.'

Jiang Hao looked at Xue Yuning's exasperated look and was somewhat amused.

This was the first time Jiang Hao had seen Xue Yuning looking like this, and he actually found it a bit cute.

He couldn't help but pat Xue Yu Ning's shoulder and said, 'What's your hurry, can't you see I'm not in a hurry anymore? Don't worry Yu Ning, today's matter won't just be forgotten, I will give you back justice.'

After Jiang Hao finished speaking, he looked in the direction of the car park not far away and withdrew his eyes again.

At this moment, a brand new black SUV happened to drive into the car park, and before the car could be parked, a young man in a black suit jumped off from the passenger side at a fast pace.

The young man looked around and suddenly landed on Jiang Hao's body, and then rushed forward like an arrow off a string.

'Jiang Shao,' the youth rushed to Jiang Hao's side, panting, 'I'm really sorry, the traffic jam was too bad just now, I'm late.'

Jiang Hao looked up at his words and was shocked to find that he seemed to have seen this youth before, he was one of Ye Yunjie's men, he had seen him following Ye Yunjie himself.

'Where are the tickets?' Jiang Hao asked.

The youth nodded and hurriedly took out two tickets from his arms and handed them to Jiang Hao.

Jiang Hao was stunned at the sight: 'Why does this this ticket seem a bit different?'

Jiang Hao looked at the tickets and felt a little curious, as they were very different from the ones he had seen before.

The tickets that Xue Yu Ning had sent before were all white coloured colour card paper, and the paper was thought to be rather soft.

But this time the tickets sent by this youth were a bit different, this whole thing was a big card, with a strong feel, and the design of the tickets just looked very classy.

The most important thing was that the periphery of the ticket was also designed with a golden lining change, which looked very beautiful.

Seeing Jiang Hao's doubts, the young man hurriedly smiled and said, 'It's like this Jiang Shao, before I came, Miss Ye had already communicated with the organizer side and asked them to design a special VIP area for you, the location is the best, the viewing angle is also the best, this ticket is naturally also specially made.'

Jiang Hao couldn't help but be a little surprised when he heard this, saying that this Ye Yunjie had indeed thought of something thoughtful.

Jiang Hao surveyed the gold-edged ticket, smiled and said, 'Then I'll just take this in directly, right?'

Chapter 248 - Gao Shun

'Of course.' The youth said respectfully, 'You are the funding organizer of this concert and deserve to be treated with high specifications, Sister Ye also said that she was negligent before and didn't think of this, that's why she urgently communicated

with the organizer when I was just here, the other party was flattered to learn that you were coming over in person, and hurriedly set about it.'

The youth looked at the time, and then looked not far away, and continued, 'Please wait for a moment, the person in charge of their contractor will come over to greet you personally in a moment.'

Jiang Hao nodded silently when he heard the youth's words, as if all the injustice he had experienced before was going to be compensated for in the next few moments.

Sure enough, after a short period of time, after the black-clad youth had called and urged him on, a middle-aged man in a navy blue suit with a tall and straight figure came out of the stadium.

He looked around and instantly spotted this side, rushing all the way over at a trot.

'I'm sorry, Mr. Lin, I just had some business, so I might have been a bit delayed,' the middle-aged man walked up to him and hurriedly apologised after the young man in black.

This middle-aged man was the general manager of the organizer of the concert, named Gao Shun.

Although the other party was the general manager of the organiser, and the young man in black was only an assistant under Ye Yunjie, the other party's attitude was still respectful.

Immediately afterwards, Gao Shun glanced at Jiang Hao and Xue Yuning beside the youth in black and immediately bowed slightly in a respectful manner, saying with a smile on his face, 'You must be Young Jiang.'

'Mm.' Jiang Hao replied casually, in fact at this moment Jiang Hao couldn't help but feel a little ridiculous in his heart.

The person in front of himself was the person in charge of the whole event, and he had to treat himself with respect, but that security guard and security chief just now had such a condescending and harsh attitude!

'Hello, Jiang Shao, I've long heard that you are young and talented, and your name is even more thunderous, but when I see you today, I find that you are even more handsome and elegant than rumoured.'

Immediately afterwards, Gao Shun looked at Xue Yuning beside Jiang Hao, and instantly his eyes lit up.

The words he had just said about Jiang Hao were completely flattering, but he had to admit that Jiang Hao's girlfriend was really okay, and definitely counted as a top-class beauty.

Gao Shun hurriedly said, 'Aiya, look at Jiang Shao's vision, this must be your girlfriend, look at your girlfriend is even more charming and beautiful, you two are simply a match made in heaven'

Jiang Hao was on the verge of being unable to listen to Gao Shun's words.

Could you be any better at kissing ass?

The real way to kiss a horse's ass was to make people comfortable, but Gao Shun's kissing of a horse's ass made Jiang Hao feel a little embarrassed.

Jiang Hao couldn't help but look at the time and hurriedly interrupted Gao Shun, 'Alright, alright, alright, Manager Gao, we know all our conditions, please ask, can we go in now?'

Gao Shun was a little embarrassed by the interruption and hurriedly smiled awkwardly, waved his hand and pointed to the entrance of the stadium, 'Of course of course, Jiang Shao you quickly please, we have reserved the best seats especially for you'

Jiang Hao nodded, weighed the gold-edged ticket in his hand and walked towards the entrance of the stadium.

As soon as Jiang Hao left, Gao Shun hurriedly approached the black-clothed youth and asked in a low voice, 'Mr. Lin, why how come our young Jiang doesn't like to hear this?'

The black-clothed youth smiled at his words, 'Next time you shoot, say something more or less practical, hehe, your flattering words make me a little speechless to listen to.'

The young man in black looked at his watch and patted Gao Shun's shoulder, 'I have to go back to Sister Ye to review my orders, I've just been delayed in traffic, so I don't know how Sister Ye will count me out later. Jiang Shao's side is in your hands, remember to treat him well, if something goes wrong, then you don't want Sister Ye to give you any more cooperation projects next time!'

Gao Shun smiled and immediately nodded, 'I understand, I understand Mr. Lin, please don't worry about Miss Ye, I will definitely treat Jiang Shao well here, nothing will go wrong, don't worry about it.'

'That's good.' The young man in black nodded, glanced at Jiang Hao who had already walked to the entrance and turned to leave.

Gao Shun hurriedly shouted, 'Please say hello to Miss Ye on my behalf!'

After he finished speaking, Gao Shun was all excited, and he rubbed his hands together, looking very excited.

In the past, he had always wanted to get close to this Ye Yunjie connection, but he had not had the chance for a long time.

After waiting for so many years, there was finally such an opportunity as Huo Yunjie's concert, so how could he miss it?

What surprised him the most was that Jiang Hao, the big moneymaker behind the concert, had come to see the concert in person, which was a big surprise.

Although Gao Shun did not know Jiang Hao's true identity, he had heard people around Ye Yunjie whispering that this Jiang Hao was from an extraordinary background and might even have a higher status than the ordinary overseas Shen family's children.

If he served Jiang Hao well, wouldn't he have a chance to ascend to the top in the future?

Gao Shun was thinking about it when he suddenly heard a surprisingly loud brawl coming from the entrance not far away.
