

The One and The Only Chapter 251 - 260

Boom!

The concealed door was forcibly knocked open.

The crowd rushed in fiercely, and Zhu Fenghua also took Agui and other capable men into it, striding in.

More than 3,000 disciples of the Zhu family broke into the base murderously, yelling for killing.

But after breaking in, the person who rushed in the front suddenly stopped without warning,

and the shouting and killing in his mouth stopped abruptly.

The people who followed, did not know what was going on, kept pushing their companions

in front of them one by one, yelling in puzzlement: "What's the matter, why have you all

stopped, don't be stunned, go ahead!" "

The person behind said, pushing away the companion in front and squeezing to the front.

Then, seeing the scene in front of me, everyone gasped, and was so frightened that they

didn't dare to move.

Zhu Fenghua was wondering, why were all his subordinates standing in place like

acupuncture points?

"Get out, get out of the way. What's wrong in front, let me see!"

Zhu Fenghua separated a way from the crowd and walked to the front of the team.

Seeing the scene in front of him, he gasped, and his mouth couldn't close in shock.

It turned out that in front of their gang, countless heavily armed soldiers lined up neatly.

There are also various tanks, armored vehicles, armed off-road vehicles, etc., and there are

helicopters and fighters in the distance!

Oh my God, they broke into a secret military base.

Just when Zhu Fenghua and his men were dumbfounded, Wang Daofang already roared:

“Enter the combat state!”

Wow!

The phalanx of soldiers on the scene dispersed in an instant, enclosing Zhu Fenghua and others all at once.

Click!

The sound of the loading of the submachine gun bullets in the hands of countless soldiers sounded, and countless gunpoints pointed at Zhu Fenghua and the group together.

Even the surrounding tanks and armored vehicles moved slowly, and the raised barrels also aimed at Zhu Fenghua and the others.

“Order you to give up resistance and surrender immediately.

Those who flee or resist, kill them.” When Wang Daofang’s loud and powerful voice sounded

again, Zhu Fenghua and others, who were surrounded by many, finally recovered from the shock.

Everyone quickly threw away their weapons and surrendered together.

Zhu Fenghua was also desperate. He raised his hands and looked at Wang Daofang and the

others, and said bitterly, “Head Wang, this is a misunderstanding...”

Yash Nics took Wang Daofang and Dianchu and the others and left. come.

Yash Nics looked at Zhu Fenghua: “Is it a misunderstanding? I don’t think it is.”

“I can hear it clearly just now. You were shouting something to capture Yash Nics alive and Ling Chi to be executed.”

Zhu Fenghua trembled and said, “We were just playing around. “That...”

Yash Nics said indifferently: “It’s a pity that I take it seriously!”

“Come here, shoot the thief leader Zhu Fenghua on the spot. All the other servants will be sent to the military prison for labor reform.”

Yash Nics's voice fell, and there were two immediately. A soldier stepped forward and pulled out Zhu Fenghua.

Zhu Fenghua had a relationship with Wang Daofang on several occasions.

He tremblingly shouted: "Head Wang, save me..."

Wang Daofang said coldly : "Chen Shuai has given you Zhujia many opportunities, but it is a pity that you Zhujia Not only don't cherish it, but also change it and advise you to be a good person in your next life."

Zhu Fenghua was shocked when he heard this, and looked at Yash Nics incredulously:

"Chen Shuai?"

Wang Daofang : "Yes, this is my benefactor. He is also the young commander of the Northern Army, Yash Nics. Now you should understand that you have the right way to take death, right?"

After listening to Wang Daofang's words, Zhu Fenghua's feet softened. He looked at Yash

Nics in despair, and muttered: "Impossible, impossible..."

Wang Daofang waved his hand and ordered the two soldiers: "Take it away." !"

Zhu Fenghua was taken away soon, and his life was announced as soon as the gunfire sounded, and that's it.

Tong Ke opened her eyes wide at this time, and her pretty face flushed with excitement and excitement.

She stared at Yash Nics closely, and there was a voice in her heart screaming: My

brother-in-law turned out to be the young marshal of the North, and my brother-in-law turned

out to be the young marshal of the North. It's really amazing.

The One and The Only Chapter 252

Zhu Fenghua was shot and killed on the spot, and the remaining Zhu family disciples on the

scene were all gray.

These people are all in the underground circle, and they are not clean. All of them will be arrested this time, ranging from a few years to as long as several

decades, and all of them will be arrested for labor reform in secret military prisons.

However, they also feel that this is a blessing in misfortune.

This time they attacked the military base and tried to attack the Marshal of the North, which

was already very benevolent.

Just when the king ordered the soldiers to arrest these gangsters at the scene in an orderly manner.

Outside the secret base, another group of uninvited guests came.

These uninvited guests are not others, they are just a bunch of desperadoes hired by Li Shuilin and him heavily.

It turned out that since Li Shuilin was repaired at the entrance of the reception, he deeply hated Yash Nics.

After he returned, he hired dozens of desperadoes from other places at a high price, preparing to kill Yash Nics.

Today, he sent someone to follow Yash Nics early, and he knew everything about Yash Nics's whereabouts.

At this time, he had already brought dozens of his subordinates to the outside of the "abandoned pharmaceutical factory".

His attendant Li Qiang looked at the hundreds of cars in front of the "abandoned factory"

and couldn't help but said to Li Shuilin in shock: "Master, how come there are so many cars here in this abandoned factory in the suburbs?"

Li Shuilin said with a smile: "I wish the family uncle is the provincial capital, with Zhu Zhu Fenghua home disciples car."

“I heard this morning, I wish called a meeting of disciples all over the world, and personally led Zhu Fenghua, looking Ning revenge.”

“here Zhu Fenghua’s vehicle must have belonged to Zhu Fenghua and him. It is estimated that they are now cleaning Yash Nics in it.”

Li Qiang was stunned when he heard the words, and then said: “Since the Zhu family has already cleaned up Yash Nics, wouldn’t we come here to do nothing. Let’s just go back and wait for the news of Yash Nics’s death.”

Li Shuilin shook his head: “No, if it wasn’t for revenge personally Swordsman, then it’s no different from Jin Yi Ye Xing.”

“And our Li family and Zhu’s family also have a little friendship, let’s go in. Let Mr. Zhu not rush to kill Yash Nics, let me also stabbed twice, let me Resolve the hatred.” After Li Shuilin finished speaking, he waved his hand: “Go, follow me all in. Yash Nics may have been killed if it is too late.”

Li Shuilin hurriedly broke into the secret base with dozens of his men. As he broke into the side of his mouth and shouted: “Mr. Zhu, Mr. Zhu, Ning what killed the guy, did not die, then let me cut him twice”

broad training ground, being trained Su’s arrested the soldiers of the Zhu family’s disciples and heard Li Shuilin and their screams. Then everyone turned their heads together and looked at Li Shuilin and his group.

Li Shuilin and his gang found that the situation was not right, they stopped quickly and stared at the scene in shock with their eyes wide open.

Li Shuilin finally saw clearly that it turned out to be a huge secret military base!

The crowds on the scene were heavily armed soldiers, as well as tanks and armored vehicles.

A large number of soldiers seemed to be arresting the Zhu family. Li Shuilin was so frightened that his feet softened and he almost knelt down.

My mother-in-law, this is so scary.

Li Shuilin's face was pale, just about to turn around and ran away.

It was a pity that it was too late. At this time, two groups of soldiers came over quickly and surrounded them with guns.

Farther away, there were two gunship helicopters that quickly lifted off.

If anyone wants to escape, he has to ask if he has ever escaped from a helicopter, faster

than a helicopter's high-speed bullets?

Li Shuilin and his men could only raise their hands in a hurry, and he trembled: "Sir, this is a

bit misunderstanding. We thought this was an abandoned factory and came here to have fun."

The One and The Only Chapter 253

At this time, Yash Nics had brought Wang Daofang, Dianchu, Tong Ke and others.

Yash Nics said coldly: "It's you again!"

Li Shuilin looked at Yash Nics, who was surrounded by countless chiefs and school officials,

who was surrounded by stars. He was a bit silly. He said, "You, what are you?" Who is it..."

Yash Nics said indifferently: "You don't deserve to know my identity, come here, take them

down together. Labor reform, arrange it."

Li Shuilin was so scared that he was so scared that he threw himself at Chen. Ning knelt

down, crying and begging for mercy: "Mr. Chen, I know I was wrong. I'm kneeling for you,

please give me a chance!"

Yash Nics looked at Li Shuilin, and said indifferently: "You were rude to my wife before.

When I made an unreasonable request, I once gave you a chance to come and apologize."

"Unfortunately, you didn't use it. You didn't seize the opportunity."

Yash Nics said this, with colder eyes: "And you are here this time. , Is to kill me with the Zhu family. If I fell into the hands of you and Zhu Fenghua today, would you let me go?"

Li Shuilin was speechless. When he broke in just now, his mouth Li also yelled that Yash Nics was not dead and let him cut twice as well. He couldn't even make a quibble now.

Yash Nics didn't talk nonsense with Li Shuilin, but waved his hand and ordered the soldiers on the scene to arrest Li Shuilin and his gang. Arrange with Zhu's disciples for labor reform

Li Shuilin looked desperate. He was sent to the labor camp, who had grown up in good clothes, and it was more tormenting than killing him. He regrets that his intestines are all green, but unfortunately, there is no regret about taking medicine.

Yash Nics instructed Wang Daofang to properly handle Li Shuilin and Zhu's disciples, and to keep a low profile. He doesn't want to expose his identity and bring trouble and trouble to the peaceful life of him and his family.

Wang Daofang saluted: "Yes, I will deal with it properly. I will never reveal your identity as the young marshal, let alone cause trouble to the life of your family, the young marshal." Yash Nics and Tong Ke drove them. That time the Volkswagen Polo car left.

Dianchu and Bahuwei drove two jeeps behind to escort them, returning to the city together.

On the road, Tong Ke, who was sitting in the passenger seat, fixed her eyes on Yash Nics. The look of excitement and excitement, the look of worship, the little fan girl who saw the idol completely.

Yash Nics was a little unbearable with his sister-in-law's gaze. He said angrily: "Why are you staring at me? Look ahead, don't look at me."
Tong Ke giggled and said, "No, I'm going to see you brother-in-law."
Yash Nics helplessly: "What's so good about me."
Tong Ke said with a grin: "It looks good, the more I look at it, the more I feel brother-in-law you have a taste. No wonder the doctor in the hospital told me that the heroic man who saved me is very attractive."
"Compared with your brother-in-law, I found that those little meat stars are too damn good, or you have a manly taste."
Yash Nics denied, "Don't do anything about me, I am not the heroic man who saved you."
Tong Ke didn't expect Yash Nics to be so vigilant, and hummed: "Don't admit it, one day I will find conclusive evidence."

...

At this time!
Dame beauty salon, VIP room.
Lu Shanshan was undergoing a beauty treatment. Suddenly her subordinate Agui hurried in and said in a low voice, "Miss, the latest news."
Lu Shanshan waved her hand and motioned the beauty technician next to her to go out, and then asked faintly: "Is it right?" The Zhu family has destroyed Yash Nics?"

Agui lowered his head and said, "Yash Nics is okay, Zhu Fenghua is dead."
Lu Shanshan, who was lying on the beauty bed with a premium facial mask, couldn't help but sit up in shock, and the mask fell on the floor.
She hadn't taken care of so much, she just stared at Agui, and asked in shock: "What's the matter?"
Agui smiled bitterly and said, "It is said that Zhu Fenghua is doing an oolong, and it is a

mistake. Zhu Fenghua brought more than 3,000 The disciples and grandchildren broke into the secret military base of mannyty.”

“It is said that there were more than 20,000 officers and soldiers in the base at that time, and a grand award ceremony was being held.”

“Assaulting the military powerhouse, Zhu Fenghua was shot dead on the spot.”

“His disciples. All of them are gangsters. All of them have criminal records. They were all caught up in a net and all were arrested and sent to jail.”

Lu Shanshan was dumbfounded after listening to the report from her men, and she stunned for a long time: “Is this guy Zhu Fenghua a pig’s brain?” Why did you make such an oolong and kill yourself!”

Agui said, “Miss, Zhu Fenghua is dead, and the disciples and grandchildren of the Zhu family have also been wiped out.”

“The vitality of the Zhu family is badly hurt, we Wanting to expect them to kill Yash Nics and avenge Lu Shao will not work.”

Lu Shanshan snorted coldly: “The Zhu family is really useless. It seems that killing Yash Nics and Song Pingting, a couple of dogs , has to be done. I personally shoot.”

The One and The Only Chapter 254
Provincial City, Zhujia.

Zhu Kuchan received the news that his son was dead and that all his disciples and grandchildren had been wiped out. He fainted directly.

Finally, he was rescued by his family. He sighed and said: “The power of our Zhu family mainly relies on these disciples and grandchildren to control the underground circles of the entire southern city. Now Fenghua is dead and countless disciples have been arrested. The family is going to collapse.” The

second son Zhu Chengyang said in a deep voice, "Dad, I still have you in the family, and I will not collapse."

Zhu Kuchan looked at the second son and said with satisfaction: "I am a little sick. , Your eldest brother is gone again, and you will be temporarily in charge of family affairs in the future."

Zhu Chengyang: "Yes, dad, rest. I will take revenge on my eldest brother and nephew in addition to the funeral of my eldest brother and nephew."

Zhu

Kuchan nodded, and at the same time exhorted: " Proceed with caution, we wish the family can't stand the tossing anymore." Zhu Chengyang took his men and walked out of his father's room.

He instructed his subordinates: "Assemble all the masters in the family and follow me to the South China Sea. I want to reunite with Lu Shanshan, the eldest of the Lu family, and join hands to take Yash Nics's life."

"Yes, second master!"

...

Yash Nics and Tong Ke When the two drove back to Jiangbin Garden, it was already evening.

When I got home, I found that the house was quite lively, full of people.

It turned out that Song Qingsong, the elder of the Song family, brought Song Zhongxiong and Song Zhongping as a guest.

Song Pingting, Song Zhongbin and Ma Xiaoli are entertaining Song Qingsong.

Song Pingting said to everyone embarrassed: "Grandpa, uncle, and uncle, now our Ningda

Group has no shortage of funds for the time being. Your request to buy shares of our

Ningda Group at a low price, I really can't agree to it."

Yash Nics, who had just entered the door, turned cold when she heard Song Pingting's words.

Song Qingsong, it's really no good thing for a night owl to enter the house.

Every time I come here, I don't want to take advantage of it, or I'm in trouble.

This time, since the news that Ningda Group had obtained the agency rights of liver cancer

vaccines, the stock price of Ningda Group has been trading at a daily limit.

No one is willing to sell the shares of Ningda Group at all, and all the stockholders who hold

it are making a lot of money.

Song Qingsong's family previously owned 48% of Ningda Group's shares, but they

relentlessly withdrew from the Ningda Group when they encountered difficulties.

Now that the stock price of Ningda Group has gone wild, they all regretted jealously, and

once again went to the door to ask Song Pingting to sell them the shares at a low price.

In the world, how can there be such a good thing!

Yash Nics walked into the living room and said indifferently: "Why are you making trouble

again? I didn't tell you that you want to hold shares of Ningda Group.

You can buy Ningda

shares on the stock market. "

Song Qingsong's group knew that Yash Nics was not good at talking.

When they saw Yash

Nics came back, they all looked at each other with embarrassment.

Daughter Song Qingqing trot over: "! Dad, aunt,"

Ning to see her daughter, only his face showing a smile, bending over to pick up her

daughter, smiling, said: "? The clear after school, in the kindergarten naughty or nice today,"

Song Qingqing giggle

Xiaodi smiled and said: "Good, the teacher also rewarded me with a little red flower." Yash

Nics said happily: "Yes!"

Song Pingting, Song Zhongbin, and Ma Xiaoli also came over.

Song Pingting was really relieved to see Yash Nics coming back.

Grandpa and the others used family affection as a kidnapping, saying that she had

hardened wings and made money on her own, giving it all to her family.

She couldn't help but fortunately Yash Nics came back in time.

Song Pingting whispered: "Yash Nics, grandpa and them..."

Yash Nics waved his hand and said faintly: "No need to explain, I know what they came from."

The One and The Only Chapter 255

After Song Qingsong finished scolding everyone, he smiled and said to Yash Nics and Song

Pingting: "Yash Nics Xiaoting, the request made by the uncle and the third uncle is

excessive, so don't care."

Yash Nics smiled, wondering what medicine Song Qingsong sold in the old fox's gourd?

Song Pingting quickly said: "No, you can understand my difficulties, grandpa."

"Understand," Song Qingsong said with a smile: "I am also a head of the house, and I can definitely understand it."

Song Qingsong said. After that, prepare to take people away.

However, when he reached the door, he suddenly stopped. As if he had just remembered

something, he turned his head and said to Song Pingting, "By the way, it seems that I heard

that a new company under your group is going to use land to build a pharmaceutical factory?"

Song Pingting nodded subconsciously: "Yes, but I haven't found a suitable place for a while.

Either the price is very expensive, or the place is too small to use."

Song Qingsong smiled: "Our Song family, last year in Fenghuang in the eastern suburbs.

Chong, took a piece of land, a full 1,000 mu."

"The documents are complete, if you want to take the land, Xiaoting, we can transfer that piece of land to you."

Song Pingting said in surprise, "Phoenix Chong, okay. It's a place! And it's still a thousand acres. Grandpa, what's the price?"

Song Qingsong smiled and said, "You are buying land outside. The price is definitely not cheap, right?"

Song Pingting nodded, "Yes, I am. I contacted several big bosses, and their asking price for the land is more than 1.5 million."

Song Qingsong laughed and said: "We are a family, I will not sell it that expensive. The price is 1 million acres, 1,000 acres of land, packaged. Sell it to you, 1 billion yuan!"

Song Pingting said in surprise: "Really? Well, tomorrow I will go to see the land with the company's executives."

"If there is no problem with the land and the certificate, I will follow up on the spot. Grandpa, you sign the contract."

Song Qingsong smiled and said, "Okay!" The next day, Song Pingting really took the senior executives of the Ningda Group to Fenghuangchong, the eastern suburbs, to see the land of Song's house with great enthusiasm.

It is indeed a whole thousand acres, and the surrounding environment is also very good,

which is very suitable for building factories.

And the documents are also complete, and there is no problem with the documents.

As for the price of the Song family, it is very reasonable. It is estimated that it is difficult to

find such a good price in Mannity city.
Song Pingting signed a contract with Song Qingsong on the same day and transferred 1 billion to Song's account.
However, a few days after the transaction, something went wrong. Gong Haili, the company's deputy general manager, came to Song Pingting with sweat, and said with a trembling, "Mr. Song, the big event is not good. There is a problem with the piece of land we took from the Song family ." Song Pingting heard. He was startled, and said uncertainly: "No, we have inspected the land, there is no problem, and the documents are complete!"
Gong Haili tremblingly said, "This land is fully documented, but in the first two years It was adjusted by the government as an ecological protection area and it is not allowed to be used for development."
Song Pingting trembled and lost her voice: "What?" Gong Haili's voice was crying: "I just learned that the Song family At the beginning, they were scammed and bought at a price of 800 million. After they bought it, they learned that it had been squandered and that this piece of land could not be used for development. It has been shelved."
Song Pingting felt that the sky was spinning, and grandpa knew this piece of land. The land could not be used for development, and it was even sold to her. This is simply deliberately harming her, and it will harm her miserably. One billion, it's going to be completely ridden.

Just when Song Pingting felt that the sky was about to fall, Yash Nics walked in with an insulated lunch box.

The One and The Only Chapter 256
He is here to bring lunch to Song Pingting.

Yash Nics walked into the office and saw that Song Pingting and Gong Haili looked wrong.

He frowned and asked, "What's wrong?"

Song Pingting cried and rushed into Yash Nics's arms, sobbing: "Yash Nics, we were miserable by grandpa and them."

The land they sold to our company is an ecological protection area. It is not allowed to be used for development and construction of factories. We will be hurt by grandpa..."

Yash Nics said after clarifying the situation, "No wonder others have the same area. For 2 billion, Grandpa only sold 1 billion. It turns out that they knew that there was a problem with the land, and they deliberately cheated us."

"It's okay, I first understand the situation with the city leaders. I'm not sure about the nature of that piece of land. Change back to development land."

Song Pingting shook her head and said: "Impossible, the nature of the land is difficult to change. The city leaders will not easily agree. We will be hurt by grandpa this time."

Yash Nics laughed. "It's man-made, I'm sure it can be done, you just wait for the good news from me."

Yash Nics walked out of the office, took out his mobile phone, and called the city veteran

Zhou Ruoshu, asking about the situation of Fenghuang Chong's land.

Zhou Ruoshu is a little wondering how Yash Nics would ask about a small piece of land?

But he was respectful Ning told: "Mr. Chen, a Hong Kong there before the big boss, want to invest in Phoenix rush to build a small tourist attractions So we immediately decided to rush the Phoenix as ecological protection zones.."

"But Later, I discovered that the Xiangjiang boss, investment is a guise, and money laundering is real."

“The boss has not yet formally invested, because he was arrested because of economic crimes and sentenced to life imprisonment.”

“This is a matter of establishing Phoenix as a tourist attraction. Nothing is over, and the nature of the land has not been changed back.”

Yash Nics heard that: “Since Fenghuangchong will not be developed into a tourist attraction, I wonder if I can apply to change the nature of the land to development land?”

Zhou Ruoshu smiled and said, “Of course. Otherwise, it would have been developed into a tourist attraction a long time ago.”

“I’ll order the relevant departments to revise the nature of the land.”

“After all, Ningda Group is a local enterprise that China Shipping focuses on training, and it

has also won the liver cancer vaccine agent. Right. In the future, we will definitely be a big

taxpayer in China Shipping City. To make a big contribution to China Shipping’s economic

development is that our city will naturally also give some care to local entrepreneurs.”

Yash Nics said with a smile: “Then I will trouble you, Master Zun! ”

Yash Nics didn’t tell Song Pingting the good news immediately after finishing the call.

He was going to wait for the relevant departments in the city to formally change the nature

of the land to development land, and then tell Song Pingting, so as not to change in the

middle and make Song Pingting happy.

But because he didn’t tell Song Pingting the news, Song Pingting was sitting on pins and needles.

In the afternoon, Song Pingting decided to go to Song’s house to see her grandpa in person, and argue with grandpa that it would be best for grandpa to agree to a refund.

Song Pingting knew that Yash Nics had a strong and domineering personality, and that Yash Nics would beat people when she was angry. So she didn't tell Yash Nics and drove to Song's house by herself. Song family mansion, in the living room. Song Qingsong is chatting with Song Zhongxiong, Song Zhongping, Song Haoming, Ge Meili and others. The family was so happy that they were naturally talking about selling that useless piece of land to Song Pingting. Song Zhongxiong laughed and said: "Last year our family asked Boss Huang to set up a piece of land and spent 800 million to take down the plot of Fenghuang Chong. Later, we learned that it was an ecological protection area and could not be used for development. We all thought we were going to die. Up." "Unexpectedly, Dad, you actually sold this piece of land to Song Pingting's silly girl. Not only did our family not lose, but also made 200 million!" Song Zhongping also complimented: "Haha, Jiang is still hot. , Dad is amazing." Ge Meili said with a smile: "Grandpa is naturally a wise man, but I also blame Song Pingting that little bitch is so stupid, I really think we treat her as family. If we have good land, we will sell it cheaply. Give it to her? You want to be beautiful!" Song Pingting, who came in through the door with a handbag in his suit and suit, happened to listen to what everyone said. Her face is creamy, and her eyes are full of anger: "You are really too much this time!"

The One and The Only Chapter 257

Song Pingting's angrily drew Song Qingsong's family to look together. When Song Qingsong saw Song Pingting, he changed his gentleness and kindness when he

sold the land to Song Pingting a few days ago, instead, his face was indifferent.

He casually said: "Xiaoting, you are here, and you don't say hello to the elders of the family.

What kind of temper do you have?"

Song Pingting angrily asked: "Grandpa, you know that there is a problem with the land where

Phoenix is charged. If you want to sell it to me, didn't you deliberately cheat me?" Song Qingsong laughed and said, "There is a problem, what is the problem, why don't I know?"

Song Pingting said, "That piece of land belongs to an ecological protection area and cannot

be used. Development, let alone grandpa you don't know."

Song Qingsong blinked: "Oh, there is such a thing, I really don't know!"

Song Pingting was anxious when she heard the words, but she didn't expect her grandpa

and the others to be so rascal. I don't know.

She took a deep breath, tried to calm her anger, and then calmly said:

"Grandpa, this land

belongs to an ecological protection area and cannot be used for development."

"Since there is a problem with this land, I want to cancel it. In this transaction, our company

returned the land to you, how about you refunding our company's money?"

Song Qingsong's face sank when he heard this, "Heh, our transaction is over, there is no regret."

Song Pingting said anxiously. "But there is a problem with the land..."

Song Qingsong coldly interrupted: "That is your company's problem. I am only responsible

for selling the land to you, and I didn't say that you can use it for development."

Song Pingting's tears were rolling. "Grandpa, you are clearly

cheating me!" Song Qingsong was too lazy to act with Song Pingting. He sneered and said, "

What about cheating you, there is no father and son in the mall, let alone you are the granddaughter I don't want to see. .”

“I said I wanted shares in your company, but you didn't promise to give it to me. Why should I not cheat you?”

“If you are not convinced, you can sue me, but I dare to say that even if you go to court, you will definitely lose, hahaha.”

Song Zhongxiong and Song Zhongping were equally proud, and laughed proudly at this time.

Song Zhongxiong mockingly said to Song Pingting: “Haha, Xiaoting, no wonder we are, if

you are to blame, you are stupid. By the way, our family made 200 million yuan in land

purchases. We are going to have dinner at Jinyumantang restaurant tonight to celebrate,

you Do you want to be together?”

Everyone in the Song family laughed again.

Song Pingting was trembling with anger, but was helpless.

And just when Song Pingting was full of shame and anger, ready to flee here in

embarrassment.

Suddenly a familiar man's voice came from outside: “Wife, I thought where you were going, it turned out to be here.”

Song Pingting and everyone in the Song family looked in the direction of the sound together,

and then they saw one. The tall man with eyes like stars was coming in from the door.

This tall man is not someone else, but Yash Nics.

Seeing Yash Nics, Song Pingting's grievance broke out all of a sudden, she cried out

mournfully, and then rushed up quickly and rushed closer to Yash Nics's arms.

Only Yash Nics's warm and solid chest can give her a little relief.

Yash Nics hugged Song Piting and gently stroked her hair, softly comforting: "What's the matter?"

Song Piting choked out, "Grandpa, they bully!"

Song Qingsong and others immediately shouted, and they were willing to buy and sell. , How

can it be said to be bullying?

Yash Nics smiled and said, "Wife, they are right, the transaction is voluntary, and the transaction is successful."

Song Qingsong and others were overjoyed and said with a smile: "Yes, Yash Nics understands the truth."

Song Pingting raised her head when she heard the words, looked at Yash Nics in shock, and

trembled: "Yash Nics, how do you help them speak?"

The One and The Only Chapter 258

Yash Nics juggled out a document and handed it to Song Pingting.

He smiled and said: "The city leaders feel that the land in Fenghuang Chong does not have

the potential to be developed into a tourist attraction. Just now, they have changed the

nature of the land to development land."

"Look, these are related documents."

Song Pingting told Everyone in the Song family was shocked when they heard Yash Nics's words.

Song Pingting was ecstatic, took Yash Nics's documents, and said, "Really?"

Yash Nics said with a smile, "I lied to someone, and I can't lie to you."

Song Pingting finished reading soon . The document, weeping with joy, said: "Oh my God, it's

true. Our company can build a factory in Fenghuangchong. This is really great."

Song Qingsong's family was dumbfounded, and they hurriedly gathered around to view the document first.

When it was confirmed that the nature of Fenghuangchong's land had indeed been changed to development land, they were completely stupid. If this piece of land is an ecological area and cannot be developed, then it has no economic value and cannot be sold for 500 million yuan. But if it is changed to development land, it can be used for development. That is worth at least 2 billion! Song Qingsong sold the land to Song Pingting at a price of 1 billion a few days ago, which means that he lost 1 billion. In an instant, Song Qingsong's family's complexion was as ugly as eating Xiang, all of them turned green with regret. Song Qingsong bit her scalp and said to Song Pingting, "Xiaoting, can we cancel the transaction? I'll return the money to you, and you will return the land to me?" Song Pingting snorted coldly, "No!" Song Pingting was cold. Coldly refused Song Qingsong's rude request, and dragged Yash Nics away. Everyone in the Song family was suffocated and annoyed at this time, and Song Pingting felt very relieved. Yash Nics and Song Pingting came out of the Song family mansion and drove back to Ningda Company. On the way, Song Pingting couldn't hide her joy and asked Yash Nics, "How did you do it?" Yash Nics smiled and said, "I'll call the city lord, and he will immediately help to fix it."

Song Pingting widened. Eyes, looking at Yash Nics like a monster, eating and eating: "No, you just let the city lord take care of things with just one phone call? Normal people can't do this kind of thing, don't you have any secrets to hide from me? ? "

Ning smiled and said: "Most people do not do, but the statue is to see the city on your part, it's wide open."

Now, Song Painting more confused, alarmed and asked: "Me?"

Yash Nics smiled and nodded: "Yes, because you recently won the agency for liver cancer

vaccines, you can foresee that your company must be a major taxpayer in Mannity City in

the future. Of course, the City Lord will give the already policy care.

"The land in Fenghuangchong did not have the potential to develop into a tourist attraction.

Of course, the City Lord was willing to follow the flow and change the nature of the land to

development land and allow the establishment of factories."

Song Pingting showed a dazed expression after listening to Yash Nics's explanation.

She felt that the city leaders had taken great care of the development of local enterprises.

At the same time, she smiled and said to Yash Nics again: "But, this time the biggest credit is still you."

"If you didn't contact the city respect in time, this matter would not be resolved so quickly

and satisfactorily." The

two returned. Ningda Group Corporation, Song Pingting immediately convened a high-level

meeting of the company and announced the great news.

The fog and haze that hung over the Ningda Group suddenly disappeared, and everyone

cheered.

I thought that the company would fall into the trap of bad guys and be miserable.

But I didn't expect the old hen to turn into a duck in the blink of an eye, and the loss-making

business turned into a profitable business.

The company only used 1 billion yuan to obtain a piece of land worth 2 billion yuan. This

news spreads, and it is estimated that the company's stock price will rise again.

The land use problem has been solved, and the establishment of a pharmaceutical factory requires intensive preparations.

The One and The Only Chapter 259

evening, Yash Nics and Song Pingting returned home.

At dinner, Song Zhongbin anxiously asked about Song Pingting's purchase of land.

Song Pingting chuckled and said, "There is good news for this matter, and it has been successfully resolved."

Song Pingting said, telling everyone what happened.

Song Zhongbin and the others listened, and their hanging hearts were all put down, and they

all smiled, saying that it was really blessed by God.

Only Tong Ke stared at Yash Nics and thought: What kind of city respect takes care of local

enterprises, do you believe this explanation. If I didn't guess wrong, it must be the

brother-in-law who did it personally. What the brother-in-law said, would the city veteran not listen?

Brother-in-law is really amazing!

Song Pingting smiled and said, "Tomorrow the pharmaceutical factory is about to begin

construction. I have no suitable candidate for the position of factory director."

Yash Nics immediately said, "Is there no suitable candidate, isn't there one in front of me?"

Song Pingting Hearing Yash Nics's words, she thought that Yash Nics would be the director

of the pharmaceutical factory. She looked at Yash Nics in surprise: "You?"

Yash Nics shook her head after hearing this, "No, no, I can't manage the factory. I It's too strict."

Yash Nics is not telling a lie. If he were the director of the factory, he would be as strict as a military factory, and the employees of the factory would have to run away.

Song Pingting wondered: "It's not you, who is it?"

Yash Nics pointed to his father-in-law Song Zhongbin next to him, and smiled: "Dad is a

factory manager. Dad studied the Department of Management back then, and he was still

working at Tianzi Company. To be a general manager, one must have academic

qualifications, experience and experience, and he will definitely be able to do the job as a

factory director."

Song Zhongbin was really excited when he heard Yash Nics's words!

It's my son-in-law who knows himself and knows his ambition is not old.

However, he looked at Song Pingting anxiously, and said nervously: "I'm actually not too old,

and I want to find something to do, but I don't know if I can do it for the position of factory

director?"

Ma Xiaoli also tolerated.

She kept saying to her daughter, "Or, give your dad a chance to try it?"

Song Pingting smiled,

she smiled: "Yash Nics and mom do you believe in the ability of your dad.

I'm a daughter, it's

more natural. Believe, Dad, the position of factory manager is yours."

The

family cheered, and even Song Qingqing joined in the fun and said,

"Grandpa is the factory

director, and grandpa is the factory director..."

Song Zhongbin was full of excitement. , Pulling Yash Nics, this good

son-in-law, drank a few

cups in a row, I was really happy.

After dinner, Song Zhongbin and Ma Xiaoli took Song Qingqing out for a walk. This is a habit

that Song Zhongbin and Ma Xiaoli have developed over the years.

But less than half an hour after they went out, Ma Xiaoli called Yash Nics and Song Pingting.

Ma Xiaoli cried on the phone and said, "Xiaoting, your father was beaten and he was

covered in blood. Hurry up. Come on..."

Song Qingqing's cry was heard on the phone.

Yash Nics, Song Pingting, and Tong Ke were all taken aback, and they hurriedly asked about

the location, and then hurried over.

Yash Nics and a few rushed to Yanjiang Road, and then saw Ma Xiaoli assist Song Zhongbin

sitting on a roadside chair.

Song Zhongbin's face was full of blood, Ma Xiaoli's face was anxious, Song Qingqing stood

beside him crying in fright, and there were many passers-by pointing.

Yash Nics hurriedly stepped forward. Yash Nics checked Song Zhongbin's injuries as soon

as possible. Song Pingting was so anxious that her tears were

rolling, and she asked: "Parents, how did this happen?" Ma Xiaoli said,

"We just walked and

saw A group of people touched a car with porcelain. Your dad couldn't see it, so he stepped

forward and scolded the behavior of those who

touched the porcelain." "But your dad did this and directly stabbed Ma Fengwo. The people

who touched the porcelain, hit I hurt your dad and ran away."

Song Pingting watched how her father was beaten, with tears rolling in her eyes, and she

blamed: "Dad, if you are old, you can secretly call the police if you have anything to do. You

are so

aggressive ." Ma Xiaoli was also distressed. Said: "That's right, the guy who beat me ran

away, even the car that was hit by the porcelain ran away. Not only did he suffer pain, but he

also had to pay for his medical expenses."

Yash Nics checked Song Zhongbin's injuries. He raised his head and said:

"The soft tissues

of the bridge of the nose have been seriously injured, and there are many bruises on the

body. I have to send to the hospital for treatment.”

Song Zhongbin was furious. He grabbed Yash Nics’s and said angrily:
“Yash Nics, was caught at the door of the house. People beat up like this, I can’t swallow this breath. Can you find the guy who beat me and punish them?”

The One and The Only Chapter 260

Song Pingting said with a wry smile: “Dad, Mannity City is so big, how can Yash Nics find a few gangsters who beat you?” Ma Xiaoli

also said, “Yes, I can only call the police and try. , But it is estimated that people will not

care about such small things.” Song Zhongbin was aggrieved: “That means I was beaten in

vain ?” Yash Nics comforted: “Dad, don’t worry, let Xiao Xiao Ting first sent you to the

hospital for treatment. When I turned around, I caught the gangsters who beat you, and took

them to the hospital to vent your anger.”

Song Zhongbin was shocked when he heard the words, “Good son-in-law, what you said!”

Song Piting drove. , Go to the hospital with Ma Xiaoli, Song Zhongbin, and Song Qingqing.

Tong Ke stayed and wanted to accompany Yash Nics to find the gang of gangsters.

Yash Nics took out his mobile phone and called Dianchu: “You help me use the Skyeeye

network monitoring system to find out who hurt my father-in-law?”

Dianchu: “Yes!” In

less than three minutes, Dianchu has The news.

He told Yash Nics that it was a group of Mannity city gangsters who wounded Song

Zhongbin.

There are a total of seven people, nicknamed the seven wolves.

The guy headed by the seven wolves is named Han Bin and his nickname is Black Wolf!

Dian Chu sent over the photos of the seven gangsters.
He also told Yash Nics that the black wolves are now near Tianhe Square.
Yash Nics squinted his eyes and said, "Okay, I see."
Yash Nics motioned Tong Ke to get in the car. The two drove a BMW 7-series and soon came to Tianhe Square.
Just wondering where to find a few black wolves, suddenly a figure suddenly appeared from the side of the road.
Yash Nics suddenly braked subconsciously. In Tong Ke's exclamation, although Yash Nics's car stopped in time, the man also fell in front of Yash Nics's car. Suddenly jumped out, obviously there was no collision, but the other party fell down?
Yash Nics and Tong Ke looked at each other, and they both looked surprised in their eyes.
They also met Bangci?
Sure enough, before the two of them got out of the car, several men of different shapes appeared and surrounded their car.
These people have fierce faces. The guy in the lead is tall, muscular, and dark-skinned. He slapped the car window vigorously, and said viciously: "Next time, how the hell are you driving, hit my brother."
Chen When Ning got off the car with Tong Ke, he noticed that there were exactly seven people, including the guy lying in front of the car.
Looking at the appearance of the seven, it was the seven punks who injured Song Zhongbin, nicknamed the seven wolves.
Lying on the ground, the kid with white hair, nicknamed White Wolf. And the one who slapped the car window just now was the leader of this gang of punks, Black Wolf.

This is really no effort to find a place to break through iron shoes!
Yash Nics looked at the black wolf with a faint smile, and said lightly:
"Did I run into your

brother? Where did he hurt?" As soon as Yash Nics's words fell, the white wolf lying on the ground in front of Yash Nics's car, immediately let out his voice intentionally. Called: "My foot, my left foot is broken!" The black wolves surrounded Yash Nics and pointed at the white wolf on the ground, and said loudly: "See you, you broke my brother's foot. . " " really? I look! "

Ning said, went in front of the White Wolf lying on the ground, raised his foot gently toward the White Wolf kicking go.

Yash Nics's foot seems to be light and flirty, but in fact there is a strong hidden power.

Yash Nics's foot gently kicked the white wolf's left foot, and the bone of the left foot of the white wolf was directly broken.

The white wolf wailed in an instant: "Ah! It hurts, it hurts me to death...Ah, I really broke my foot..." When the black wolf saw his brothers, he was a little bit astonished.

Everyone could see that Yash Nics was just kicking the white wolf with a light lift. How could it be possible to kick the foot off with such a light movement!

The guys in Black Wolf couldn't help thinking: Hey, the acting skills of Old Seven are getting more and more realistic, pretending to be like a broken leg.
