

Chapter 2507– 2508 of A Dish Best Served Cold Novel

Chapter 2507

However, when these people left, no one noticed that the old man, who had previously fallen in a pool of blood, moved his arm.

Yes, the old man didn't breathe completely just now.

After all, as we all know, it is easy to defeat a master, but difficult to kill.

The old man in front of him is a great master after all.

Even if it is fatally injured, it is not something that can leave a breath in a short time strange things.

It wasn't until after everyone left that he took the phone out of his arms with his last breath, moved his finger, and dialed a call with difficulty.

At this time, Chu Qitian, who was located outside the rainforest, was still torturing Lu Hua and the others.

“Patriarch, Lu Hua still refuses to confess.”

At the long table, his subordinates were reporting the progress to Chu Qitian respectfully.

Chu Qitian furrowed his brows and his eyes showed chills: “Unexpectedly, this kid's bones are so hard?”

“Continue to ask.”

“Tell him, I have half an hour to be patient.”

“After half an hour, if he still doesn't explain the whereabouts of Dollar Lingguo, then don't blame me for slaughtering him to feed the dog.”

“Yes, master. I’ll go to convey it.” After speaking, the man was about to leave.

“Hold on.” However, Chu Qitian seemed to think of something, and asked again, “Is there news from Elder Keith?”

“It’s been several days, and the second batch of Dollar Lingguo should have already arrived.”

“This~” The subordinates hesitated for a while, and then continued, “Master, I haven’t heard from Elder Keith for the time being.”

“Huh?” Chu Qitian frowned suddenly when he heard the words, “What’s the matter with this old thing, is it possible that another accident happened?”

“Probably not. This Lu Hua has been captured by the young master. Elder Keith is on the way forward, and there is no hindrance. Dollar Lingguo is not a matter of catching it. Young master, please stay calm and wait. Maybe, Elder Keith will get news in a while.” The subordinates smiled respectfully.

Sure enough, as soon as this person’s voice fell, a phone call came in.

“Haha~”

“Master, what are you talking about?”

“No, has the call arrived?”

The subordinates looked at the phone and saw that it was Elder Keith’s phone, and immediately sent it to Chu Qitian.

When Chu Qitian saw this, he was also overjoyed.

The worries in my heart dissipated immediately.

Then, he answered the phone and asked aloud: “Keith, it should be okay this time, right?”

“Then Lu Hua has been captured by me, and no one troubles you anymore.”

“If you haven’t grabbed the Dollar Ling Guo this time, then there is no need to come back.”

Chu Qitian leaned on the chair, holding a satellite phone in one hand and a light drink of strong tea in the other. In the faint tone, there is implied majesty.

However, after Chu Qitian finished speaking, he waited for a long time without waiting to answer.

All that came from the phone was heavy breathing.

“Ok?”

“Keith, what’s the matter?”

“Why are not you talking?”

“What am I asking you, why don’t you answer?” Chu Qitian became a little unhappy, and there was a little more anger in his words.

Finally, until this time, the dying voice of a dying old man came over the phone.

“No... it’s not Lu Hua, it’s... the abandoned... abandoned son, Chu... Chu Tianfan.”

“Young...Master, hurry up.. go, go... find... find the master~”

The faint voice, like a candle in the wind, slowly sounded in Chu Qitian’s ears.

Chapter 2508

However, although the sound was small, it fell in Chu Qitian’s ears, and it exploded like thunder.

Almost instantly, a monstrous wave was set off in his heart!

“You... what did you say?”

“Chu Tianfan?”

“What’s the situation?”

“Could it be that the despicable abandoned son also came to this Amazon rainforest?”

....

“speak?”

“answer me!”

“Keith, Keith...”

On the phone side, Chu Qitian could hardly be calm.

After hearing the name of Chu Tianfan, the young patriarch of the Chu family, the future heir to the family, seemed mad, and couldn’t help yelling at the phone.

However, no one responded.

On the other end of the phone, there was only a dead silence.

Pop~

The phone slipped from his hand and fell to the ground.

Chu Qitian, on the other hand, was pale, with panic in his eyebrows, his body trembled, and finally he slumped weakly on the seat behind him.

“Master, what’s the matter?”

“What happened?”

“Is Elder Keith in danger?”

“Should we send someone to rescue?”

Seeing Chu Qitian’s expression like this, a subordinate next to him asked quickly.

Chu Qitian was speechless for a long time, and his face was pale, as if he had lost his soul. Finally, he shook his head: “You don’t have to save it. If he really came, Keith would not have survived.”

“He is a demon king who even stepped on the Japanese martial arts.”

Although, long before coming to the rain forest, Chu Qitian and his father had concluded that Mark was not dead and was alive.

However, when Chu Qitian really ran into him now, there was still an unspeakable tremor and surprise in Chu Qitian’s heart.

“Chu Tianfan, Chu Tianfan, you and I are really on a narrow road.”

“I was thinking that when this mission is over, I will gather the strong to deal with you.”

“But I didn’t expect that you and I would meet you in advance.”

“But that’s fine.”

“It’s also saved to go to the hot summer.”

“Take this opportunity to solve you here!”

After a brief shock, Chu Qitian quickly calmed down.

His eyebrows gradually became cold, his palms were also clenched, and his handsome face was full of murderous intent at this moment.

“Go, get out of here first.”

Chu Qitian gave an order and summoned everyone to leave.

“Master, where are the three people, are you still carrying them?” the subordinate asked.

“Caught the wrong person, and bring a fart?”

“Let them go!”

Chu Qi weather had to curse, and until now, Chu Qitian realized that before he knew it, Mark’s bastard put another one.

Soon, Chu Qitian and his party also left.

As for Lu Hua and Lu Yanxi, they were all released.

Before leaving, Chu Qitian’s subordinates actually patted Lu Hua on the shoulder, and laughed, “Brother, I’m sorry.”

“The wrong person was caught!”

Second Austria!

Should I do Nima?

Lu Hua cried at that time.

Feelings. He has suffered so much skin and flesh, and he has suffered in vain?

“Asshole, asshole~”

“I’m fucking your eight generations of ancestors!”

“Ciao!”

Chu Qitian and others had already gone far, but Lu Hua still cursed his mother madly.

He felt wronged.

Nima herself was hung up and beaten half to death. Finally, the other party said, “Did you catch the wrong person?”

At that time, Lu Hua was depressed and wanted to hit him to death.

He has never been so useless in his life!
