

Chapter 2493– 2494 of A Dish Best Served Cold Novel

Chapter 2493

“Yan Xi, why bother to say thank you?”

“It’s all as it should be.”

“What’s more, I didn’t exert much effort. When I arrived just now, you almost drove away most of the wolves.”

“I feel that with your strength, I don’t need my help at all. Your personal strength is enough to fight against the entire pack of wolves.”

“As expected of General Lu’s daughter, she is indeed a tiger father without a dog.”

Facing Lu Yanxi’s gratitude, Lu Hua waved his hand and said with a smile...

Although Lu Tianhe is a general in the army, he has been famous for a long time, so he has a small reputation in the martial arts world, so Lu Hua has naturally heard of it.

“However, to be honest, there are indeed a lot of beasts in this rainforest.”

“The bastard fled at the beginning, but now it seems that it is a wise choice.”

“Otherwise, with his strength, I’m afraid that he would be buried on the road before seeing the Dollar Ling Guo, right?”

“I really don’t understand, why did the martial arts temple let the nasty bastard follow us.”

Lu Hua didn’t say a few words, but brought the topic to Mark again.

At this moment, his tone was full of ridicule and mockery of Mark.

Lu Yanxi also nodded, and was also curious about why the Martial God Temple wanted Mark to join their treasure hunting team. Isn’t this clearly holding them back?

“Okay, stop chatting, be smart.”

“This is already the core area of the rainforest. If nothing else, the Yuanling Fruit Tree should be very close to us.”

“All pay attention~”

At this time, Kong Ming’s deep urging sound came from his ears.

Lu Yanxi and Lu Hua stopped chatting, and immediately began to carefully search for the Yuanling fruit tree.

However, before they had gone far, Lu Yanxi was attracted by the two figures in front of him.

To be precise, it is one of them.

“Ok?”

“Brother Lu Hua, look, is that Mark?”

Lu Yanxi pointed forward and asked Lu Hua suspiciously.

“impossible?”

“That bastard, he ran home in shock a long time ago.”

“How could it be here?”

“If you think about it, it won’t be him!”

“This is deep in the rain forest. Without our shelter, why can that brat come here?”

“If that person is Mark, I will call him Lu Hua from now on.”

Lu Hua shook his head and sneered as he followed Lu Yanxi’s gaze.

However, it doesn’t matter if you don’t look at it. At this look, Lu Hua’s old eyes went wide.

“Fuck!”

“Is it really him?”

“That brat, why are you here?”

Shocked, Kong Ming and the three hurried over and asked why Mark appeared here?

Mark was slightly surprised when he saw them, but he didn’t expect to meet them here.

However, in response to Lu Hua's question, Mark just chuckled, "It's really weird that you are asking what you are asking. If you can be here, I can't be here?"

"You~" Mark's speechless Lv Hua was speechless, and didn't know how to answer for a long time.

Finally, Kong Ming walked out and asked Mark displeasably: "Mark, why did you leave the team and act alone?"

"Did you forget what I said before coming here?"

"Or, did you deliberately resist the order?"

"Now, I order you to kneel down and please sin!"

Kong Ming's cold words sounded quietly.

Mark snorted and replied faintly: "Resisting orders?"

"Do you think you are qualified to give orders to me?"

Chapter 2494

"Presumptuous!" Mark's words made Kong Ming furious.

"Well, Mark, you talk like this, are you really afraid that Kong Ming will drive you out of the team?"

Kong Ming was really angry. This was not the first time Mark had offended him.

Last time, he also held back because of Mark's youth and ignorance.

Unexpectedly, not only did the stinky boy in front of him fail to constrain, but now he even further offended him.

"Old Kong, what are you talking nonsense with the bastard?"

"I'm not old, but my tone is not young!"

"If you want me to say, just kick him out of the team and let him fend for himself."

"It's also a hindrance to us."

"I was beaten to death, and we have to collect the corpse."

Lu Hua had long seen Mark not pleasing to his eyes, and now it is even more fueling to persuade Kong Ming to expel Mark from their team of warriors in the summer.

As for Lu Yanxi on the side, she was also shocked by Mark's arrogance.

A pair of beautiful eyes immediately glared at Mark, and shouted with disgust: "Mark, you are so bold!"

"Master Kong, do you dare to offend?"

"Hurry down and apologize to Old Man Kong?"

"Otherwise, just stop blaming us, and leave you alone in the depths of the rainforest and ignore you!"

For a time, the three of Kong Ming all verbally criticized Mark, and the angry voice echoed in this world.

However, facing the words of the three, Mark suddenly smiled.

The smile was sneer and sarcasm.

"Fuck!"

"Do you still have a smile?"

"Kong Lao, don't hesitate, this kind of arrogant and arrogant thing, what use do we keep him?"

"Kick him out of the team and let him live and die in the rainforest!"

"Even if we die here, we would say that we were slaughtered while snatching the Dollar Ling Guo."

Lu Hua said viciously again.

"You don't have to rush, I will go by myself."

"Anyway, you guys are a drag to me."

"I acted alone, looking for Dollar Ling Guo, but I was at ease."

However, before Lu Hua could answer, Mark chose to quit on his own initiative.

"good very good."

“Unexpectedly, you are very young when you are young?” Kong Ming was also angry at this time. He just wanted to frighten Mark with the words he said just now, but he didn’t really want to drive Mark away.

After all, in Kong Ming’s view, with Mark’s strength, acting alone in this rain forest can be described as a life of nine deaths.

This Mark is certainly wrong, but there is no need to drive him to a dead end.

But Kong Ming didn’t expect that he hadn’t said anything yet, that Mark would have voluntarily withdrew.

In that case, what else can you say?

“As the person in charge of the hot summer treasure hunt team, I announced that I will expel Mark from the team immediately.”

“After this moment, his life and death has nothing to do with me!”

“Good for yourself~”

Kong Ming’s eyebrows were condensed, and the words of icy cold sounded like a golden stone falling to the ground.

After speaking, Kong Ming walked away with full of anger.

“Haha~”

“Brother Mark, goodbye forever.”

Lu Hua beckoned, looking gloat, and then he followed Kong Ming’s direction and left.

As for Lu Yanxi, he glanced at Mark, and then said coldly: “Remind you, if you don’t want to die, just return to the same place and go home immediately.”

“This is not where you should be.”

Lu Yanxi coldly said to Mark in a high-pitched tone.

Mark was not angry, but smiled and replied: “For the sake of your father’s face, I also remind you that if you don’t want to die, stay away from Lu Hua.”

“Otherwise, you don’t even know how you died.”
