

Chapter 2475– 2476 of A Dish Best Served Cold Novel

Chapter 2475

At this moment, a timid voice came from the hall.

Kong Ming and others followed the sound, only to see an intoxicating girl who was carved and jade-shaped, but she was talking angrily at them.

It seems that he is very dissatisfied with Lu Hua's contribution to Mark.

“Ok?”

“Where is the dead girl?”

“Where to stay cool.”

Naturally, Lu Yanxi and others didn't care about this little girl's dissatisfaction.

Lu Hua even cursed directly and impatiently.

It was Kong Ming who asked the little girl one more sentence: “Little girl, who was the big brother in your mouth just now?”

“it's him!”

“It was this big brother who defeated the bad guys.”

“It's not this four-eyed suit man at all!”

The four-eyed man in a suit in the little girl's mouth naturally said Lu Hua.

This Lu Hua was born in a wealthy family, and he was very particular about the appearance of his clothes.

This road is all in suits and leather shoes, and after getting off the plane, I even put on sunglasses, which is very compelling.

However, the attention of Kong Ming and others were not on this, but fell in the direction the little girl pointed.

There, Mark wore a short shirt, sitting quietly while drinking tea.

Previously, what Mark was like when they left, and what Mark is still like today.

It seems that from beginning to end, he hasn't moved the slightest.

“what?”

“You mean him?”

At that time, the old faces of Kong Ming and others went black.

I just think the little girl is teasing them.

Kong Ming would rather believe that Lu Hua defeated the strong Indians.

Lu Hua even shook his head and smiled contemptuously: “Kong Lao, if you are a little boy, do you really fail to take it?”

“Besides, you didn't hear it just now.”

“Before the Indian powerhouse left, didn't he even threaten to retaliate against me, Lu Hua?”

In fact, Lu Hua didn't know how these people knew their names.

After all, he never said his name from beginning to end.

But later, Lu Hua thought, considering that he was a talented person and his reputation had spread abroad, so these talents recognized themselves.

“Hmm.”

“I just asked casually. Naturally, I wouldn't take this Huang Mao girl's words seriously.” Kong Ming also replied immediately.

“By the way, you haven't said yet, what did you do just now?”

After that, Lu Hua and others ignored the little girl, but asked about other things.

Kong Ming didn't conceal it, and told Lu Hua about the conflict between Lei Luo and others.

“Then Leiluo's strength is extraordinary, even if I try my best, it may not be able to severely wound him.”

“I didn't expect that Xiaohua, you actually did it.”

“It’s worthy of being a descendant of the master, after the martial arts family.”

“Compared with you young people, we old things are still old after all.”

Kong Ming shook his head for a while, admiring Lu Hua in his heart.

“Are those people really that amazing?”

“Why don’t I feel it?”

“Haha, Mr. Kong, don’t get me wrong, I really don’t pretend to be forceful, I really tell the truth.”

“I kicked them out the first time I hit five and divided two.”

“I guess, it may be our Lu’s boxing method, just to restrain them.”

Lu Hua laughed haha.

Being praised by Kong Ming and the others, Lu Hua suddenly felt a sense of airiness, and his tone of voice was raised a lot.

“Brother Lu Hua, don’t be humble.”

“I used to hear my father mention you many years ago, saying that you are the leader of Vietnam’s new generation.”

Chapter 2476

“At that time, I was still dissatisfied. Now it seems that my father was right.”

“Brother Lu Hua, you are really good~”

“Otherwise, Master Kong won’t praise you so much.”

Lu Yanxi didn’t know if he really fell in love with Lu Hua, or just to befriend him, but now even his name has changed, and his brother Lu Hua is very close.

“Okay, we are full of wine and food, everyone should go to rest soon.”

“Prepare tomorrow and enter the rainforest.”

“This time, our Huaxia Martial Arts must double the humiliation we suffered back then!”

After continuing to chat for a while, Kong Ming greeted Lu Yanxi and the others, and went back to the hotel to rest.

“Come on, Brother Lu Hua~”

Lu Yanxi called to Lu Hua, and the three of them left like this.

From beginning to end, they didn't think of Mark who was still eating inside.

After all, in this team, Mark's sense of existence was too low.

Who cares if he's just a sucker boy?

The only sense of presence is not a good impression.

As a result, Kong Ming and the others almost forgot the existence of Mark.

With the departure of Lu Hua and others, the entire hall has undoubtedly returned to calm.

The only voice was the sweet-looking little girl crying with tears.

Later, it seemed that the little girl realized something and ran to Mark, crying and begging to Mark: “Big brother, please, save my Grandpa Nuo.”

“Woo~”

“Grandpa Nuo has watched my elders since he was young, and I don't want him to die.”

“As long as you can save him, I will promise you whatever you want.”

“Please, big brother~”

Kong Ming and others didn't know Mark's abilities, it was impossible for this little girl to not know.

After all, what happened before, the little girl was watching. She knew that the seemingly ordinary young man in front of her was definitely not an ordinary person.

“Oh?”

“Really promise me everything?”

Mark held the teacup, turned his head to look at her, and smiled softly.

Then he shook his head again.

“Forget it, you little girl, what can you give me.”

“Let's go, I'm never nosy, let alone help a stranger for no reason.”

Mark shook his head and chuckled, then continued to lower his head to drink tea, ignoring the little girl's request.

"Big brother, I will really repay you."

"My brother loves me very much, our family is very big. What do you want, you tell me, my family will definitely give it to you."

"I really don't lie to you, my father is the head of the Jones family, and my brother is the heir."

"What do you want, we can really satisfy you, as long as you can save my grandfather Nuo."

"Oh? The Jones family? Are you a member of the Truman?" Mark raised his brow slightly when he heard this, and a wave of waves suddenly appeared in the original brows.

"Yes, big brother, do you know Truman too?"

"Our family is one of the three Chumen families."

"It's all to blame for my waywardness. I ran away from home and just killed Grandpa Nuo."

"If Grandpa Nuo died because of me, I would be ashamed for the rest of my life."

"Just begging the big brother to save Grandpa Nuo~"

The little girl continued to ask for help.

Mark nodded when he heard this, "Well, since you are from the Jones family, I can indeed help you. However, I am afraid that you will not be the master of my request."

"For example, I want half of your family property, can you dare to agree?"

"At that time, I was still dissatisfied. Now it seems that my father was right."

"Brother Lu Hua, you are really good~"
