

# Chapter 2495– 2496 of A Dish Best Served Cold Novel

## Chapter 2495

Hearing what Mark said, Lu Yanxi was stunned first.

Obviously, she was a little confused, and she didn't know why Mark said these things suddenly.

However, soon, Lu Yanxi seemed to think of something, and suddenly smiled: "You let me stay away from Brother Lu Hua?"

"Mark, don't you think it is ridiculous to say this?"

"Are you familiar with me?"

"Or, who are you with me, what qualifications do you have to tell my friends here?"

"Or you like me. You are jealous when you see me walking too close to Brother Lu Hua?"

Lu Yanxi said with a smile, looking at Mark as if he were looking at a joke.

"Oh, right."

"I thought it was strange before, why you, a country boy with no background, are so arrogant and arrogant."

"It seems that you are doing this deliberately, you want to get my attention."

"But Mark, I advise you to die this heart."

"Between you and me, there is no possibility at all."

"First of all, I don't like naive men."

"Secondly, you are too far apart from what I promised in the middle of my heart."

"Not to mention your personal strength, just to say your background is too unbearable."

"Between you and me, you are destined to be people in two worlds~"

“Brother Lu Hua, is the one who is closest to the expectations in his heart.”

Lu Yanxi smiled, proudly like a princess when she said this.

After speaking, she turned her head and left without waiting for Mark to answer.

“Brother Lu Hua, wait for me~”

Lu Yanxi shouted coquettishly.

At this time, she did not have the arrogance and majesty of facing Mark at all.

“Huh~”

“I bother!”

“What a narcissistic woman.”

“My Mark brother won’t like you?”

“It doesn’t look as good as me. It’s strange that my Mark brother is attracted to you!”

Looking at Lu Yanxi who was going away, Mark didn’t say anything yet, but An Qi on the side was furious.

At this time, the little girl, pinching her waist, shouted in the direction of Lu Yanxi’s departure while bulging her cheeks.

It’s the first time An Qi has seen such a narcissistic woman when she grows up.

My brother Mark kindly reminded him that she thought Mark liked her?

“I’m furious.”

“Too shameless~”

“Narcissism is enough, and still look down on my brother Mark?”

“It’s just a dog biting Lu Dongbin.”

“Brother Mark, this kind of person is not worthy of pity.”

“She is willing to follow Lu Hua, so let her follow.”

“We don’t care if they live or die~”

Seeing that Mark was offended, An Qi didn’t know why, but felt very angry.

That cute little face is going to be blown up with anger.

Upon seeing this, Mark smiled and gently scraped off her Qiong nose: "You little Nizi, you are really the emperor who is not in a hurry, the eunuch is in a hurry."

"Damn, Brother Mark, aren't you angry?"

"He said that about you."

"Also despise you."

"Are you indifferent?"

"You don't really like her anymore." An Qi stared at Mark angrily.

Mark shook his head: "Of course not, I just don't think it's worth it."

"After all, they are just insignificant little people, why care about their opinions."

Yes, in fact, from beginning to end, none of Kong Ming and others had been in Mark's eyes.

What is Lu Hua, what Kong Ming, what is the first person under the master, the name is louder, but in the eyes of Mark, how is it different from the ant under his feet?

When a person stands on a high place, he naturally cannot hear the noise under his feet.

## Chapter 2496

This is by no means Mark's arrogance, it is also true.

Compared with Mark, who was already among the gods of the Pillar of the Summer, Kong Ming and the others were too small.

This time, the God of War and the others let Kong Ming and Mark travel with them, and they didn't expect that the three of them could really help Mark. More purposes were just to cover Mark's identity.

Of course, if the three of them are reasonable, Mark wouldn't mind providing asylum to the three of them as far as he could.

But it is a pity that these people do not say that they respect Ye Fanzun, but because of Mark's birth and age, they contempt and offend him.

In that case, why should Mark protect them?

As for Lu Yanxi, it stands to reason that Mark should also take care of Lu Tianhe's face.

But all that should be done has been done, it is that Lu Yanxi doesn't know what is good or bad and doesn't listen to dissuasion.

Mark felt that he had done his best.

"Okay, let's go too."

"Everything that should be said has already been said. They chose the road themselves. They ask for their own blessings."

Mark didn't waste too much time and energy on these people, and after smiling, he took An Qi on the road.

As for An Qi, she felt relieved after sulking for a while.

"Huh, the wicked have their own wicked torment."

"Anyway, these guys, sooner or later they will be taught a lesson~"

An Qi knew that Mark had done a lot of offensive things in Lu Hua's name.

Those people are not good stubborn. An Qi estimates that it will not be long before Lu Hua will be in trouble.

In this way, time continued to pass.

An Qi and Mark searched for the remaining Dollar Ling fruit tree.

It was also during this period that among the warriors of various countries in the rainforest, there was a name that was still circulating.

.....

"Hey, have you heard of the Camo Budo?"

"It is said that a rare powerhouse appeared in the hot summer team."

"Before in the hotel, Renault and other powerful Indians were full of minions."

"A few days ago, it was said that the strong Australians were also deflated in his hands."

"The first batch of Dollar Ling Guo has already fallen into his hands~"

"I estimate that even if this person's strength is not a martial arts master, it is only half a step away from the master."

.....

“what?”

“So awesome?”

“Who is this person?”

“Could it be Kong Ming who claims to be the first person under the master?”

.....

“It’s not him, it’s a young man.”

“The last name is Lu, the first name is Hua!”

....

“Lu Hua?”

“I go!”

“Have you never heard of it?”

“When did Yan Xia have this character again?”

“It seems that you have to be careful next time you meet the team of Hot Summer!”

.....

In the rain forest, after teams from different countries meet, they almost talk about it.

For a time, the clamor was everywhere.

The name Lu Hua was also spread among the warriors of various countries for the first time!

However, when the name of Lu Hua gradually became famous among the teams of various countries, the three of Kong Ming did not know the situation at all.

Especially Lu Hua, he doesn’t know what’s wrong. When encountering a team from another country in the rainforest, the other party will always exclaim in a polite and admiring tone: “Huh?”

“Are you from Yanxia?”

“I wonder who is Mr. Lu Hualu?”

.....

“You are Mr. Lu? You have been admired for a long time.”

....

“It deserves to be the martial arts in the summer, and it really hides the dragon and the tiger.”

“So young, so powerful, with a boundless future, and terrifying future generations~”
