

Chapter 2487– 2488 of A Dish Best Served Cold Novel

Chapter 2487

In the dense forest, that Dollar Lingguo faintly shone with blue light.

To these martial artists, these treasures of cultivation are undoubtedly like the most beautiful girls in the world, and now they are exposed to the deadly temptation naked.

Therefore, at the moment when they found the fruit, these people's eyes were red, and they rushed over desperately, wanting to take it for themselves.

“This Dollar Lingguo was the first to be discovered by our Australian martial arts.”

“It should belong to our Australian martial arts.”

“You all get out of my way~”

At this time, among the crowd, some Australian warriors said angrily.

“Joke~”

“Treasures have been obtained since ancient times.”

“Who does this Dollar Lingguo get, let's have our own abilities, right?”

Soon, the war was about to start.

The martial arts powerhouses of the Three Kingdoms are in front of them, and they are fighting together.

The majestic attack, like a torrential river, swept all over the place.

In an instant, the grass fell and the earth cracked.

The violent energy suddenly caused endless waves between the world.

Finally, after a long period of fierce battle between the three parties, the Australian power finally defeated the other two teams, rushed to the forefront smoothly, and won the Dollar Lingguo in one fell swoop.

“Haha~”

“With your little strength, you still want to fight with us, do you want to dream?”

The strong Australians wiped the blood from the corners of their mouths and said with a smug face.

The rest of the warriors had already been wounded and fell to the ground.

Even if they are unwilling, but after all, they are powerless!

I had to gritted my teeth and watched the strong Australians leave with Dollar Ling Guo.

“Big brother, let’s stop them!”

Seeing that the strong Australians were about to leave, An Qi was very anxious, jumping up and going to kill.

But in the end, he was still hugged by Mark.

“Anqi, wait~”

“Why?” An Qi puzzled.

However, at this moment, a black shadow, like a ghost, flashed past the depths of the dense forest.

He walks vigorously and powerfully.

Stepping on the red leaves, it appeared in front of him with lightning speed.

Afterwards, with a majestic palm, he took a photo of the strong Australians who were about to leave in front of him!

Boom~

In the loud noise, the strong Australians were directly hit hard, vomiting blood and flew out.

The soul soul fruit in their hands also flew out and fell into the hands of the black figure.

Huh~

After the Australian powerhouse landed, his body trembled, and a mouthful of blood came out again.

In front of him, there was only that figure standing majestic.

He put one hand behind him, and the other hand gently rubbed the emerald green Yun Lingguo, hidden by the black gauze, but it made people unable to see his face.

“Asshole, who are you?”

“How dare you take advantage of people’s danger and attack me and wait?”

Dollar Lingguo gains and loses, and the strong Australians are undoubtedly spitting blood out of anger.

The rest of the warriors of various countries are also depressed in their hearts.

Their three teams fought each other, but in the end they made others cheaper. It is strange that they are not depressed.

Whoosh~

However, as soon as the scolding of the strong Australians fell, the old man waved his sleeves and immediately pulled out a burst of energy.

Those strong men in Australia were hit hard again, and there was a bloodstain on their old faces!

“A group of trash, dare to covet such treasures?”

The masked man shook his head and smiled while looking at everyone in front of him.

“You have been fighting for a long time, but now it seems that the man who laughed last is the old man.”

“Hahaha~”

The masked man smiled wantonly, this feeling of reaping the benefits of the fisherman made him very happy.

“You~”

“mean!”

“Shameless~”

Listening to the laughter of the masked person in front of me, everyone around was undoubtedly gritted with anger.

Chapter 2488

However, for the anger of these people, the masked man naturally did not care, sneered, and then prepared to leave.

However, at this moment, the changes are happening!

The masked man only felt that, behind his back, his breath exploded. A majestic force suddenly swept over.

“what?”

“There is anyone else?”

The masked man was shocked, but after all, he was also a strong man who had experienced many battles, almost subconsciously, he immediately hit with a backhand.

Bang~

Two attacks, met instantly!

However, at the moment of the fight, the face of the masked man suddenly changed, and his pupils shrank.

In the next moment, his attack was already defeated by the opponent.

After a successful blow, the opponent did not stop, but pursued the victory with a majestic palm, and then took a photo.

This time, the masked old man in front of him was directly hit hard.

He vomited blood again and again.

More than that, just in the moment of confrontation, the elemental spirit fruit that the masked man had just acquired was undoubtedly taken by the opponent.

“Damn it!”

“You are young, dare to snatch things from this elder?”

After stabilizing his figure, the masked old man ignored his injuries, but stepped on the ground and rushed over again.

However, the young man shook his head and smiled, then his backhand fell.

Pop~

With a resounding slap, the masked old man was directly flew out, half of his old face was sunken under the giant palm.

In an instant, the world became quiet.

The people who were still in anger just now fell into a tremor again.

Who could have imagined that Dollar Lingguo would change ownership again after only a few breaths of time.

“Now it seems that I am the one who laughs last.”

Under the sky, Mark smiled faintly while playing with the Dollar Ling Guo in his hand.

But the masked old man who was just flew away by Mark was about to rush over again when he got up. Mark immediately reminded: “Friend, think clearly.”

“Will it be fatal, or do you want this fruit?”

“Of course, the greater possibility is the loss of people and money.”

“You~” Mark’s words were full of threats, no doubt so angry that the masked old man almost vomited blood.

Even if it is covered by black veil, An Qi and others can still feel the old face of the old man under the veil of the old man.

“Okay, today the old man admits it!”

“But sir, can you dare to leave a name?”

“In the future, I will come to ask for advice!”

The masked old man stood up again, gritted his teeth and looked at Mark.

Of course, these ruthless words, the masked old man asked just now for the sake of protecting his own face.

In the martial arts world, this is almost a routine that must be said after defeat.

However, he didn't think Mark would really report his family.

However, what he didn't expect was that the young man in front of him chuckled lightly: “Listen well, I am a Yan Xia warrior, Lu Hua!”

“If you want revenge, I, Lu Hua, will be waiting anytime.”

“Very well, arrogant enough! Believe me, Lu Hua, the old man will soon make you regret it.” The old man clenched his palms, and even turned and left.

After the masked old man left, An Qi ran out happily and took the two Dollar Ling Guo from Mark's hands, jumping and jumping happily.

“Haha~”

“We succeeded.”

“Big brother, let's go quickly, lest there be someone again in a while.”

An Qi urged Mark to leave as soon as possible.

“Your Excellency, please stay!”

However, at this moment, a voice suddenly came from behind him.

I saw that the previously injured Australian powerhouse came over and called Mark.
